Affidavit of Sheriff Joseph M. Arpaio  
of Maricopa county, Arizona

State of Arizona                    )  
  ) ss.  
County of Maricopa                )

**AFFIDAVIT**

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the facts are true:

1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, could testify competently thereto. I am the duly elected Sheriff of Maricopa County, Arizona, and I have been a law enforcement officer and official, in both state and federal government, for 51 years.
2. In August of last year, a group of citizens from the Surprise Arizona Tea Party organization met with me in my office and presented a petition signed by approximately 250 residents of Maricopa County, asking if I would investigate the controversy surrounding President Barrack Obama's birth certificate authenticity and his eligibility to serve as the President of the United States.
3. This group expressed its concern that, up until that point, no law enforcement agency in the country had ever gone on record indicating that they had either looked into this or that they were willing to do so, citing lack of resources and jurisdictional challenges.
4. The Maricopa County Sheriff's Office is in a rather unique position. Under the Arizona Constitution and Arizona Revised Statutes, as the elected Sheriff of Maricopa County, I have the authority to request the aid of the volunteer posse, located in the county, to assist me in the execution of my duties. Having organized a volunteer posse of approximately 3,000 members, I, as the Sheriff of the Maricopa County Sheriff's Office, can authorize an investigation go forward to answer these questions at virtually no expense to the tax payer.
5. The Cold Case posse agreed to undertake the investigation requested by the 250 citizens of Maricopa County. This posse consists of former police officers and attorneys who have worked investigating the controversy surrounding Barack Obama. The investigation mainly focused on the electronic document that was

presented as President Obama's long form birth certificate to the American people and to citizens of Maricopa County by the White House on April 27, 2011.

6. The investigation led to a closer examination of the procedures regarding the registration of births at the Hawaii Department of Health and various statements made by Hawaii government officials regarding the Obama birth controversy over the last five years.
7. Upon close examination of the evidence, it is my belief that forgery and fraud was likely committed in key identity documents including President Obama's long-form birth certificate, his Selective Service Registration card, and his Social Security number.
8. My investigators and I believe that President Obama's long-form birth certificate is a computer-generated document, was manufactured electronically, and that it did not originate in a paper format, as claimed by the White House. Most importantly, the "registrar's stamp" in the computer generated document released by the White House and posted on the White House website, may have been imported from another unknown source document. The effect of the stamp not being placed on the document pursuant to state and federal laws means that there is probable cause that the document is a forgery, and therefore, it cannot be used as a verification, legal or otherwise, of the date, place or circumstances of Barack Obama's birth.
9. The Cold Case Posse law enforcement investigation into Barack Obama's birth certificate and his eligibility to be president is on-going. The on-going nature of the investigation is due to additional information that has come to light since we held the press conference in March, 2012. As soon as that information has been properly verified by the Cold Case Posse, I will release that information to the public.

Executed this 12 day of June, 2012, in  
Maricopa County, Arizona.

## Affidavit

I, Douglas B. Vogt, am over 18 years old, do not suffer from any mental impairment, have personal knowledge in the following and attest under penalty of perjury that I have knowledge and expertise in documents, imaging, scanners and document imaging programs. Based on my knowledge and expertise the following is true and correct

### My Credentials

I have a unique background for analyzing this document. I owned a typesetting company for 11 years so I know type and form design very well. I currently own Archive Index Systems since 1993, which sells all types of document scanners worldwide and also developed document imaging software (TheRepository). I know how the scanners work. I have also sold other document imaging programs, such as Laser Fiche, Liberty and Alchemy. I have sold and installed document imaging systems in city and county governments, so I know their procedures with imaging systems and everything about the design of such programs. This will be important in understanding what has happened with Obama's Certificate of Live Birth.

Figure 1. Tiff image of the Obama's Certificate of Live Birth dated August 8, 1961, presented on TV 4/27/2011.

Figure 2. Another Person's microfilmed Certificate of Live Birth dated August 11, 1961.

### What I Discovered about Obama's Certificate of Live Birth and why it is a Forgery.

What the Obama administration released is a PDF image that they are trying to pass off as a Certificate Live Birth Long Form printed on green security paper by the County Health Department. The form is a created forgery for the following reasons.

1. **Curved and non-curved type.** The image we are looking at was scanned in grayscale and some part in binary which cannot be on the same image. The reason I know this is because of the shadowing along the gutter (left-hand side). It also means that the county employees who did the original scanning of all the forms, did not take the individual pages out of the post binders. The result is that all the pages in that book display a parallax distorted image of the lines and type. They curve and drop down to the left. If you look at line 2 (Figure 3) on the form that says *Sex* you will notice the letters drop down one pixel but the typed word *Male* does not. Also notice the line just below *Male* drops down 3 pixels.

Figure 3. Line 2 of the form. Baseline differences.

The second incident of this parallax problem is seen in line 6c *Name of Hospital or Institution* (Figure 4). The word *Name* drops down 2 pixels, but the typed hospital name, *Kapiolani*, does not drop down at all. And again the line just below drops down 2 pixels, but not the name *Kapiolani*.

Figure 4. Line 6c at 500%. The typewriter name of the hospital does not drop down 2 pixels.

The conclusion you must come to is that the typed in form was superimposed over an existing original Certificate of Live Birth form from the county. In fact, since I found some of the form headings scanned in as binary and grayscale, the form itself is a composite but the person who created it did not flattened the image of the blank form and save it as one file before they started placing the typewriter text on the composite form. The individual(s) who perpetrated this forgery could not evidently find a blank form in the clerks imaging database, so they were forced to clean up existing forms and overlay the typewriter type we see here. The forger was also looking for certificates with the correct stamped dates and that is why I think they used more than one original form. At first I wondered why the forger didn't just typeset the entire form from scratch and overlay the type and not have to worry about the parallax problem. Then I remembered that in the early

1960s there was no phototypesetting and this form was set in hot metal from a linotype machine. The type design is Times Roman but they could never replicate the exact design. They were stuck having to use existing forms that were scanned in using binary and grayscale.

2. There is a white haloing around all the type on the form. Figure 5 is an example of this. This effect should not appear on a scanned grayscale image. Figure 6 is a grayscale image scanned in at 240 dpi. You will notice that there is no haloing effect around the type and also the security pattern is seen through the type. Figure 7 is a color image where you can clearly see the security green color through the type and no haloing. Figure 8 shows a Black and White (binary) image of the same type. The important thing to remember is that you cannot have grayscale and binary on the same scan unless the image is a composite. That means that different components of the whole image are made up of smaller parts. Figure 9 is an enlarged version of Figure 6 showing what grayscale letters should look like compared to binary.

Figure 5. Obama's form

Figure 6. Grayscale. Figure 7. Color image.

Figure 8. Binary image.

Figure 9. An enlarged version of Figure 6 showing grayscale type.

3. The Obama Certificate is loaded with both binary and grayscale letters which is just another smoking gun that this form is a forgery. It appears the lines and some of the boxes were scanned using grayscale, but only some of the form headings were grayscale and sometimes it is only some letters. Figure 10 and Figure 4 give one example. You will notice that the *H* and, *al*, in Hospital, *I* in Institution, (*H* and again the *h* and *l* in hospital were grayscale images, but the rest of the line is binary. The typewriter line below was scanned in as a binary image. I can also tell you for certainty that the form type was scanned in at a lower resolution ( $\leq 200$  dpi). This is because of the size of the pixels on the letters were such that the openings on the *a* and *s* on the first line are not visible and filled in.

