INTRODUCTION

Plaintiffs bring this action as Presidential Electors and as candidates for U.S. President, who, having been deprived of lawful process in the statewide election for the national office of U.S. President held in California on November 6, 2012, as a direct and proximate result of the mispersonation and elections fraud perpetrated by defendant Obama, seek redress from this court to enjoin:

1. Secretary of State and Governor from certifying the Certificate of Ascertainment due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the Commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged Selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office
2. The Electoral College from tallying their votes due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

3. governor of CA from forwarding the Certificate of Electoral Vote to the US Congress due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

4. President of the Senate from presenting the Certificates of the Electoral Vote to the U.S. Congress due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

5. U.S. Congress from confirming the elections results due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

6. Defendant Barack Hussein Obama from taking the oath of office as a U.S. President on the inauguration day due to his lack of legitimacy for office and fraud committed by him, as the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the Commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office.

Plaintiffs, who are Presidential electors and Presidential candidates have standing to raise these claims as directly interested parties. These claims are justiciable, and as this court has one last opportunity to act, the claims are not moot. *Jacobs v. Clark County Sch. Dist.*, 526 F.3d 419, 425 (9th Cir. 2008). Plaintiffs incorporate

herein the complaint and petition for injunctive relief filed herein on 12.12.2012 and exhibits pp1-107 to aforementioned complaint and petition for injunctive relief

STATEMENT OF FACTS

Plaintiffs incorporate herein the complaint and petition for injunctive relief filed herein on 12.12.2012 and exhibits pp1-107 to aforementioned complaint and petition for injunctive relief.

Defendant Obama is not qualified for the office of U.S. President, as he is a citizen of Indonesia operating under an alias.

Defendant Obama is using a forged birth certificate to validate his claim of an American birth. In proffering false documents in order to obtain a federal position, Defendant Obama (in this case, the Presidency) has violated 18 USC § 911 (falsely representing that he is a US citizen); and 18 USC § 1001 (June 25, 1948, ch. 645, [62 Stat. 749](#); [Pub. L. 103-322](#), title XXXIII, § 330016(1)(L), Sept. 13, 1994, [108 Stat. 2147](#); [Pub. L. 104-292](#), § 2, Oct. 11, 1996, [110 Stat. 3459](#); [Pub. L. 108-458](#), title VI, § 6703(a), Dec. 17, 2004, [118 Stat. 3766](#); [Pub. L. 109-248](#), title I, § 141(c), July 27, 2006, [120 Stat. 603](#).) in falsifying his identity as a member of the executive branch of the federal government.

Defendant Obama is using a forged Selective Service Certificate to demonstrate his claim of a lawful registration for the draft, when no such registration occurred. In proffering a falsified draft registration, Defendant Obama has violated 18 USC § 1001, and is further disqualified from holding any position within the Executive branch of the United States government pursuant to 5 USC § 3328.

///

Defendant Obama is using a fraudulent Social Security number which was never assigned to him as a proof of his identity. In proffering a false social security number, Defendant Obama, is in criminal violation of 42 USC § 408, which provides as follows:

(a) In general

Whoever - (6) willfully, knowingly, and with intent to deceive the Commissioner of Social Security as to his true identity (or the true identity of any other person) furnishes or causes to be furnished false information to the Commissioner of Social Security with respect to any information required by the Commissioner of Social Security in connection with the establishment and maintenance of the records provided for in section

405(c)(2) of this title; shall be guilty of a felony and upon conviction thereof shall be fined under title 18 or imprisoned for not more than five years, or both.

Defendant Obama is not a natural born citizen and is ineligible to hold the office of the Presidency, pursuant to Article II, Section 1, clause 5, which states that “No Person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President.”

The crimes are egregious violations which vitiated the ability of the plaintiffs in this case to lawful process in the furtherance of the November 6, 2012 election.

In addition, the November 6, 2012 election in California was marked with substantial voter fraud. Over one and a half million invalid voter registrations in California have been discovered, in violation of elections statute 2150. 756,213 records were without a birth place, 685,739 records where instead of a required name of the state of birth, U.S. or U.S.A was entered, there were as many as 141,851 possible duplicate records, 130,019 records with birth date over 100, 757 records without a birth date, and 898 records without a first name. (Exhibit 11,

12). Employees of the Registrar's office from Orange County and Los Angeles County have admitted in e-mails to falsification of voter data by entering date 1900, when they found no date, and entering USA or US when the name of the state of birth is missing. (Exhibit 19). The number of registered voters in California went up by over a million since the last Presidential election in 2008 and most of the increase came from on line registration.

POINTS AND AUTHORITIES

The United States Supreme Court revisited the requirements for obtaining a preliminary injunction in *Winter v. NRDC, Inc.*, 555 U.S. 7 (2008). "A plaintiff seeking a preliminary injunction must establish that he is likely to succeed on the

merits; that he is likely to suffer irreparable harm in the absence of preliminary relief; that the balance of equities tips in his favor; and that an injunction is in the public interest."

There is a substantial likelihood of success on the merits of the case.

A candidate for office is presumed to hold the qualifications to seek and hold that office, unless and until a party proves to a court of competent jurisdiction that the candidate is not qualified. *Dumas v. Gagner*, 137 Wn.2d 268, 285, 971 P.2d 17 (1999). The burden of demonstrating that Obama is not eligible to hold the office of the Presidency is on plaintiffs. *Baldwin v. Sisters of Providence*, 112 Wn.2d 127, 135, 769 P.2d 298 (1989); *see also Ankeny v. Governor of Indiana*, 916 N.E.2d 678, 681 (Ind. Ct. App. 2009). Plaintiffs rely exclusively on the fact record contained herein; namely the Birth Certificate of Barack Hussein Obama (Ex. 21) as posted on the White House website, and expressly adopted by Obama.

Here is the official statement from the White House website:

In 2008, in response to media inquiries, the President's campaign requested his birth certificate from the state of Hawaii. The state sent the campaign the President's birth certificate, the same legal documentation provided to all Hawaiians as proof of birth in state, and the campaign immediately posted it on the internet.

When any citizen born in Hawaii requests their birth certificate, they receive exactly what the President received. In fact, the document posted on the campaign website is what Hawaiians use to get a driver's license from the state and the document recognized by the Federal Government and the courts for all legal purposes. That's because it is the birth certificate. This is not and should not be an open question.

The President believed the distraction over his birth certificate wasn't good for the country. It may have been good politics and good TV, but it was bad for the American people and distracting from the many challenges we face as a country. Therefore, the President directed his counsel to review the legal authority for seeking access to the long form certificate and to request on that basis that the Hawaii State Department of Health make an exception to release a copy of his long form birth certificate. They granted that exception in part because of the tremendous volume of requests they had been getting.

Here is the comment of Barack Hussein Obama concerning the release of this Birth Certificate:

We've posted the certification that is given by the state of Hawaii on the Internet for everybody to see. Transcript of President's remarks following the release of the long form Birth Certificate, The White House, Office of the Press Secretary, April 27, 2011 at 9:48 a.m. PDT.
<http://www.whitehouse.gov/the-press-office/2011/04/27/remarks-president>.

Federal Rules of Evidence, 804(3) provides for the admissibility of this evidence, and plaintiff submits that judicial notice should be taken thereof:

(3) Statement Against Interest. A statement that:

(A) a reasonable person in the declarant's position would have made only if the person believed it to be true because, when made, it was so contrary to the declarant's proprietary or pecuniary interest or had so great a tendency to invalidate the declarant's claim against someone else or to expose the declarant to civil or criminal liability; and

(B) is supported by corroborating circumstances that clearly indicate its trustworthiness, if it is offered in a criminal case as one that tends to expose the declarant to criminal liability.

Because Plaintiffs have granted standing to bring this charge, and because the issue is justiciable in the United States District Court for the Eastern District of California, (see *Marbury v Madison, op. cit.*), this court must therefore consider the law regarding the precondition of facts as admitted by Barack Hussein Obama and consider whether he is actually able to hold the office of the Presidency.

a. Standing

Article III standing means an injury in fact that is fairly traceable to the challenged conduct and has some likelihood of redressability. *Fleck and Assocs., Inc. v. City of Phoenix*, 471 F.3d 1100, 1103-04 (9th Cir. 2006). *Lujan v. Defenders of Wildlife*, 504 U.S. 555, 556-61, 112 S.Ct. 2130, 119 L.Ed.2d 351 (1992). The Supreme Court has also recognized third-party standing in cases involving jury composition. *See, e.g., Campbell v. Louisiana*, 523 U.S. 392, 397-400 (1998) (allowing a litigant to raise a claim on behalf of third parties where (1) the litigant

has suffered an “injury in fact”; (2) he has a “close relationship” to the third parties; and (3) there is some hindrance to the third parties asserting their own rights); *Powers v. Ohio*, 499 U.S. 400, 410-15 (1991).

Plaintiffs have standing to raise this claim. Plaintiffs James Grinols and Robert Odden are Presidential Electors who have been deprived of their ability to cast a lawful vote for the Presidency, and Edward C. Noonan, Thomas Gregory MacLeran, and Keith Judd have been deprived of a lawful election for the office of the Presidency. Their claims are distinct, and the remedy sought herein will redress these claims by preventing the codification of an unlawful election.

b. Justiciability

The integrity of the election system in the state of California is not non-justiciable or purely a political issue. The Governor of California and its Secretary of State have a mandatory duty to discharge the office by supporting both the United States Constitution and the Constitution of the State of California.

“It is emphatically the duty of the Judicial Department to say what the law is. Those who apply the rule to particular cases must, of necessity, expound and interpret the rule. If two laws conflict with each other, the Court must decide on the operation of each.

If courts are to regard the Constitution, and the Constitution is superior to any ordinary act of the legislature, the Constitution, and not such ordinary act, must govern the case to which they both apply.” *Marbury v. Madison*, 5 U.S. 1 Cranch 137, 137 (1803).

Furthermore, it is the duty of the Governor and the Secretary of State of California, and all members of the Legislature, all public officers (including Electors) and employees, all executive, legislative, and judicial officers, to apply constitutional regimen in the governance of a statewide election, pursuant to their oath of office set forth here:

"I, _____, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter.

"And I do further swear (or affirm) that I do not advocate, nor am I a member of any party or organization, political or other- wise, that now

advocates the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means; that within the five years immediately preceding the taking of this oath (or affirmation) I have not been a member of any party or organization, political or otherwise, that advocated the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means except as follows:

(If no affiliations, write in the words "No Exceptions") and that during such time as I hold the office of

_____ I will not advocate nor become (name of office) a member of any party or organization, political or otherwise, that advocates the overthrow of the Government of the United States or of the State of California by force or violence or other unlawful means." Article 20, Section 3, Constitution of the State of California.

Because the Governor of the State of California, the Secretary of State, and the Electoral College have a duty to preserve the integrity of the election system under the United States Constitution; because Obama is in criminal violation of

federal laws concerning his identity, and because he has failed to establish 1) lawful citizenship; 2) a lawful name; 3) a lawful social security number identification; 4) a lawful registration for the selective service system; 5) natural born citizen status are required under Article II, Section 1, clause 5 of the US Constitution: plaintiffs have been deprived in 1) their ability to cast a lawful vote for the Presidency (elector plaintiffs) and 2) their candidacies for President. This can be redressed by this court when the court enjoins the Electoral College from certifying its vote.

c. Mootness

The basic question in determining mootness is whether there is a present controversy as to which effective relief can be granted. *Feldman v. Bomar*, 518 F.3d 637, 642 (9th Cir. 2008). In this case, this court is the last bulwark between the life of the constitutional republic of the United States, and its demise. This court can and should fashion relief, and because such an opportunity exists for this court to enjoin the Electoral College from moving forward with the election of a candidate for President who cannot lawfully hold the post, the issue before the court is a present controversy and is not moot.

The cause of action is one which “arises under” the Federal Constitution. This complaint alleges that the certification of an ineligible candidate to the office of the Presidency deprives Plaintiffs of the equal protection of the laws in violation of the Fourteenth Amendment.

Dismissal of the complaint upon the ground of lack of jurisdiction of the subject matter would is not justified, because the case can only be dismissed if the claim were “so attenuated and unsubstantial as to be absolutely devoid of merit,” *Newburyport Water Co. v. Newburyport*, 193 U.S. 561, 579, or “frivolous,” *Bell v. Hood*, 327 U.S. 678, 683. That the claim is unsubstantial must be “very plain.” *Hart v. Keith Vaudeville Exchange*, 262 U.S. 271, 274, 369 U.S. 186.

Furthermore, this court has a duty to enjoin an unlawful election in any manner it deems appropriate. Pursuant to 28 USC § 453, all members of the federal judiciary are required to take the following oath:

“I, XXX XXX, do solemnly swear (or affirm) that I will administer justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent upon me as XXX under the Constitution and laws of the United States. So help me God.”

At stake here is the Constitution and the laws of the United States. It is that simple. Defendant Obama is in criminal violation of statutes governing the identity of federal officers (18 USC § 1001), as this record amply demonstrates. There is one last opportunity to arrest the destruction of the constitutional republic, and it rests with this court.

Obama's failure to properly register for the selective service system disqualifies him from every holding a position in the Executive branch of the United States, pursuant to 5 USC § 3328. This court has a duty to uphold the federal law concerning this claim.

Plaintiffs face a substantial threat of irreparable damage or injury should an ineligible candidate be certified to the office of President.

It is the very essence of things American that the Presidency be occupied by a person who is not just an American citizen, but who can establish that he is in fact a lawful American and a natural born citizen of the United States. However, the critical harm here is the harm to the rule of law under the Constitution of the United States, the Constitution of the State of California, and the mandatory oath of office required by the statutes of the State of California for the Secretary of State, and the oath of office associated with this court.

All of these oaths will be violated if a candidate who is acting criminally to disguise his identity and who is not constitutionally authorized to hold the office of the Presidency is nonetheless certified by the Electoral College as duly elected. If Article II, Section 1, clause 5 of the United States Constitution has no meaning, than any and every clause of the Constitution is at risk. That is a substantial threat of irreparable damage and injury.

Plaintiffs as electors (the Elector Plaintiffs) have a duty imposed on them to act lawfully in the casting of votes for the Presidency, and their lawful vote is vitiated entirely by electors who have voted for an illegal candidate for the office of President. Plaintiffs as candidates for the office of President, have been deprived of equal protection under the law and a free and fair election for the office that has been usurped by Defendant Obama who is acting in criminal violation of federal law and in violation of applicable constitutional provisions to assert a claim for the office of the President.

Even the President must be accountable to the laws of the land, particularly the eligibility clause of the U.S. Constitution.

The rule of law should be upheld by all political parties. They should neither advise others to break the law, nor encourage others to do so even when they strongly disagree with the legislation put forward by the government of the day. James Callaghan.

The balance of harms weighs in favor of Plaintiff.

Plaintiffs have a right as electors and candidates for the Presidency to a free and fair election between eligible candidates, and this is a due process right guaranteed under the 14th Amendment to the United States Constitution. The right to vote is regarded as a fundamental political right, because it is preservative of all rights.” *Yick Wo v. Hopkins*, 118 U.S. 356, 370 (1886). An ineligible candidate to an office has no articulable right in law or equity to that office, even if unanimously elected by the general population.

Plaintiffs, in strict reliance on the admissions against interest of Barack Hussein Obama as disclosed herein, and the record disclosed herein, have demonstrated that as a matter of law, that Defendant Obama has acted criminally to hide his true identity, that Defendant Obama has violated applicable federal law governing the identity of federal officers, that Defendant Obama has completely failed to demonstrate 1) lawful citizenship; 2) a lawful name; 3) a lawful birth site; 4) a lawful selective service registration; 5) a lawful social security number; and 6) natural born citizenship. As a consequence, Defendant Obama does not meet the constitutional standards for eligibility. Therefore, Defendant Obama has no articulable harm as a matter of law. He simply returns to being a civilian.

