CRIMINAL COMPLAINT FOR VIOLATION OF 14TH AMENDMENT RIGHTS, SEEKING PROSECUTION BY THE STATE OF FLORIDA OF ATTORNEY GENERAL OF THE U.S. ERIC HOLDER, COMMUNITY RELATIONS SERVICE OF THE DEPARTMENT OF JUSTICE, BARACK HUSSEIN OBAMA FOR INCITING RIOTS IN THE STATE OF FLORIDA, VIOLATING 14TH AMENDMENT RIGHTS OF DUE PROCESS AND EQUAL PROTECTION UNDER THE LAW OF A RESIDENT OF FLORIDA, GEORGE ZIMMERMAN, AND ENDANGERING THE LIVES OF MILLIONS OF CITIZENS IN THE STATE OF FLORIDA IN ORDER TO AID OBAMA REELECTION AND PUSH OBAMA AGENDA.

CRIMINAL COMPLAINT AGAINST THE DISTRICT ATTORNEY OF SEMINOL COUNTY DISTRICT ATTORNEY ANGELA COREY FOR BRINGING A CRIMINAL COMPLAINT WITHOUT EVIDENCE TO SUBSTANTIATE IT, WITHHOLDING FROM THE DEFENSE EXONERATING EVIDENCE AND RETALIATION AGAINST THE WHISTLE-BLOWER, INFORMATION TECHNOLOGY EXPERT, WHO BLEW THE WHISTLE ON COREY

CRIMINAL COMPLAINT AGAINST NATIONAL BROADCAST CORPORATION (HEREINAFTER NBC) AND AMERICAN BROADCAST CORPORATION, (HEREINAFTER ABC) FOR FRAUD IN REPORTING REGARDING THE CONFRONTATION BETWEEN TREYVON MARTIN AND GEORGE ZIMMERMAN WITH THE GOAL OF INCITING RIOTS AND VIOLENCE IN THE STATE OF FLORIDA AND AIDING AND ABETTING OBAMA, HOLDER, CRS AND COREY TO DEPRIVE ZIMMERMAN OF HIS 14TH AMENDMENT RIGHTS OF DUE PROCESS AND EQUAL PROTECTION UNDER THE LAW

BACKGROUND OF THE CASE

This case relates to the incitement of riots in the state of Florida by Barack Hussein Obama, Attorney General Eric Holder, Community Relations Services of the Department of Justice, Seminole County District Attorney Angela Corey and multiple members of the media in the wake of the shooting of Treyvon Martin by a resident of Florida, Community Watchman in Sanford Florida, George Zimmerman (Hereinafter Zimmerman). As was proven on March 13, 2013 by the unanimous jury verdict, Zimmerman acted in self defense in an altercation with one, Treyvon Martin, which led to death of Martin.

Currently there is a serious problem with crime and gang violence in the state of Florida. Sanford residents, specifically residents of the gated community where community watchman Zimmerman resided, was repeatedly terrorized by brake-ins and burglaries. Residents of the community, women and children live under the constant stress and terror, not knowing which house or apartment will be burglarized next. Most of the burglaries were committed by African American youth. George Zimmerman volunteered to become a community Watchman in order to stop the wave of crime in his community. While community watchmen Zimmerman was reporting to the police a suspicious young man, whose face was partially covered by a hood, whom he did not recognize as a resident of the community, Treyvon Martin, who was under the influence of marijuana and irritated by the fact that Zimmerman was vigilant and checking on his actions, confronted Zimmerman and punched him in the nose braking his nose. As Zimmerman fell on the concrete sidewalk, Martin continued pounding on Zimmerman and smashing his head in the concrete. Zimmerman acted in self defense to prevent his death or severe bodily harm and shot Martin. Sanford police thoroughly investigated the incident, repeatedly interviewed Zimmerman without an attorney present and found that he acted in self defense. Not satisfied by the findings of the Sanford police department, President of the United States Barack Hussein Obama (Hereinafter Obama), Attorney General of the United States Eric Holder (Hereinafter Holder) and the Justice Department intervened by making

