Table of Evidence of Fraud and Forgery in Obama's IDs	Obama's claims	Proof of fraud and forgery
1. Forged selective service certificate	In September 2008 2 weeks after Obama was confronted with questions of selective service his SSS application surfaced	According to affidavit of the chief investigator of the special investigations unit of the US Coast Guard (ret) and special agent with the Homeland security Jeffrey Steven Coffman (Exhibit 7), according to sheriff Arpaio Obama's SSS application is a forgery Selective service contains social Security number 042-68-4425, which was never assigned to Obama according to E-Verify and SSNVS
2. Obama's use of a stolen Connecticut Social security number 042-68-4425 which was never assigned to him according to E-Verify and SSNVS	On April 15 2010 Obama posted his tax returns on line and forgot to flatten the PDF file. When the file was opened with Adobe Illustrator it became visible that Obama is using a Connecticut Social security number 042-68- 4425.(E 1 Affidavit Felicito Papa) Research of the number showed that it was issued in 1977 to an elderly resident of Connecticut born in 1890.(E4 Affidavit of investigator Albert Hendershot) Search of Obama's SSS application shows him using the same CT SSN, which was never assigned to him	According to former officer of the Elite Scotland Yard anti organized crime and anti communist proliferation unit Neil Sankey, licensed investigator Susan Daniels (Exhibit 5) , former senior deportation officer John Sampson (Exhibit 6), Sheriff Arpaio, investigator Zullo Obama is using a Connecticut Social Security number 042-68-4425 which was never assigned to him according Lexis Nexis, Choice Point, E-Verify (Exhibit 2 affidavit of Linda Jordan and E-Verify report)and SSNVS (Exhibit 3 SSNVS report) According to Exhibit 4, affidavit of Albert Hendershot SSN in question was assigned to Harrison J. Bounel, born in 1890
3. Forged US Postal stamp affixed to Obama's Alleged Selective Service Application	Stamp affixed to Obama's SSS application contains 2 digit year stamp "80'	All US stamps contain four digit year stamp (Exhibit 7, Affidavit of former Chief Investigator of the Special Investigations Unit of the U.S. Coast Guard Jeffrey Stephan Coffman)
4. Obama forged long form birth certificate	Obama's alleged birth certificate contains letter of different fonts and sizes	Letters of different fonts and sizes in Obama's alleged birth certificate is a clear evidence of it being a forgery, as the document was alleged to be

5 Obama's alleged birth certificate contains white halo around the letters	None of the published Hawaiian birth certificates contain a halo around words. the only BC with the white halo is Obama's	created in 1961 with a typewriter. It is impossible to create a document with a typewriter and have letters of different sizes and fonts. Type written document has letters of the same sizes and the same font Exhibit 13, 14, 15, 16 According to experts Paul Irey, Ivan Zatkowitch and Douglas Vogt white halo around the words is a sign of a computer manipulation Exhibit 13 affidavit
Obama's alleged copy of the birth certificate is a compilation of bits and pieces coming from different documents	Obama claims that the document posted on WhiteHouse.gov is a true and correct copy of his original birth certificate	of Douglas Vogt, 14, 15 16 Obama's copy of his alleged genuine original birth certificate represents a computer generated forgery, opens in multiple layers, which were cut and pasted from different documents Exhibit 12 Affidavit of Felicito Papa, Exhibit 13, 16Affidavit of Douglas Vogt
6. Serial number of Obama's alleged BC is inconsistent with other serial numbers	Serial numbers of twins Susan and Gretchen Nordyke, who were born three days later are lower	Inconsistent serial number is another sign of forgery Exhibit 13
Obama's biography shows him born in Kenya	Obama claims to be born in Hawaii	Obama's biography submitted by Obama to his own publisher Acton -Dystal and kept on line for 16 years, 1991-2007 states that he was born in Kenya. In 2007, right before the beginning of the campaign the bio was deleted Exhibit 11
On March 25, 2010 during the National assembly meeting Minister of Lands of Kenya states that Obama was born in Kenya	Obama claims to be born in Honolulu, HI	James Orenga Minister of Lands of the republic of Kenya states that Obama was born in Kenya Exhibit 10
Lack of any birth certificate for Obama in any hospital in Hawaii	Obama claims to be born in Kapiolani hospital in Honolulu,Hawaii	Exhibit 9, Sworn affidavit of Timothy Lee Adams, Senior Elections Clerk of the City of Honolulu and Honolulu county, attesting to the fact that it was a common knowledge among the officials of the county Registrar

		that there is no birth certificate for Obama in any hospital in Hawaii
7. All immigration records of passengers arriving in Hawaii	Obama claims to be born in HI	Exhibit 18 All of the immigration records of passengers arriving in Honolulu August 1-7 1961 disappeared from NARA (National archives). <u>Further cover-up</u>

OCON (Official Certificate of a Candidate) issued by the Democratic Party of Hawaii was falsified, words "legally qualified to serve under the provisions of the United states Constitution" were removed from Obama's OCON in order to let ineligible Obama on the ballot, while it was present in the OCON for John Kerry and Al Gore	Obama claims to be qualified under the provisions of the U.S. constitution	Exhibit 20 OCON (official Certification of a candidate) for Al Gore and John Kerry contain wording: "legally qualified to serve under the provisions of the United states Constitution". In Obama's OCON aforementioned wording was removed and the only qualification states: "legally qualified to serve under the provisions of the National Democratic Parties balloting"
Evidence of fraud in the application to the to the Illinois Attorneys Bar	In his bar application Obama claimed to have never used any other names	Exhibit 21 Obama's Illinois bar application shows him committing perjury. Bar applications are made under the penalty of perjury. In his application Obama claims that he never used any other names. This is contradictory to his school registration showing him using last name Soetoro and his mother's passport records Exhibit 8 where he is listed under the last name Soebarkah
Modus Operandi and Pattern of fraud extends to Obama's college records	Obama claimed to have been attending Columbia university for two years	Exhibit 22 Barack Obama's college records from Student clearing House show him attending Columbia for less than one year, only 9 month. additionally there is no evidence of him residing anywhere in the US during these missing 15 months. Logical conclusion would be that his trip to Pakistan before Columbia lasted not 1month, as he claims, but 16 months.

