Addendum to Subpoena

Senator Mikulski is a defendant in Grinols et al v Electoral College et al 12-cv-02997

On 01.03.2013 a Temporary Restraining order (TRO) hearing was held before the Chief Judge for the U.S. District Court for the Eastern District of California Honorable Judge England. Plaintiffs: Presidential Candidates and Presidential Electors were seeking a temporary restraining order seeking a temporary stay/injunction of certification of electoral votes for Candidate for the U.S. President Barack Hussein Obama in light of the complaint and over 100 pages of evidence (sworn affidavits of top law enforcement officials and experts) showing Obama using forged IDs: forged birth certificate, forged Selective service Certificate and a fraudulently obtained Social Security number, which was never assigned to Obama, as well as evidence of Obama using a last name, that is not legally his. Assistant US Attorney Ed Olsen claimed to represent members of Congress, which includes Senator Mikulski and moved United States District Court to deny the TRO.

TRO was denied and a motion for reconsideration was filed.

Upon denial of TRO Orly Taitz, Attorney for Plaintiffs, filed a petition with the US Congress to immediately investigate Obama for his use of forged IDs and a Connecticut Social Security number which was never assigned to him according to E-Verify and SSNVS and use of last name, which is not legally his. Multiple U.S. citizens signed this petition and Senator Mikulski received over 20,000 letters and e-mails from the U.S. citizens demanding investigation of Obama. Among those, who signed the petition was a constituent Joe Armour. Senator Mikulski sent a response Exhibit 2, where she stated "he (Obama) released a copy of his birth certificate and **it has been authenticated by experts.**"

In this subpoena Plaintiffs are seeking a certified copy of the alleged expert authentication that Senator Mikulski claimed to have received.

Additionally, plaintiffs were alerted by other defendants that the Justice Department (U.S. Attorney's office) never put them on notice in regards to the complaint and the TRO motion in this case and that the opposition filed by the US Attorney's office on their behalf was never authorized by them and was to the contrary to what they wanted to do.

As Such, Plaintiffs are requesting Defendant Barbara Mikulski to fill out an Urgent Demand for Verification Exhibit 3 and sign it to show, whether the U.S. Attorney's office advised her of the evidence of forgery and fraud in Obama's IDs and whether in spite of such evidence she indeed instructed them to oppose the motion for the TRO.

Federal Rule of Civil Procedure 45 (c), (d), and (e) (Effective 12/1/07)**(c) Protecting a Person Subject to a Subpoena.**

(1) Avoiding Undue Burden or Expense; Sanctions. A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The issuing court must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

(2) Command to Produce Materials or Permit Inspection.

(A) Appearance Not Required. A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) Objections. A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the issuing court for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) Quashing or Modifying a Subpoena.

(A) When Required. On timely motion, the issuing court must quash or modify a subpoena that:

(i) fails to allow a reasonable time to comply;

(ii) requires a person who is neither a party nor a party's officer to travel more than 100 miles from where that person resides, is employed, or regularly transacts business in person — except that, subject to Rule 45(c)(3)(B)(iii), the person may be commanded to attend a trial by traveling from any such place within the state where the trial is held;

(iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(iv) subjects a person to undue burden.

(B) When Permitted. To protect a person subject to or affected by a subpoena, the issuing court may, on motion, quash or modify the subpoena if it requires:

(i) disclosing a trade secret or other confidential research, development, or commercial information;

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party; or

(iii) a person who is neither a party nor a party's officer to incur substantial expense to travel more than 100 miles to attend trial.

(C) Specifying Conditions as an Alternative. In the circumstances described in Rule 45(c)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(ii) ensures that the subpoenaed person will be reasonably compensated.

(d) Duties in Responding to a Subpoena.

(1) Producing Documents or Electronically Stored Information. These procedures apply to producing documents or electronically stored information:

(A) Documents. A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) Form for Producing Electronically Stored Information Not Specified. If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) Electronically Stored Information Produced in Only One Form. The person responding need not produce the same electronically stored information in more than one form.

(D) Inaccessible Electronically Stored Information. The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) Claiming Privilege or Protection.

(A) Information Withheld. A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

(i) expressly make the claim; and

(ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) Information Produced. If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the court under seal for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(e) Contempt. The issuing court may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena. A nonparty's failure to obey must be excused if the subpoena purports to require the nonparty to attend or produce at a place outside the limits of Rule 45(c)(3)(A)(ii).

