Friend --

Want to meet up with supporters in Laguna Niguel to watch President Obama's State of the Union address?

Here's your chance: Folks are getting together near you this Tuesday, February 12th, to watch the speech and talk about what's next for our movement.

After his speech, the President himself will be joining the conversation -- on a call with supporters like you at watch parties around the country.

[You should be a part of this.](#) Here are the details:

**What:** State of the Union watch party in Laguna Niguel

**Where:** 24276 La Hermosa Ave  
Laguna Niguel, CA 92677

**When:** Tuesday, February 12th