inflammatory comments and spending nearly five and a half million dollars of the tax payer money to incite violence in the state of Florida. Seminole County District Attorney Angela Corey brought a second degree indictment against Community Watchman Zimmerman without any evidence to substantiate second degree murder indictment and did so solely for political reasons to promote her career during Obama regime. Corey withheld exonerating evidence from the defense and retaliated against the whistle-blower, Information Technology Director Ben Kruidbos, who blew the whistle on Corey and reported on her withholding evidence. Corey further attempted to cover up her retaliation against the whistle-blower Kruidbos by fabricating untrue allegations against Kruidbos as justification for retaliating against him and firing him from his position at the District Attorneys' office. A number of media networks acted with malice and defrauded the public, misrepresented the truth in order to promote Obama campaign in the swing state of Florida, to get the votes by inciting African American population of Florida to riots.

JURISDICTION

Attorney General of Florida has jurisdiction to proceed with the criminal complaint as 14 th amendment violations of the U.S. Constitution are reserved for the states, among them the state of Florida.

COMPLAINT AGAINST THE ATTORNEY GENERAL OF THE U.S. ERIC HOLDER, PRESIDENT BARACK HUSSEIN OBAMA AND COMMUNITY RELATIONS SERVICES OF THE U.S. DEPARTMENT OF JUSTICE

Upon the incident of death of Marti after Zimmerman acted in self defense, President Barack Hussein Obama (Hereinafter Obama) sought to use the incident in his favor to promote his campaign and mobilize black community for upcoming elections. Obama, as the President of the United States inserted himself in the local police matter, made an inflammatory statement that if he were to have a son, he would look like Treyvon Martin. Obama did not mention the fact that Martin, who was 6.3 and much taller than Zimmerman, acted as an aggressor and broke Zimmerman's nose and pounded his head into concrete. Obama did not mention reports stating that Martin was found previously in possession of multiple items of jewelry that did not belong to him and that he claimed that he found somewhere. Obama and Attorney General Eric Holder acted through the Department of Justice and misappropriated and de facto embezzled tax payer funds on inciting violence and riots in the state of Florida against officials of the state of Florida and against a resident of Florida George Zimmerman. Attached reports obtained by the Judicial

Watch show nearly five and a half million of taxpayer dollars, among them the funds from the citizens of Florida being used by Obama, Holder and CRS to incite riots and violence, misrepresent the facts, deny George Zimmerman due process and deny him equal protection under the law as guaranteed by the 14th amendment of the U.S. constitution as applied to the states, including the state of Florida.

"Judicial Watch reports that "it has obtained [documents](#) in response to local, state, and federal records requests revealing that a little-known [unit](#) of the Department of Justice (DOJ), the Community Relations Service (CRS), was deployed to Sanford, FL, following the Trayvon Martin shooting to help organize and manage rallies and protests against George Zimmerman."

JW reports the documents revealed the following:

- **"[March 25 – 27](#), 2012, CRS spent \$674.14 upon being "deployed to Sanford, FL, to work marches, demonstrations, and rallies related to the shooting and death of an African-American teen by a neighborhood watch captain."**

According to Judicial Watch, CRS also acted to facilitate the removal of Sanford's Police Chief Bill Lee, who was fired after a mob of college students self-identifying as "the Dream Defenders," had marched 40 miles from Dayton to protest the Sanford police department.

Although CRS was intended to build bridges and reduce tensions, whitehousedossier.com reports that: "Under President Obama, the group's mission has expanded substantially. CONCLUSION

Obama, Holder and CRS violated Zimmerman's civil rights by inciting violence and riots and depriving Zimmerman of fair trial.