On April 15, 2010 Obama posted his 2009 tax returns on line. He forgot to flatten the PDF file and his full unredacted Social Security number xxx-xx-4425 became known to the public. This number immediately raised suspicions of Attorney Orly Taitz, as it started with 042, a digit combination which was assigned to the state of CT and Obama was never a resident of CT. E-verify and SSNVS showed that this number used by Barack Obama was never assigned to him. We have an individual sitting in the WH as the US president and Commander-in-Chief, in control of our nuclear arsenal, while using a stolen/fraudulently obtained Social Security number from a state where he never resided. Additionally, former Chief Investigator of the special investigations unit of the U.S. Coast Guard Jeffrey Stephan Coffman prepared a sworn affidavit for Attorney Orly Taitz showing that Obama's alleged application for the Selective Service is a forgery. According to 5 USC § 3328.one is forbidden from holding a position in the executive branch if he did not register for the Selective Service. Obama never legally registered for the selective service, as his application is a forgery, as such he is forbidden to work as a President in the White House or as a janitor in the White House. According to Obama's school registration in Indonesia he is a citizen of Indonesia. According to his mother's passport records his legal last name is Soebarkah. According to sworn affidavits of the Sheriff of Maricopa county, AZ and multiple experts Obama's alleged birth certificate is a computer generated forgery. Attorney Orly Taitz and her supporters, law abiding U.S. citizens, demand that the U.S. Congress do not engage in treason and do not cover up Obama's usurpation of the U.S.

Dear Mr. Armour:

Thank you for getting in touch with me. It's nice to hear from you.

I appreciate knowing of your concern over a rumor that President Obama is ineligible to serve as President because he is not a U.S. citizen.

The Fourteenth Amendment to the Constitution states that "all persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States." Since President Obama was born in Hawaii two years after it was admitted as the 50th state, he is a natural-born citizen. During the 2008 presidential election, he released a copy of his birth certificate and it has been authenticated by experts. Following Obama's overwhelming and undisputed victory in the 2008 presidential election, the Supreme Court has considered challenges to his citizenship and dismissed them as being without merit.

The President has recently released his long-form birth certificate. I hope that this document will address any concerns. You can see the document at:

Again, thanks for writing. Please do not hesitate to let me know if I can be of assistance to you in the future.

Sincerely,
Barbara A. Mikulski
United States Senator

EXHIBIT 3

URGENT DEMAND FOR VERIFICATION

On 12.12.2012 a legal action *Grinols, Odden, Judd, Noonan and MacLaren v Electoral College, President of the Senate, Congress, Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack Barry Soebarkah, Governor of California and Secretary of State of California* was filed by several Presidential electors and minor presidential candidates. The case number is 12-cv-02997 Presiding Judge Morrison C. England Eastern District of California. U.S. Attorney Benjamin Wagner and Deputy U.S. Attorney Edward Olsen made an appearance as attorneys representing U.S. Congress, President of the Senate, Electoral College and Barack Obama. A motion for a TRO (temporary restraining order) was filed by the plaintiffs to enjoin the certification of the electoral votes for Obama and enjoin taking of the oath of office by Obama pending adjudication on the merits of his legitimacy for the U.S. Presidency in light of the fact that he is using a Connecticut Social Security number 042-68-4425, which was never signed to him according to E-Verify and SSNVS, due to the fact that in his mother's passport he is listed under a different last name, Soebarkah, due to the fact that multiple experts and members of law enforcement found his Selective Service application and long form and short form birth certificates to be computer generated forgeries and a number of other reasons. U.S. attorneys Wagner and Olsen filed an opposition to the TRO. Their opposition means that each and every US congressman, U.S. Senator, each and every Elector; all 435 US representatives, all 100 Senators, all 538 Presidential Electors oppose adjudication on the merits of above issues and do not want to get answers to the questions essential to the U.S. National security prior to the inauguration. It came to the attention of the plaintiffs that a number of Defendants actually shared the concerns of the plaintiffs and did not know that the US attorneys represented them and opposed the motion for TRO. You are requested to fill out the questioner below and clarify whether you were aware of the facts and evidence provided with the complaint and that you authorized Wagner and Olsen to oppose the TRO.