The Court has more than once recognized the close nexus between the freedoms of speech and assembly. *De Jonge v. Oregon*, 299 U.S. 353, 364 ; *Thomas v. Collins*, 323 U.S. 516, 530 . It is beyond debate that freedom is an inseparable aspect of the "liberty" assured by the Due Process Clause of the Fourteenth Amendment, which embraces freedom of speech. *See Gitlow v. New York*, 268 U.S. 652, 666 ; *Palko v. Connecticut*, 302 U.S. 319, 324 ; *Cantwell v. Connecticut*, 310 U.S. 296, 303 ; *Staub v. City of Baxley*, 355 U.S. 313, 321 . Of course, it is immaterial whether the beliefs sought to be advanced pertain to

political, economic, religious or cultural matters, and state action which may have the effect of curtailing the freedom to associate is subject to the closest scrutiny.

NAACP v. Alabama, 357 U.S. 449, 460-461 (1958).

In the domain of these indispensable liberties, whether of speech, press, or association, the decisions of this Court recognize that abridgment of such rights, even though unintended, may inevitably follow from varied forms of governmental action. *NAACP v. Alabama*, 357 U.S. 449, 461 (1958).

The furtherance of an election that is fraudulent is violative of all liberty interests protected under the United States Constitution and creates an unimaginable harm to all political interests which have been protected in this nation since its founding, including the class of litigants sought to be certified hereunder.

The grant of an injunction would serve the public interest.

The public is served by having free and fair elections; elections where registered voters in California lawfully chose between candidates who are eligible to hold office.

**ALL OF THE DEFENDANTS AND THIS COURT WILL BE GUILTY OF TREASON
AGAINST THE UNITED STATES OF AMERICA, PEOPLE OF THE UNITED STATES OF
AMERICA AND THE US CONSTITUTION, IF THE CETIFICATE OF VOTE IS CERTIFIED
AND CITIZEN OF INDONESIA BARACK OBAMA IS ALLOWED TO BECOME THE US
PRESIDENT**

In 2008 the Plaintiffs did not have all the evidence which became available recently, however recently obtained information shows that

1. according to Obama's school records he is a citizen of Indonesia.
2. according to his mother's passport records his last name is Soebarkah
3. he is using a forged birth certificate
4. he is using a forged Selective Service Certificate
5. he is using a stolen Connecticut Social Security number xxx-xx-4425 which was never assigned to him according to E-Verify and SSNVS
6. available school pictures and documents from Kaelani school in Hawaii show him residing in Hawaii at least until January 1969. his School records from Assissi School in Jakarta, Indonesia, show him under name Barry Soetoro residing in Indonesia from January 1967. As one human being cannot reside in two countries

at the same time for a period of two years, it is clear that there are two distinctive individuals: Barry Obama, who resided in Hawaii and Barry Soetoro, who resided in Indonesia between 1967 and 1969. We have no idea which one of the two came back to the United States of America in and around 1971. Since all the IDs represent forgeries, all of the defendants and this court will be committing HIGH TREASON, if they certify as the legitimate President and Commander in Chief a foreign citizen with all forged IDs and a stolen/ fraudulently obtained Social Security number

IF THE DEFENDANTS AND THIS COURT CERTIFY OBAMA AS A LEGITIMATE PRESIDENT, WHILE POSSESSING ALL OF THE DOCUMENTS AT HAND, THEY MAY BE LATER PROSECUTED AS BEING A PART OF A RICO, RACKETEERING CONSPIRACY TO DEFRAUD AMERICAN CITIZENS AND COMMIT FOLLOWING PREDICATE ACTS:

18, United States Code: section 1028 (relating to fraud and related activity in connection with identification documents, section 1341(relating to mail fraud),section 1343 (relating to wire fraud},section 1425 (relating to the procurement of citizenship or nationalization unlawfully}, section 1426 (relating to the reproduction of naturalization or citizenship papers), section

1427 (relating to the sale of naturalization or citizenship papers}, section 1503 (relating to obstruction of justice}, section 1510 (relating to obstruction of criminal investigations}, section 1511 (relating to the obstruction of State or local law enforcement), section 1542 (relating to false statement in application and use of passport), section 1543 (relating to forgery or false use of passport}, section 1544 (relating to misuse of passport), section 1546 (relating to fraud and misuse of visas, permits and other documents, section 1952 (relating to racketeering), sections 2314 and 2315 (relating to interstate transportation of stolen property}, section 2320 (relating to trafficking in goods or services bearing counterfeit marks), (F) any act which is indictable under the Immigration and Nationality Act, section 274 (relating to bringing in and harboring certain aliens), section 277 (relating to aiding or assisting certain aliens to enter the United States).

This Court should act AS TO THE DEFENDANTS from making an election where the candidate who prevailed is ineligible to serve. The preservation of the integrity of the voting system requires it.

CONCLUSION

The record before the court amply demonstrates that Defendant Obama is not eligible/not legitimate for the position of the U.S. Presidency.

Plaintiffs have met their burden to demonstrate that the evidence proffered by Defendant Obama to date is falsified, and amounts to criminal falsification under applicable federal law as set forth herein. Plaintiffs have also demonstrated that Obama's failure to properly register for the selective service system has disqualified him from ever holding the office of the President.

Plaintiffs have demonstrated and met their burden of proof to establish that Defendant Obama is operating under a fraudulent Social Security number. As a consequence, Defendant Obama does not meet the constitutional standards for eligibility. Therefore, Defendant Obama has no articulable harm as a matter of law. He simply returns to being a civilian.

Plaintiffs ask this court for extraordinary relief, in what can only be called extraordinary times. Never before has the nation faced such an audacious usurpation of its offices, its laws, its constitutional protections, its rights, its freedom, even its very life as a Constitutional Republic. While it is an extraordinary demand for relief, the times call for such extraordinary acts by this court as the very last bulwark of freedom in this country.

INTRODUCTION

Plaintiffs bring this action as Presidential Electors and as candidates for U.S. President, who, having been deprived of lawful process in the statewide election for the national office of U.S. President held in California on November 6, 2012, as a direct and proximate result of the mispersonation and elections fraud perpetrated by defendant Obama, seek redress from this court to enjoin:

1. Secretary of State and Governor from certifying the Certificate of Ascertainment due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the Commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged Selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

2. The Electoral College from tallying their votes due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

5. U.S. Congress from confirming the elections results due to lack of legitimacy for office and fraud committed by the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office

6. Defendant Barack Hussein Obama from taking the oath of office as a U.S. President on the inauguration day due to his lack of legitimacy for office and fraud committed by him, as the citizen of Indonesia Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack (Barry) Obama Soebarkah, due to his run for the U.S. Presidency and position of the Commander in-Chief, while using a forged short form birth certificate, forged long form birth certificate, forged selective Service certificate and a stolen Connecticut Social Security number xxx-xx-4425 as a proof of his legitimacy and fitness for office.

Plaintiffs, who are Presidential electors and Presidential candidates have standing to raise these claims as directly interested parties. These claims are justiciable, and as this court has one last opportunity to act, the claims are not moot. *Jacobs v. Clark County Sch. Dist.*, 526 F.3d 419, 425 (9th Cir. 2008). Plaintiffs incorporate

herein the complaint and petition for injunctive relief filed herein on 12.12.2012 and exhibits pp1-107 to aforementioned complaint and petition for injunctive relief

STATEMENT OF FACTS

Plaintiffs incorporate herein the complaint and petition for injunctive relief filed herein on 12.12.2012 and exhibits pp1-107 to aforementioned complaint and petition for injunctive relief.

Defendant Obama is not qualified for the office of U.S. President, as he is a citizen of Indonesia operating under an alias.

Defendant Obama is using a forged birth certificate to validate his claim of an American birth. In proffering false documents in order to obtain a federal position, Defendant Obama (in this case, the Presidency) has violated 18 USC § 911 (falsely representing that he is a US citizen); and 18 USC § 1001 (June 25, 1948, ch. 645, [62 Stat. 749](#); [Pub. L. 103-322](#), title XXXIII, § 330016(1)(L), Sept. 13, 1994, [108 Stat. 2147](#); [Pub. L. 104-292](#), § 2, Oct. 11, 1996, [110 Stat. 3459](#); [Pub. L. 108-458](#), title VI, § 6703(a), Dec. 17, 2004, [118 Stat. 3766](#); [Pub. L. 109-248](#), title I, § 141(c), July 27, 2006, [120 Stat. 603](#).) in falsifying his identity as a member of the executive branch of the federal government.

Defendant Obama is using a forged Selective Service Certificate to demonstrate his claim of a lawful registration for the draft, when no such registration occurred. In proffering a falsified draft registration, Defendant Obama has violated 18 USC § 1001, and is further disqualified from holding any position within the Executive branch of the United States government pursuant to 5 USC § 3328.

///

Defendant Obama is using a fraudulent Social Security number which was never assigned to him as a proof of his identity. In proffering a false social security number, Defendant Obama, is in criminal violation of 42 USC § 408, which provides as follows:

(a) In general

Whoever - (6) willfully, knowingly, and with intent to deceive the Commissioner of Social Security as to his true identity (or the true identity of any other person) furnishes or causes to be furnished false information to the Commissioner of Social Security with respect to any information required by the Commissioner of Social Security in connection with the establishment and maintenance of the records provided for in section

Let us therefore brace ourselves to our duty, and so bear ourselves that if the Republic of the United States of America lasts for a thousand years, men will still say, *this was their finest hour.*

Respectfully submitted this 19 day of December, 2012.

LEGAL BASIS

The **United States Electoral College** is the institution that officially elects the President and Vice President of the United States every four years. The President and Vice President are not elected directly by the voters. Instead, they are elected indirectly by "electors" who are elected by popular vote on a state-by-state basis. Electors are apportioned to each state and the District of Columbia, but not to territorial possessions of the United States, such as Puerto Rico and Guam. The number of electors in each state is equal to the number of members of Congress to which the state is entitled. The Twenty-third Amendment has always resulted in the District of Columbia having three electors. There are 538 electors, based on there being 435 representatives and 100 senators, plus the three electors from the District of Columbia. Electors chosen on Election Day meet in their respective state capitals (or in the case of Washington, D.C., within the District) on the Monday after the second Wednesday in December, at which time they cast their electoral votes on separate ballots for President and Vice President.

The Electoral College never actually meets as one body. Although procedures in each state vary slightly, the electors generally follow a similar series of steps, and the Congress has constitutional authority to regulate the procedures the states follow. The meeting is opened by the election certification official—often that state's secretary of state or equivalent—who reads the **CERTIFICATE OF ASCERTAINMENT**. This document sets forth who was chosen to

cast the electoral votes. Each elector submits a written ballot with the name of a candidate for President. The next step is the casting of the vote for Vice President, which follows a similar pattern.

Each state's electors must complete six **CERTIFICATES OF VOTE**. Each Certificate of Vote must be signed by all of the electors and a **CERTIFICATE OF ASCERTAINMENT** must be attached to each of the Certificates of Vote. Each Certificate of Vote must include the names of those who received an electoral vote for either the office of President or of Vice President. The electors certify the **CERTIFICATES OF VOTE** and copies of the Certificates are then sent in the following fashion

One is sent by registered mail to the President of the Senate (who usually is the Vice President);

- Two are sent by registered mail to the Archivist of the United States;
- Two are sent to the state's Secretary of State; and
- One is sent to the chief judge of the United States district court where those electors met.

A staff member of the **PRESIDENT OF THE SENATE** collects the Certificates of Vote as they arrive and prepares them for the joint session of the Congress. The Certificates are arranged—unopened—in alphabetical order and placed in two special mahogany boxes. Alabama through Missouri (including Washington, D.C.) are placed in one box and Montana through Wyoming are placed in the other box. **The Twelfth Amendment** mandates that the **CONGRESS** assemble in joint session to count the electoral votes and declare the winners of the election.^[46] The session is ordinarily required to take place on January 6 in the calendar year immediately following the meetings of the presidential electors. Since the Twentieth

Amendment, the newly elected House declares the winner of the election; all elections before 1936 were determined by the outgoing House instead.

The meeting is held at 1:00 pm in the Chamber of the U.S. House of Representatives. The sitting Vice President is expected to preside, but in several cases the President *pro tempore* of the Senate has chaired the proceedings instead. Results of the electoral vote can be challenged by at least one Representative and one senator.

REQUEST FOR CLASS ACTION CERTIFICATION AND FOR CERTIFICATION OF PLAINTIFFS AS REPRESENTATIVES OF A CLASS

Plaintiffs are seeking a class certification and a certification of a class representative herein.

Plaintiff Grinols is seeking certification as a representative of a class of Republican Party electors and electors in general.

Plaintiff Odden is seeking certification as a representative of a class of Libertarian Party electors and electors in general.

Plaintiff Judd is seeking certification as a representative of a class of the Democratic Party Presidential candidates and Presidential candidates in general

Plaintiff MacLeran is seeking certification as a representative of Republican party candidates and Presidential candidates in general

Plaintiff Noonan seeks certification of a representative of a class of minor party Presidential candidates and Presidential candidates in general

This action can be maintained as a class action under FRCP Rule 23, which states as follow:

(a) Prerequisites. One or more members of a class may sue or be sued as representative parties on behalf of all members only if:

(1) The class is so numerous that joinder of all members is impracticable;

(2) There are questions of law or fact common to the class;

(3) The claims or defenses of the representative parties are typical of the claims or defenses of the class; and

(4) The representative parties will fairly and adequately protect the interests of the call.

(b) Types of Class Actions. A class action may be maintained if Rule 23(a) is satisfied and if:

(1) Prosecuting separate actions by or against individual class members would create a risk of:

(A) Inconsistent or varying adjudications with respect to individual class members that would establish incompatible standards of conduct for the party opposing the class; or

(B) Adjudications with respect to individual class members that, as a practical matter, would be dispositive of the interests of the other members not parties to the individual adjudications or would substantially impair or impede their ability to protect their interests;

(2) The party opposing the class had acted or refused to act on grounds that apply generally to the class, so that final injunctive relief or corresponding declaratory relief is appropriate respecting the class as a whole; or

(3) The court finds that the questions of law or fact common to class members predominate over any questions affecting only individual members, and that a class action is superior to other available methods for fairly and efficiently adjudicating the controversy. The matters pertinent to these findings include:

(A) The class members' interests in individually controlling the prosecution or defense of separate actions;

(B) The extent and nature of any litigation concerning the controversy already begun by or against class members;

(C) The desirability or undesirability of concentrating the litigation of the claims in particular forum; and

(D) The likely difficulties in managing a class action.

The members of the class are so numerous that it is impossible and impracticable to bring all of them to this court as named plaintiffs.

Damage to Plaintiffs is similar to damage of other class members.

Not certifying this legal action as a class action can lead to conflicting rulings and judgments;

There are questions of law or fact common to the class;

The claims or defenses of the representative parties are typical of the claims or defenses of the class; and

Plaintiffs will fairly and adequately protect the interests of the class.

REQUEST FOR JURY TRIAL

Due to the fact that high level officials are Defendants in this case, and due to high probability of pressure on the presiding judge, 7th Amendment right to jury trial is asserted and jury determination of all issues, facts and law is demanded in the hearing.

1. Plaintiffs have uncovered one and a half million invalid voter registrations in the state of California

2 Evidence shows that one of the leading candidates for the U.S. Presidency, Barack Obama, is not qualified for office, as he is a citizen of Indonesia and is using a forged birth certificate, forged Selective Service Certificate and a Social Security number which was never assigned to him as a proof of his identity and eligibility to the U.S. Presidency.

3. The issue of one and a half million invalid voter registrations in the voter rolls of California represent an issue of great public importance.

According to California elections statute 2150 in order for a voter

registration to be valid, a perspective voter had to provide information in some eight areas, such as name, address, birth date, state, where he was born, evidence of prior voter registration and so on. PLAINTIFF'S

COUNSEL Taitz requested from the Secretary of State Bowen an official DVD of voter rolls. She forwarded this DVD to several computer analysts.

Plaintiffs are attaching as an exhibit verified affidavit of a Computer engineer David Yun, who analyzed the voter rolls and found over one and a half million invalid voter registrations in California, in violation of elections statute 2150. Mr. Yun found 756,213 records without a birth place, 685, 739 records where instead of a required name of the state of birth, U. S. or U.S.A was entered, 141,861 possibly duplicate records,

130,019 records with birth date over 100, 757 records without a birth date, 898 records without a first name. (Exhibit 11,12) Additionally, Exhibit 19 shows e-mails from Orange County and Los Angeles County, where employees of the Registrar's office admit to falsification of voter data by entering date 1900, when there is no date or entering USA or US when the name of the state of birth is missing. Moreover, it was reported that the number of registered voters in California went up by over a million since the last Presidential election in 2008 and most of the increase came from on line registration. The problem with this, is that nobody checks voter IDs, when one registers on line, Secretary of State Bowen issued directives, where attendants at precincts are not allowed to check identifications at the precincts, can lead to even more voter fraud, whereby the one and a half million invalid voter registrations might be only a tip of the iceberg

4. An issue of legitimacy to the U.S. Presidency of Barack Obama, citizen of Indonesia usurping the U.S. Presidency with the aid of forged IDs and a stolen Social Security number, which was never assigned to him, is the number one issue in the nation in terms of its' importance.

5. According to Article 1, section 2 of the U.S. Constitution U.S. President is supposed to be a natural born U.S. citizen
6. Millions of U.S. citizens wrote to their elected officials and Secretaries of State seeking confirmation of Obama's eligibility.

On April 27, 2011 just 4 days prior to scheduled hearing in the 9th Circuit Court of Appeals of a challenge Keyes, Barnett et al v Obama 09-56827 and 10-55084, brought by under signed counsel, Obama released, what he claimed a copy of his original birth certificate. Within hours there was a mountain of evidence to show that the alleged copy of the birth certificate was a computer generated forgery, not a document created with a typewriter in 1961. Evidence will be discussed later.

7. In the last four years hundreds of desperate U.S. citizens filed legal actions in state and federal courts challenging Obama's legitimacy for the U.S. Presidency. As of now there was a systemic and egregious denial of 7th amendment right to a jury trial on this issue of paramount importance to the nation. There was a systemic jury nullification. Judges presiding in Obama's eligibility challenges routinely dismissed the cases based on technicalities. As of today **not one single judge** in the nation of 314

million people saw any original Identification papers for Obama. Obama's original birth certificate is sealed, original application for Selective Service was never found and supposedly destroyed, his mother's passport records prior to 1965 are claimed to be destroyed, immigration records for August 1961 are missing from National Archives, his college records that could show citizenship in application and registration are sealed, Student Clearing House shows him only 9 months in Columbia instead of claimed 2 years, E-verify and SSNVS show that he is using in his tax returns a Connecticut Social Security number xxx-xx-2225 which was never assigned to him.

8. After four years and hundreds of legal actions not one single judge or jury in the nation has seen the original application to the Social Security by Obama and ruled that he has a valid Social security number, not one single judge or jury saw an original birth certificate for Obama and ruled it to be genuine. The level of lawlessness and corruption in the highest echelons of power in relation to Obama's forged IDs exceeded the Watergate by far.
9. Evidence of fraud and forgery in Obama's records is as follows:

10. Barack Hussein Obama (Hereinafter Obama) never provided any valid documentary evidence of his natural born status, which is required for one to be a candidate for the U.S. Presidency according to the Article 2, section 1 of the U.S. Constitution.
11. Obama placed his candidacy on the ballot claiming to be a natural-born citizen based on forged identification papers. Exhibit 8 **Affidavit of Ronald J. Polland PhD states "With my experience and specialization in digital and film imaging, my findings are conclusive, as outlined in exhibit "1", that the PDF image submitted to the public by its posting on the White House website is a fabricated forgery created with the intention to defraud and disenfranchise the American People into believing that Barack Obama was a legal U.S. citizen and a fully qualified candidate for President."**
12. A natural born citizen would be expected to have valid U.S. identification papers, such as a valid long form birth certificate and a valid Social Security number, lawfully obtained by presenting a valid birth certificate to the Social Security Administration and which can be verified through official U.S. Social Security verification services, such as E-Verify and SSNVS.

13. The most glaring evidence of Obama's lack of natural born status and legitimacy for the US Presidency, is Obama's lack of most basic valid identification papers, such as a valid Social Security Number ("SSN") and his use of a fraudulently obtained Social Security Number from the state of Connecticut, a state where he never resided, and which was never assigned to him according in part to SSN verification systems "E-Verify" and SSNVS. **(Exhibit 7, 10 to Affidavit of elections challenge-affidavit of Linda Jordan and printout from E-Verify and SSNVS, showing that Connecticut Social Security used by Obama, was never assigned to him)**

14. Reports from licensed investigator Susan Daniels ("Daniels") show that for most of his life Obama used a Connecticut Social Security Number xxx-xx-4425 issued in 1977, even though he was never a resident of the State of Connecticut. In 1977 Social Security numbers were assigned according to the state where the Social Security applications were submitted. The first three digits of the Social Security number assigned prior to 2011 signified a state, where an individual applied for his SSN and where it was issued. Obama is using a SSN starting with 042, which signifies the state of CT. In 1977 Obama was nowhere near Connecticut, but rather a young student at the Punahoa

school in Hawaii, where he resided. (**Exhibit 15, Sworn Affidavit of Susan Daniels, attesting to the fact that Obama is fraudulently using a Connecticut Social Security number, which was never assigned to him**)

15. Additionally, according to the review performed by licensed investigators Sankey and Daniels, and as publicly available, national databases revealed another birth date associated with this number, a birth date of 1890. In or around 1976-77, due to changes in the Social Security Administration, many elderly individuals who never had Social Security numbers before, had to apply for their Social Security numbers for the first time in order to obtain Social Security Benefits. It appears that the number in question was assigned to an elderly individual in Connecticut around March of 1977. The death of this elderly individual was never reported, and from around 1980 this number was fraudulently assumed by Barack Obama. (*See Exhibit 15 attached hereto, Affidavit of Susan Daniels.*)

16. Senior Deportation Officer from the Department of Homeland Security (“DHS”), Mr. John Sampson (“Sampson”) provided an affidavit attesting to the fact that indeed, according to national databases, Obama is using a Connecticut SSN even though there is no reasonable justification or explanation for such use by one who resided in Hawaii in and around

the time the Social Security number in question was issued. (*See Declaration of elections challenge, Exhibit 9, Affidavit of senior Deportation officer John Sampson, attesting to fraud in Obama's SSN*)

17. In 2010 Obama posted online on WhiteHouse.gov his 2009 tax returns. He originally did not “flatten” the PDF file thereof, so all the layers of modification of the file became visible to the public. One of the pages contained Obama’s full SSN xxx-xx-4425. Taitz received an affidavit from Adobe Illustrator program expert Mr. Felicito Papa (“Papa”) attesting to the fact that the tax returns initially posted by Obama contained the full Connecticut SSN xxx-xx-4425. While the file was later “flattened” and the SSN can no longer be seen, thousands of U.S. Citizens and individuals around the world were able to obtain the original file with the full SSN. (**See Affidavit of Elections Challenge Exhibit 6 attached hereto, Affidavit of Felicito Papa.**)

18. Taitz received an affidavit from a witness Linda Jordan (Hereinafter “Jordan”), who ran an E-verify check for the aforementioned Social Security number, which was posted by Obama on line as his number. **According to E-Verify, there is no match between Obama’s name and the SSN he used on his tax returns and Selective Service application.** (**See Affidavit of elections challenge, Exhibit 7 attached hereto,**

Affidavit from Linda Jordan). Obama's close associate, William Ayers, in his book *Fugitive Days*, admitted to creating over a hundred fraudulent Social Security Numbers using names of deceased infants who did not get their Social Security numbers before their deaths. As he states in *Fugitive Days*, "After the Baltimore fiasco, stealing ID was forbidden. Instead we began to build ID sets around documents as flimsy as a fishing license or a laminated card available in a Times Square novelty shop called "Official ID." We soon figured out that the deepest and most foolproof ID had a government-issued Social Security card at its heart, and the best source of those were dead-baby birth certificates. I spent impious days over the next several months tramping through rural cemeteries in Iowa and Wisconsin, Illinois and North Dakota, searching for those sad little markers of people born between 1940 and 1950 who had died between 1945 and 1955. The numbers were surprising: two in one graveyard, a cluster of fourteen in another. Those poor souls had typically been issued birth certificates—available to us at any county courthouse for a couple of bucks and a simple form with information I could copy from the death announcement at the archive of the local paper—but they had never applied for a Social Security card. Collecting those birth certificates became a small industry, and within a year we had over a hundred. For years I was a paper-made

Joseph Brown, and then an Anthony Lee, remarkably durable identities. My on-paper official residences: a transient hotel in San Francisco and a warehouse in New York.” *William Ayers, Fugitive Days*. Association and close friendship with Ayers is an additional indication and circumstantial evidence of Social Security fraud by Obama, and his lack of valid identification documents to prove not only natural born status, but any status for that matter. Additionally, two of Obama’s relatives, his aunt and uncle, who came from Kenya and are residing in the U.S. illegally, were able to obtain illegally Social Security numbers, which they are using to get housing and employment, therefore there is a pattern of Obama’s close associates and family member either manufacturing fraudulent Social Security cards and /or using fraudulent Social Security cards.

20. For nearly three years after his inauguration Obama refused to provide to the public his long form birth certificate. On April 27, 2011, when Obama posted his alleged long form birth certificate online, just as with his tax returns, he originally did not flatten the file, which means that anyone with an Adobe Illustrator program on his computer could see layers of alterations in this alleged “birth certificate” which looked like a complete fraud and hoax. Multiple long form birth certificates from 1961 are available. In those years green safety paper was not available and was not used. Other birth certificates,

as one for Susan Nordyke, born the next day on August 5, 1961, in the same hospital, and signed by the registrar on August 11, 1961, show white paper with yellow aging stains, clear borders, raised seal and a lower serial number. (Exhibit 20) Obama's alleged birth certificate is on a safety paper, which was not used in 1961, does not have a clear paper, no raised seal, and the serial number is higher than the numbers issued later by the same Registrar. *See Exhibit 21.* In July of 2012 Sheriff Joe Arpaio of Maricopa County, Arizona released results of his 6 months investigation. Arpaio released a sworn affidavit, attesting to the fact that Obama's alleged birth certificate posted by Obama on line represents a computer generated forgery, additionally he found Obama's Selective service certificate and Social security card to be forged. (See Affidavit of elections challenge Exhibit 18 Affidavit of Sheriff Joseph Arpaio attesting to forgery in Obama's birth certificate, Selective service certificate and Social Security number). Similarly, investigator Michael Zullo of Maricopa county, AZ provided a 16 page affidavit (Exhibit 2A) where he attests to forgery in Obama's IDs and systematic obstruction of Justice and evasion of law enforcement by corrupt governmental officials who are complicit in this cover up.

21. According to the affidavit from Adobe Illustrator expert Papa (**Affidavit of elections challenge Exhibit 5 affidavit of Felicito Papa**

attesting to forgery in Obama's birth certificate), the released image digital file showed layers of alteration of the alleged birth certificate. It showed a signature of Obama's mother, Stanley Ann D. Soetoro (her married name by her second husband), where it looks as though "Soetoro" was erased, whiten out and computer graphics used to add "unham Obama" and a signature "Stanley Ann Dunham Obama" was created by pasting and filling the blanks with computer graphics.

22. An affidavit from an elections clerk in Honolulu, Hawaii Tim Adams, who checked in both Honolulu hospitals and there are no birth records for Barack Obama in either of them. (**Election challenge Exhibit 4 affidavit of Timothy Adams**)

23. Taitz received an affidavit from scanning machines expert Douglas Vogt. ("Vogt") (*See affidavit of Elections challenge Exhibit 2 hereto Affidavit of Douglas Vogt.*) Vogt attests to further evidence of forgery, such as different colors of ink used. Some of the document shows as "gray scale" scanning, some as black and white scanning, and some as color scanning. It shows different types of letters and variations in kerning, meaning some letters are encroaching into the space of other letters which is possible only with computer graphics, not with a typewriter used in 1961. Numerous other parameters lead to the same conclusion, that the document in question is not a copy of a 1961 typewritten document, but a

computer-generated forgery, created by cutting and pasting bits and pieces from different documents and filling in the blanks with computer graphics.

24. **Affidavit of Chris Strunk (*Exhibit 14*) shows that in Obama's mothers passport records received by Strunk in response to his FOIA request submitted to the Department of State, Obama is listed under the name Barack Obama Soebarkah.** There is no evidence of Obama ever legally changing his name.

25. Affidavit and an attached article of typesetting expert Paul Irej (Elections challenge exhibit 3) provide additional evidence of forgery in Obama's alleged birth certificate, as different parts of the document in question are typed using different fonts and sizes of letters and are cut and pasted from different documents. Irej, who has 57 years of experience in typesetting, typing, printing and over 20 years of experience in computer graphics, is stating that the alleged birth certificate is a computer generated forgery and that a document created by typing with a typewriter cannot have different spacing between letters, kerning, different shapes and sizes of letters and a white halo around letters and lines.

26. Exhibit 16 Cover page and page 31 of the transcript of March 25th 2010 session of the assembly of Kenya contain part of the speech of minister of

Lands of Kenya, James Orengo. In his speech Orengo clearly states that Obama was born in Kenya and not a native U.S. citizen.

27. Exhibit 17 represents Obama's biography, which he submitted to his literary agent Acton Dystel, which was published in 1991 and was posted on the agency website until 2007, states "Barack Obama, first African-American President of the Harvard Law review, was born in Kenya and raised in Indonesia and Hawaii." In 2007, when Obama started to run for the U.S. Presidency and decided that he needs to be born in the U.S. and needs to be a natural born U.S. citizen, the biography was scrubbed from the official web site of Acton Dystel, but was found in archives and on Wayback machine.

28. Additionally, in his school records in Indonesia Obama is listed under the name Soetoro and citizenship Indonesian (Affidavit of Elections challenge *Exhibit 13 Obama's registration in Assissi school in Jakarta Indonesia, showing him using his stepfather's last name Soetoro and citizenship Indonesian*). Exhibit 11 represents a DVD of the sworn testimony of witnesses Papa, Jordan, Sampson, Vogt, Strunk, Daniels, Taitz attesting to fraud and forgery in Obama's identification records during trial *Farrar et al v Obama OSAH-SECTSTATE-CE-1215136-60-MALIHI* in the administrative court of Georgia.

DECLARATORY RELIEF

Plaintiffs incorporate all prior paragraphs as if fully pled herein

29. All of the above evidence showed Obama to be using forged Identification papers and a Social Security number, which was never assigned to him. Aforementioned document show Obama's citizenship to be Indonesian. There are no valid identification papers to show Obama to be a natural born U.S. citizen.

30. Obama is running for the U.S. Presidency in 2012 election committing fraud, claiming to be a natural born U.S. citizen, and using forged and fraudulently obtained IDs as a basis for his natural born U.S. citizen status.

31. Based on the above presented evidence Plaintiffs are seeking DECLARATORY RELIEF that candidate Obama lacks the constitutional requirements to become the U.S. President due to the fact that Obama is not a natural-born citizen of United States and was placed on the ballot by virtue of fraud, and his use of forged and fraudulently obtained identification documents.

32. Secretary of State of California and Governor of California are the state officials, who have the ministerial duty of Presenting the **Certificate of Ascertainment to the members of the Electoral College**

33. Members of the Electoral College 2012 are electors, who are required to vote for their pledged candidates. absent a court order of STAY or INJUNCTION the members of the electoral college will have to vote for Obama in the jurisdictions, where he won the popular vote or they may be subject to penalties even if they are forced to violate the law and violate their oath of office to uphold the Constitution.

President of the Senate has a ministerial duty of presenting the Certificates of Vote to the U.S. Congress.

U.S. Congress has a ministerial duty of voting to confirm or refuse to confirm the results of the Electoral College vote.

EQUITABLE RELIEF

EMERGENCY STAY/MANDATE FOR STAY/PRELIMINARY

INJUNCTION

Plaintiffs incorporate all prior paragraphs as if fully pled herein.

34. Equitable remedy is warranted as economic remedy is not sufficient. Plaintiffs who are candidates for the U.S. President and loss of election cannot be cured with economic damages. Plaintiffs, who are electors, lost their right to participate in 2012 Electoral College. Plaintiffs are stating that they are

improperly prevented from competing in the general election. Additionally, they are alleging that Candidate Obama is improperly allowed to compete in the general election, even though he is a foreign national, he is using a last name, which is not legally his and he is using forged/ fraudulently obtained identification papers as a basis of his identity. Plaintiffs have suffered and continue to suffer an undue hardship.

