

On February 23, we are calling on all Patriots to have rallies in support of the Second Amendment. The date, 2/23, is the most popular caliber of bullet 223.

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Nationwide Call to Action: We are asking patriots to unite and hold rallies for the Second Amendment. One of the best ways of holding a rally is on busy street corner. Pass out flyers at guns shows, shops, coworkers, and friends.

When: 12PM - 1PM

Where: Nationwide. Please go to Liberty.com and find a local event. You can search by zip code by clicking on the "filter" and entering your zip. If there is not an event near you, please consider holding your own street rally.

What to bring: Please bring signs and flags. If you live in an area in the South, you may want to bring some water.
