Dear Ms. Higgins,

I am requesting US Code 5 §552 FOIA disclosure of the following information in regards to a number of matters where the disclosure of information under US code 5 §552 FOIA is essential in the interest of US National Security and preservation of the 14 th amendment Equal Protections rights of the U.S. Citizens. A copy of this letter is being forwarded to the 36,000 outlets of U.S. and International media, Inspector General of the Department of Justice and Public Integrity Unit,

Requested information is as follows:

1. Official SS- 5 Social security application for Stanley Ann Dunham, mother of Barack Obama,(Exhibit 1) show it to be filled out in 1959, however on the bottom

of the card, the revision 7/65. What does 7/65 mean? Does it mean Revision date 7/1965?

2. What are the dates for the social security form SS-5 revisions?

3. Previously I requested release of Social Security number application 042-68-4425, issued in the state of CT in and around 1977 to an elderly individual born in 1890 and later assumed by Barack Obama. SSA refused to provide the application. Due to the fact that the full application was denied, I am requesting only partial information:

a. zip code to which the original card was mailed

b. gender of the applicant

c. date of the application

Please, see attached a sworn affidavit from a recently retired senior deportation officer of the department of Homeland Security John Sampson, attesting to the fact that it is a common practice to release partial SS-5 application. (Exhibit 2)

4. Research of the National databases shows that there were several individuals born between 1890-1896, who obtained Social security cards shortly before passing away, possibly for the purpose of receipt of the Medicare benefits. I am requesting a certified photocopy of the original applications for ss-5 for these individuals, as they are deceased and privacy concerns would not apply in regards to deceased individuals. Please see an enclosed check for the \$27 fee per copy, made payable to the Social Security Administration, attached to the request

Dear Dr. Orly Taitz, Esq.:

This is in response to your October 4, 2010 Freedom of Information Act (FOIA) request for the following items:

1. Blank Form SS-5s for 1958, 1959, 1976, and 1977;
2. Zip Code, gender, and date of application for 042-68-4425
3. Form SS-5 for Margaret Bossing;
4. Form SS-5 for Antoinette Demo;
5. Form SS-5 for Lillian Appleby;
6. The names of the persons who assisted the applicants, as well as the official who processed the Form SS-5s; and
7. Written confirmation concerning whether Social Security Administration records show that Harry C. Ballantyne or any other person made changes, alterations, additions, or amendments to records pertaining to Social Security numbers 485-40-5154, 042-68-4425, 042-68-4426, or 042-68-4427.

In addition to the above items, you asked the following questions:

8. The dates for the Form SS-5 revisions;
9. How Stanley Ann Dunham could fill out a Form SS-5 in 1959 that did not exist until 1965; and
10. An explanation of the anomalies and discrepancies in Stanley Ann Dunham's and Shirley Dunham's records.

We have in our possession four pages of information responsive to your request, which we can release to you. We have enclosed the Form SS-5s for Margaret Bossing (item 3), Antoinette Demo (item 4), and Lillian Appleby (item 5).

Page 2 – Dr. Orly Taitz, Esq.

In response to item 1, we have enclosed a blank copy of Form SS-5 from 1976. We were unable to locate copies of the Form SS-5 for 1958, 1959, and 1977.

In response to the information you requested in item 2, the Privacy Act of 1974 (5 U.S.C. § 552a) protects personal information about the Social Security number (SSN) holder maintained in a Privacy Act system of records. We can comply with your request for disclosure if we have the person's consent or if the FOIA requires disclosure. In this case, we do not have the person's consent. The FOIA does not require release of records if disclosure would constitute an unwarranted invasion of personal privacy. See 5 U.S.C. § 552(b)(6).

In determining whether Exemption 6 of the FOIA applies here, we must balance the public interest in disclosure against the privacy interest of the person whose records you are requesting. The Supreme Court set out certain guiding principles for such determinations in Department of Justice v. Reporters Committee for Freedom of the Press, 489 U.S. 749 (1989).

According to this Supreme Court case, the only public interest that agencies should consider is whether disclosure of the records would shed light on the way an agency performs its statutory duties. We may not consider the identity of the requester, but instead, we must consider the nature of the requested records. While we acknowledge the public interest in knowing how we administer the Social Security Act, we find that disclosure of records containing personal information about the SSN holder would not shed light on how we perform our statutory duties.

You have not identified any public interest that justifies disclosing the requested information. Furthermore, you could use the requested information to identify the SSN holder with reasonable certainty. Therefore, disclosure of such personal information would be a clearly unwarranted invasion of personal privacy, and the FOIA exempts such records from disclosure.

We do not maintain the information you requested in items 6 and 7. We do not maintain information on the names of the persons who may assist applicants or the names of employees who process the Form SS-5. In addition, we do not maintain information on the names of employees making any changes, alterations, additions, or amendments to Social Security records.

Items 8, 9, and 10 of your request were questions rather than requests for documents. The FOIA is a statute that provides access to Federal government agencies' existing documents and records. Although the FOIA provides access, it does not require agencies to answer questions or do research in order to respond. See Zemansky v. United States E.P.A., 767 F. 2 569 (1985) and Poll v. Office of Special Counsel, 208 F. 3d 226, n.2 (10<sup>th</sup> Cir. 1999).