Figure 10. showing a mixture of grayscale and binary type on the same line.

Another example is found in form box 1a, his name *BARACK*. For some reason the "R" is a grayscale image and the rest is binary (Figure 11). That means the "R" was originally on the form and the rest was not until it was added.

Figure 11. Another example of grayscale and binary on the same line.

Another example is the Certificate number itself (Figure 12). The last "1" on the form is a grayscale image but the rest of the numbers are not. This is just another example of a cut and past job. It also means we do not know what the real Certificate number is if there even is one. There are other form boxes that display the same feature, boxes: 5b, 7e, 11, 13, 16, 18a.

Figure 12. The last "1" is grayscale, but the rest are binary.

**4. The Sequential Number is a fraud.** I would like you to refer back to Figures 1 and 2. You will notice that Barack Obama was supposed to have been born on Friday at 7:24 p.m. August 4, 1961 and the local registrar accepted it on Tuesday August 8, 1961 and hand stamped the Certificate number "61 10641." Then notice that the other Certificate of Susan E. Nordyke was born on Saturday at 2:12 p.m. August 5, 1961 and another registrar date stamped it on August 11, but her Certificate number is "61 10637." Keep in mind there would be only one bates stamp machine in the office so the numbers would all be unique. There cannot be any duplicates so every Certificate has a unique serial number. Obama's Certificate would have most likely been mailed on the following Monday, the 7<sup>th</sup> and received by the Clerk Tuesday the 8<sup>th</sup>. Susan Nordyke's Certificate looks like it was mailed sometime earlier that week and not accepted until the 11<sup>th</sup> but she has a Certificate 4 numbers less than Obama's. It is impossible to have Obama's Certificate number to be four numbers higher than a Certificate that came in 3 days later.

The facts I have shown you in #3 and 4 tell me several things about how this forgery was assembled. 1. Some person(s) in the Health Department, who had access to the document imaging program, search the database for someone close to the actual birth date of Obama and found someone near the 4<sup>th</sup> of August. They may have cross referenced the death database to find someone who had died and had a birth date close to Obama's. If you remember, the Federal Government wanted the States to cross reference the birth and death databases so the database would have that information. 2. The date stamps have two different colors and sizes (see #5 below) which indicates that both dates came from different Certificates. 3. More than one person is involved in the Hawaii Department of Health to assemble the different components that were used, do the database searches to find the right Certificates to create President Obama's fraudulent Certificate of Live Birth and finally sign the fraudulent certificate. I believe that after all the components were

assembled they were then given to a graphic artist to actually assemble the whole thing and create the finished forgery. In short this was a conspiracy to defraud the United States.

**5. Two different colors and font sizes in Form box 22 and 20 Date Accepted by Reg. General.** What is very revealing about this box and date entry is there are two different colors on both lines. Both lines were scanned using binary mode, but I see two different colors (Figure 13). What I think this is showing us is that the person who put this fraud together was looking for a form that had the right date namely "August 8 19 1." As you can see the only things that are printed in dark green (R=71, G=92, B=73) are "Date A" and "AUG -8 6." The rest of the type is in black. This tells me that the forger was working in color mode. Finally the Font size of the rubber stamp in box 22 is larger than the stamp used in box 20. This is unlikely because the same rubber stamp would have been used by the same registrar to stamp the dates in both places and sign the form in box 21. Since we have two size letters and numbers, that means these elements were taken from two separate forms that may have been years apart using different rubber stamps.

Figure 13. Two different colors, dark green and black.

The same thing is found in form box 20 "Date Accepted by Local Reg." Figure 14 again shows that the date has two different colors. The "AUG -8 196" is in dark green (R=87, G=111, B=87) and the "1" is in black. Yet again another irrefutable proof this form is a forgery. Form box 17a displays the same two color image in the word "None". The "Non" is in dark green.

Figure 14. Another example of two colors on the same line.

**6. Multiple layers in the PDF file from the White House.** I am not the first one to find this fact and they deserve the credit for discovering it. What they discovered is that when you open up the PDF file in Adobe Illustrator and you turn on layers, you see a long list of nine different layers that correspond to different sections of the form, including the signatures on the form. I discovered using just my Adobe Acrobat 8 Standard that I could also see the different components disappear when I enlarged the image to just 400% and used the "hand" tool to quickly move around the image. When I moved the image fast, the various type components would disappear from the form but the lines stayed just as I had concluded.

**A Rebuttal to the Discovery of the Multi Layers Found in the PDF File.**

The only rebuttal to the nine layers discovered in the PDF file released by the White House was a statement from a Canadian graphic artists from Quebec by the name of Jean-Claude Tremblay on April 29. It was reported by Fox News on their web site at:

<http://www.foxnews.com/politics/2011/04/29/expert-says-obamas-birth-certificate-legit/>.

He tries to excuse the multi-layers as merely an artifact of an OCR (Optical Character Recognition) engine and then saved as a PDF. There are two major reason he is wrong and I know from his statement he knows nothing about OCR engines and how they work and their file structure. First of all the Obama PDF certificate was supposed to have come directly from the Health Departments office. As stated before, the records they have would have absolutely no reason to be OCRed and if they were asked to give the customer a PDF image it would be from their existing TIFF image stored in their document imaging program on the server. The program would have done no OCR processing at that time.

My qualifications on OCR programs are considerable. Our own document imaging program, TheRepository, has an OCR option from Expervision that is called TypeReader. We integrated TypeReader into our program but to do this we had to sign a non-disclosure statement with them and then we got their Took Kit and API. When an OCR program saves a file as a searchable PDF, the file contains three main files within it. The first file is an image file, usually a compressed Group4 TIFF. The second file is a ASCII text file and the last file is a matrix file that contains the X and Y coordinates of all the words in the document. The Starting point for the image file and the matrix file is usually the upper right-left hand corner of the image measured in pixels. The test file and matrix files would never be seen as separate layers and there is certainly no nine layers. The three files would be in a PDF "wrapper" and that's all. All OCR programs work on the same principle.

**Conclusion**

The Certificate of Live Birth Obama presented on television on Aril 27, 2011 is a forgery.

1. I am a professional web developer having graduated with a bachelor's degree in IT at ITT Technical Institute in Indianapolis, IN.
2. I have over ten years of experience of web designs and development and have often used software such as Adobe Photoshop and Adobe Illustrator.
3. I downloaded from the official Whitehouse website, [www.whitehouse.gov](http://www.whitehouse.gov), April 27, 2011, the new birth certificate of Barack Obama II: [http://www.whitehouse.gov/sites/default/files/rss\\_viewer/birth\\_certificate\\_long\\_form.pdf](http://www.whitehouse.gov/sites/default/files/rss_viewer/birth_certificate_long_form.pdf)
4. I observed that the birth certificate pdf file could be opened with Adobe Illustrator and the software revealed that this document has many layers of images on it. This indicates that the document was not a true copy of the original birth certificate, but a recently created document using Adobe Illustrator.
5. I further observed that this document does not have an embossed seal normally affixed by civil registrars to attest to the authenticity of government issued documents.

