Dear friends,

I wanted to let you know about a new petition I created on We the People, a new feature on WhiteHouse.gov, and ask for your support. Will you add your name to mine? If this petition gets 25,000 signatures by February 12, 2013, the White House will review it and respond!

We the People allows anyone to create and sign petitions asking the Obama Administration to take action on a range of issues. If a petition gets enough support, the Obama Administration will issue an official response.

You can view and sign the petition here:
