April 18, 2013

Judge Morrison C. England
Chief District Judge
U.S. District court
Eastern District of California
Courtroom #7
501 I street
Sacramento, CA 95814-7300

Dear Judge England,

We, the undersigned, are Senior Officers of the Armed Forces of United States of America. We have served our country in times of peace and in WWII, the Korean War, the Vietnam War and Afghanistan. We took an oath to defend and protect the Constitution of the United States of America and we remain faithful to that oath.

We have reviewed the pleadings in Grinols et al v Electoral College, U.S. Congress, Barack Obama 12-cv- 02997 before Chief Judge of the U.S. District Court for the Eastern District of California. We have also reviewed a large number of other documents and affidavits bearing on the issue of President Obama's eligibility to hold that high office. It appears to us that the Congress and the Judiciary have ignored the evidence presented in this case which is considerable and significant. The question as to whether the Constitution and rule of law have been violated has not been answered. This question has been hanging fire far too long. The American people deserve a definitive answer whether the candidate, who ran in the 2012 Presidential election committed fraud and used forged and fraudulently obtained ID's.

Judge England, we urge you to hear this case on the merits.

Respectfully,

John L. "Dusty" Deryck
LTC, US Army, Ret.