Questions	Initial yes	Initial no
1. I was notified that U.S. Attorney Benjamin Wagner and Deputy Attorney General Edward Olsen(hereinafter Wagner and Olsen) are representing me in <i>Grinols et al v Electoral College et al</i> 12-cv-02997 Eastern District of California, presiding Chief Judge Morrison C. England (Attorney for Plaintiffs Orly Taitz, 29839 Santa Margarita, ste 100, Rancho Santa Margarita, Ca 92688 phone 949-683-5411, fax 949-766-7603 orly.taitz@gmail.com)		
2. I authorized Wagner and Olsen to file an opposition to TRO, opposing a stay of certification and a stay of taking the oath of office by Obama pending adjudication on the merits of the evidence of forgery in the Selective Service Certificate, long form birth certificate and short form birth certificate of Barack Hussein Obama, aka Barack (Barry) Soetoro aka Barack (Barry) obama Soebarkah and evidence of fraudulent use by him of Connecticut Social Security number 042-68-4425 by Barack Hussein Obama		

<p>3. Wagner and Olsen forwarded to me a sworn affidavit of the retired Chief Investigator of the Special Investigations Unit of the U.S. Coast Guard and former special agent for the Department of Homeland Security Jeffrey Stephan Coffman, where Coffman states under the penalty of perjury that the alleged application for Selective Service by Barack Obama is an altered document</p>		
<p>4. I was given by Wagner and Olsen the TRO motion, where it is explained that a male who did not register with the Selective Service and who does not have a valid registration for the Selective Service (not an altered or forged one, but a valid one) is disqualified from holding any position within the Executive branch of the United States government pursuant to 5 USC § 3328.</p>		
<p>5. I am aware that as part of their complaint plaintiffs provided 2009 tax returns for Barack Obama, which show him using a Connecticut Social Security number 042-68-4425, even though Obama was never a resident of Connecticut and according to E-verify and SSNVS this number was never assigned to Obama</p>		
<p>6. I have read sworn affidavits of Sheriff of Maricopa County Joseph Arpaio, Investigator Mike Zullo, Retired Senior Deportation officer John Sampson, licensed Investigator Susan Daniels attesting to evidence of forgery in Obama's birth certificate, Selective Service Certificate and Social Security card</p>		
<p>7. I viewed the video tape of the press conference by Maricopa County, AZ Sheriff Arpaio and Investigator Zullo, as well as sworn witness testimony of witnesses Susan Daniels, Linda Jordan, Douglas Vogt, Felicito Papa attesting to evidence of fraud and forgery in Obama's IDs</p>		
<p>8. I read the passport records of deceased Stanley Ann Dunham, the mother of Barack Obama, obtained under Freedom of Information Act, included with the complaint, showing Obama listed under the last name Soebarkah in his mother's passport records. I understand that one has to be sworn in under a correct legal name.</p>		
<p>9. I read the sworn affidavit of the assistant clerk of the office of the Registrar of Hawaii Timothy Adams stating that it was a common knowledge in the office of the Registrar of Hawaii that there is no birth certificate for Obama in any hospital in Hawaii</p>		
<p>10. I reviewed the biography of Barack Obama submitted by Barack Obama to his publisher Acton-Dystel in 1991 and kept on the official web site of Acton Dystel, where Obama stated that he was born in Kenya and raised in Indonesia. I understand that this biography was removed from the official web site of the publisher in 2007 when Obama decided to run for the U.S. President and needed to be a "natural born" U.S. Citizen</p>		

<p>11. I understand that Obama's alleged selective service certificate contains a two digit year stamp "80", while for over a hundred years all U.S. stamps have a four digit year, such as ""1980"</p>		
<p>12. I understand that Obama's alleged copy of his long form birth certificate contains letters of different shapes and different sizes, which is impossible when the documents is created with a type writer.</p>		
<p>13. I understand that not one single judge or jury or forensic document expert was allowed to see the original birth certificate for Obama, the original application for the Selective Service and the original application for the Connecticut Social Security number used by Barack Obama</p>		
<p>14. I understand that in his School registration in Indonesia in 1967 Barack Obama is listed as a citizen of Indonesia. I understand that there is no record of him changing his citizenship after returning to the U.S. from Indonesia and relinquishing his Indonesian citizenship. I understand that even if Obama/Soetoro/Soebarkah were to change his citizenship upon his return from Indonesia, he would be naturalized and not natural born citizen as required for the position of the U.S. President according to article 2, section 1 of the U.S. Constitution</p>		
<p>15. I understand that in his school registration in Indonesia Barack Obama is listed under the last name of his step father Soetoro. I understand that there is no record of Obama ever changing his name from Soetoro to Obama</p>		
<p>16. With full knowledge of above facts I authorized Wagner and Olsen to file an opposition to TRO, opposing a temporary stay of certification and a stay of taking the oath of office of the U.S. President by Barack Hussein Obama, aka Barack(Barry) Soetoro, aka Barack (Barry) Obama Soebarkah pending adjudication on the merits of the evidence of forgery in his Selective Service Certificate, his long form birth certificate and short form birth certificate, evidence of fraudulent use of Connecticut Social Security number 042-68-4425 by Barack Hussein Obama and other related issues</p>