**AFFIDAVIT**

In the State of Kentucky, County of Warren, this affiant being duly sworn, deposes and says that he is Timothy Lee Adams, residing at 1132 Fairview Avenue, Apt. F, Bowling Green, KY 42101 and that the statements below are true concerning his employment at the City and County of Honolulu Elections Division in Honolulu, Hawaii:

1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Senator Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie has asserted and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on August 4, 1961.
7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.
8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

Civil Action:

**Affidavit of John N. Sampson**

1. My name is John N. Sampson. I am over 18 years of age, am of sound mind and free of any mental disease or psychological impairment of any kind or condition.
2. I am a citizen of the United States of America, I am 58 years old, and was born in Jackson Heights, Queens, New York and raised in the State of New York.
3. I am the Chief Executive Officer, Owner, and Operator, of CSI Consulting and Investigations LLC, a consulting and private investigative firm registered with the Secretary of State of Colorado as a Limited Liability Company pursuant to the laws of the State of Colorado. The company was formed in the State of Colorado on January 2, 2009 and is in good standing with the Secretary of State of Colorado. Colorado does not have any licensing requirements or provisions for private investigators.
4. I have personal knowledge of all of the facts and circumstances described herein below and will testify in open court to all of the same.
5. On, or about, November 16, 2009, Orly Taitz, the attorney who is prosecuting the above captioned matter, requested that I access LocatePlus, a commercial database that I subscribe to,

which is located in the State of Massachusetts, and with whom I have a user agreement, and requested that I obtain any and all legally available information relating to U.S. Social Security number [REDACTED]-4425.

6. On, or about, November 16, 2009, pursuant to the aforementioned request by Orly Taitz, I requested from LocatePlus, any and all legally obtainable information relating to SSN [REDACTED]-4425.

7. As a result of this inquiry, I came to learn that Plaintiff Barrack Hussein Obama, has used this Social Security number since at least from June 1, 1986 to present. A detailed report was generated showing family relationships, past residence history, real property owned by Mr. Obama, and other detailed information to include, but not limited to, driver's license information, telephone numbers associated with Mr. Obama, and people possibly related to Mr. Obama.

8. This information was obtained pursuant to a legitimate and permissible search under the user agreement I have with LocatePlus. This request was made in connection with a pending civil action, which is one of the expressed permissible purposes to conduct such an inquiry through LocatePlus, as well as a possible criminal violation of United States law, and possible fraud.

9. As a result of this search and the results that were obtained, on or about November 17, 2009, I accessed a public access database named "SSN Validator" at <http://www.ssnvalidator.com/>. The information this site provided me was that SSN [REDACTED]-4425 was issued by the Social Security Administration based upon an application filed for a Social Security Number in the State of Connecticut between the years 1976 and 1977.

10. Based upon information and belief, Plaintiff Barrack Hussein Obama has never had a direct connection with the State of Connecticut and has never claimed residency in the State of Connecticut.

11. I am a recently retired Senior Deportation Officer of the United States Department of Homeland Security, Immigration and Customs Enforcement (DHS ICE) having retired on August 30, 2008.

12. As a result of my formal training as an immigration officer, conducted at the Federal Law Enforcement Training Center (FLETC), located in Brunswick, Georgia, and advanced training received at FLETC in Artesia, New Mexico and elsewhere during my 27 year career, as well as my professional experience spanning 27 years of federal law enforcement, it is my knowledge and belief that Social Security Numbers can only be applied for in the State in which the applicant habitually resides and has their official residence.

13. During the period between January 1, 1976 and December 31, 1977 inclusive, it is my knowledge and belief that Barrack Hussein Obama habitually resided solely within the State of Hawaii and was between the ages of 14 and 16 during the time period stated above. During that period of time, based upon information and belief, Mr. Obama resided with his maternal grandparents, Madelyn and Stanley Dunham in the State of Hawaii.

14. On or about February 2, 2010, I received an email from a person identifying himself as "Jim Russo", Operations Manager for LocatePlus, 100 Cummings Center, Suite 235M, Beverly, MA, 01915, requesting that I contact him regarding my account.

15. On or about February 3, 2010, I telephoned Mr. Russo at 978-921-2727, extension 319 and inquired as to why he wished to discuss my account. At that time, Mr. Russo stated that LocatePlus had noticed I had conducted what he called a "celebrity political figure" inquiry and wanted to know why I had done so and which permissible reason pursuant to the user agreement I was under with LocatePlus pertained to my making my inquiry.

16. I told Mr. Russo that I was a private investigator in the State of Colorado, that I had been tasked by Dr. Orly Taitz, an attorney in California who was prosecuting a civil suit involving Mr. Obama and that I had emails and other documentation that I could send him verifying that fact. Mr. Russo stated that he would appreciate it if I would send that information to him which I did on or about February 3, 2010. He assured me at that time that if I were to provide this information to him it would resolve any "issues" LocatePlus may have regarding my inquiry into a "political celebrity".

17. In the email I sent to Mr. Russo, I offered to have Dr. Taitz send him an email as well confirming the fact that I had been tasked by her to conduct this inquiry pursuant to a pending civil suit in the United States District Court for the Central District of California. He stated that he would like to receive such an email.

18. On or about February 4, 2010, Dr. Orly Taitz, at my request, sent Mr. Russo an email indicating that she had requested me, in connection with the pending civil suit in California against Mr. Obama, to conduct research through the commercial databases I habitually use as a private investigator, related to SSN [REDACTED]-4425.

19. Numerous emails have been exchanged between me and Mr. Russo due to the fact that as of February 2, 2010, my account with LocatePlus has been frozen and I can no longer access this database despite the fact that I responded to their inquiries and have provided evidence to them indicating that I had followed the user agreement we have entered into. I have repeatedly asked that my account be unlocked, unfrozen, and made available to me.

20. Despite all of this, as of March 8, 2010, my account remains frozen and I am unable to conduct legitimate, legal database searches in connection with my business. As a result, I am being financially harmed, unable to conduct legal, lawful, legitimate investigations pursuant to law, and unable to provide to my clients, the services they have contracted with me to provide, thereby subjecting me to possible civil litigation for failing to provide contracted services.

21. Based upon information and belief, misuse of a Social Security number is a direct violation of Title 42 United States Code, Section 408(a)(7)(B), which is a federal felony punishable under Title 18 United States Code by fine or imprisonment of up to five years, or both.

22. I swear under the penalties of perjury that all the facts stated and circumstances described above are true and correct to the best of my knowledge and belief.

23. I have not been compensated for making this affidavit.

Further, Affiant sayeth not.

Signed and executed in Aurora, Colorado on this 8 day of March, 2010.

Affidavit of Linda Jordan

Attesting that Obama' Social Security

number is fraudulently obtained

I, Linda Jordan am over 18 years old, do not suffer from any mental impairment, have personal knowledge of the facts listed below and declare under penalty of perjury:

I used the government run E-Verify System to verify the employment eligibility for Barack H Obama (Obama) and it revealed a "Notice of Mismatch" between Obama's name, birth date and Social Security Number (SSN), compared to the information the Social Security Administration has on file.