FRAUD BY NBC AND ABC COMMITTED WITH AN INTEND TO AID AND ABET OBAMA, HOLDER AND CRS IN DEPRIVING ZIMMERMAN OF HIS CIVIL RIGHTS

Information below shows that several news networks committed journalistic malpractice and intentionally and maliciously defrauded the public and defamed Zimmerman with an intent to aid and abet Obama, Holder and CRS in depriving Zimmerman of fair trial

"The so-called Press got involved, apparently to help Obama get out the Black vote, and perhaps in an attempt to poison the jury pool, in the event of a trial. Martin was repeatedly portrayed as a young boy, instead of a hulking 6 foot 3 bruiser.

Why not show ultrasounds of him as an embryo?

NBC edited the audio tape of Zimmerman's 911 call so he appeared to be a racist and played it on the "Today" show. Zimmerman reportedly is now suing NBC, alleging that the network made him out to be a "racist and predatory villain" in order to "increase ratings."

Perhaps there was another motive? That edit sure had a tendency to inflame passions.

<http://www.mediaite.com/online/george-zimmerman-suing-nbc-for-editi...>

Oddly enough, ABC also did a deceptive report, airing a video that seemed to show that Zimmerman had no head wounds, after Martin's killing. The headline said "Trayvon Martin Video Shows No Blood or Bruises on George Zimmerman."

But five days later, ABC quietly released an enhanced video that clearly showed a huge gash on Zimmerman's head.

Breitbart.com concluded that the motive of airing the original video was to use this tragic killing to boost Obama's poll numbers, improving his chances in the upcoming presidential election. Said Breibart: Obama's declaration that a son of his would look like Trayvon Martin "...pushed a local crime story (in a crucial swing state) into a nationally divisive racial flamethrower. This is what community organizers do. With the help of their media accomplices, community organizers get out the vote by exploiting tragedies, inflaming racial passions, and dividing communities."

"ABC and [especially NBC News](#) want Obama to win reelection. The motive behind this disgraceful behavior isn't any more complicated than that. Both threw out phony stories that they apparently thought would be game changers."

Zimmerman was arrested—even though local authorities initially felt there was insufficient evidence to do so. He is now under trial and in fear of his life.

<http://www.breitbart.com/Big-Journalism/2012/04/02/NBC-ABC-Shame-Th...>

Now that the trial is over, Sanford police are preparing for rioting, if there is a not guilty verdict.

<http://www.breitbart.com/Big-Government/2013/07/10/Homeland-DOJ-tra...> (note video.)

It's particularly alarming that calls for rioting are proliferating on social media:

CONCLUSION

NBC and ABC intentionally and maliciously misreported the events, engaged in fraud, journalistic malpractice with an intent to aid and abet Obama, Holder and CRS to deprive Zimmerman of his due process and equal protection rights, to incite riots and violence in Florida and elsewhere, breaching/disrupting piece in the state of Florida and elsewhere and with an intent to improperly use false/fraudulent reporting to aid Obama in his elections campaign.

DISTRICT ATTORNEY ANGELA COREY FILED A MURDER COMPLAINT WITHOUT ANY EVIDENCE TO SUPPORT THE COMPLAINT, OVERCHARGED DEFENDANT ZIMMERMAN, WITHHELD EVIDENCE AND FIRED THE WHISTLEBLOWER IN RETALIATION FOR HIS REPORTING OF COREY WITHHOLDING EVIDENCE. COREY VIOLATED 14TH AMENDMENT RIGHTS OF ZIMMERMAN AND THE WHISTLEBLOWER FROM THE DISTRICT ATTORNEYS' OFFICE INFORMATION TECHNOLOGY EXPERT BEN KRUIDBOS (HEREINAFTER KRUIDBOS)

Seminole County District Attorney Angela Corey filed a murder complaint without any evidence to support the complaint, overcharged defendant Zimmerman, withheld evidence and fired the whistleblower in retaliation for his reporting of Corey withholding evidence. Corey violated 14th amendment rights of Zimmerman and the whistleblower from the District Attorneys' office information technology expert Ben Kruidbos (Hereinafter Kruidbos).