35. Secretary of State will not suffer any hardship if the Petition for a Writ of Mandamus/ stay is granted.

36. In balancing the hardships, the hardship suffered by the Plaintiffs outweighs the non-existent hardship to the defendant.

37. Granting Petition for Writ of Mandamus/ Stay is in Public Policy, as it will ensure integrity of elections and will protect the public from the elections fraud.

38. Precedent of *McCarthy v Briscoe* 429 US 1317, 97 S Ct 10; 50 L Ed 2d 49; 1976 U.S. Lexis 4129 states that a stay can be granted by a single justice to either add or remove a candidate.

39. Recent precedent of *Miller v Campbell* 3:10-cv-252 RRB U.S. District provided similar relief
"Therefore, for the reasons articulated above and by Defendants

in their Motion to Dismiss for Lack of Federal Question Jurisdiction or in the Alternative to Abstain at Docket 17, which Plaintiff responded to at Docket 20, this matter is hereby **STAYED** so that the parties may bring this dispute before the appropriate State tribunal. The Court shall retain jurisdiction pursuant to Pullman and will remain available to review any constitutional issues that may exist once the State remedies have been exhausted. In order to ensure that these serious State law issues are resolved prior to certification of the election, the Court hereby conditionally **GRANTS** Plaintiff's motion to enjoin certification of the election. If an action is filed in State Court on or before **November 22, 2010**, the results of this election shall not be certified until the legal issues raised therein have been fully and finally resolved." *id*

Additionally, allowing Mr. Obama to be certified would violate California Election Code Section 1203, which states "Anyone who files or submits for filing a nomination paper or declaration of candidacy that it or any part of it has been made falsely is punishable by a fine not exceeding one thousand

dollars (\$1,000.00) or by imprisonment in the state for 16 months or two or three years or by both fine and imprisonment" and California Elections Code Section 18500 that states, "Any person who commits fraud and person who aids or abets fraud or attempts to aid or abet fraud, in connection with any vote cast to be cast or attempted to be cast is guilty of a felony, punishable by imprisonment for 16 months or two or years".

Since in his official School Registration #206 from Assisi School in Jakarta Indonesia, Obama is listed is citizen of Indonesia, not U.S. citizen, Defendants and this court might be subject to a charge of treason by allowing a foreign national, citizen of Indonesia, Barack Obama, aka Barack (Barry) Soetoro aka Barack Obama Soebarkah to usurp the U.S. presidency and the position of Commander in Chief by virtue of fraud and use of forged IDs.

PRAYER FOR RELIEF

Wherefore Plaintiffs respectfully pray for:

1. Declare Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack Obama Soebarkah ineligible/illegitimate for the position of the U.S. President due to the fact that he is not a Natural Born U.S. citizen and that his eligibility for office claims are based on forged and fraudulently obtained identification papers.

2. **STAY** of Presentment of **CERTIFICATE OF ASCERTAINMENT** by **the Governor and the Secretary of State with votes** for candidate Obama pending resolution of the issue of his legitimacy for the U.S. Presidency in light of his Indonesian citizenship, due to the fact that according to his mother's passport records his last name is Soebarkah and he is seeking to become a U.S. President under a name that is not legally his and due to his use of forged IDs, specifically a forged birth certificate, forged Selective Service Certificate and a fraudulently obtained Connecticut Social Security number as proof of his identity.

2. **STAY** of vote by the **ELECTORAL COLLEGE** for candidate Obama pending resolution of the issue of his legitimacy for the U.S. Presidency in light of his Indonesian citizenship, due to the fact that according to his mother's passport records his last name is Soebarkah and he is seeking to become a U.S. President under a name that is not legally his and due to his use of forged IDs, specifically a forged birth certificate, forged Selective Service Certificate and a fraudulently obtained Connecticut Social Security number as proof of his identity.

3. STAY OF PRESENTMENT OF THE CERTIFICATE OF ELECTORAL VOTE BY THE PRESIDENT OF THE SENATE for candidate Obama pending resolution of the issue of his legitimacy for the U.S. Presidency in light of his Indonesian citizenship, due to the fact that according to his mother's passport records his last name is Soebarkah and he is seeking to become a U.S. President under a name that is not legally his and due to his use of forged IDs, specifically a forged birth certificate, forged Selective Service Certificate and a fraudulently obtained Connecticut Social Security number as proof of his identity.

4. STAY OF VOTE BY THE U.S. CONGRESS for candidate Obama pending resolution of the issue of his legitimacy for the U.S. Presidency in light of his Indonesian citizenship, due to the fact that according to his mother's passport records his last name is Soebarkah and he is seeking to become a U.S. President under a name that is not legally his and due to his use of forged IDs, specifically a forged birth certificate, forged Selective Service Certificate and a fraudulently obtained Connecticut Social Security number as proof of his identity.

5. Costs, attorney's fees and any other relief court finds just and proper.

I hereby certify that foregoing is true and correct to the best of my knowledge and informed consent.

Respectfully Submitted,

EXHIBIT 2

AFFIDAVIT

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the following facts are true:

1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, I could testify competently thereto. I am a former sworn law enforcement officer and criminal investigator. Since 2007 I have been duly appointed by the elected Sheriff of Maricopa County, Arizona, Joseph Arpaio, as the chief investigator of his Cold Case Posse.
2. Under the Arizona Constitution and Arizona Revised Statutes, the Sheriff has the authority to request assistance from a volunteer posse ("the Cold Case Posse"), a special five-member team of experienced investigators located in the county, to assist him in the execution of his duties. The individually-selected team deputized by the Sheriff includes former police detectives and attorneys who work voluntarily and at virtually no expense to the taxpayer whenever the Sheriff authorizes an investigation to address any issue as the Sheriff deems appropriate.
3. In August 2011, a group of citizens from the Surprise Arizona Tea Party organization called upon the Sheriff in his office and presented a petition signed by approximately 250 residents of Maricopa County, requesting the Sheriff's Department to investigate whether a document posted on the official website of the White House on 27 April 2011 and purporting on its face to be an electronic image of the "long-form" or original Hawaiian birth certificate of President Barack Hussein Obama was genuine.
4. If the image of the birth certificate were not genuine, the question might arise whether Mr Obama had been born within the jurisdiction of the United States and thereby complied with the requirement under Article II of the U.S. Constitution that the President be a "natural-born citizen".
5. The petitioners expressed their concern that, until that point, no law enforcement agency had ever gone on record as indicating that it had investigated or was willing to investigate whether President Obama was eligible to hold his office. The petitioners said that lack of resources and jurisdictional challenges had inhibited any such investigation elsewhere.
6. Sheriff Arpaio commissioned the Cold Case Posse to undertake the investigation requested by the petitioners. The principal focus of the investigation is the electronic document on the White House website that President Obama had presented as the image of his long-form birth

certificate to the American people and to citizens of Maricopa County at a White House press conference on April 27, 2011, when he had said: "We provided additional information today about the site of my birth. ... Yes, in fact, I was born in Hawaii, August 4, 1961, in Kapi'olani Hospital."

7. For 17 years from 1991 until the year before the Presidential election of 2008, the annually-revised biography written by Mr Obama and circulated by his literary agents had contained the words "Barack Obama, the first African-American President of the *Harvard Law Review*, was born in Kenya and raised in Indonesia and Hawaii."
8. The official *Parliamentary Debates* of the Kenyan National Assembly for 25 March 2010 records that Mr Orengo, the Minister for Lands, said: "If America ... did not see itself as a multiparty state or nation, how could a young man born here in Kenya, who is not even a native American, become the President of America?"
9. The investigation has closely examined the procedures for registration of births at the Hawaii Department of Health and various statements made by officials of the Hawaii government over the last five years in connection with the authenticity of Mr Obama's birth records. We have chronicled a series of inconsistent and misleading representations that various officials of the government of Hawaii have made since 2007 on the question what original birth records, if any, are held by the Hawaii Department of Health.
10. In February 2012, I reported to Sheriff Arpaio that there was probable cause to consider that the White House image of Mr Obama's birth certificate was a forgery, and specifically that it was not a true and accurate photographic image of a genuine birth record. I advised the Sheriff that the forgers had probably committed two crimes: first, fraudulently creating a forgery that the White House had characterized, knowingly or unknowingly, as an officially-produced governmental birth record; and secondly, fraudulently presenting to the residents of Maricopa County and to the American public at large a forgery that the White House had represented as "proof positive" of President Obama's authentic 1961 Hawaiian long-form birth certificate.
11. These conclusions were reinforced by input from numerous experts in the fields of typewriting, typesetting, computer-generated documentation, forensic document analysis and Adobe computer programs, as well as comparisons with numerous other birth records and expert reviews of Hawaii state law and of the regulations, policies and procedures of the Hawaii Department of Health.

12. The investigation further determined that the Hawaii Department of Health has engaged in what the Sheriff's investigators believe is a systematic effort to hide from law enforcement and the public whatever original 1961 birth records the Hawaii Department of Health may have in its possession. The Posse also accumulated evidence that the Hawaii government and its agencies had changed their policies and procedures in a manner calculated to hinder our law-enforcement investigation.
13. In furtherance of the investigation, which has now continued for more than a year, I have twice visited Hawaii within the last six months. On the first occasion, a Maricopa County Sheriff's Office Detective and I presented our credentials to the offices of the Hawaii Department of Health and requested to speak to Mr Alvin Onaka, the chief registrar of births, a simulacrum of whose signature-stamp had appeared on the electronic document on the White House website. We had hoped to ask Mr Onaka if he would verify the authenticity of the White House released document and to verify the legitimacy of the registrar's stamp bearing his signature. Additionally we hoped to ask him to allow us, for law-enforcement reasons, to inspect the original document and, in due course, to subject it to forensic examination.
14. However, when we presented our credentials at the front desk of the Hawaii Department of Health, much to our amazement we were informed that Mr Onaka does not speak to the public. We explained that we were there on official business. Nevertheless, we were not permitted access to Mr Onaka.
15. At our insistence we did have an opportunity to speak with Deputy Attorney General Jill Nagamine. During our meeting Ms. Nagamine refused to verify the authenticity of the PDF file released by the White House. As a matter of fact Ms. Nagamine would not provide us with any confirmation that the document was created by the Hawaii Department of Health.
16. Ms. Nagamine accused us of trying to get a verification of a birth record without legal authority to do so, even though the document has been offered for public view via the World Wide Web. She constantly evaded answering every question about the legitimacy of the document by hiding behind State statutes.
17. We also visited the Kapi'olani Hospital, which the document on the White House website identifies as the place of Mr Obama's birth. We had discovered as a result of our enquiries that the hospital, at the relevant time, had maintained a separate record-keeping system by which all births at the hospital were recorded. This document is stored in the hospital archives. These archives are accessible to the public by hospital

permission. We asked to see the hospital's birth records for 1961 but were less than politely refused. At no time did Kapi'olani Hospital ever confirm that Mr Obama was in fact born in the hospital. Nor did they confirm that they were in possession of his birth records.

18. Having regard to the elaborate non-cooperation we received from the State of Hawaii, and upon close examination of the evidence, it is my investigational opinion, shared by the Sheriff, that forgery and fraud have been committed in key identity records, including President Obama's long-form birth certificate; his computerized short-form birth abstract; his Selective Service Registration card.
19. The Cold Case Posse has also noted that Mr Obama's first Executive Order, issued on his first full day as President, was to seal all of his own past records from public scrutiny. Documentation that is not available for Mr Obama includes not only his original birth records but also his baptism records, his adoption records, his kindergarten records, his Punahou school records, his Occidental College records, his Columbia University records, his Columbia University thesis, his Harvard Law School records, his Harvard Law Review articles, his scholarly articles from the University of Chicago, his passports, his medical records, his files from his years as an Illinois State Senator, and his Illinois State Bar Association records.
20. The then Republican Governor, Linda Lingle, stated during an interview on New York's WABC radio in 2008 that in an attempt to quell the Birth Certificate issue she had the Birth Certificate inspected by the state's director of health, Chiyome Fukino.
21. Lingle is quoted "So I had my health director, who is a physician by background, go personally view the birth certificate in the birth records of the Department of Health, and we issued a news release at that time saying that the president was, in fact, born at Kapi'olani Hospital in Honolulu, Hawaii. And that's just a fact and yet people continue to call up and e-mail and want to make it an issue and I think it's again a horrible distraction for the country by those people who continue this."
22. On October 31, 2008, Dr. Chiyome Fukino released the following statement: "There have been numerous requests for Sen. Barack Hussein Obama's official birth certificate. State law (Hawai'i Revised Statutes §338-18) prohibits the release of a certified birth certificate to persons who do not have a tangible interest in the vital record. Therefore, I as Director of Health for the State of Hawai'i, along with the Registrar of Vital Statistics, who has statutory authority to oversee and maintain these type of vital records, have personally seen and verified that the Hawai'i State Department of Health has Sen. Obama's original birth certificate on record

in accordance with state policies and procedures. No state official, including Governor Linda Lingle, has ever instructed that this vital record be handled in a manner different from any other vital record in the possession of the State of Hawai'i."

23. Months later, in July 2009, she added another comment: "I, Dr. Chiyoame Fukino, Director of the Hawaii State Department of Health, have seen the original vital records maintained on file by the Hawaii State Department of Health verifying Barack Hussein Obama was born in Hawaii and is a natural-born American. I have nothing further to add to this statement or my original statement issued in October 2008 over eight months ago."

Significantly, Fukino changes the wording from viewing Sen. Obama's "original birth certificate" to having "seen the original vital records maintained on file by the Hawaii State Department of Health, verifying Barack Hussein Obama was born in Hawaii and is a natural-born American".

24. The Governor of Hawaii, Mr Neil Abercrombie, has said that he was present when Mr. Obama was born. Later, however, he retracted that statement and acknowledged that he did not see Obama's parents with their new born son at any hospital, although he said he remembers seeing Obama as a child with his parents at social events. There is no evidence to support that claim. No doctor or nurse who attended his birth has come forward to say so.
25. Abercrombie told the Honolulu Star Advertiser he was searching within the Hawaii Department of Health to find definitive vital records that would prove Obama was born in Hawaii, because the continuing eligibility controversy could hurt the president's chances of re-election in 2012.
26. Abercrombie said the birth certificate issue would have "political implications" for the presidential election "that we simply cannot have."
27. Abercrombie did not report to the newspaper that he or the Hawaii Department of Health had found Obama's long-form, hospital-generated birth certificate. The governor only suggested his investigations to date had identified an unspecified listing or notation of Obama's birth that someone had made in the state archives.
28. Abercrombie did not say to the newspaper that he or the Hawaii Department of Health had found Obama's long-form, hospital-generated birth certificate. Nor did he say to the newspaper he had personally seen any birth record for Obama. The governor only suggested his investigations to date had identified an unspecified listing or notation of Obama's birth that someone had made in the state archives.

29. "It was actually written, I am told, this is what our investigation is showing, it actually exists in the archives, written down," Abercrombie said.
30. Conceivably, the yet-undisclosed birth record in the state archives that Abercrombie said had been discovered may have come from the grandparents registering Obama's birth, an event that would automatically have triggered both the newspaper birth announcements and availability of a Certification of Live Birth, even if no long-form birth certificate existed.
31. Our investigation has revealed that in 1961, as Hawaiian law then stood, Obama's grandparents, Stanley and Madelyn Dunham, could lawfully have made an in-person report of a Hawaiian birth even if the infant Barack Obama Jr. had been foreign-born.
32. The newspaper announcements of Mr Obama's birth do not prove he was born in Hawaii, since they could have been triggered by the grandparents registering the birth as Hawaiian. They might then have paid for the announcement themselves.
33. However, we have learned that it was not uncommon for local newspapers to publish birth announcement paid for by individuals reporting the birth in the local paper, even if the child was born elsewhere. If so, the registration of an out-of-country birth as Hawaiian would have been reported in the same way as the registration of an in-country birth. Neither of the two advertisements states that Obama was born in a particular hospital. Both give very limited information.
34. To date the purported undisclosed birth record in the state archives that Abercrombie has claimed to have discovered and has described as being "actually written" has never been made public. Being located in the state archives, this document should be available for inspection by the general public without restraint.
35. From Abercrombie's admission, it is legitimate to infer that this record, if it indeed exists, was not in the possession of the Hawaii Department of Health, which may have had no record of the in-country birth of Mr Obama either in hard copy form, such as long form birth certificate, preserved in its vault as described by Dr. Chiyome Fukino. If such a document had existed, Abercrombie would have had it within minutes of his request.

