Joint petition by Attorney Dr. Orly Taitz, Mr. Ron Wong, resident of Honolulu, Hawaii, as well as State Representative of the State of New Hampshire, Larry Rappaport

PETITION UNDER HAWAII ELECTIONS LAW §3-172--3 and demand for an emergency hearing under §3-171-4

COMPLAINT UNDER §19-3 ELECTIONS FRAUD

I. §3-171-3 Adoption, amendment, or repeal of rules.

When pursuant a petition therefore , or upon the chief elections officer's own motion, the chief election officer proposes to adopt, amend, or repeal a rule, the rule shall be adopted, amended, or

repealed in according to procedures set forth in Chapter 91 and section 92-41, HRS

§3-171-4 Conduct of hearing. (a) The chief election officer shall afford all interested persons the opportunity to submit data, views, or argument.

(3)(b) The chief election officer or the designated representative shall conduct the public hearing

Petitioners demand a public hearing seeking modification of elections rules in order to close an existing loophole, which allows an inelligible candidate to put his name on the ballot as a candidate for the U.S. President in violation of the Naural Born Citizen provision. Petitioners are seeking to add a procedure allowing members of the public and U.S. voters to inspect identification records and eligibility records of the presidential and vice presidential candidates, in order to uphold and protect citizens inalienable civil and human right to lawful elections, free of fraud and forgery.

This issue came to light during the presidency of Barack Hussein Obama. Recently released passport records of his mother, Stanley Ann Dunham, show , that after her second marriage, Ms. Dunham took the last name of her second husband and went by the name Stanley Ann Dunham Soetoro. In 1968 Ms. Dunham Soetoro applied to renew her U.S. passport. On page 2 of her renewal application, under" Amend to include/exclude children", she excluded her son Barack Hussein Obama Soebarkah. (Exhibit 10 (a) Passport records of Stanley Ann Dunham with her dependent son listed under the name Barack Hussein Obama Soebarkah.)

Exhibit 10(b) shows Barack Obama's school registration in Indonesia, provided by the Associated Press and acknowledged by Mr. Obama. It lists him using his step father's last name Soetoro. It is common in South East Asia: Indonesia and India, to blend names together, which might explain Soebarkah, as a blend of Obama's last name by his step father, indonesian citizen Lolo Soetoro, and his first name Barack, to create a moniker, a blended name Soebarkah.

There is no record of Mr. Obama ever legally changing his name from Soetoro or Soebarkah to Obama. As such he cannot be on the ballot without ascertaining his legal name. One cannot run for the U.S. President under a name, which is not legally his. Until this recent release of Mr. Obama's mother's passport records, the name Soebarkah was not known and was not brought forward during the 2008 campaign.

Additionally, in his school registration records, his citizenship is listed as Indonesian, as such, as a foreign national, he cannot be the US President.

Additionally, Taitz found out that Social Security number 042-68-4425, which is used by Obama in his tax returns and his Selective Service registration, is not legally his according to E-Verify and Social Security Number Verification systems records, as well as the fact, that an alleged copy of his long form birth certificate, posted by Obama online on WhiteHouse.gov, represents a computer generated forgery and not a true and correct copy of the original document.

Taitz filed multiple legal challenges to obtain access to and inspection of the records in question, however Director of Health Loretta Fuddy and Registrar Onaka, as well the court system in HI are being complicit in the cover up of this forgery and elections fraud and refusing to allow inspection of the original birth certificate allegedly on file in lieu of the alleged copy

II. COMPLAINT UNDER §19-3 ELECTIONS FRAUD

ELECTION LAW COMPLAINT FORM, SEEKING TO REMOVE FROM THE BALLOT PRESIDENTIAL CANDIDATE FROM DEMOCRAT PARTY BARACK HUSSEIN OBAMA, II DUE TO SUSPECTED ELECTIONS FRAUD, LACK OF ELIGIBILITY, LACK OF PROOF OF NATURAL BORN US CITIZEN STATUS DUE TO LACK OF ANY LEGAL AND VERIFYABLE IDENTIFICATION DOCUMENTS AND DUE TO FRAUDULENT USE OF A CONNECTICUT SOCIAL SECURITY NUMBER 042 -68-4425, WHICH WAS NEVER

ASSIGNED TO HIM ACCORDING TO E-VERIFY AND SSNS, AND DUE TO USE OF A COMPUTER GENERATED FORGERY INSTEAD OF A VALID LONG FORM U.S. BIRTH CERTIFICATE, as well as use of a name, which does not correspond with official passport and school records of the candidate, where he previously used last names Soetoro and Soebarkah, not Obama.