I saw Obama's Selective Service Registration (SSR) form which was available on the web at [www.sss.gov](http://www.sss.gov) and copied the SSN Obama used on that form. I also read the reports of licensed investigators Neil Sankey, Susan Daniels and the opinion of retired senior deportation officer of the department of Homeland Security John Sampson, that the SSN Obama was using was fraudulent and/or never issued to him.

Between October 2008 and May 2011, I submitted several requests to agencies and people with the legal responsibility and authority to investigate the use of forged documents and election fraud, concerning Obama's birth records and SSN. (attachment A)

To date no one with the legal responsibility and authority has responded to any of my requests.

I read part of the testimony of Marianna LaCanfora before the Committee on Ways and Means Sub Committee on Social Security in the House of Representatives dated April 14<sup>th</sup>, 2011. She explained that a SSN in conjunction with a proper identity document determine whether a person is authorized to work. LaCanfora said that the E-Verify system run by the government is a free, Internet-based system that allows employers to electronically verify the employment eligibility of their employees. The Immigration Reform and Control Act of 1986 required all employers to verify the identity and employment eligibility of all new employees regardless of citizenship or national origin.

I considered myself to be one of the employers of the President of the United States.

On July 26, 2011, I tried to enroll in the E-Verify System but it required the employer to enter data from their employees I-9 Employment Eligibility Verification Form. I have been unable to locate one for Obama.

On August 17, 2011, I went back on the E-Verify website and saw that there was a "Self-Service" function that was more streamlined and easier to use when checking an employees eligibility. I entered the name Barack H Obama, birth date August 4, 1961 and SSN [REDACTED]-4425. This data was entered correctly. The report I got back from the SSA included a "Notice of Mismatch with Social Security Administration (SSA) Records". (attachment B)

# The American Typewriter

How a Young Computer Graphics Person Could Not Understand How to Use a Computer to Forge a Typewritten Document.

It's been some 30 years since we have used typewriters to produce documents. Computers have replaced the typewriter and given us great advantages in document preparation. There is no need to understand the old typewriter. Except when you need to forge a typewritten document.

A computer in the hands of a young person who can create a modern forgery is no match for the old style quirky mechanical typewriter. The forger who produced the Obama Hawaiian Long Form Health Department Birth Certificate may have thought that all typewriter typeface styles were alike. To get his letters he should have assumed that he needed only to match typewritten letters found in the old files of Hawaii birth certificates to scan ... copy and paste into his new document. Those old files should be all alike having been used to produce birth certificates in the 1961 era.

He must have understood that he needed to copy the old typewriter styles and would find them in the files.

But understanding scanners ... he also had to know that scanning a letter "t" one time and using it all over his document would be conviction assured. Because scan lines engage a letter differently every time it's done. So he scanned a bunch of old birth certificates and used a different "t" each time.

The mistake was that many of the letters in the old files were from different typewriter styles and that's something he did not realize ... resulting in many typewritten letters on his forgery that did not match each other.

I hope this helps to explain what might have happened with this document.

Every typewriter typed character is assigned a number in the order it is found in the document.

# EVIDENCE OF FORGERY

The two capital letters "A"s are from the word "BARACK" on the birth certificate found at section 8 of the form. There is only one letter between them. Why then is #144 significantly bigger than #146 if the same type-writer key struck both.?

From Section 8

Notice the other differences seen in the same word from different locations on the birth certificate. All the letters look different. Why?

The two capital letters "R" are from the same word "BARACK" as above and the other word "BARACK" in section 1 of the form. Why then is #3 significantly shorter and wider than #145 if the same typewriter key struck both? Note also the enclosed area in #145 is smaller than the enclosed area in #3 even though #145 is taller.

From Section 1

The two lower case letters "s" from the word "Hospital" in section 6c and "University" in section 12b are shown to be different because of the width of the letters. The lower case "s" #88 is wider than the lower case "s" in #198 as shown with the green and purple color bars shown under the letters.

From Section 6c

From Section 12b

The two numbers "2" are from "7:24" in section 5b and section 10 of the form. Why then is #40 significantly wider than #168? Notice also the difference in height of #168. Can you imagine how these two typewritten letters were typed with the same typewriter?

From Section 5b

From Section 10

The two lower case letters "a" from the word "Male" found in section 2 and the word "Kapiolani" found in section 6c. Notice that the first "a" #23 is not as wide as #56. Also note the differences of the shape of the enclosed areas and the serifs at the top left of both.

The two lower case letters "i" from the word "University" in section 12b and "Kapiolani" in section 6c are shown to be different because of the dots over the letters. The dot in #199 is higher than that of #58 and shows more space over the letter. Also note the color bars indicating the difference in width between the letters.

The two capital letters "S" are from "HUSSEIN" in section 8 and "STANLEY" in section 13 of the form. Why then is #151 significantly more narrow than #201? Notice also the serif differences indicated with the arrows showing that the serif on #151 is placed further back to the left on the "S" than as shown on #201.

The two lower case "n" letters are different in size. #62 found in section 6c is much shorter than #193 found in section 12b. This is a good place to insert a photo of a typewriter key to remind us that the impression is struck by an engraved letter that is steel and incapable of changing size.

The Word "Student" found in section 12a of the birth certificate was the first problem I noticed because it was one word with two variations of the letter "t" and was clearly a different drawing of the letter mainly displaying a different extension at the bottoms of those letters. As a typographer I could see no reason for a

different style of letter within the same word. Other examples on the page seem to suggest that perhaps the form was transferred to different departments to fill out different sections ... but that could not happen with one word. Later study showed that

too many of the letters on the birth cert. did not match each other ... even for many typist.

**If all the letters are from the same  
typewriter ... why don't  
they match? It appears that it  
was put together with letters from  
different sources  
and this means it's a forgery!**

Dear Mr. Strunk:

The following is in response to your request to the Department of State, dated November 22, 2008, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc., since this information is entered into the passport book after issuance.

This completes the processing of your request.

Sincerely,

A handwritten signature in black ink, appearing to be 'Jonathan M. Kolbin', written over the word 'Sincerely,'.

RE: Inquiry Number: 12-10444  
Respondent: Scott Tepper

Dear Ms. Taitz:

An attorney for the State Bar's Office of the Chief Trial Counsel has reviewed your complaint against Scott Tepper to determine whether there are sufficient grounds for proceeding to prosecute a possible violation of the State Bar Act and/or Rules of Professional Conduct.

You informed us that Mr. Tepper who is admitted pro hac vice in Mississippi submitted forged documents regarding President Obama's birth certificate to the federal court. You state that Mr. Tepper submitted the forged documents to defraud U.S. District Judge Henry Travillion Wingate and Honorable Magistrate Judge Linda R. Anderson and the public.

Based on our evaluation of the information provided, we are closing your file. The issue you raised is best addressed by the court hearing the matter. The State Bar cannot determine the validity of the document that was presented to the court. Your complaint also concerns a matter of national security which is beyond the scope of the State Bar. You have properly raised your concerns with the District Attorney and the Department of Justice.

For these reasons, the State Bar is closing this matter.

If you have any questions or disagree with the decision to close your complaint or have new information or other allegations not included in your initial complaint, you have two options. For immediate assistance, the first option is to speak directly with a Complaint Analyst. You may leave a voice message with S. Chen at (213) 765-1285. Be sure to clearly identify the lawyer complained of, the case number assigned, and your telephone number including the area code in your voice message. The Complaint Analyst will return your call within 2 business days.

