Dear Dr. Taitz:

This is in response to your Freedom of Information Act Request, dated July 7, 2013, seeking access to records from the Treasury Inspector General for Tax Administration (TIGTA). Specifically, you are seeking:

- A. Barack Hussein Obama's tax returns, which he originally posted on whitehouse.gov without "flattening the file" which showed him using a Connecticut Social security number 042-68-4425, which failed both E-verify and SSNVS.

This represents the most serious crime in the history of the United States: a criminal using a stolen Social Security number as a proof of his identity to usurp the U.S. Presidency. This matter had to be investigated and prosecuted immediately.

- a. Any and all documents relating to my 05.15.2013 complaint showing whether the Inspector General of the Department of Treasury filed a criminal complaint against Barack Hussein[sic] Obama for his use of a stolen Connecticut Social Security number 042-68-4425
- b. If criminal complaint was not filed, any and all information, showing why a criminal complaint was not filed by the Inspector General of the U.S. Treasury against Barack Hussein Obama in light of his use of a stolen Social Security number 042-68-4426, which failed both E-Verify and SSNVS
- c. Any and all documentation showing whether there was any external pressure from Obama administration, from Barack Obama himself, Michelle Obama, Valerie Jarrett, Eric Holder or others on the commissioner of Social Security or Inspector General of the Treasury not to file a criminal complaint in regards to Barak[sic] Hussein Obama's use of a stolen Social Security number
- d. Any and all documentation showing whether Inspector General forwarded to the U.S House of Representatives Oversight Committee or Judicial Committee a report showing Barack Hussein Obama using a stolen Connecticut Social security number 042-68-4425 in his tax returns

- B. The second part of the complaint relates to the intimidation and harassment by the IRS Attorney Mitzi Torri.
- a. [You are] specifically requesting information and any and all documentation showing whether Ms. Torri was relieved of her duties as an attorney for the IRS.
 - b. A time card for Ms. Torri, showing whether she indicated that she was not at work in her office at IRS on 05.11.2011, but instead was in court at the hearing where attorney Taitz appeared and later appeared on the radio show on RCR radio reporting to Obama supporters about this court hearing.
 - c. Did IRS pay Ms. Torri for 05.11.2011 day as a work day.
 - d. As stated in the complaint and shown on exhibit 2 forwarded to the Investigator Yolanda Walker, Ms. Torri has joined an attack website "Fogbow" on January 24, 2009, right after inauguration of Barack Obama. The web site[sic] is dedicated to the attacks on civil right attorneys and civil rights leaders who are political opponents of Obama. Most of the attacks are against Attorney Orly Taitz due to the evidence presented by Taitz in court. The site is run by several attorneys, who use pseudonyms, among them Attorney for IRS Mitzi Torri, who uses pseudonym "Butterfly Bilderberg", as well as Attorney for Barack Obama and Democratic Party Scott J. Tepper (hereinafter Tepper) using a pseudonym "Sterngard Friege." Tepper also works as a part time investigator and also used his position in order to try unsuccessfully to attack law license of Taitz. IRS Attorney Mitzi Torri posted on Fogbow on January 30, 2011 at 10:09 am a clear threat to Attorney Taitz and her supporters "My agency allows me to work under a pseudonym for personal safety reasons. If Orly (meaning Orly Taitz) publishes my identity and employment info, she and her followers will be visited by men in suits. Arriving in vehicles with dark glasses. With badges in their wallets. It won't be a social call either."

In reference to this statement by the IRS attorney [you are] requesting the following information and documentation:

- a. Does IRS allow Torri to work under pseudonym for personal safety reasons, and if so, was the work by Torri, using a pseudonym "Butterfly Bilderberg" and other pseudonyms on fogbow, posting hundreds of defamatory statements about Civil Rights Attorney and political dissident Orly Taitz, work sanctioned by the IRS. If so, who sanctioned this "work"? How much in taxpayer funds was paid to attorney Torri to attack civil rights leaders, while hiding behind a pseudonym?
- b. In May of 2010 "Fogbow" had a convention in Phoenix Arizona. According to some of the members this convention was paid for George Soros[sic]. George Soros runs several non-profit organizations such as "Moveon.org", media matters, "Open Society". [You are] requesting any and all documentation, whether IRS allowed as a tax deductible expense or charitable expense any donations given by George Soros or any of his organizations to "Fogbow", RCR radio, Mitzi Torri, Scott J. Tepper, Richard Rockwell, William (Bill) Bryan (Bryan is

- one of the founders of fogbow, formerly an attorney in CA, who resigned after multiple suspensions and who is currently a flower shop owner in NC).
- c. Further, Fogbow, where Toni is one of the main contributors[sic], published highly offensive pornographic paintings of Civil rights attorney Taitz by Painter Dan Lacey. Lacey stated that he was paid by George Soros see video at link <http://faithmouse.blogspot.com/2010/07/orly-taitz-birther-pancakes-puppet.html>. Paintings were commissioned and released while Taitz ran for office in CA. Paintings were pornographic, highly inappropriate paintings of Taitz, which were posted in local papers in CA, as well as sent to children. There was no legitimate purpose for those paintings, aside from a purpose of harassment, intimidation and placing in false light. [You] request any and all information whether IRS considered as a tax deductible[sic] charitable contribution any donations by George Soros or any of his not for profit organizations or by any other entities[sic] to Painter Dan Lacey. [You] demand to know, whether IRS under Obama administration considers donations to attack organizations or to painters creating pornographic paintings to be a recognized and justified tax deductible[sic] expense?
