Debra Bowen  
Secretary of State  
1500 11<sup>th</sup> Street  
Sacramento, CA 95814

Dear Secretary of State Bowen:

Today I received the California Statewide Direct Primary Election Tuesday, June 8, 2010, Official Voter Information Guide, with Certification of Correctness signed by you. In reading through the Guide, I found that on page 40 the seven (7) candidates for the Secretary of State were listed (see exhibit A), however, in reading through the guide Orly Taitz's name was in the candidates on page 40 and her statement is not in the guide anywhere. Can you give me a reason for this omission? Secondly, looking on page 45 of the guide it shows that Damon Dunn has an address of PO Box 984, Willows, California (see exhibit B) which is about 513 mile North of his address (Irvine, CA) given on his Voter Registration Form dated March 13, 2010. Also on Mr. Dunn's Voter Registration Form (see exhibit C) it states that he was not a registered voter before his March 13, 2010 application was submitted. However, if you read the letter from Jean Marie Atkins, Director of Voter Administration in Florida (see exhibit D) you can read that Mr. Dunn documented that Mr. Dunn wrote to her attempting to have his Democratic voter affiliation removed from the Duval County database.

For the above reasons I am requesting that you immediately investigate these matters, include the correction for Orly Taitz's Statement in the guide, and provide me with a report on Mr. Dunn as soon as possible. Also, it is apparent by viewing the exhibits that voter fraud has been done by Mr. Dunn and I am demanding that he be removed from the June 8, 2010 Ballot because his falsified application to run for Secretary of State and California Voter Registration Form.

Sincerely,

Bruce Wiltse

Enclosures: (4) Exhibits A through D.

## REPUBLICAN PARTY CANDIDATE STATEMENTS

DAMON DUNN  
*Secretary of State*

P.O. Box 984  
Willows, CA 95988

California's government isn't working, and families and small businesses are paying the price. It's time to fix California. That's why Damon Dunn is running for Secretary of State. Born to a 16 year-old single mother, and struggling through deep poverty, Damon graduated from Stanford University, played in the NFL, and became a successful small business owner. Through his work with the Latino Educational Attainment Initiative, the Make a Wish Foundation, Fighting Giants Ministry, St. Augustine Soup Kitchen, and the Cops-N-Kids programs, Damon has provided hope and assistance to communities across our state. After retiring from professional football, Damon started his own successful business. However, as a businessman Damon quickly learned that government is often a barrier to economic growth and new jobs. As Secretary of State, Damon will focus on two areas: 1) improving California's business climate and 2) protecting ballot integrity as the chief elections officer. Businesses are leaving California and taking jobs to other states. The Secretary of State is in the unique position to meet with these businesses and learn what is causing them to leave. Damon will work to make the necessary changes in California law to keep jobs from leaving our state. In order to expand voter participation, Californians must have faith in the electoral process. Damon will work to pass the simple reform of requiring voter identification. People have to show identification to rent a movie; voters should be required to identify themselves when they vote. MIMI WALTERS  
*Treasurer*

[www.mimiwalters.com](http://www.mimiwalters.com)

Years of reckless spending and irresponsible budgets have driven our state to near bankruptcy. The career politicians are out of touch and out of ideas. This election is our opportunity to fix California's finances. Coming from a background in Business and Finance, I am appalled at the cavalier way our money is treated in Sacramento. As your new State Treasurer, I will *Oppose Tax Increases* and insist the legislature *Balance the Budget, Stop Wasteful Spending*, and get our fiscal house in order. As Chair of the Senate Ethics Committee, I've worked to restore accountability and integrity to state government. As Vice-Chair of the Senate Revenue and Taxation Committee, I've strongly opposed *every* irresponsible state budget that has come out of the legislature, budgets that have put our state into a financial crisis. I've fought *every* attempt to raise taxes. My tough stand on taxes and the budget has earned me the trust and support of the Howard Jarvis Taxpayers Association and the National Tax Limitation Committee. My professional career includes serving as an Investment Finance Executive for seven years, Mayor of my city, and member of the Senate. I'm a founder of the California Women's Leadership Association and have served on the Boards of the National Association of Women Business Owners and the American Cancer Society. As California Treasurer *I will protect you, the taxpayer, not the Sacramento politicians and special interests*. You can find out more at [www.MimiWalters.com](http://www.MimiWalters.com). I would be honored to receive your vote.

## EXHIBIT B

The law requires that the order of candidates be determined by randomized alphabet drawing. Statements on this page were supplied by the candidates and have not been checked for accuracy. Each statement was voluntarily submitted by the candidate and is printed at the expense of the candidate. Candidates who did not submit statements could otherwise be qualified to appear on the ballot.
