
Letter to the editor

To the Editor:

Karl Swihart of Avon persuaded Dr. Orly Taitz, a California lawyer who attacks President Obama's birth records etc., to make me her sponsoring lawyer for suit in Indianapolis to remove Mr. Obama from the ballot as not being a natural born citizen

I did, to the chagrin of many who regard me as strange. Maybe I am, but I am also curious.

Not even sure why I write.

The trial was Oct. 22 in Judge S. K. Reid's court, she a former adversary in a case I had. Judge Reid is honest, brave. We disagree, but respect each other.

We have been "gobsmacked," a word Kimberly Strassel of the *Wall*

Street Journal uses to mean shocked, ambushed.

The birth certificate the White House published 18 months ago online to prove Mr. Obama's birth 4 August 1971 in Honolulu is a forgery, so says expert Paul Irej, formerly of Air Force intelligence.

No contrary evidence was offered, though opponents were informed of the evidence in March or so.

The evidence is in.

This is not a political case, it is a Constitutional Law case.

This is a nightmare. May God protect this nation.

Sincerely,

Greg Black
Danville
