She needs your help to win the primary against RINO Damon Dunn, who was a registered Democrat in FL until he registered as a Republican in CA last year, and who listed Barack Obama as his role model in an interview given to Stanford Scout. The country needs just one constitutionalist Secretary of State to prevent another 2008 election fiasco of voter fraud and unqualified candidates.

Dr. Orly Taitz, Esq. was born and raised in the Communist Soviet Union and knows firsthand the bleakness of a totalitarian regime and deprivation of Constitutional rights. She is well known around the country as a Constitutional attorney with a case pending in Washington, D.C. on the unconstitutionality of the recent Health Care law and Mr. Obama's dual citizenship, refusal to present any of his original vital records, and other fraud.

Dr. Taitz is an attorney and a dentist and owns a successful dental practice. She is the President of Defend Our Freedoms Foundation and Editor of the OrlyTaitzEsq.com blog, where she writes prolifically. She has been a registered Republican in California for years. Dr. Taitz is married to her husband of 23 years and a mother to 3 sons, ages 20, 18 and 16. Her oldest son is graduating from an Ivy League university pre-med program next year and her younger sons are in the last years of High School.