The second option is to request the State Bar's Audit & Review Unit to review your complaint. An attorney may re-open your complaint if he or she determines that you presented new, significant evidence about your complaint or that the State Bar closed your complaint without any basis. You must submit your request for review with the new evidence or a showing that closing your complaint was made without any basis. To request review, you must submit your request in writing, together with any new evidence, post-marked within **90 days of the date of this letter**, to:

### Weatherman Underground Summary

from FBI

**FEDERAL BUREAU OF INVESTIGATION**

**WEATHERMAN UNDERGROUND**

**SUMMARY DATED 8/20/76**

**PART # 2**

**FOREIGN INFLUENCE - WEATHER  
UNDERGROUND ORGANIZATION  
VOLUME II**

~~TOP SECRET~~SECTION IVINDIVIDUALS

Investigation has disclosed that many current and past WUO members have traveled abroad for the purpose of meeting with representatives of foreign governments. This section deals with certain of these travels. Inserts are included in this section on various present and former WUO members and on several of the more important members of the Prairie Fire Organizing Committee (PFOC). These inserts reflect the WUO affiliation of these persons and describe their pertinent travels. In many instances evidence of how the particular person was influenced by the travel in question is also presented. This section has been separated into two divisions: the first including present members of the WUO, and the second dealing with former WUO members and/or PFOC activists.

A. Present WUO Members

Based on what is known about the WUO members who submerged into the "underground" in early 1970, there are probably no more than around thirty of these individuals still functioning in this covert status. The inserts which follow reflect how many of these individuals had met with foreign representatives prior to entering the "underground." It is logical to conclude that the WUO has recruited some new members during the past six years, however, the identities of such recruits are unknown. This section is designed to present "thumbnail" sketches of the individuals in question and is not intended to repeat materials mentioned in other sections of this document concerning foreign travel of these individuals. Inserts on THEODORE GOLD and DIANA OUGHTON are included in this section as these two individuals were killed while functioning in the "underground."

It should be noted that underground WUO member JOANNA ZILSEL has been located in Ontario, Canada, however, cannot be extradited due to the nature of the charges against her. It is not known if she has been involved with representatives of foreign governments while in Canada.

It should also be noted that underground WUO fugitive member RICHARD JAMES AYERS has spent several years residing in Canada during the past seven years and most probably continues to either reside in or to visit that country. What association he has had with foreign governments while in Canada is not known.

AYERS was one of the authors of the "Weatherman Statement" upon which the WUO was founded in 1969 and has been considered to be one of the leaders of the organization since its founding. Although AYERS was not arrested during the WUO "Days of Rage" he was one of the leaders of these riots. AYERS was also one of the more influential people attending the WUO "Flint, Michigan War Council." AYERS submerged into the underground in early 1970 and remains therein. AYERS' younger brother RICHARD JAMES AYERS, who is presently being sought by the FBI for desertion from the military service, and his former sister-in-law MELODY KAY ERMACHILD have also been active in the WUO underground.**

**Foreign Travel and/or Contacts**

**On August 15, 1969, it was learned that AYERS was scheduling himself to depart for Canada that date for the purpose of conferring with a group of thirty individuals who had been in Cuba during the recent past and who were due to arrive by boat on August 16, 1969. (It is noted that among those individuals returning to the United States via Canada at that time were such WUO functionaries as TED GOLD, BERNARDINE DOHRN, DIANA OUGHTON, DIONNE DONGHI and ELEANOR RASKIN.**

**On July 29, 1969, AYERS made a speech on the campus of the University of Oregon, Eugene, Oregon, during which time he discussed the SDS's role in the Venceremos Brigade and promoted this trip to Cuba. During the course of this speech AYERS commented as follows in response to a question about the Brigade:**

**In November and beginning January, SDS was involved in sending 150 people, both times to Cuba to cut cane, to cut sugar, as part of Cuba's program to create, to put out 50 million, or what is it 100 million, 10 million tons of sugar.**

AYERS continued as follows:

They are not being paid because they are not honkeys who need to get paid in order to do something, in order to serve the people, and what they're going to do is, there will be about 75 SDS people on each trip and about 75 people from, recruited from the Black Panther Party and Young (illegible) organizations, and other black and brown organizations that will go to Cuba, are going to live and learn about the country, by going to work to create and help the Cubans create a solid economy in the face of an economic boycott by the United States, in the face of constant threats from the United States, in fact a couple of invasions that didn't work because the Cuban people were too well armed and well educated. The Venceremos Brigade is an idea which is an attempt to show the people of the world that all Americans aren't solid in their nature of Cuba, and that all Americans aren't solid in their support of the economic boycott of Cuba, and so we are going to go and we are going to attempt to, attempt to help the Cubans in their efforts. DAVID JOHNS from the (SDS) National Office is one person who's going on that trip, other people from here who are interested should talk to BILL THOMAS from Portland afterwards because he's got, in Portland, he's got applications. ~~TOP SECRET~~

~~TOP SECRET~~

The biggest organizer of the Vietnam antiwar movement has been the Viet Cong. The Viet Cong organized the Moratorium, has organized the mobilization and has organized us. The Viet Cong is winning and is in the highest level of struggle against imperialism that the world has ever seen. The U.S. is being "shellacked" worse than the French were being "shellacked" when they got out of Vietnam. The ruling class understands what Vietnam is about. It's about a Third World country that has to be free, and the U.S. is losing.

When in Cuba this summer meeting with the people from the National Liberation Front, the first thing they said was how much you people have suffered because of NIXON's war and JOHNSON's war. We learned after two weeks of meetings with them that the Vietnamese are not the people to feel sorry for. They are struggling and they are winning. In the liberated areas the people are building up life despite the bombs, terror and war. They are building up something better than they had before and that is why they fight so hard and are winning.

People still think that U.S. imperialism is inevitable. Not only is it not inevitable, but it is losing.

What we are about is becoming a part of a struggle that is going to defeat imperialism. The American ruling class is running the whole show and the war against it is being carried on all over the world.

World communism is going to turn around the process that has existed for thousands of years. The reason Cuba is poor now is because of 300 years of Spanish imperialism and 100 years of American imperialism to build up from. The same is true about China and Vietnam. Struggles are going on all over the world against U.S. imperialism.

GOLD spoke at Portland State University, Portland, Oregon, on December 5, 1969, at which time he indicated "Liberation comes only with the gun." He described the local, state and Federal governments as being oppressors of the world and America, respectively. He continued by stating that the main forces for the American Revolution are the Black Liberation Front, the Black Panther Party, SDS, and the Viet Cong, and said that if anyone has a friend captured by the Viet Cong, he should give him that person's name, rank and serial number as he would see about getting his release.

In their July 15, 1970, edition, Volume 1, #1, appeared the following letter from MIKE JUSTESEN which tends to define his feelings at the time:

~~TOP SECRET~~

~~TOP SECRET~~

The letter from Mike Justesen is as follows:

**Comrades,**

The pigs are so fucked up they couldn't find their own asshole if it went underground. Thousands of kids are underground in this country: draft resisters, AWOLs, demonstrators, Black revolutionaries like Rap and Eldridge. Everyone dug Bob Dylan when he said "get jailed, jump bail." And as Bernadine Dohrn said, "The outlaws are in every tribe and commune."