§11-113 Presidential ballots. (a) In presidential elections, the names of the candidates for president and vice president shall be used on the ballot in lieu of the names of the presidential electors, and the votes cast for president and vice president of each political party shall be counted for the presidential electors and alternates nominated by each political party.

(c) All candidates for president and vice president of the United States shall be qualified for inclusion on the general election ballot under either of the following procedures:

(B) A statement that each candidate is legally qualified to serve under the provisions of the United States Constitution;

(d) Each applicant and the candidates named, shall be notified in writing of the applicant's or candidate's eligibility or disqualification for placement on the ballot not later than 4:30 p.m. on the tenth business day after filing. The chief election officer may extend the notification period up to an additional five business days, if the applicants and candidates are provided with notice of the extension and the reasons therefore.

(e) If the applicant, or any other party, individual, or group with a candidate on the presidential ballot, objects to the finding of eligibility or disqualification the person may, not later than 4:30 p.m. on the fifth day after the finding, file a request in writing with the chief election officer for a hearing on the

question. A hearing shall be called not later than 4:30 p.m. on the tenth day after the receipt of the request and shall be conducted in accord with chapter 91. A decision shall be issued not later than 4:30 p.m. on the fifth day after the conclusion of the hearing.

ALLEGATIONS IN THE COMPLAINT

1. Barack Hussein Obama, II is not a natural born citizen and is not qualified to be on the ballot as a Presidential candidate. In 2008, when Mr. Obama ran for the U.S. presidency, he was never vetted and he never provided any documentary evidence of his natural born status. Any challenger to his eligibility, including complainant herein was mobbed with allegations of racism coming from largely left leaning pro-Obama media. We have seen an unprecedented level of corruption in all 3 branches of the U.S. government and the government of HI, which allowed Mr. Obama to get into the White House without any valid identification papers.

2. The most staggering evidence, is Mr. Obama's lack of a valid Social Security number and his use of a fraudulently obtained Social Security number from the state of Connecticut, a state, where he never resided, which was never assigned to Obama, according to E-Verify and SSNVS

3. Complainant herein, is Dr. Orly Taitz, ESQ, attorney and doctor licensed in the state of California, who is an attorney admitted to the Supreme Court of the United States, 9th Circuit Court of Appeals and Third Circuit Court of Appeals. Dr. Taitz is a civil rights leader, who is fighting an unprecedented level of corruption in the government and courts in order to preserve an unalienable right of U.S. citizens to elect eligible candidates and vote in fraud free elections. Dr. Taitz is also a Republican candidate for the U.S. Senate 2012 in the state of California.

4. In 2009 Dr. Taitz received reports from licensed investigators Neil Sankey and Susan Daniels, which show, that according to most reputable national databases for most of his life Barack Obama used a Connecticut Social Security number 042-68-4425, issued in 1977, even though he was never a resident of the state of

Connecticut. In 1977, Social Security numbers were assigned according to the state where application were submitted. In 1977 Obama was nowhere near Connecticut, he was a student at the Punahoa school in Hawaii, where he resided. Additionally, national databases showed another birth date, associated with this number, a birth date of 1890. In around of 1976-1977, due to changes in Social Security administration, many elderly individuals, who never had Social Security numbers before, had to apply for their Social Security number for the first time in order to obtain Social Security benefits. It appears, that the number in question was assigned to an elderly individual in CT around March of 1977, the death of this elderly individual was never reported, and from around 1980-1981 this number was fraudulently assumed by Barack Obama. Exhibit 1, Affidavit of Susan Daniels

5. Taitz was a delegate at the Continental Congress Convention in 2009, where she had a discussion on the matter of Barack Obama's fraudulent use of the aforementioned Connecticut Social Security number with a recently retired senior deportation officer from the department of Homeland Security, John Sampson. Mr. Sampson provided her with an affidavit, attesting to the fact, that indeed according to national databases Obama is using a Connecticut Social Security number, even though there is no reasonable justification or explanation for such use by one, who resided in Hawaii in and around the time the Social Security number in question was issued. Exhibit 2 Affidavit of John Sampson.

3. In 2010, Barack Obama posted on line on WhiteHouse.gov his 2009 tax returns. As he posted those returns, he forgot to flatten the PDF file, so all of the layers of modification of the file became visible to the public. One of the pages contained Obama's full Social Security number 042-68-4425. Taitz received an affidavit from Adobe Illustrator program expert Chito Papa, attesting to the fact, that initially posted tax returns of Barack Obama contained Connecticut Social security number

042-68-4425. While the file was later flattened and the Social security number can no longer be seen, thousands of US citizens and individuals around the world were able to obtain the original file with the full Social Security number.

