Dear Mr. Thompson,

I have reviewed the documents that you brought to the Cumberland County Sheriff's Office on May 3, 2013. It appears that some individuals have spent a great deal of time documenting the crimes that you are alleging. However, the photocopied documents did not provide me with any evidentiary value because there is no way to verify the veracity of them.

My investigators will not be investigating any of these alleged crimes. Your documents do not provide bases for that. As well, our primary focus is criminal investigations within the Cumberland County area. Your request would be better handled by a Federal agency, if you believe that such a crime has been committed. Therefore, it would be my recommendation that you contact the Federal Bureau of Investigation as federal criminal investigations would be more in their commission than a County Sheriff's Office.

Best Regards,