36. Mr Obama's long-form birth certificate would have been preserved in a hard-covered bound volume along with the other long form birth certificates of that period. This record would have been easily accessible to the Department of Health upon the Governor's request, had it existed.
37. Dr. Chiyome Fukino also gave an interview to CNN on April 26, 2011, in which she stated that she simply went into the vault and inspected Obama's original Birth Certificate. Inferentially, it should have been that easy for Governor Abercrombie to locate it as well.
38. This circumstance also suggests that the birth record of Mr Obama was not at that time recorded in the Department of Health's computerized database that has been in use since 2001.
39. In March 2012, Sheriff Arpaio held a Press Conference during which he and I presented an outline of those aspects of the investigation that would not compromise the safety of witnesses or the integrity and future course of the investigation. At that time, we had concluded that there was probable cause that forgery and fraud had been committed in respect of four documents: the long-form or original birth certificate for Mr Obama, which contained multiple errors and anomalies, many of them serious; the short-form computer-generated abstract of Mr Obama's birth record that the Democratic Party had published in 2007, which was printed using a form of words not current at the relevant date; the selective-service document for Mr Obama, which contained a two-digit year-stamp contrary to specifications written by the Department of Defence to the effect that the year of issue should be expressed as four digits on the stamp, and contrary to any other selective-service registration document that we have been able to examine; and we are aware that the social security number, which has a prefix that at the date of issue was unique to Connecticut even though Mr Obama has never resided in that State.
40. In an attempt to verify whether Mr Obama and his mother had arrived in the United States at or around the alleged date of his birth, we contacted the National Archives to obtain microfilms of the I-94 immigration landing records for the year 1961. All such records were and are available for the entire year 1961, except for those on the alleged date of Mr Obama's birth (August 4), three days before that date, and three days after that date. The Archivist and his staff did not tell us how the missing records had come to be lost, and offered no hope that they would ever come to light.
41. After three months of further investigation, the Sheriff held a second press conference to announce, with my support, that it was no longer a question of probable cause: it was now certain that the document on the White

House website was a forgery. The Sheriff also announced that the investigation would continue: and it has continued ever since.

42. The purpose of holding press conferences was and is to notify the public that an investigation is in progress, with the aim of obtaining additional information that might be helpful to the investigators in reaching the truth. As a result of both press conferences, additional material of this kind became available to us.
43. Our investigation concludes that President Obama's long-form birth certificate is a computer-generated document; that it was manufactured piecemeal and electronically; and that it did not originate as a copy of a true paper record from a bound volume, as claimed by the White House and by the Governor of Hawaii and by the director of the Health Department, cited in a press release issued April 27, 2011, by the Governor to coincide with the publication of the document on the White House website.
44. Most importantly, the "registrar's stamp" in the computer-generated document released by the White House and posted on the White House website may have been imported from another unknown source document. The fact that the stamp cannot have been placed on the document pursuant to state and federal laws is one of many indications that the document is a forgery and, therefore, that it cannot be relied upon as verification, legal or otherwise, of the date, place or circumstances of Mr Obama's birth.
45. The Registrar's date-stamp exhibited a similar grave anomaly, allowing it to be moved about electronically within the document – which would have been impossible if the document were the scanned and certified copy that official statements profess it to be. The Registrar's signature-stamp and date-stamp were computer-generated images that were imported into the document. They were not electronic images of actual rubber-stamp imprints inked by hand or machine on to a paper document. Accordingly, the document on the White House website is, at a minimum, misleading to the public in that it has no legal import and cannot be relied upon as a legal document carrying the full faith and credit of the State of Hawaii and verifying the date, place and other circumstances of Mr Obama's birth. A photograph of the Registrar's date-stamp is exhibited and marked "MZ2".
46. These and numerous other errors and anomalies observed after extensive forensic scrutiny of the electronic image downloaded from the White House website were inconsistent with features to be expected when a paper document is placed on the glass plate of a scanner so that it can be captured as an electro-photographic image, or when it is scanned and then

processed either to enhance the clarity of the image by optical character recognition or to reduce file-size by file-compression or optimization.

47. Furthering the investigation, I returned to Hawaii for a second time. I met Mr Duncan Sunahara, the brother of Virginia Sunahara, an infant born in Hawaii on August 4, 1961, the alleged date of Mr Obama's birth there. Ms Sunahara died the following day, August 5, after breathing difficulties. When I met Mr Sunahara he had recently applied to the Department of Health in Hawaii for a copy of his deceased sister's birth certificate. He told me the Department had gone to great lengths to deny him a copy of the original long-form birth certificate that a close relative is entitled by law to request and the Department is obliged by law to supply. The Cold Case Posse is compelled to consider the question why this little girl's 1961 long-form birth certificate was so disconcerting to the Hawaii Department of Health that it did not wish to issue a copy to Mr Sunahara upon request.
48. I obtained from Mr Sunahara a copy of proceedings in the Circuit Court of the First Circuit, State of Hawaii, in which the Deputy Attorney General, Ms Nagamine, appeared before Judge Rhonda Nishimura on March 8, 2012, to argue that Mr Sunahara was not entitled under Hawaiian statute law to see, still less obtain, a certified copy of his deceased sister's original 1961 long-form birth certificate.
49. During the proceedings, the Attorney General implied that Mr Sunahara's request arose from an underlying interest in obtaining evidence that might assist in determining whether the document on the White House website is indeed a forgery. Ms Nagamine said Mr Sunahara ought to be satisfied with a short-form extract of the birth record rather than a long-form printed image of the original copy in the bound volume for 1961 in the vaults of the Health Department.
50. Ms Nagamine also said that the entire volume of birth certificates inferentially containing not only Ms Sunahara's long-form original birth certificate but also those of twins born at about the same date had been removed to a special, secure location with very limited access. I do not know what purpose the Department of Health had in preserving these records at all, unless it was to show them upon request to family members and others – such as law enforcement – with a legitimate and statutory interest in seeing the documents.
51. Ms Nagamine said that accessing the original birth records was difficult and expensive. However, in Dr. Chiyome Fukino's interview with CNN she stated that she simply went into the vault and inspected Obama's original Birth Certificate. I am told by Mr Sunahara that he was willing to pay any reasonable fee to cover the cost. Our investigation indicates that the

Health Department's fee is not great: attorneys for Obama had paid \$10 for a certified copy and \$4 for a second certified copy. Inferentially, such small fees are an indication that the difficulty of consulting the archives and generating certified copies is not great. And I have come across further evidence that the difficulty of consulting the records is not very great: for they are normally kept in bound volumes on specially-designed shelves known to librarians as "stacks". A picture of Mr Onaka pulling out a book of birth records from 1972, just nine years after the year that is of interest to our investigation, shows how small the difficulty in consulting the records is likely to be. The photograph is marked "MZ1", annexed and signed as relative hereto.

52. The reason why law-enforcement investigators wish to examine the original long-form birth certificate of Ms Sunahara relates to the practice of the Health Department to number each birth certificate sequentially with the last two digits of the year followed by a five-digit number incremented sequentially by a date-stamp that advanced the counter by 1 after every stamping. At that time, approximately 48 births occurred every day in Hawaii, and were required to be registered. They were sequentially stamped in order of date of birth.
53. Photostat images of the long-form original birth certificates of twin daughters born to Eleanor Nordyke at Kapi'olani Hospital August 5, 1961, one day after the alleged birth of Mr Obama at the same hospital, have been drawn to the Cold Case Posse's attention. They had been published in the Honolulu Advertiser. As a result of examining these images, the Cold Case Posse has reason to suspect that the sequential number on the computer-generated short-form abstract that the Health Department released to the family is not the same as that which appears on the long-form original birth certificate that was issued for Ms Sunahara.
54. Examination of the birth certificates issued to the parents of the Nordyke twins shows that their registration numbers,, 61/10637 and 10638, preceded the number on Mr Obama's short-form and long-form certificates, which is shown as 61/10641, even though he was born a day earlier than they were. Ms Sunahara was born August 4, 1961, and her certificate was stamped by the Hawaii registrar August 8, but her number was 11080. The table summarizes the position:

Name of child	Date and time born	Registered	Certificate #
Barack Obama	Aug 4 at 7:24 pm	Aug 8	10641
Virginia Sunahara	Aug 4 at 9:16 pm	Aug 10	11080
Susan Nordyke	Aug 5 at 2:12 pm	Aug 11	10637
Gretchen Nordyke	Aug 5 at 2:17 pm	Aug 11	10638

55. Mr Obama's birth certificate was registered August 8, 1961. The Nordyke twins' birth certificate was registered August 11, 1961. Even if the sequential numbering had followed the date of registration rather than the date of birth, Mr Obama's certificate should have been automatically assigned a number lower, not higher, than the numbers allocated to the certificates of the Nordyke twins. And the number currently assigned to Ms Sunahara is entirely out of sequence.
56. One possible explanation for the out-of-sequence serial numbers might have been that several serialized piles of birth certificates were registered at different hospitals. However, Ms Verna K. Lee, an official responsible for the recording of births in Honolulu in 1961, when interviewed by a reporter for wnd.com, said that this was not the case. Ms Lee was the local registrar who apparently signed the document on the White House website (it is possible that the forgers lifted her signature from another birth certificate and inserted it electronically into the computerized compilation that is now on the White House website).
57. Ms. Lee was surprised that the numbers were out of sequence. Ms. Lee made recorded statements to a WND reporter during a phone interview. I have personally listened to those recordings. On the recorded conversation Ms. Lee said that all of the birth certificates received in a month were ordered chronologically by date and time of birth and numbered sequentially at the end of each month. The only exception – not relevant in the present case – was that birth certificates received from the islands and from one local out-station in Oahu were grouped separately, so as not to under-represent births outside Honolulu or unattended births occurring at home in the 50% statistical samples by which only even-numbered births were reported to the Federal Government as mandated by the U.S. Office of Vital Statistics.
58. Ms Lee has said that birth certificates from the hospitals in Oahu were sent directly to the central office of the Department of Health in Honolulu. The birth certificates were all numbered at the end of each month by one person. When Ms Lee was asked whether there might have been mistakes in numbering the birth certificates, she insisted that they were numbered correctly and in sequence. The long-form original certificates were inspected twice for accuracy by two different clerks and then signed by the registrar. They were kept together secured in a certain room until they were all numbered at the end of the month. They were not allowed to become out of order and they were not numbered incorrectly. (It should be noted that the Nordyke twins were born minutes apart and their respective certificate numbering was based not only on date but on time as well. This indicates the clerk scrutinized the documents prior to placing them in chronological order for proper numbering.) Based on Ms Lee's representation, I consider it highly unlikely that a birth certificate so far

out of sequence as that which now appears on Ms Sunahara's short-form birth abstract could have been accepted at a registrar's office managed by Verna K. Lee.

59. It is also possible that investigators are being misled into devoting attention to the number on Ms Sunahara's original long-form birth certificate, which may after all turn out to be different from that of Mr Obama and identical to that which appears on her short-form computer abstract. For that reason among others, investigators would like to inspect and, in due course, forensically to examine the volumes of long-form certificates for 1961, and specifically the long-form original birth certificates for Mr Obama, for Ms Sunahara, and for the Nordyke twins.
60. A possibility that the investigators are constrained to bear in mind, given the numerous other defects in the document on the White House website, is that the number on that document is not a genuine registration number assigned to his birth certificate in 1961, but was issued when the short-form document was generated during the 2008 presidential campaign. It is possible that the Health Department does not want the public to see the original 1961 birth records because forensic examination might establish that the forgers had made a mistake in assigning to the forged long-form document on the White House website a number that was out of sequence and that may (or may not) be identical with the number on the long-form original birth certificate of Ms Sunahara. This is one reason why the investigators have asked to see the original bound volumes from the stacks.
61. I am additionally concerned that the Hawaii Department of Health has not offered any testimony that the modern computerized data now used to generate the short-form abstracts have been safeguarded from numerical or other data manipulation. All that the Attorney General of Hawaii offered to the Maricopa County Sheriff's Office as proof that Mr Obama was born in Hawaii was a computer-generated list of birth registrations that was contained in a ring-binder. Pages could easily be removed, added, or removed, altered and reinserted at will. There was no level of security other than closing the rings of the binder holding the pages together.
62. The investigators have obtained an affidavit from an individual who went to the Department of Health when some of the first questions were being raised about Mr Obama's birth certificate. That individual states that when he first went to the main office of the Hawaii Department of Health in Honolulu, Mr Obama's name did not appear in the computerized registration list in the ring binder, but when he went back approximately 14 days later to re-examine the same list he was surprised to see that Mr Obama's name now appeared on it.

63. Notwithstanding this affidavit, it is plausible that an original birth record for Mr Obama exists in Hawaii. Our investigation has discovered that at that time Hawaiian law contained a specific provision that permitted a Hawaiian parent of a child born anywhere in the world or any adult purporting to represent that parent, the right to register the child as Hawaiian-born. It is for this reason that two entries in the "Births" column of the local newspapers at the time do not constitute evidence that Mr Obama was born in Hawaii. They are merely evidence suggesting that a birth certificate was issued for him in Hawaii, and they tell us nothing about whether or not he was born there. In particular they do not – as the White House document purports to do – identify the hospital of birth.
64. If Mr Obama had not in fact been born in Hawaii, the long-form original birth certificate would not have stated that he had been born in a particular hospital at a particular time, and would not have borne the signatures of the attending physician and registrar. The newspaper entries would have been identical whether he had been born in Hawaii or elsewhere in the world; but the birth records would not have been identical.
65. The existence of this law permitting out-of-country births to be registered as though they were Hawaiian births is a further reason why the Sheriff wishes his forensic investigators to be given access to the original bound volumes of birth certificates for 1961, and to be permitted to carry out forensic scrutiny of the volumes and of certain individual certificates, including that of Mr Obama.
66. For these reasons, it is necessary for the investigators to bear in mind the possibility that the intention of the Hawaii Department of Health in refusing to allow Mr Sunahara to have a certified copy of the original birth certificate of his deceased sister is to conceal forgery and fraud within the Department itself.
67. The Cold Case Posse's law-enforcement investigation into Mr Obama's birth certificate continues, taking account of the additional information obtained both as a result of the Cold Case Posse's own enquiries and as a result of assistance from the public following the publication of some of our results by the Sheriff at the March and July 2012 press conferences.
68. The law-enforcement investigation by and on behalf of the Sheriff of Maricopa County, Arizona, would be greatly assisted, and could be brought swiftly, inexpensively, and decisively to an end, if the Department of Health and the management of the Kapi'olani Hospital were willing to allow court-recognized forensic experts selected by the Sheriff of Maricopa County to inspect and forensically examine the volumes of long-form

original birth certificates for 1961 and the birth records kept by the Kapi'olani Hospital for that year. It should be noted that forensic experts are trained in the management and preservation of paper records, and would cause no damage to the records in the course of their forensic examination.

MZ 1

This is the photograph of Mr Onaka withdrawing a bound volume of long-form original birth certificates for 1972 from the stacks at the Department of Health in Hawaii, referred to in my affidavit in *Sunahara v. Hawaii*. The source of the photograph is an interview of Rasa Fournier with Mr Onaka, entitled *Keeping the Records Straight*, published at midweek.com, November 16, 2011.

MZ2

This is the image, referred to in my affidavit in *Sunahara v. Hawaii*, of the “long-form birth certificate” for Mr Obama, with the registrar’s signature-stamp and, separately, the registrar’s date-stamp moved from their original locations on the “certificate”, which are indicated by white ghost images towards the foot of the green security paper on to which the fabricated document had been electronically superimposed. That the registrar’s date stamp and the registrar’s text/signature stamp were both created by links to external objects imported into the Obama birth certificate was also confirmed by turning on the “Links” option in the “Window” menu in Adobe Illustrator. The inset image at top right is the list of links that appears when that option is activated. Evidence that the two registrar stamps are external objects imported into the Obama “birth document” can be seen in that the registrar’s date stamp and text/signature stamp can easily and separately be electronically moved, rotated at will, turned sideways or even upside-down, and repositioned anywhere on the document. None of several hundred software suites designed for the automated optical-character recognition, image enhancement, file compression, or optimization of an electro-photographic image of an original paper document that were studied and tested by expert consultants to the investigative team was capable of processing the electronic data representing the image in such a manner as to store the data representing either of the two stamps on a single “layer” so as to allow the stamps to be moved about at will.