Facts of the case showed that there was no evidence of intent or malice necessary for proceeding with the criminal complaint for murder. District Attorney Angela Corey has misappropriated/ embezzled state taxpayer fund on filing and prosecuting a criminal complaint of second degree murder against Zimmerman without any facts to substantiate such complaint.

Angela Corey showed an unprecedented malice in not only hiding from the defense exonerating evidence, specifically pictures of Zimmerman covered with blood, which supported the self defense notion, but she went further and attempted to cover up her actions of withholding evidence by retaliating and firing the whistleblower Ben Kruidbos, Information Technology Director, who blew the whistle on Corey and her staff. She went further and in order to cover up her retaliation against the whistleblower, made up false, unsupported allegations against Kruidbos as a basis for firing him and leaving him and his family without any means of support.

CONCLUSION

In her attempt to promote her career during the Obama regime, Seminole County District Attorney Angela Corey violated 14th amendment rights of due process and equal protection of community watchman Joseph Zimmerman and the former Director of the Information Services of the District Attorney's office, whistleblower Ben Kruidbos.

Prayer for relief

2. Pam Bondi , Attorney General of Florida, should launch criminal investigation to confirm the evidence brought herein and bring criminal charges against Community Relations Services of the Justice Department, Attorney General of the United States Eric Holder and President Barack Hussein Obama for inciting rioting and violence in the state of Florida and for violating 14th amendment due process and equal protection rights of a resident of the state of Florida, George Zimmerman.
3. Pam Bondi , Attorney General of Florida, should launch criminal investigation to confirm the evidence brought herein and bring criminal charges against National Broadcast Corporation (NBC) and American Broadcast Corporation (ABC) for fraud committed with an intent to incite violence and rioting in the state of Florida and aid and abet Barack Obama, Eric Holder and CRS in violating civil rights of the citizens of Florida.

Judgment at Sanford: Undue Influence by the White House, DOJ and State-run Media

The Nation awaits the verdict in the trial of George Zimmerman. But whatever the verdict is, this case is a stunning example of interference in local law enforcement and justice by the Federal Government, with the help of what is now the government-controlled press. Make no mistake: we are witnessing the destruction of our justice system by the forces of divide and conquer. *Be sure to read the linked stories.*

It is also a stunning exercise in racial hustling by the lowest—and the highest in the land. We saw White House familiar Al Sharpton whipping up emotions in Florida after the killing. We heard the president say something none before him ever said: “If I had a son, he would look like Trayvon Martin,” a declaration that could only have been meant to whip up racial strife.

<http://articles.latimes.com/2012/mar/23/news/la-pn-obama-comments-t...>

We saw the endless repetition of a video of Rep. Frederica Wilson (D-FL) saying that Martin was hunted down like a dog. And endless repetition of Rep. Hank Johnson, (D-GA) saying:”Walking While Black in a Gated Community.”

After the incident, Sanford, Florida police investigated and found there was not enough evidence to charge Zimmerman, who had given them a full statement and reenactment, without asking for an attorney.

Then, massive demonstrations led by perennial racialsists like Jesse Jackson and Al Sharpton called for Zimmerman to be arrested and charged.

Now, it is reported that they had help from high places.

Fresh, shocking news has emerged: Judicial Watch reports that “it has obtained [documents](#) in response to local, state, and federal records requests revealing that a little-known [unit](#) of the Department of Justice (DOJ), the Community Relations Service (CRS), was deployed to Sanford, FL, following the Trayvon Martin shooting to help organize and manage rallies and protests against George Zimmerman.”

Good Sunday, everyone!