People squatting on land in the desert or mountains and brothers and sisters in the cities dig that you have to seize life from Amerika. So, it is natural for them to hide and support us, not because the man has put coincidental labels on us (radical-radical,) but because we are all trying to find a life in a system that only recognizes death.

Most people who go to the hills, or who get very far into dope and music to escape the death trap, still think and act the way Amerika taught them to. You see it in the selfish, hidden ways they treat each other, or in the insecurity of their kids. They feel isolated and defeated and they don't see any way out, so they turn the desperation back on themselves.

We have the same problems. We hang the revolution up around ourselves, and forget about the strength of the Third World, the changes Amerika has gone through because of revolution in the colonies. We think solely of ourselves, and ignore the growth of those movements: the Tupamaro urban guerillas ripping off \$10 million in Uruguay, Syria shutting off US oil, Cuba producing a record-breaking sugar harvest, and the VC winning. The trend of revolution against imperialism is there, but the brainwash of Amerika prevents us from understanding it. We have to be conscious sources, and taxing it in protracted war.

When we aren't, the revolution often turns into a formula, a conglomeration of phrases—something to repeat by rote to make sure it is still there. When we build our lives around the correct line people know that it is only words. We didn't join the revolution for that. Strong action motivated us—whether it was Huey with a gun, riots, or Vietnam winning—because power is the beginning of change. It creates the belief that you can let it all hang out because there is no chance of losing.

Our comrades in the Third World have created a future for us. No longer can imperialism just reap profits from their exported capital. The colonies are exacting a price for exploitation: revolutionary war. Amerika's defense of its empire only brings the war home. The factories, ports, induction stations, army bases and schools of this country are the nerve center of the repressive apparatus that keeps imperialism alive. The pain of every wound on the lines is transmitted to the brain.

The man tries to use us to protect him from the pain, but to do this he must change our lives. He forces us into the army and changes the schools into jails. The culture we create as an alternative becomes so threatening that he sends his pigs to attack every aspect of it. Then fascism touches our lives, we don't dig it; the man directs our hate at Vietnam and Blacks.

but our hate revolts and takes aim at the man himself.

We understand that our place is with the Third World revolution. For too long we acted as the man's stooges—in the schools, the army, in the factories—and accepted his bribes. But no more! Now we are the allies of the slaves we once possessed; their wars are ours. Our only demand is theirs: that we join in the liberation of mankind.

We don't have to be isolated and desperate; we have a strategy. We can catch the oppressive system in a pincer: the army between Vietnam and ourselves, the pigs between blacks and ourselves.

We have made a beginning in attacking the institutions that are already weakened, to push them towards death. But now we must go on the offensive, all of us struggling as hard as Vietnam, and calling on our people to do the same.

Our lives, the street actions, the actions of the midnight ramblers—these are the alternatives young people look for. The way we fight, fuck, smoke dope, and struggle with them and ourselves shows we understand that history is on our side—that we are children of the future. Venceremos!

Considered to be one of the leading WUO members since the organization's creation in June, 1969, MACHTINGER frequented the WUO-dominated SDS National Office in Chicago during 1969, participated in the WUO "Days of Rage" riots in October, 1969, and attended the WUO "Flint, Michigan War Council" in December, 1969. MACHTINGER submerged into the WUO underground in early 1970, thereby becoming a fugitive. He was subsequently arrested by the FBI in New York on September 19, 1973, however, jumped the bond and resubmerged into the underground.

MARK RUDD is a white male who was born on June 2, 1947, in Irvington, New Jersey. RUDD, who led the riots at New York's Columbia University during early 1968, was acknowledged as one of the leaders of the WUO when the group submerged into the underground in early 1970. He was arrested during the WUO "Days of Rage" riots in Chicago during October, 1969, and attended the WUO "Flint, Michigan War Council" in December, 1969.

Foreign Travel and/or Contacts  
(See Section II)

The February 9, 1968, issue of the "Columbia Daily Spectator," an official newspaper of Columbia University, carried an article on the first page entitled "Rudd Leaves U.S.A. on SDS Cuban Trip, to Return in March." The article states that RUDD left for Mexico on Monday with 19 other representatives of the National Organization of SDS, which will eventually take them to Cuba for two weeks. The purpose of the trip was not mentioned and a spokesman for SDS in Chicago stated he was withholding comment until they returned.

MARK RUDD was interviewed by FRANCISCO PORTELA of Prensa Latina, the Cuban news agency in New York City, on June 11, 1968, on the motivations behind the spread of the student struggle in North American universities and the participation of SDS in that struggle. Among other comments RUDD stated "The struggle of the people of the Third World is very closely linked to the point of view of the Cuban people about that struggle. In fact, we consider that the Cuban criterion on the struggle in America is perhaps the correct way in which the revolution will take place....As is known, we have taken from Che his slogan: Create two, three, many Vietnams. Thus we have as our slogan: Create two, three, many Columbias...."

The International Assembly of Revolutionary Student Movements, co-sponsored by SDS and the Strike Coordinating Committee at Columbia University, was held in New York City

September 18-24, 1968. The assembly was called to explore the ways and means of creating revolutions in the highly industrialized countries of the world and brought together many top people of the youth revolutionary movements in France, Germany, England, Italy, Sweden, Mexico and Canada. In attendance were some top figures in the American revolutionary movement, including MARK RUDD, chairman of SDS at Columbia University.

"The Weather Underground" report of U.S. Senate Committee on the Judiciary, January 30, 1975, page 98

The following is part of an interview of MARK RUDD by WAAC Radio on September 30, 1969, at Terre Haute, Indiana:

BOB ROUSE (Announcer WAAC Radio) Excuse me for interrupting but you said a moment ago that the primary purpose of the SDS is to inform.

RUDD: No, it's to fight.

ROUSE: You mean literally fight.

RUDD: The purpose...

ROUSE: To overthrow our government as you stated before, right.

RUDD: No, that's the goal. Absolutely. But I said the purpose was to win Americans to this.

ROUSE: All right I want to come back and you want to overthrow the American government. You want to get rid of the big imperialistic, capitalistic aggressor. I believe that is what you would term it.

RUDD: Well, imperialism is the word for it. That is right. It is a word that means that there is a process of building an empire, but the thing is this. It does not make any difference what you or I say or what I want, see. The only difference in fact the only significant thing that has happened that bears on this question of revolution is that it has already started. The Vietnamese have made revolution against the U.S.

~~TOP SECRET~~

~~TOP SECRET~~

**ROUSE:** Well, you have probably been asked this question a thousand times but I have yet to hear an answer. What do you propose instead of what we have at present. You want to get rid of our government but what are we going to replace it with in your opinion.

**RUDD:** I cannot give you, I certainly, absolutely I will be very honest with you. The revolution has tried to be in fact at every moment, but there is no cookbook recipe for what the world is going to look like. It is going to be a long, hard process....And once you are a revolutionary, your whole life changes. Your relations to each other, the kinds of male-female relations, the kind of way you look at the world is one of struggle.... The point is this people change, people are changing constantly through the process of revolution. I can't give you a formula for what life is going to be like. All I can say is that this country is falling apart. Whether we like it or whether we even know it now or not. And that there is no choice. There is absolutely no choice.