Affidavit

I, Douglas B. Vogt, am over 18 years old, do not suffer from any mental impairment, have personal knowledge in the following and attest under penalty of perjury that I have knowledge and expertise in documents, imaging, scanners and document imaging programs. Based on my knowledge and expertise the following is true and correct

My Credentials

I have a unique background for analyzing this document. I owned a typesetting company for 11 years so I know type and form design very well. I currently own Archive Index Systems since 1993, which sells all types of document scanners worldwide and also developed document imaging software (TheRepository). I know how the scanners work. I have also sold other document imaging programs, such as Laser Fiche, Liberty and Alchemy. I have sold and installed document imaging systems in city and county governments, so I know their procedures with imaging systems and everything about the design of such programs. This will be important in understanding what has happened with Obama's Certificate of Live Birth.

Figure 1. Tiff image of the Obama's Certificate of Live Birth dated August 8, 1961, presented on TV 4/27/2011.

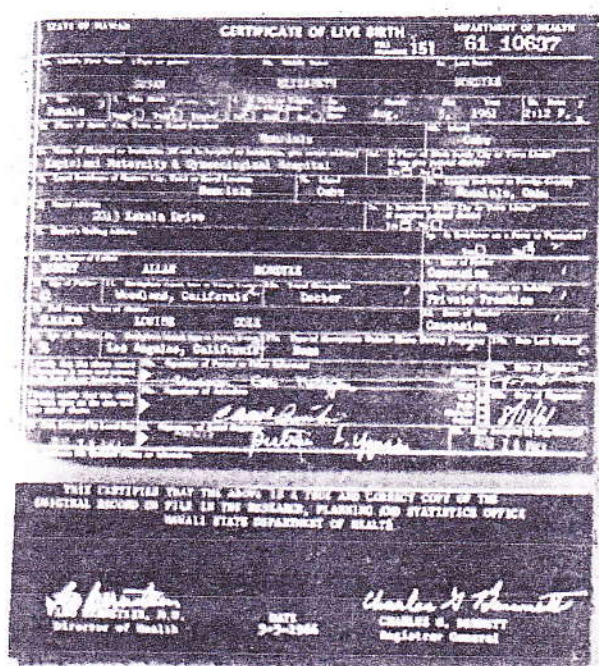

Figure 2. Another Persons microfilmed Certificate of Live Birth dated August 11, 1961.

What I Discovered about Obama's Certificate of Live Birth and why it is a Forgery.

What the Obama administration released is a PDF image that they are trying to pass off as a Certificate Live Birth Long Form printed on green security paper by the County Health Department. The form is a created forgery for the following reasons.

1. Curved and non-curved type. The image we are looking at was scanned in grayscale and some part in binary which cannot be on the same image. The reason I know this is because of the shadowing along the gutter (left-hand side). It also means that the county employees who did the original scanning of all the forms, did not take the individual pages out of the post binders. The result is that all the pages in that book display a parallax distorted image of the lines and type. They curve and drop down to the left. If you look at line 2 (Figure 3) on the form that says *Sex* you will notice the letters drop down one pixel but the typed word *Male* does not. Also notice the line just below *Male* drops down 3 pixels.

Figure 3. Line 2 of the form. Baseline differences.

The second incident of this parallax problem is seen in line 6c *Name of Hospital or Institution* (Figure 4). The word *Name* drops down 2 pixels, but the typed hospital name, *Kapiolani*, does not drop down at all. And again the line just below drops down 2 pixels, but not the name *Kapiolani*.

Figure 4. Line 6c at 500%. The typewriter name of the hospital does not drop down 2 pixels.

The conclusion you must come to is that the typed in form was superimposed over an existing original *Certificate of Live Birth* form from the county. In fact, since I found some of the form headings scanned in as binary and grayscale, the form itself is a composite but the person who created it did not flattened the image of the blank form and save it as one file before they started placing the typewriter text on the composite form. The individual(s) who perpetrated this forgery could not evidently find a blank form in the clerks imaging database, so they were forced to clean up existing forms and overlay the typewriter type we see here. The forger was also looking for certificates with the correct stamped dates and that is why I think they used more than one original form. At first I wondered why the forger didn't just typeset the entire form from scratch and overlay the type and not have to worry about the parallax problem. Then I remembered that in the early

1960s there was no phototypesetting and this form was set in hot metal from a linotype machine. The type design is Times Roman but they could never replicate the exact design. They were stuck having to use existing forms that were scanned in using binary and grayscale.

2. There is a white haloing around all the type on the form. Figure 5 is an example of this. This effect should not appear on a scanned grayscale image. Figure 6 is a grayscale image scanned in at 240 dpi. You will notice that there is no haloing effect around the type and also the security pattern is seen through the type. Figure 7 is a color image where you can clearly see the security green color through the type and no haloing. Figure 8 shows a Black and White (binary) image of the same type. The important thing to remember is that you cannot have grayscale and binary on the same scan unless the image is a composite. That means that different components of the whole image are made up of smaller parts. Figure 9 is an enlarged version of Figure 6 showing what grayscale letters should look like compared to binary.

Figure 5. Obama's form

Figure 6. Grayscale.

Figure 7. Color image.

Figure 8. Binary image.

Figure 9. An enlarged version of Figure 6 showing grayscale type.

3. The Obama Certificate is loaded with both binary and grayscale letters which is just another smoking gun that this form is a forgery. It appears the lines and some of the boxes were scanned using grayscale, but only some of the form headings were grayscale and sometimes it is only some letters. Figure 10 and Figure 4 give one example. You will notice that the *H* and, *al*, in Hospital, *I* in Institution, (*f* and again the *h* and *l* in hospital were grayscale images, but the rest of the line is binary. The typewriter line below was scanned in as a binary image. I can also tell you for certainty that the form type was scanned in at a lower resolution (≤ 200 dpi). This is because of the size of the pixels on the letters were such that the openings on the *a* and *s* on the first line are not visible and filled in.

Figure 10. showing a mixture of grayscale and binary type on the same line.

Another example is found in form box 1a, his name *BARACK*. For some reason the “R” is a grayscale image and the rest is binary (Figure 11). That means the “R” was originally on the form and the rest was not until it was added.

Figure 11. Another example of grayscale and binary on the same line.

Another example is the Certificate number itself (Figure 12). The last “1” on the form is a grayscale image but the rest of the numbers are not. This is just another example of a cut and past job. It also means we do not know what the real Certificate number is if there even is one. There are other form boxes that display the same feature, boxes: 5b, 7e, 11, 13, 16, 18a.

Figure 12. The last “1” is grayscale, but the rest are binary.

4. The Sequential Number is a fraud. I would like you to refer back to Figures 1 and 2. You will notice that Barack Obama was supposed to have been born on Friday at 7:24 p.m. August 4, 1961 and the local registrar accepted it on Tuesday August 8, 1961 and hand stamped the Certificate number “61 10641.” Then notice that the other Certificate of Susan E. Nordyke was born on Saturday at 2:12 p.m. August 5, 1961 and another registrar date stamped it on August 11, but her Certificate number is “61 10637.” Keep in mind there would be only one bates stamp machine in the office so the numbers would all be unique. There cannot be any duplicates so every Certificate has a unique serial number. Obama’s Certificate would have most likely been mailed on the following Monday, the 7th and received by the Clerk Tuesday the 8th. Susan Nordyke’s Certificate looks like it was mailed sometime earlier that week and not accepted until the 11th but she has a Certificate 4 numbers less than Obama’s. It is impossible to have Obama’s Certificate number to be four numbers higher than a Certificate that came in 3 days later.

The facts I have shown you in #3 and 4 tell me several things about how this forgery was assembled. 1. Some person(s) in the Health Department, who had access to the document imaging program, search the database for someone close to the actual birth date of Obama and found someone near the 4th of August. They may have crossed referenced the death database to find someone who had died and had a birth date close to Obama’s. If you remember, the Federal Government wanted the States to cross reference the birth and death databases so the database would have that information. 2. The date stamps have two different colors and sizes (see #5 below) which indicates that both dates came from different Certificates. 3. More than one person is involved in the Hawaii Department of Health to assemble the different components that were used, do the database searches to find the right Certificates to create President Obama’s fraudulent Certificate of Live Birth and finally sign the fraudulent certificate. I believe that after all the components were

assembled they were then given to a graphic artist to actually assemble the whole thing and create the finished forgery. In short this was a conspiracy to defraud the United States.

5. Two different colors and font sizes in Form box 22 and 20 Date Accepted by Reg. General.

What is very revealing about this box and date entry is there are two different colors on both lines. Both lines were scanned using binary mode, but I see two different colors (Figure 13). What I think this is showing us is that the person who put this fraud together was looking for a form that had the right date namely "August 8 19_1." As you can see the only things that are printed in dark green (R=71, G=92, B=73) are "Date A" and "AUG -8 6." The rest of the type is in black. This tells me that the forger was working in color mode. ~~Finally the Font size of the rubber stamp in box 22 is larger than the stamp used in box 20. This is unlikely because the same rubber stamp would have been used by the same registrar to stamp the dates in both places and sign the form in box 21. Since we have two size letters and numbers, that means these elements were taken from two separate forms that may have been years apart using different rubber stamps.~~

Dany Day

Figure 13. Two different colors, dark green and black.

The same thing is found in form box 20 "Date Accepted by Local Reg." Figure 14 again shows that the date has two different colors. The "AUG -8 196" is in dark green (R=87, G=111, B=87) and the "1" is in black. Yet again another irrefutable proof this form is a forgery. Form box 17a displays the same two color image in the word "None". The "Non" is in dark green.

Figure 14. Another example of two colors on the same line.

6. Multiple layers in the PDF file from the White House. I am not the first one to find this fact and they deserve the credit for discovering it. What they discovered is that when you open up the PDF file in Adobe Illustrator and you turn on layers, you see a long list of nine different layers that correspond to different sections of the form, including the signatures on the form. I discovered using just my Adobe Acrobat 8 Standard that I could also see the different components disappear when I enlarged the image to just 400% and used the "hand" tool to quickly move around the image. When I moved the image fast, the various type components would disappear from the form but the lines stayed just as I had concluded.

A Rebuttal to the Discovery of the Multi Layers Found in the PDF File.

The only rebuttal to the nine layers discovered in the PDF file released by the White House was a statement from a Canadian graphic artists from Quebec by the name of Jean-Claude Tremblay on April 29. It was reported by Fox News on their web site at:

<http://www.foxnews.com/politics/2011/04/29/expert-says-obamas-birth-certificate-legit/>.

He tries to excuse the multi-layers as merely an artifact of an OCR (Optical Character Recognition) engine and then saved as a PDF. There are two major reason he is wrong and I know from his statement he knows nothing about OCR engines and how they work and their file structure. First of all the Obama PDF certificate was supposed to have come directly from the Health Departments office. As stated before, the records they have would have absolutely no reason to be OCRed and if they were asked to give the customer a PDF image it would be from their existing TIFF image stored in their document imaging program on the server. The program would have done no OCR processing at that time.

My qualifications on OCR programs are considerable. Our own document imaging program, TheRepository, has an OCR option from Expervision that is called TypeReader. We integrated TypeReader into our program but to do this we had to sign a non-disclosure statement with them and then we got their Took Kit and API. When an OCR program saves a file as a searchable PDF, the file contains three main files within it. The first file is an image file, usually a compressed Group4 TIFF. The second file is a ASCII text file and the last file is a matrix file that contains the X and Y coordinates of all the words in the document. The Starting point for the image file and the matrix file is usually the upper right-left hand corner of the image measured in pixels. The text file and matrix files would never be seen as separate layers and there is certainly no nine layers. The three files would be in a PDF "wrapper" and that's all. All OCR programs work on the same principle.

EXHIBIT 3

The American Typewriter

How a Young Computer Graphics Person Could Not Understand How to Use a Computer to Forge a Typewritten Document.

It's been some 30 years since we have used typewriters to produce documents. Computers have replaced the typewriter and given us great advantages in document preparation. There is no need to understand the old typewriter. Except when you need to forge a typewritten document.

A computer in the hands of a young person who can create a modern forgery is no match for the old style quirky mechanical typewriter. The forger who produced the Obama Hawaiian Long Form Health Department Birth Certificate may have thought that all typewriter typeface styles were alike. To get his letters he should have assumed that he needed only to match typewritten letters found in the old files of Hawaii birth certificates to scan ... copy and paste into his new document. Those old files should be all alike having been used to produce birth certificates in the 1961 era.

He must have understood that he needed to copy the old typewriter styles and would find them in the files.

But understanding scanners ... he also had to know that scanning a letter "t" one time and using it all over his document would be conviction assured. Because scan lines engage a letter differently every time it's done. So he scanned a bunch of old birth certificates and used a different "t" each time.

The mistake was that many of the letters in the old files were from different typewriter styles and that's something he did not realize ... resulting in many typewritten letters on his forgery that did not match each other.

I hope this helps to explain what might have happened with this document.

Every typewriter typed character is assigned a number in the order it is found in the document.

EVIDENCE OF FORGERY

The two capital letters "A"s are from the word "BARACK" on the birth certificate found at section 8 of the form. There is only one letter between them. Why then is #144 significantly bigger than #146 if the same type-writer key struck both?

Notice the other differences seen in the same word from different locations on the birth certificate. All the letters look different. Why?

The two capital letters "R" are from the same word "BARACK" as above and the other word "BARACK" in section 1 of the form. Why then is #3 significantly shorter and wider than #145 if the same typewriter key struck both? Note also the enclosed area in #145 is smaller than the enclosed area in #3 even though #145 is taller.

The two lower case letters "s" from the word "Hospital" in section 6c and "University" in section 12b are shown to be different because of the width of the letters. The lower case "s" #88 is wider than the lower case "s" in #198 as shown with the green and purple color bars shown under the letters.

The two numbers "2" are from "7:24" in section 5b and section 10 of the form. Why then is #40 significantly wider than #168? Notice also the difference in height of #168. Can you imagine how these two typewritten letters were typed with the same typewriter?

The two lower case letters “a” from the word “Male” found in section 2 and the word “Kapiolani” found in section 6c. Notice that the first “a” #23 is not as wide as #56. Also note the differences of the shape of the enclosed areas and the serifs at the top left of both.

The two lower case letters “i” from the word “University” in section 12b and “Kapiolani” in section 6c are shown to be different because of the dots over the letters. The dot in #199 is higher than that of #58 and shows more space over the letter. Also note the color bars indicating the difference in width between the letters.

From Section 6c

The two capital letters “S” are from “HUSSEIN” in section 8 and “STANLEY” in section 13 of the form. Why then is #151 significantly more narrow than #201? Notice also the serif differences indicated with the arrows showing that the serif on #151 is placed further back to the left on the “S” than as shown on #201.

The two lower case “n” letters are different in size. #62 found in section 6c is much shorter than #193 found in section 12b. This is a good place to insert a photo of a typewriter key to remind us that the impression is struck by an engraved letter that is steel and incapable of changing size.

AFFIDAVIT

In the State of Kentucky, County of Warren, this affiant being duly sworn, deposes and says that he is Timothy Lee Adams, residing at 1132 Fairview Avenue, Apt. F, Bowling Green, KY 42101 and that the statements below are true concerning his employment at the City and County of Honolulu Elections Division in Honolulu, Hawaii:

1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Senator Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie has asserted and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on August 4, 1961.
7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.
8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

Affiant's signature: *T. Lee Adams*
 Affiant's title: *adjunct faculty, UH*

I, *Heather Berry*, a Notary Public of the County and State aforesaid, hereby certify that *Timothy Lee Adams* personally known to me to be the affiant in the foregoing affidavit, personally appeared before me this day and having been duly sworn deposes and says the facts set forth in the above affidavit are true and correct.

Witness my hand and official seal this *21st* day of *March*, *2012*.