4. Taitz checked an official site for Selective Service SSS.gov. She entered name Barack Obama, date of birth 08.04.1961 (Obama's alleged birth date) and Connecticut Social Security number 042-68-4425, which Obama is using in his tax returns. She got a verification, showing, that Barack Obama registered for Selective Service, using this CT SSN. At this point she had three investigator reports and two US government documents, showing Obama using CT SSN 042-68-4425.

5. Taitz received an affidavit from a witness Linda Jordan, who ran a E-Verify check for the above Social Security number 042-68-4425. According to E-Verify, there is no match between Obama's name and the Social security he used in his tax returns and his Selective service application.

6. Taitz received an e-mail from a US Army officer, Colonel Gregory Hollister, whereby he did an independent check and found, that indeed Obama is using this Connecticut number 042-68-4425. He also, contacted SSNVS (Social Security Number Verification Systems) and found that the number Obama is using was never assigned to him. Exhibit 6. Additionally, there is a clear pattern of Social Security fraud by Obama's family members and close associates. Recently Obama's uncle Onyango Obama was arrested for drunk driving and found to be using for employment a Social Security number, even though he is an illegal alien and not allowed to work. Obama's aunt Zeutuni Obama was stealing tax payer

dollars by living in subsidized housing and using a state of Indiana-issued Social Security number, even though she is an illegal alien and was never a resident of the state of Indiana. Obama's close associate, mentor and co-board member from Annenberg Challenge, William Ayers, in his book "Fugitive Days" admitted to creating over a hundred fraudulent Social Security numbers using names of deceased infants, who did not get their Social Security numbers before their deaths. "After the Baltimore fiasco, stealing ID was forbidden. Instead we began to build ID sets around documents as flimsy as a fishing license or a laminated card available in a Times Square novelty shop called "Official ID." We soon figured out that the deepest and most foolproof ID had a government-issued Social Security card at its heart, and the best source of those were dead-baby birth certificates. I spent impious days over the next several months tramping through rural cemeteries in Iowa and Wisconsin, Illinois and North Dakota, searching for those sad little markers of people born between 1940 and 1950 who had died between 1945 and 1955. The numbers were surprising: two in one graveyard, a cluster of fourteen in another. Those poor souls had typically been issued birth certificates—available to us at any county courthouse for a couple of bucks and a simple form with information I could copy from the death announcement at the archive of the local paper—but they had never applied for a Social Security card.

Collecting those birth certificates became a small industry, and within a year we had over a hundred. For years I was a paper-made Joseph Brown, and then an Anthony Lee, remarkably durable identities. My on-paper official residences: a transient hotel in San Francisco and a warehouse in New York." Bill Ayers, Fugitive Days. Ayers had a whole business of forged social security card making. It is unfortunate, that the person, occupying the position of the U.S. president, was using and is using a bogus social security number.

7. For 3 years after his inauguration Obama refused to provide to the public his long form birth certificate. On April 27, 2011, when Obama posted his alleged long form birth certificate on line, just as with his tax returns, he originally did not flatten the file, which means that anyone with an Adobe Illustrator program on his computer could see layers of alterations in this alleged "birth certificate", which looked like a complete joke. Multiple long form birth certificates from 1961 are available. In those years green safety paper was not available and was not used. Other birth certificates, as one for Susan Nordyke, born the next day on August 5, 1961, in the same hospital, and signed by the registrar on August 11, 1961, show white paper with yellow aging stains, clear borders, raised seal and a lower serial number. Obama's alleged birth certificate is on a safety paper, which was not used in 1961, does not have a clear border, no raised seal and the serial number is higher, than the numbers issued later by the same registrar. Exhibit 9

8. Taitz received an affidavit from Adobe illustrator expert Chito Papa exhibit 7.

It showed layers of alteration of the alleged birth certificate. It showed a signature of Obama's mother Stanley Ann D. Soetoro, where it looks, like Soetoro (her married name by her second husband) was erased, whitened out and computer graphics was used to add "unham Obama" and a signature "Stanley Ann Dunham Obama" was created by pasting and filling the blanks with computer graphics.