**ROUSE:** You have talked around my question but you have not given me any kind of an answer, you...

**RUDD:** I said I don't know. But I said things are so bad, things are so bad world wide that the American people you and I don't have a choice. That the revolution is being forced on us by outside force and that is good.

**ROUSE:** In other words you are doing away with class structures?

**RUDD:** We are saying that classes are exploitative. Absolutely and that most of the people in the world are on the bottom and many people in the U.S. are on the bottom and that as far as material goods are concerned everyone should have the means of life, absolutely.

**ROUSE:** Then you are also taking away from individual incentive then?

~~TOP SECRET~~

~~TOP SECRET~~

**RUDD:** Well, I don't know about individual incentive considering that in socialist countries, I have been in one socialist country, people do something that in a lot of ways is greater. The incentive is to work for the people as a whole, for the whole country, or actually in Cuba where I worked, the people not only worked for the Cuban people but also worked and struggled and produced stuff for the people of the whole world. In this tiny little country but they have what is called socialist consciousness, communist consciousness and it is not just based on me first. I am not condemning the American people for saying me first. I am saying that is the way the system is.

**ROUSE:** Well, are you saying to me then that life in Cuba, and life in Russia and life in North Vietnam or any other communist country is better than life in the U.S.

**RUDD:** Well, first of all, I think that it is true that life in Cuba for the Cuban people is a lot better off than in a lot of ways than life in the U.S., even though they have tremendous economic problems for a tiny country. Russia I am not going to defend, because I don't think Russia is a communist country.

**ROUSE:** You leave me with the impression you feel like we're in Vietnam for our own gain, that we are there because we want the property in South Vietnam and for no other reason. Is that what you believe?

**RUDD:** This is a political gain absolutely. But an economical and political gain. The U.S. very much wants to build a ring of satellites around China in order to hold in and also wants to hold back social revolution.

**ROUSE:** Right, they want to contain communism.

**RUDD:** Yes.

**ROUSE:** Which is what you are opposed to.

**RUDD:** Which you favor.

~~TOP SECRET~~

~~TOP SECRET~~

**RUDD:** We are saying that communism is a system that benefit the Americans. But we say that there is a lot of gain. Now look they may not be gaining so much in Vietnam although there are certain rubber plantations, a lot of resources to be directed in Vietnam. But Latin America is a real gem, for the Americans, it has got oil, it has got lots of natural resources in the line of minerals. It has got agricultural products. Latin America is a good place to invest American money, and the Americans know, excuse me the American ruling class not the people generally know that if Vietnam falls that the people who are really miserable, who are really bad off in Latin America, are going to be taking up a gun like the Vietnamese people have done. Sixteen million Vietnamese in South Vietnam and another sixteen million in North Vietnam have just about defeated the U.S. And that is a real kind of source of strength for Latin America.

**ROUSE:** What do you think would be the situation if FIDEL CASTRO had a piece of the action down in South America?

**RUDD:** Well, FIDEL CASTRO and the Communist Party too, does have a piece of the action, that is Cuba and the situation has been that the U.S. is totally freaked out because they lost their sugar industry in Cuba, they lost their, a lot of their investments in industry in Cuba that made a tremendous profit. And they lost political control of that country. In Cuba, I was there a year and a half ago...

**ROUSE:** How long were you there?

**RUDD:** For four weeks and I speak Spanish and I went everywhere I wanted and I spoke to hundreds of people. In Cuba I found that over the nine year period at that time roads had been built, schools had been built, people had businesses when they had been hungry before, and hospitals in rural areas where before no doctors went. Doctors stayed in Havana to treat the wealthy.

~~TOP SECRET~~

~~TOP SECRET~~

RUDD:

Well, a lot of good, solid anti-communist questions. The only thing that I can say about all of them is boil them down and to give a short answer which is that I am part of a faction that is somewhat Maoist,...We believe that third world revolution is happening, that the black struggle is happening, it is starting now....Are you going to fight. Are you going to be on the side of people who are oppressed against the oppressors. Are you going to be for building a much, a much better society, and to say that this is a racist is a terrible distortion, an absolute distortion. There is one other thing I want to talk about. That is we are holding demonstrations and actions in Chicago next week. It is going to be around the trial of eight people who were charged with federal crime of incitement to riot for last year's Chicago Democratic Convention actions. Our demands are U.S. out of Vietnam, one demand. Another demand is police, occupation troops out of black communities. And U.S. troops out of everywhere in the world, 65 countries where they are occupying bases and where they are actually maintaining the American rule. Those are our demands, or major demands.

ROUSE:

All right in the Indiana State University newspaper, that we are quoting BOB MILLER now who is the head of the SDS Chapter here. He says our main emphasis will be on the total governmental structures of the U.S. and the war will only be a particular instance for the U.S. policy.

RUDD:

OK, then read on what else he said. And the example of their imperialism. What he is saying is that there is a system, imperialism. You mentioned the word before. You used the word. The system of creating an empire. The word is a part of that. It is the most hideous part of that, it is the part that is destroying Vietnam and destroying the U.S. reciprocally and it is clear that it is destroying the U.S. if people just have eyes to look around them. The way we can begin is by fighting that war. By actually ending it in Vietnam and continuing the same war that the Vietnamese have fought against this small class here at home. That is why we use the slogan bring the war home for this action.

~~TOP SECRET~~

~~TOP SECRET~~

**ROUSE:**

You are talking about, MARK, a lot of people pretty outspoken as you are yourself. What you propose well let me rephrase that, in any other country, in a communist country today do you think that you would have the freedom of speech that you have in this country?

**RUDD:**

In a communist country today I would be fighting, doing the same thing I am doing now. Fighting on the side of the Vietnamese and the blacks, fighting on the side of the revolution. About freedom of speech, I will ----- freedom of speech in this country until such time as it becomes effective. Then I would be put in jail or killed. Already they sent me up on a phony pot charge, a marijuana charge in New York State. Already they are trying to move, the government is trying to move in a number of ways, to put a lot of us in jail. Part of the liberalism of this country is the people believing that freedom of speech exists. It exists only to the time it is effective. Now if I was in Cuba and I fought for a revolution that freed the Cuban people from total misery and freed them from the U.S., I would not really much like the idea of someone coming along and advocating that Cuba go back to a system of misery and slavery.

A former National Secretary of SDS in 1967-1968, SPIEGEL joined the WUO faction in 1969 and was arrested during the WUO "Days of Rage" riots in Chicago during October, 1969. He attended the WUO "Flint, Michigan War Council" in December, 1969. He submerged into the underground in early 1970 and continues to remain therein.

Foreign Travel and/or Contacts

On September 26, 1967, SPIEGEL, born August 16, 1946, at Portland, Oregon, made application for a passport at Chicago and was issued U.S. Passport #165396 on the same date in Chicago. The passport contained restrictions against travel to Cuba, mainland China, North Korea, North Vietnam and the Syrian Arab Republic. He listed his permanent address as 1919 Southwest Stephenson Street, Portland, Oregon, and his mailing address as 1619 West Warren Boulevard, Chicago, Illinois, in care of VENEZIALE. He applied for the passport for travel to England and France for a one month stay for the purpose of sightseeing and indicated his approximate departure date as November 1, 1967.

