Complaint-Elections fraud
HAVA vioations

Dear Elections Board members

1. Indiana Code 3 -14-3 Defines Interference with free and fair elections as a class D felony

IC **3-14-3**
Chapter 3. Interference With Free and Equal Elections

IC **3-14-3-1**
Repealed
(*Repealed* by *P.L.3-1987, SEC.570.*)

IC **3-14-3-1.1**
Procuring or submission of false, fictitious, or fraudulent registration application; procuring, casting, or tabulating false, fictitious, or fraudulent ballot
Sec. 1.1. A person who knowingly does any of the following commits a Class D felony:
(1) Procures or submits voter registration applications known by the person to be materially false, fictitious, or fraudulent.
(2) Procures, casts, or tabulates ballots known by the person to be materially false, fictitious, or fraudulent.
As added by P.L.103-2005, SEC.32.

2. I and a number of other citizens have forwarded to the Secretary of State and the elections board attached herein documents, exhibits, court transcripts of witness sworn testimony and case files of evidence showing the following:

a. Sworn testimony of Mr. John Sampson, a senior Deportation officer with 30 years experience of work with fraudulent documents and immigrations fraud with INS, ICE and Department of Homeland Security. This testimony shows newly discovered evidence, that Presidential candidate Barack Hussein Obama is fraudulently using a Connecticut Social Security number 042-68-4425, which was issued in the state of Connecticut to an individual born in 1890. He also testified, that there is no valid birth certificate for Barack Obama, that an alleged copy posted by Obama on line, in order to convince U.S. citizens of his eligibility, bears multiple signs of

forgery. Specifically, certification on this alleged copy of the birth certificate is different from other certifications for birth certificates issued on the same day. The name of the registrar on Obama's birth certificate is different from the name of registrar, which is listed on other birth certificates issued at the same time in the same hospital. The serial number on Obama's birth certificate is out of sequence from other serial numbers on the birth certificates issued at the same time.

b. Testimony of one Linda Jordan, showing that Barack Obama's Social security number 042-68-4425 does not pass e-verify.

c. Testimony of Felicito Papa, information technology expert, graduate of Indiana technology institute in Indianapolis, IN attesting to the fact, that Barack Obama did not flatten (collapse) PDF files when he posted his tax returns in April of 2010 and when he posted the alleged copy of his long form birth certificate. The tax returns showed him using the Social Security number 042-68-4425, which was shown to be a number assigned to a resident of CT born in 1890, as attested to by other witnesses. Mr. Papa also testified that the PDF file of the alleged copy of the birth certificate showed it to be a computer generated forgery, created by compiling multiple documents.

d. Other testimony and affidavits show Obama being listed under the last name Soebarkah in his mother's passport records and under the name Soetoro in his school records in Indonesia. The same school registration from Assissi school in Jakarta Indonesia, where Obama studied in 1968, 1969 show his citizenship to be Indonesian. there is no evidence of Obama's citizenship being legally changed and his name being legally changed.

3. I personally submitted nearly three hundred pages of evidence to the Secretary of state of Indiana Jerald Bonnet and immediate past secretary Charlie White, as well as to the elections board.

4. I received e-mails from multiple citizens of the state of Indiana, see bellow. They stated, that they contacted the office of the Secretary of State of IN and demanded to remove Obama from the ballot for the same reason and were told to e-mail their complaints. A number of individuals were told to fill out Election fraud and Accessibility grievance form and e-mail it back to the Secretary of State.

Yesterday, Feb. 14, 2012 I re-filed my challenge with the Indiana Secretary of State per their instructions from my first filing. they also gave me a direct line to re-file.

You can submit your challenge to keep Obama off the 2012 Indiana Ballot by using this what I get back this time.

There is a contact email address for the Indiana SOS office:

constituent@sos.IN.gov

Anyone in the USA can contact them this way to show our support in this matter.

5. It appears, that all of those citizens were intentionally defrauded, as recently I received an e-mail from Brad King from the office of the Secretary of State, which stated, that none of the complaints submitted by e-mail or fax will be reviewed and none of the complaints filed using forms, that are different from CAN-1 form will be reviewed. Also, it appears, that employees of the office of the Secretary of State were intentionally misleading the voters, telling them to fill out the complaints, that will be ultimately thrown in the garbage. (see letter from Brad King, office of the Secretary of state below)

Dear Dr. Taitz: Thank you for your message. I have not seen the certified letter that you refer to, but perhaps it was addressed to the Secretary of State's office (rather than to the Election Division) and has not been forwarded to this office yet. Since I understand your letter to be a request to not certify the name of Barack Obama as a candidate on Indiana's Democratic Party primary ballot, I am responding accordingly. Indiana law requires that any challenges to a request for presidential primary ballot placement must be executed on the attached CAN-1 sworn affidavit. Indiana Code 3-8-1-2. If the candidate challenge is not submitted on the approved CAN-1 form, state law also requires that the filing be rejected. Indiana Code 3-5-4-8. Indiana law also prohibits filings of election forms (such as challenges to candidates) by use of fax or electronic mail. Indiana Code 3-5-4-1.7. As a result, if you do wish to file

this challenge, the Election Division must receive and file-stamp a completed CAN-1 form (attached) no later than noon this Friday, February 17. The Election Division's address is 302 W Washington Street, Room E-204 Indianapolis, IN 46204. Please note that merely postmarking is not sufficient – any document must be received in the office of the Election Division and file stamped by that date and time. If you have questions, please advise. Brad King Co-Director Indiana Election Division (317) 232-3939 (800) 622-4941 bking@iec.in.gov If a person is unclear concerning election law provisions, the Election Division can be used as an interpretive resource. However, where your legal rights are concerned, you must consult with your own attorney to be fully and properly advised.

6. Even if the election board is following a guideline of using CAN-1 form, the board is not exempt and has no right to ignore Election fraud (HAVA) forms or any other election fraud grievances, particularly after the office of the Secretary of State instructed citizens to submit such forms and instructed the citizens to submit the forms via e-mail.

7. Please, find attached a sworn declaration for representation of a citizen of Indiana, Mr. Swihart, who prepared form CAN-1 and submitted it to the Elections Board and requested for me to represent his ballot challenge before this committee.

Additionally, I am demanding the elections board to rule on my Election fraud complaint, as well as complaints of other citizens, who were directed to e-mail their complaints and fill out election fraud complaints.

8. By and through this grievance form the election board is put on notice that any ballot bearing the name of Barack Hussein Obama as a Presidential candidate, is indeed an invalid and fraudulent ballot. If members of this board and the Secretary of State of Indiana will allow Obama's name on the ballot, knowing all of the facts as described in the attached exhibits, each and every member of this board will be committing a felony in procuring and tabulated ballots with false and fraudulent information, as well as being complicit to uttering of forged/altered documents, elections fraud, wire fraud and possibly other related felonies. Just recently Charlie White, the Secretary of State of Indiana was removed from his position and convicted of 6 felonies for a minor violation of not updating his address on voter registration card. Citizens of the state of Indiana and this nation in general deserve impartiality and the same scrutiny in regards to the eligibility of Barack Obama.

9. Please, advise me, when I can present the complaint before the committee.

Respectfully,

/s/ Dr. Orly Taitz, ESQ