Over at The Conservative Treehouse, George Zimmerman's dad has thanked the bloggers there (CTH=Conservative Tree House) for their investigative journalism that brought forth the truth about how corrupt this case was on the inside AND who Trayvon REALLY was. Head over and read it for yourself. The treehouse deserves a Pulitzer. A REAL Pulitzer. When you read what they obtained through FOIA and old-fashioned investigative digging, you'll be stunned at what DID NOT come out in the media and how they protected Trayvon. <http://theconservativetreehouse.com>

I have thanked Mark Omara and Don West. Now I would like to extend our heartfelt appreciation to you, our friends at CTH. (Waving to others) Currently, our family is happy knowing our son no longer faces a malicious, unethical prosecution. Further, to whatever extent possible, I will attempt to hold every individual fully responsible for their actions.

Again, Thank You.

Harvard's Dershowitz discusses Jury's choices in Zimmerman Trial

Posted on [July 13, 2013](#) by [ytz4mee](#)

Alan Dershowitz has been a voracious critic of Special Prosecutor Angela Corey from the day she held the presser to announce the Second Degree Murder charges.

In a radio interview on the Steve Malzberg show, he accuses again Corey of being unprofessional and his opinion of what should happen to Angela Corey in the fallout aftermath of this trial: (starts around 4:00)

“she should be removed from office, she should be charged with unprofessional conduct, she should be disciplined by the Bar and disciplined by the Court for withholding exculpatory evidence, for overcharging, for raising expectations and for acting in a thoroughly unprofessional manner....”

The Dersh also does a good job of outlining Judge Nelson’s strategy of allowing the State to request Manslaughter as a consideration for the jury in the hope they will respond to Guy’s emotional appeal and reach what is termed a “compromise” verdict.

He goes on to state, @ 6:30 in a hit tip to Progressive cognitive dissonance and contemporary talking points about this case *“it is monumentally irrelevant who’smorally guilty here”*

I don’t think that this is the last we have heard from Dersh on this case...

Angela Corey Fires Ben Kruidbos – The “Whistleblower” in The Trayvon Phone Data Cover-up in The Zimmerman Case (We also Outline The Cover-up)

Another intended victim to cover the fraud in the backstory of the Zimmerman Trial.

[Jacksonville FL](#) - State Attorney Angela Corey fired her office's information technology director Friday after he testified last month about being concerned prosecutors did not turn over information to George Zimmerman's defense team in the shooting death of Trayvon Martin. On the same day attorneys finished their closing arguments in that nationally watched trial, a state attorney investigator went to Ben Kruidbos' home about 7:30 a.m. to hand-deliver a letter stating Kruidbos "can never again be trusted to step foot in this office."

The letter contended Kruidbos did a poor job overseeing the information technology department, violated public records law for retaining documents, and noted he was questioned in March when the office was trying to determine who had leaked personnel information obtained through a computer breach.

In an interview Friday, Kruidbos denied the allegations in the letter, which was written by Cheryl Peek, the managing director of the State Attorney's Office. [Continue reading →](#)

The Violent Nature of The Trayvon Martin Family and Attorneys (The Scheme Team)

Posted on [July 12, 2013](#) by [sundance](#)

As we write there is a specific and coordinated effort to distance the Trayvon Martin family and narrative from the violence that may take place after the Trial Verdict is delivered. However, we have a fully researched library of their lies and obfuscations. Here are collected reposts from [July](#) and [November](#) last year in that regard:

The gig is up – The scheme is exposed – Their entire false story is coming apart at theseams schemes. – But they continue to lie to the bitter end – That is the story of the Trayvon Martin Family and Family Attorneys (Crump, Jackson, Parks et al).

All they know is lying – They have invested themselves so much in the false story they cannot even cognitively tell the difference between their lies and the Truth. Unfortunately, the same holds true for their simple-minded, sheeple supporters. Consider – Their Latest Claim: “they did not align with the Black Panthers”.

This claim of “non-support” or “non-alliance” with the Black Panthers is actually quite representative of how far they will go to sell a story of fabrications, falsehoods and lies. It does not take our site to diminish their credibility, and expose **their LIES** - it just takes their own lying words and your eyes to bear witness. [Continue reading →](#)