I, Felicito Papa, am over 18 years old and resident of 7579 Walden Road, Jacksonville, FL 32244 with FL DL #P100-245-45-082-0. I do not suffer from any mental impairment and can competently attest to the following under the penalty of perjury:

1. I am a professional web developer having graduated with a bachelor's degree in IT at ITT Technical Institute in Indianapolis, IN.
2. I have over ten years of experience of web designs and development and have often used software such as Adobe Photoshop and Adobe Illustrator.
3. I downloaded from the official Whitehouse website, www.whitehouse.gov, April 27, 2011, the new birth certificate of Barack Obama II:
http://www.whitehouse.gov/sites/default/files/rss_viewer/birth_certificate_long_form.pdf
4. I observed that the birth certificate pdf file could be opened with Adobe Illustrator and the software revealed that this document has many layers of images on it. This indicates that the document was not a true copy of the original birth certificate, but a recently created document using Adobe Illustrator.
5. I further observed that this document does not have an embossed seal normally affixed by civil registrars to attest to the authenticity of government issued documents.

FURTHER AFFIANT SAYETH NOT.

1. I am a professional web developer having graduated with a bachelor's degree in IT from ITT Technical Institute in Indianapolis, IN. I have over ten years of experience of in web designs and development and I have often used software such as Adobe Photoshop and Adobe Illustrator.
2. On April 15, 2010, the Whitehouse website, www.whitehouse.gov, released the 2009 Form 1040 of Income Tax Return of President Barack H. Obama:
<http://www.whitehouse.gov/sites/default/files/president-obama-2010-complete-return.pdf>.
3. I downloaded this 65-page pdf file on my computer. I observed that all information about the president's and the first lady's social security numbers were redacted. All blocks or spaces for social security numbers were blank, or "white-out."
4. I submit Exhibit A (attached herewith, page 43 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of Pres. Barack Obama. The space for his social security number is redacted or blank.
5. I submit too Exhibit B (attached herewith, page 49 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama. The space for her social security number is redacted or blank.
6. Then through Adobe Illustrator software, I opened Exhibit A and B and found that these two pdf files have two layers each, not just one layer. When the top layer is turned off or dragged away, the social security numbers of both persons are revealed.
7. I submit Exhibit A1 (attached herewith) Form 709 U.S. Gift Tax Return of Pres. Barack Obama with his social security number revealed. The following information are revealed:

EXHIBIT 7

I, Linda Jordan am over 18 years old, do not suffer from any mental impairment, have personal knowledge of the facts listed below and declare under penalty of perjury:

I used the government run E-Verify System to verify the employment eligibility for Barack H Obama (Obama) and it revealed a "Notice of Mismatch" between Obama's name, birth date and Social Security Number (SSN), compared to the information the Social Security Administration has on file.

I saw Obama's Selective Service Registration (SSR) form which was available on the web at www.sss.gov and copied the SSN Obama used on that form. I also read the reports of licensed investigators Neil Sankey, Susan Daniels and the opinion of retired senior deportation officer of the department of Homeland Security John Sampson, that the SSN Obama was using was fraudulent and/or never issued to him.

Between October 2008 and May 2011, I submitted several requests to agencies and people with the legal responsibility and authority to investigate the use of forged documents and election fraud, concerning Obama's birth records and SSN. (attachment A)

To date no one with the legal responsibility and authority has responded to any of my requests.

I read part of the testimony of Marianna LaCanfora before the Committee on Ways and Means Sub Committee on Social Security in the House of Representatives dated April 14th, 2011. She explained that a SSN in conjunction with a proper identity document determine whether a person is authorized to work. LaCanfora said that the E-Verify system run by the government is a free, Internet-based system that allows employers to electronically verify the employment eligibility of their employees. The Immigration Reform and Control Act of 1986 required all employers to verify the identity and employment eligibility of all new employees regardless of citizenship or national origin.

I considered myself to be one of the employers of the President of the United States.

On July 26, 2011, I tried to enroll in the E-Verify System but it required the employer to enter data from their employees I-9 Employment Eligibility Verification Form. I have been unable to locate one for Obama.

On August 17, 2011, I went back on the E-Verify website and saw that there was a "Self-Service" function that was more streamlined and easier to use when checking an employees eligibility. I entered the name Barack H Obama, birth date August 4, 1961 and SSN 042-68-4425. This data was entered correctly. The report I got back from the SSA included a "Notice of Mismatch with Social Security Administration (SSA) Records". (attachment B)

Plaintiff,

v.

Docket Number: OSAH-SECSTATE-
CE-1215136-60-MALIHI

AFFIDAVIT OF DR. RONALD J. POLLAND

I, Dr. Ronald J. Polland, PhD, being duly sworn, depose and say under penalty of perjury:

1. I am a 64 year-old, natural-born citizen of the United States, a permanent resident of the State of Florida for 52 years. I am over eighteen (18) years of age and not a party to any legal action within. If called to do so, I would competently testify under oath as follows:

2. In 1978, I received my PhD in Instructional Systems from Florida State University with a focus area in Instructional Media. In 1975, I graduated from Florida State University with a dual-program Masters Degree from the Department of Educational Research and Design with focus areas in Statistics and Research Methods. I have also held certifications as a School Psychologist, Mental Health Counselor, and Psychometrist. For over 40 years in the fulfillment of my professional career, I have served the citizens of the State of Florida, many of whom are low-income families and special-needs children. I have authored and evaluated several dozen grants that have been funded at the local, state, and national level. I have more than thirty (30) of years of postdoctoral

experience in statistical research, program evaluation, data mining, computer-assisted instruction, and computer programming.

3. In fulfillment of my work responsibilities performed on a daily basis, I have become proficient in programming and operating mainframe and office computer systems along with printers, plotters, scanners, and other automated input and output devices. I have over twenty-five (25) years of direct work experience in the operation and application of mainframe and personal computers, laser and inkjet printers, plotters, and digital imaging.

4. I have held positions as a Research Consultant, Program Evaluator, Research Manager, Statistical Consultant, Instructional Designer, Computer Programmer, and Web Developer,. I have testified as a Statistical Expert in Governmental hearings over the last twenty (20) years.

5. I received professional training in Adobe products such as Photoshop, InDesign, and Acrobat, and mastered virtually all of the office software packages produced by Microsoft. Additionally, I have also mastered the use of many other graphics and document publishing software that were required in performance of my work.

6. Of particular relevance is the experience I have in scanning complex documents, especially surveys requiring handwriting and optical character recognition. I estimate that, in my work life, have scanned and analyzed over 250,000 documents.

7. My father was a professional photographer who taught me how to use high-end film cameras when I was eight (8) years old. He and my mother invented the Statmaster, a revolutionary photostatic camera that I learned to use and to demonstrate at trade shows. The slogan, "*So easy, an eight-year old can use it,*" was originated at these shows. In addition to using film cameras for over fifty (50) years, I have been using digital cameras in my work requirements for the last fifteen (15) years.

8. Given my combined work experiences and education in research, multimedia photographic arts, and digital reproductions, along with an exceptionally keen eye for detail, as well as the specialized knowledge acquired from over 2,000 hours of direct empirical analysis and reproduction of real and fabricated Hawaiian birth certificates; I am more than capable of visually distinguishing between the two. No person is more experienced in detecting and empirically reproducing anomalies in digital images and photographs of what are alleged to be genuine Hawaiian birth certificates, whether these anomalies were naturally produced or man-made, as well as deconstructing how they were created and for what purposes.

9. With my experience and specialization in digital and film imaging, my findings are conclusive, as outlined in **EXHIBIT "1,"** that the PDF image submitted to the public by its posting on the White House website is a *fabricated forgery* created with the intention to defraud and disenfranchise the American People into believing that Barack Obama was a legal US citizen and a fully qualified candidate for President.

I declare under the penalty of perjury of the laws of the United States, that the foregoing is true and correct.

Civil Action:

Affidavit of John N. Sampson

1. My name is John N. Sampson. I am over 18 years of age, am of sound mind and free of any mental disease or psychological impairment of any kind or condition.
2. I am a citizen of the United States of America, I am 58 years old, and was born in Jackson Heights, Queens, New York and raised in the State of New York.
3. I am the Chief Executive Officer, Owner, and Operator, of CSI Consulting and Investigations LLC, a consulting and private investigative firm registered with the Secretary of State of Colorado as a Limited Liability Company pursuant to the laws of the State of Colorado. The company was formed in the State of Colorado on January 2, 2009 and is in good standing with the Secretary of State of Colorado. Colorado does not have any licensing requirements or provisions for private investigators.
4. I have personal knowledge of all of the facts and circumstances described herein below and will testify in open court to all of the same.
5. On, or about, November 16, 2009, Orly Taitz, the attorney who is prosecuting the above captioned matter, requested that I access LocatePlus, a commercial database that I subscribe to,

6. On, or about, November 16, 2009, pursuant to the aforementioned request by Orly Taitz, I requested from LocatePlus, any and all legally obtainable information relating to SSN 042-68-4425.

7. As a result of this inquiry, I came to learn that Plaintiff Barrack Hussein Obama, has used this Social Security number since at least from June 1, 1986 to present. A detailed report was generated showing family relationships, past residence history, real property owned by Mr. Obama, and other detailed information to include, but not limited to, driver's license information, telephone numbers associated with Mr. Obama, and people possibly related to Mr. Obama.

8. This information was obtained pursuant to a legitimate and permissible search under the user agreement I have with LocatePlus. This request was made in connection with a pending civil action, which is one of the expressed permissible purposes to conduct such an inquiry through LocatePlus, as well as a possible criminal violation of United States law, and possible fraud.

9. As a result of this search and the results that were obtained, on or about November 17, 2009, I accessed a public access database named "SSN Validator" at <http://www.ssnvalidator.com/>. The information this site provided me was that SSN 042-68-4425 was issued by the Social Security Administration based upon an application filed for a Social Security Number in the State of Connecticut between the years 1976 and 1977.

10. Based upon information and belief, Plaintiff Barrack Hussein Obama has never had a direct connection with the State of Connecticut and has never claimed residency in the State of Connecticut.

11. I am a recently retired Senior Deportation Officer of the United States Department of Homeland Security, Immigration and Customs Enforcement (DHS ICE) having retired on August 30, 2008.

12. As a result of my formal training as an immigration officer, conducted at the Federal Law Enforcement Training Center (FLETC), located in Brunswick, Georgia, and advanced training received at FLETC in Artesia, New Mexico and elsewhere during my 27 year career, as well as my professional experience spanning 27 years of federal law enforcement, it is my knowledge and belief that Social Security Numbers can only be applied for in the State in which the applicant habitually resides and has their official residence.

13. During the period between January 1, 1976 and December 31, 1977 inclusive, it is my knowledge and belief that Barrack Hussein Obama habitually resided solely within the State of Hawaii and was between the ages of 14 and 16 during the time period stated above. During that period of time, based upon information and belief, Mr. Obama resided with his maternal grandparents, Madelyn and Stanley Dunham in the State of Hawaii.

MA, 01915, requesting that I contact him regarding my account.

15. On or about February 3, 2010, I telephoned Mr. Russo at 978-921-2727, extension 319 and inquired as to why he wished to discuss my account. At that time, Mr. Russo stated that LocatePlus had noticed I had conducted what he called a "celebrity political figure" inquiry and wanted to know why I had done so and which permissible reason pursuant to the user agreement I was under with LocatePlus pertained to my making my inquiry.

16. I told Mr. Russo that I was a private investigator in the State of Colorado, that I had been tasked by Dr. Orly Taitz, an attorney in California who was prosecuting a civil suit involving Mr. Obama and that I had emails and other documentation that I could send him verifying that fact. Mr. Russo stated that he would appreciate it if I would send that information to him which I did on or about February 3, 2010. He assured me at that time that if I were to provide this information to him it would resolve any "issues" LocatePlus may have regarding my inquiry into a "political celebrity".

17. In the email I sent to Mr. Russo, I offered to have Dr. Taitz send him an email as well confirming the fact that I had been tasked by her to conduct this inquiry pursuant to a pending civil suit in the United States District Court for the Central District of California. He stated that he would like to receive such an email.

18. On or about February 4, 2010, Dr. Orly Taitz, at my request, sent Mr. Russo an email indicating that she had requested me, in connection with the pending civil suit in California against Mr. Obama, to conduct research through the commercial databases I habitually use as a private investigator, related to SSN 042-68-4425.

19. Numerous emails have been exchanged between me and Mr. Russo due to the fact that as of February 2, 2010, my account with LocatePlus has been frozen and I can no longer access this database despite the fact that I responded to their inquiries and have provided evidence to them indicating that I had followed the user agreement we have entered into. I have repeatedly asked that my account be unlocked, unfrozen, and made available to me.

20. Despite all of this, as of March 8, 2010, my account remains frozen and I am unable to conduct legitimate, legal database searches in connection with my business. As a result, I am being financially harmed, unable to conduct legal, lawful, legitimate investigations pursuant to law, and unable to provide to my clients, the services they have contracted with me to provide, thereby subjecting me to possible civil litigation for failing to provide contracted services.

21. Based upon information and belief, misuse of a Social Security number is a direct violation of Title 42 United States Code, Section 408(a)(7)(B), which is a federal felony punishable under Title 18 United States Code by fine or imprisonment of up to five years, or both.

25. I have not been compensated for making this affidavit.

Further, Affiant sayeth not.

Signed and executed in Aurora, Colorado on this 8 day of March, 2010.

Dear Mr. Strunk:

The following is in response to your request to the Department of State, dated November 22, 2008, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

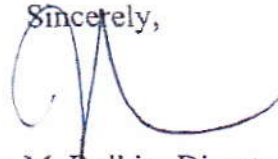

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc., since this information is entered into the passport book after issuance.

This completes the processing of your request.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Jonathan M. Rolbin', with a large, stylized initial 'J' and 'R'.

further, I found an additional eight social security numbers. One of the numbers had (Deceased) behind it. I was able to find the name of the person the SSN actually belonged to and printed it from the Social Security Administration death index.

NATIONAL ASSEMBLY

OFFICIAL REPORT

Thursday, 25th March, 2010

The House met at 2.30 p.m.

[Mr. Speaker in the Chair]

PRAYERS

PETITION

Dr. Khalwale: Mr. Speaker, Sir, I stand here to make a petition on behalf of Kiborowa squatters who are a group of squatters from Trans Nzoia District under an organization called Kiborowa Squatters Alliance. The squatters reside in the rural and peri-urban slums within Trans Nzoia and like our forefathers, remain landless and living under deplorable conditions. Some of those squatters are temporary labourers on the former colonial settler farms now popularly called Agricultural Development Corporation (ADC) farms. Our girls and women are raped and forced into prostitution and early marriages, occasioning high instances of HIV/AIDS and gender biased violence. There are high poverty levels leading to early school dropouts and childhood labour. Despite those squatters making several presentations to the Government with assurances from district commissioners, permanent secretaries and Ministers for Land and Settlement since Independence, our people have yet to see any positive action. We are, therefore, praying through this petition for your humble intervention as a House, so that the Government of the Republic of Kenya may immediately settle all the squatters on the following ADC farms: Sabwani, Sekhendu and Olingatongo ADC farms. We are also praying that the Government restrains those Members of Parliament who are inciting members from non-squatter communities to invade those farms.

Mr. Speaker: Order, Dr. Khalwale! You caught my eye to present a petition, but I am in doubt as to whether or not you have, in fact, complied with Standing Order No.204. At least, I have no indication from the Clerk of the National Assembly, which I normally have as a matter of practice, that you have complied with Standing Order No.204. Can you satisfy me that you have done so?

Dr. Khalwale: Mr. Speaker, Sir, this petition was presented to the Office of the Clerk. He went through it and marked it to the Speaker of the National Assembly. The Office of the Speaker of the National Assembly marked it to Mr. Ndombi who is in the legal arm of Parliament. Mr. Ndombi invited me to his office. We went through this petition and I am glad to confirm that we have complied to the letter, to the requirements of that Standing Order.

Mr. Speaker: Can you, please, let me have a look at the petition to be satisfied that those steps have been taken?

Dr. Khalwale: Mr. Speaker, Sir, after I conclude or before?

the way to look at devolution is about governance. If at all we take this Constitution without looking at the elements of devolution properly, then I am afraid we have missed the boat. We should be very courageous and brave because in 1963, resources were going to the regions. It was not by changing the Constitution that the regions went but by starving the regions of funds and even the power to tax the regions. That is how the regions were killed. But when the regions were working, even hon. Ngala was feeling better and safer as the president of the Coast region rather than being a Member of Parliament here.