On May 21, 1968, source made available the April 12, 1968, edition of "Bohemia," a weekly news magazine published in Havana, Cuba, under the direction and control of the Cuban government. On page 47 of that magazine there appeared an article concerning SPIEGEL, as translated from the Spanish language, which revealed in part the following information:

Mike Spiegel, leader of the organization Students for a Democratic Society, telephonically advised Radio Havana, Cuba on the status of the racial struggle in Chicago, Illinois, during the month of April, 1968. Spiegel, speaking from Chicago, advised that on Saturday, April 6th, during the evening, they brought tanks into the streets and there were big fire fights here. Only two or three blocks from this office, large fires broke out. Our group organized a demonstration in which 300 persons took part. We marched toward the Headquarters of the National Guard,

The December 18, 1967 edition of the SDS' official publication, "New Left Notes" contained an article entitled, "Delegation to Hanoi Returns" in which it was indicated that WILKERSON was among a group of four individuals who had visited Paris, France and Cambodia in November, 1967 their ultimate destination being Hanoi. Due to heavy bombing of Hanoi they were unable to get to North Vietnam but stayed ten days in Cambodia having discussions with Vietnamese officials and Cambodians. WILKERSON has made numerous speeches and written several articles concerning her experiences in the Far East, in all of which she has stressed failing morale of U.S. troops.

I recently returned from a ten day trip to Cambodia. The Federation of Youth of the Democratic Republic in Vietnam (North Vietnam) had invited a delegation from the American student movement to come to the DRV and meet with North Vietnamese students and young working people. The delegation consisted of three people from Students for a Democratic Society, and one person from the Mobilization to End the War in Vietnam....

...As a result, the group stayed in Cambodia, where we met and talked to both representatives of the DRV and the South Vietnamese National Liberation Front (NLF). Of all the information we collected in our talks, the single most outstanding fact (and the one which will most shock those of us who learn about the war only through the U.S. mass media) is that the NLF feels that it is decisively winning the war, and that the U.S. is in fact in a desperate military situation....

An article appeared in the "Oakland Tribune" newspaper, Oakland, California, on October 6, 1974, which was captioned "U.S. Women Visit Vietnam," and bylined Tokyo:

Two American women visited the Viet Cong areas in South Vietnam last month and discussed the role women play in the country, Hanoi's official Vietnam News Agency has reported.

The report, monitored in Tokyo, said the women were Arlene Eisen Bergman and Margaret Randall. The report did not identify them further or give their home towns.

Quoting the Viet Cong's Gial Phong Press Agency, VNA said the two women made the visit at the invitation of the South Vietnam Liberation Women's Union.

It said they were warmly welcomed and talked with many people on 'the struggle of the American people, particularly women, for an end to military involvement and intervention by U.S. administration in the internal affairs of South Vietnam and to U.S. and to President Nguyen Van Thieu.'

B1

On January 27, 1975, ARLENE BERGMAN was observed by Special Agents of the FBI at Union Square, San Francisco, speaking to a group of a few hundred who had gathered to hear speeches on the second anniversary of the signing of the Paris peace agreement. She was the featured speaker.

her talk lasting about twenty minutes. Leaflets advertising the gathering listed her as a speaker, using the name "Arlene Eisen-Bergman, just returned from a month's visit in Vietnam." BERGMAN spoke on anti-American imperialism and involvement in Vietnam.

Following the speeches at Union Square, there was a march to the office of the South Vietnam Consul which resulted in a minor riot with several people arrested. BERGMAN was not among those arrested.

On April 25, 1975, ARLENE BERGMAN was arrested by the San Francisco Police Department (SFPD) and charged with "Trespass/to injure property." These charges were based on BERGMAN's participation in a sit-in at the Office of the Army, Field Operations Agency. This sit-in was held by a group calling themselves The Women's Committee to Implement the Paris Peace Agreement. Twenty women, including BERGMAN, entered the Army's Office and proceeded to sing, use the telephones, and generally disrupt the Army's business operation. All participants were arrested, among them some of the more influential radical women in the Bay Area.

On May 17, 1975, a meeting was held in Vancouver, British Columbia, Canada, between four representatives of the Provisional Revolutionary Government, the Democratic Republic of Vietnam, and approximately 250 West Coast radicals. Those attending from the West Coast were specifically invited to the function as a result of their support for the North Vietnamese over the United States and support of revolutionary struggles in general. The Steering Committee for the function was composed of seven women and chaired by ARLENE EISEN-BERGMAN.

In August, 1975, The People's Press, San Francisco, published a special one-issue newspaper entitled "Viet Nam - Whose Victory? Whose Defeat?" Included in this issue is an article which encompassed three-fourths of the issue "Liberation, the South Vietnamese People Celebrate Complete Independence." This article is bylined "Arlene Eisen Bergman - May 27, 1975." Included in this article by BERGMAN are the following statements:

After a nine year war, the Vietnamese people won independence from France. The U.S. tried to sabotage this victory by creating the Dien regime in the South, a repressive government which was never popular with the South Vietnamese people.

Saigon became a cracked mirror image of the worst of U.S. culture: a haven for pimps, dope pushers, Honda-riding cowboys, and a series of corrupt administrations bought by U.S. Dollars.

Now in Saigon, under the political administration of the PRG, the city is returning to normal.

For twenty years, the U.S. government has justified U.S. aggression in Vietnam with stories about North Vietnamese invasion, bloodbaths, and revenge. The publication of the Pentagon papers gives us the opportunity to find the origin of these horror stories. There, we can read memos by generals and top Pentagon and State Department officials boasting about their psychological warfare campaigns systematically using 'dirty tricks' and lies. This psychological warfare is now designed to convince the world that those Vietnamese who worked for the U.S. or Saigon side are in great danger.

After twenty years of brainwashing by U.S. psychological warfare, people will have the opportunity to learn about the real accomplishments of the PRG in the areas that have been liberated for a long time. They will also learn more about the way the socialist society of the North serves the people.

His (Ho Chi Minh) teaching, 'Nothing is more precious than independence and freedom' symbolized the peoples' determination and will to defeat U.S. imperialism.

On Friday, April 30, 1976, there was a benefit held for the celebration of Ho Chi Minh's 86th birthday and celebration of the one year anniversary of the unification of Vietnam. The \$2.50 donation for admission was being sent for the reconstruction of Vietnam. The benefit was held at Glide Memorial Church, 330 Ellis Street, San Francisco. "The National Observer," a national weekly newspaper in its edition of December 28, 1973, contained an article entitled "Yesterdays Weathermen--They're No Longer Scaring 'Honky Amerika.'" The article contained an interview with ROBERT BURLINGHAM who was characterized as a former member of the Detroit 15, the alleged "Weather Bureau" of Weathermen indicted in July, 1970, on charges of conspiring to blow up military installations, police stations, educational facilities and various public buildings. The indictment against BURLINGHAM was subsequently dismissed.

The article stated that in 1968 while in France as a Fulbright Scholar, BURLINGHAM participated in the Paris street riots and came home convinced that taking his convictions to the streets was the fastest way to hasten the revolution. His convictions were reinforced by a summer in Cuba (1969), meeting with National Liberation Front, North Vietnamese, and Cuban revolutionaries.
