5. As a result of my former employment, and in furtherance of my current employment, I have appeared as an expert witness in numerous courts throughout the United States, having been admitted as an expert witness in the areas of immigration law, immigration enforcement, immigration fraud, immigration marriage fraud, visa fraud, Violence Against Women Act fraud, and as a forensic document analyst. 6. I have personal knowledge of all of the facts and circumstances described herein below and will testify in open court to all of the same.

7. From my personal experience having dealt with the verification of social security numbers being used by illegal aliens in violation of law, when there is a need for verification of the legitimacy of a Social Security number, certain information can be, and is routinely, obtained from the Social Security administration on questionable social security numbers that is permitted to be released under the Privacy Act. This information is of non identifying nature and includes, but is not limited to:

- a. The exact date that the social security number in question was issued;

If the Social Security Administration should refuse to provide the requested information, a court order directing the release of the aforementioned non identifying information would be useful and beneficial in determining if a particular social security number was being misused in violation of Title 42 United States Code, Section 408(a)(7)(B), a felony cognizable under the laws of the United States.

9. I swear under the penalties of perjury that all the facts stated and circumstances described above are true and correct to the best of my knowledge and belief.