The other thing that we are addressing through devolution is exclusion. What has made us suffer as a nation is exclusion. Once people feel excluded, even when you want to employ a policeman or constable or you want to build a dispensary, it must come from the centre. In the colonial days, these things were being done on the ground and they could give bursaries and build roads. I commend devolution. Those who fear devolution are living in the past. They are being guided by their ethnic consideration and objectives. They are living in the past. If America was living in a situation where they feared ethnicity and did not see itself as a multiparty state or nation, how could a young man born here in Kenya, who is not even a native American, become the President of America? It is because they did away with exclusion. What has killed us here is exclusion; that once Mr. Orenge is President, I know of no other place than Ugenya. That is why we were fighting against these many Presidencies in the past. I hope that Kenya will come of age. This country must come of age. People want freedom and nations want liberation, but countries want independence.

I beg to support.

Prof. Kamar: Thank you, Mr. Deputy Speaker, Sir, for giving me the opportunity to contribute to this historic Motion. I would like to support it with amendments and I will be mentioning which ones.

Mr. Deputy Speaker, Sir, allow me, first, to congratulate those who have participated in the process of Constitution-making in this country. I want to recognize the veterans – the Orenge and Imanyaras – past and present. I also want to remember to recognize the Bomas group of delegates that gave us the first Draft (2004). I also want to remember the Committee of Experts (CoE) and our own Parliamentary Select Committee. These people have done a commendable job. The Constitution making process has been very long and tedious. Sometimes it has been acrimonious and tempers have gone up and down. But all in all, the process has brought us this far and we must thank God for that.

Mr. Deputy Speaker, Sir, it is instructive to note that while it has taken a very long time, there are some areas that have consistently remained in all the drafts that we have today. As we consider that, we are reminded of why Kenyans wanted to have a Constitution, to begin with. In the preamble, there is a statement that says: “We, the people of Kenya adopt, enact and give to ourselves and our future generation this Constitution.”

Mr. Deputy Speaker, Sir, we must ensure that Kenyans get a new Constitution that will serve them and the future generations. How do we ensure this? We must ensure this by ensuring that the Proposed Constitution is good for all, fair to all and serves all. This may require the spirit of give and take, but it must all be inclusive and non exclusive. The eyes of the nation are focused on this House. We must rise to the occasion

THE VETTING - EXCLUSIVE - OBAMA'S LITERARY AGENT IN 1991 BOOKLET: 'BORN IN KENYA AND RAISED IN INDONESIA AND HAWAII'

by JOEL B. POLLAK (/COLUMNISTS/JOEL-B-POLLAK) 17 May 2012 5037 POST A COMMENT

Note from Senior Management:

Andrew Breitbart was never a "Birther," and Breitbart News is a site that has never advocated the narrative of "Birtherism." In fact, Andrew believed, as we do, that President Barack Obama was born in Honolulu, Hawaii, on August 4, 1961.

Yet Andrew also believed that the complicit mainstream media had refused to examine President Obama's ideological past, or the carefully crafted persona he and his advisers had constructed for him.

It is for that reason that we launched "The Vetting," an ongoing series in which we explore the ideological background of President Obama (and other presidential candidates)--not to re-litigate 2008, but because ideas and actions have consequences.

It is also in that spirit that we discovered, and now present, the booklet described below--one that includes a marketing pitch for a forthcoming book by a then-young, otherwise unknown former president of the Harvard Law Review.

It is evidence--not of the President's foreign origin, but that Barack Obama's public persona has perhaps been presented differently at different times.

'THE HOPE AND THE CHANGE'

Writer/Director Stephen K. Bannon, former Democrat pollster Pat Caddell and I were interviewed by Hannity about the film he called the best documentary he has ever seen. During the one hour special, viewers saw exclusive clips from the film and heard several members of the 40 person cast go into greater detail about why they've given up on Obama.

Breitbart News has obtained a promotional booklet produced in 1991 by Barack Obama's then-literary agency, Acton & Dystel, which touts Obama as "born in Kenya and raised in Indonesia and Hawaii."

The booklet, which was distributed to "business colleagues" in the publishing industry, includes a brief biography of Obama among the biographies of eighty-nine other authors represented by Acton & Dystel.

It also promotes Obama's anticipated first book, *Journeys in Black and White*--which Obama abandoned (<http://www.gq.com/news-politics/politics/200911/barack-obama-writing-books-writer-robert-draper?printable=true>), later publishing *Dreams from My Father* instead.

Obama's biography in the booklet is as follows (image and text below):

Barack Obama

Barack Obama, the first African-American president of the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son of an American anthropologist and a Kenyan finance minister, he attended Columbia University and worked as a financial journalist and editor for Business International Corporation. He served as project coordinator in Harlem for the New York Public Interest Research Group, and was Executive Director of the Developing Communities Project in Chicago's South Side. His commitment to social and racial issues will be evident in his first book, *Journeys in Black and White*.

The booklet, which is thirty-six pages long, is printed in blue ink (and, on the cover, silver/grey ink), using offset lithography. It purports to celebrate the fifteenth anniversary of Acton & Dystel, which was founded in 1976.

Front cover (outside) - note Barack Obama listed in alphabetical order

Front cover (inside)

Jay Acton no longer represents Obama. However, Jane Dystel still lists (<http://www.dystel.com/client-list/#o>) Obama as a client on her agency's website.

According to the booklet itself, the text was edited by Miriam Goderich, who has since become Dystel's partner at [Dystel & Goderich](http://www.dystel.com/about/) (<http://www.dystel.com/about/>), an agency founded in 1994. Breitbart News attempted to reach Goderich by telephone

several times over several days. Her calls are screened by an automated service that requires callers to state their name and company, which we did. She never answered.

The design of the booklet was undertaken by Richard Bellsey, who has since closed his business. Bellsey, reached by telephone, could not recall the exact details of the booklet, but told Breitbart News that it "sounds like one of our jobs, like I did for [Acton & Dystel] twenty years ago or more."

<p>Edward J. Acton</p>		<p>Jane Dystel</p>
<p>Jay Acton is a man of many talents, interests and accomplishments. Born in Worcester, Massachusetts, he received a B.A. in philosophy from Fordham University. After obtaining his J.D. from New York Law School, he became a member of the New York Bar and was of counsel to the law firm of Rose & Schlessinger. He has also attended Union Theological Seminary for graduate studies.</p>	<p>Jane Dystel has had a varied and distinguished career as an editor, publisher, and agent. A Phi Beta Kappa graduate of New York University, with a B.A. in political science, she spent one year at Georgetown Law Center before she entered the world of publishing. Her first job was at Bantam Books, where she went on to become permissions editor. From there, she moved on to Grosset and Dunlap, first as a managing editor and then as an acquisitions editor. In 1977, Jane became the publisher of the World Almanac, and founded World Almanac Publications, now known as Pharos Books.</p>	<p>Jane was vice-president of Newspaper Enterprise Association and United Features Syndicate, and served on the board of trustees of Hamilton-Madison House. She joined the firm in 1986, and has been a full partner since 1989. She is married to Steven Schwinder and has a daughter, Jessica.</p>
<p>Jay's experience in book publishing is extensive. He has been a trade editor at T.Y. Crowell and St. Martin's Press and in 1976 he started what is now the Acton and Dystel agency. He is also the author of four books: <i>Mugshots</i>, <i>Ralph Nader</i>, <i>The Purplestables</i>, a book of the Month Club selection, and <i>The Altar Key</i>.</p> <p>A successful investor in real estate, broadcasting, and minor league baseball, Jay currently owns the Carolina League's Peninsula Pilots, the Class A affiliate of the Seattle Mariners. He is married to Rose Sedgwick and they have two children, Robert and Elizabeth.</p>		

The parade of authors alongside Obama in the booklet includes politicians, such as former Speaker of the House Tip O'Neill; sports legends, such as Joe Montana and Kareem Abdul-Jabbar; and numerous Hollywood celebrities.

The reverse side of the page that features Barack Obama includes former Green Party presidential candidate Ralph Nader and early-1990s "boy band" pop sensation New Kids On the Block.

		
<p>Barack Obama</p>	<p>Mark Olshaker</p>	<p>Thomas P. O'Neill</p>
<p>Barack Obama, the first African American to address the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son of an American anthropologist and a Kenyan finance minister, he attended Columbia University and worked as a financial journalist and editor for Business International Corporation. He served as project coordinator in Harlem for the New York Public Library Research Group, and was Executive Director of the Developing Communities Project in Chicago's South Side. His commitment to social and racial issues will be evident in his first book, <i>Dreams from My Father</i>.</p>	<p>Mark Olshaker is a critically acclaimed novelist and an award-winning filmmaker, whose fiction has been likened to "a collaboration between Robert Ludlum and Carl Sagan." His works include <i>Einstein's Brain</i>, <i>Diminished Capabilities</i>, and <i>Silver River</i>. He is also the author of a biography of Polaroid founder Edwin Land. Mark has written and produced numerous documentary and educational films on a wide variety of subjects.</p>	<p>Tip O'Neill, former Speaker of the House of Representatives and a legendary political figure, is the author, with William Novak, of the bestselling political memoir, <i>Man of the House</i>. The first democratic speaker in the history of the Massachusetts legislature, he was elected to Congress in 1962. In 1976 he was named Speaker of the House, and served in that post for a decade. Since his retirement, he has maintained a high profile with a series of lectures, commercials, and public appearances.</p>

		
John Murphy	Ralph Nader	New Kids On the Block
<p>John Murphy has been a technical analyst for over 20 years, and is the author of the bestselling <i>Technical Analysis of the Futures Markets</i>. He has also done pioneering work in the field of intermarket analysis, which is the subject of his latest book, <i>Intermarket Technical Analysis</i>. He was the first chairperson of the MTA's Futures Committee and has served on its board of directors. John is on the faculty of the New York Institute of Finance and heads his own consulting firm. He is also the technical analyst and commentator for CNBC-TV, where he does daily broadcasts on the financial markets.</p>	<p>Ralph Nader, the consumer advocate, achieved national prominence when his book, <i>Unsafe at Any Speed</i>, was published in 1965. The book hastened the demise of the dangerous Chevy and spurred the American public to a new level of consumer awareness. He was an adviser to the Senate subcommittee investigating automotive hazards and has been a consultant to various government agencies, legislative committees, and universities. He is a graduate of Princeton and the Harvard Law School, and he is currently working on a memoir.</p>	<p><i>New Kids on the Block</i>, America's hottest pop group, are an international phenomenon. <i>Our Story: New Kids on the Block</i> tells of their astonishing success. Their first three albums went platinum, selling over 16 million copies. Their latest album is "Step By Step". The all American quintet of Jonathan Knight, Jordan Knight, Joseph McIntyre, Donnie Wahlberg, and Danny Wood have the most frenzied fans since the heyday of the Beatles.</p>

Acton, who spoke to Breitbart News by telephone, confirmed precise details of the booklet and said that it cost the agency tens of thousands of dollars to produce.

He indicated that while "almost nobody" wrote his or her own biography, the non-athletes in the booklet, whom "the agents deal [t] with on a daily basis," were "probably" approached to approve the text as presented.

Dystel did not respond to numerous requests for comment, via email and telephone. Her assistant told Breitbart News that Dystel "does not answer questions about Obama."

The errant Obama biography in the Acton & Dystel booklet does not contradict the authenticity of Obama's birth certificate. Moreover, several [contemporaneous accounts](http://ironicsurrealism.com/2012/03/14/obama-1990-interview-were-going-to-reshape-mean-spirited-america/) (<http://ironicsurrealism.com/2012/03/14/obama-1990-interview-were-going-to-reshape-mean-spirited-america/>) of Obama's background describe Obama as having been [born in Hawaii](http://www.nytimes.com/1990/02/06/us/first-black-elected-to-head-harvard-s-law-review.html) (<http://www.nytimes.com/1990/02/06/us/first-black-elected-to-head-harvard-s-law-review.html>).

The biography does, however, fit a pattern in which Obama—or the people representing and supporting him—manipulate his public persona.

David Maraniss's forthcoming biography of Obama has reportedly [confirmed](http://www.vanityfair.com/politics/2012/06/young-barack-obama-in-love-david-maraniss) (<http://www.vanityfair.com/politics/2012/06/young-barack-obama-in-love-david-maraniss>), for example, that a girlfriend Obama described in *Dreams from My Father* was, in fact, an amalgam of several separate individuals.

In addition, Obama and his handlers have a history of redefining his identity when expedient. In March 2008, for example, he famously [declared](http://www.huffingtonpost.com/2008/03/18/obama-race-speech-read-th_n_92077.html) (http://www.huffingtonpost.com/2008/03/18/obama-race-speech-read-th_n_92077.html): "I can no more disown [Jeremiah Wright] than I can disown the black community. I can no more disown him than I can my white grandmother."

AFFIDAVIT

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the facts are true:

1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, could testify competently thereto. I am the duly elected Sheriff of Maricopa County, Arizona, and I have been a law enforcement officer and official, in both state and federal government, for 51 years.
2. In August of last year, a group of citizens from the Surprise Arizona Tea Party organization met with me in my office and presented a petition signed by approximately 250 residents of Maricopa County, asking if I would investigate the controversy surrounding President Barrack Obama's birth certificate authenticity and his eligibility to serve as the President of the United States.
3. This group expressed its concern that, up until that point, no law enforcement agency in the country had ever gone on record indicating that they had either looked into this or that they were willing to do so, citing lack of resources and jurisdictional challenges.
4. The Maricopa County Sheriff's Office is in a rather unique position. Under the Arizona Constitution and Arizona Revised Statutes, as the elected Sheriff of Maricopa County, I have the authority to request the aid of the volunteer posse, located in the county, to assist me in the execution of my duties. Having organized a volunteer posse of approximately 3,000 members, I, as the Sheriff of the Maricopa County Sheriff's Office, can authorize an investigation go forward to answer these questions at virtually no expense to the tax payer.
5. The Cold Case posse agreed to undertake the investigation requested by the 250 citizens of Maricopa County. This posse consists of former police officers and attorneys who have worked investigating the controversy surrounding Barack Obama. The investigation mainly focused on the electronic document that was

presented as President Obama's long form birth certificate to the American people and to citizens of Maricopa County by the White House on April 27, 2011.

6. The investigation led to a closer examination of the procedures regarding the registration of births at the Hawaii Department of Health and various statements made by Hawaii government officials regarding the Obama birth controversy over the last five years.
7. Upon close examination of the evidence, it is my belief that forgery and fraud was likely committed in key identity documents including President Obama's long-form birth certificate, his Selective Service Registration card, and his Social Security number.
8. My investigators and I believe that President Obama's long-form birth certificate is a computer-generated document, was manufactured electronically, and that it did not originate in a paper format, as claimed by the White House. Most importantly, the "registrar's stamp" in the computer generated document released by the White House and posted on the White House website, may have been imported from another unknown source document. The effect of the stamp not being placed on the document pursuant to state and federal laws means that there is probable cause that the document is a forgery, and therefore, it cannot be used as a verification, legal or otherwise, of the date, place or circumstances of Barack Obama's birth.
9. The Cold Case Posse law enforcement investigation into Barack Obama's birth certificate and his eligibility to be president is on-going. The on-going nature of the investigation is due to additional information that has come to light since we held the press conference in March, 2012. As soon as that information has been properly verified by the Cold Case Posse, I will release that information to the public.

Executed this 12 day of June, 2012, in
Maricopa County, Arizona.

Good afternoon,

It seems that I mis-spoke (or typed). Please see the response below from a Division Manager in our Election Bureau.

The Federal Voting registration form do not request a birthplace. In my response I stated that if the person indicates that h/she is a US Citizen, then our data entry operator will update the applicant file with the birthplace US. The applicant do not list their birthplace as there is no place on the form for that information. If the person still insist on a copy, it is on our SOS website.

Mr. Collins,

In answer to your question regarding the birth date being out of range, we do consider those individuals as registered voters and they do receive voter information. I understand that many years ago, if there was not a birth date, the system would go back to the year 1900. That is why you see some birth dates out of range.