9. Taitz received an affidavit from scanning machines expert Douglas Vogt. Exhibit 8. It shows further evidence of forgery, such as different types of ink used. Some of the document shows, as gray scale scanning, some as black and white scanning, some color. It shows different types of letters and kerning, meaning some letters encroaching into the space of other letters, which is possible only with computer graphics, not with a typewriter used in 1961. Numerous other parameters lead to the same conclusion, that the document in question is not a copy of a 1961 type written document, but a computer generated forgery, created by cutting and pasting bits and pieces from different documents and filling in the blanks with computer graphics. It appears, that Obama used a Social Security number of a deceased elderly individual, as well as a birth certificate number of a deceased infant. Research pointed to the fact, that one, Virginia Sunahara was born in Honolulu on August 4, 1961 and passed away the next day. Recently her surviving brother Dunken Sunahara demanded to see her long form birth certificate, but the department of Health denied the request, even though it came from a close relative. Department of Health provided Mr. Sunahara only with a computer generated short form birth certificate with a serial number, which was suspiciously out of sequence from all the other numbers issued to infants born August 4, 1961.

In spite of numerous demands, Director of Health, Loretta Fuddy refused to allow the inspection of the original birth certificate of either Obama or Sunahara in lieu of the alleged certified copy, and the Social Security administration refused to provide even a redacted application for CT SSN 042-68-4425, which Obama is

fraudulently using. It is imperative, that this office investigate not only Obama, but also director of Health Loretta Fuddy, registrar Alvin Onaka, Deputy attorney General Nagamine and former Chairwoman of the Democrat National Convention in 2008 Nancy Pelosi, who certified Obama's prior certificate of candidate, as well as Attorney General Eric Holder, Commissioner of Social Security Michael Astrue, and a number of judges involved in this affair, for purpose of criminal prosecution for conspiracy to commit fraud, uttering of forged documents, alteration/forgery of documents, elections fraud and Social Security Fraud.

10. Based on all of the above, Obama does not have any valid identification papers, which are necessary to be a candidate on the ballot, running for the US Presidency, based upon New Hampshire elections law 655-17 and on Article 1, section 2 of the U.S. Constitution.

11. Additionally, many believe, that "Natural Born Citizen," as it is applied to the U.S. Presidency, means one born in the country regardless of citizenship of the parents. Taitz submits evidence, that from the time of the adoption of the constitution until today, the standard was: One born in the country to parents who are citizens, who do not owe allegiance to other nations.

The US Constitution was largely based upon the book "the Law of Nations" by Emer De Vattel, stating that Natural born citizens are ones born in the Nations to citizens (Emer De Vattel "The Law of Nations" p499, §212). A similar definition was used by John A. Bingham, creator on the 14th amendment, who stated during congressional hearings of the 14th amendment, that a "natural born citizen is born in the U.S. territories to parents, who didn't owe allegiance to other sovereignties". Similar definition was used in a case of *Minor v Happerset* 88 US, 162 (1875) heard by the Supreme Court. Lastly, in 2008 citizenship of John McCain was questioned as well due to his birth in the zone of the Panama canal. In a joint Senate Resolution 511, the Senate unanimously found Senator McCain to be

Orly Taitz ESQ, demand for hearing to be conducted by the Chief Elections officer state of HI

Natural Born U.S. citizen. The Senate used the same Vattel two prong test and found McCain to be eligible for presidency due to the fact that he was born in the Panama Canal zone to two parents, who were U.S. citizens. Obama's father was never a U.S. Citizen. He never even had a "Green Card". He was in U.S. for a few years, on a student visa and as such, Obama did not satisfy either one of the two prongs of the test for natural born status. Even if this office was to subscribe to a more liberal modern definition of a natural born citizen, Obama does not qualify as he never proved his birth in Hawaii and is using a computer-generated forgery instead of a valid long form birth certificate and he is fraudulently using a Social Security number, which was never assigned to him.

CONCLUSION

- 1 Petitioner is seeking an emergency hearing, under Hawaiian Revised Statutes §§3-171-3, 3-171-4 19-3.5
2. Petitioner is seeking an evidentiary hearing and production of the original long form birth certificate and microfiche copy of such original birth certificate of Barack Hussein Obama to be presented at the hearing by the Director of Health of Hawaii, Loretta Fuddy
3. Production of the immigration and naturalization and passport records of Mr. Obama, in order to ascertain, whether there was ever a legal change of name from Soetoro, Soebarkah to Obama
4. Original application to Connecticut SSN 042-68-4425, which Mr. Obama is using in his tax returns and selective service certificate, which is not assigned to him according to E-Verify

5. Modification of rules/ regulations for candidate eligibility verification/authentication, in order to stop elections fraud and forgery and assure the citizens of Hawaii and the United States integrity of the elections process