AFFIDAVIT

STATE OF FLORIDA))S.S. COUNTY OF DUVAL)

I, Felicito Papa, am over 18 years old and resident of 7579 Walden Road, Jacksonville, FL 32244 with FL DL #P100-245-45-082-0. I do not suffer from any mental impairment and I competently attest to the following under the penalty of perjury:

- 1. I am a professional web developer having graduated with a bachelor's degree in IT from ITT Technical Institute in Indianapolis, IN. I have over ten years of experience of in web designs and development and I have often used software such as Adobe Photoshop and Adobe Illustrator.
- 2. On April 15, 2010, the Whitehouse website, <u>www.whitehouse.gov</u>, released the 2009 Form 1040 of Income Tax Return of President Barack H. Obama: http://www.whitehouse.gov/sites/default/files/president-obama-2010-complete-return.pdf.
- 3. I downloaded this 65-page pdf file on my computer. I observed that all information about the president's and the first lady's social security numbers were redacted. All blocks or spaces for social security numbers were blank, or "white-out."
- 4. I submit Exhibit A (attached herewith, page 43 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of Pres. Barack Obama. The space for his social security number is redacted or blank.
- 5. I submit too Exhibit B (attached herewith, page 49 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama. The space for her social security number is redacted or blank.
- 6. Then through Adobe Illustrator software, I opened Exhibit A and B and found that these two pdf files have two layers each, not just one layer. When the top layer is turned off or dragged away, the social security numbers of both persons are revealed.
- 7. I submit Exhibit A1 (attached herewith) Form 709 U.S. Gift Tax Return of Pres. Barack Obama with his social security number revealed. The following information are revealed:
 - 1. Barack Obama's SSN. 042-68-4425
 - 2. Michelle Obama's SSN 350-60-2302
 - 3. An initial MLO on the side of Form 709
 - 4. A 1/4 inch dark square with notation on it.
 - 5. Preparer's SSN or PIN P00570974
 - EIN 36-2700600

Phone no. 312/372-0440

- 8. I submit Exhibit B1 (attached herewith) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama with her social security number revealed. The following information are revealed:
 - 1. Michelle Obama's SSN 350-60-2302
 - 2. Barack Obama's SSN. 042-68-4425
 - 3. Preparer's SSN or PIN P00570974 EIN 36-2700600
 - Phone-no. 312/372-0440
- 9. It is apparent that the tax preparer for Forms 709 of Pres. Obama may have forgotten to lock or flatten the covering top layers before posting them on the Internet. I later noticed that after April 15, 2010, the pdf file posted at the White House has been modified. The top layers on President Obama's Income Tax Return have been locked or flatten and could no longer be dragged out. His SSN and his wife's SSN were no longer visible.

FURTHER AFFIANT SAYETH NOT.

EXHIBIT 2

I, Linda Jordan am over 18 years old, do not suffer from any mental impairment, have personal knowledge of the facts listed below and declare under penalty of perjury:

I used the government run E-Verify System to verify the employment eligibility for Barack H Obama (Obama) and it revealed a "Notice of Mismatch" between Obama's name, birth date and Social Security Number (SSN), compared to the information the Social Security Administration has on file.

I saw Obama's Selective Service Registration (SSR) form which was available on the web at <u>www.sss.gov</u> and copied the SSN Obama used on that form. I also read the reports of licensed investigators Neil Sankey, Susan Daniels and the opinion of retired senior deportation officer of the department of Homeland Security John Sampson, that the SSN Obama was using was fraudulent and/or never issued to him.

Between October 2008 and May 2011, I submitted several requests to agencies and people with the legal responsibility and authority to investigate the use of forged documents and election fraud, concerning Obama's birth records and SSN. (attachment A)

To date no one with the legal responsibility and authority has responded to any of my requests.

I read part of the testimony of Marianna LaCanfora before the Committee on Ways and Means Sub Committee on Social Security in the House of Representatives dated April 14th, 2011. She explained that a SSN in conjunction with a proper identity document determine whether a person is authorized to work. LaCanfora said that the E-Verify system run by the government is a free, Internet-based system that allows employers to electronically verify the employment eligibility of their employees. The Immigration Reform and Control Act of 1986 required all employers to verify the identity and employment eligibility of all new employees regardless of citizenship or national origin.

1 considered myself to be one of the employers of the President of the United States.

1

On July 26, 2011, 1 tried to enroll in the E-Verify System but it required the employer to enter data from their employees I-9 Employment Eligibility Verification Form. I have been unable to locate one for Obama.

On August 17, 2011, I went back on the E-Verify website and saw that there was a "Self-Service" function that was more streamlined and easier to use when checking an employees eligibility. I entered the name Barack H Obama, birth date August 4, 1961 and SSN 042-68-4425. This data was entered correctly. The report I got back from the SSA included a "Notice of Mismatch with Social Security Administration (SSA) Records". (attachment B)

Dear Ms. Taitz.

I have been monitoring your efforts at a distance reference the eligibility of Barack Obama to serve as POTUS. I see that you are now filing suit reference his many SSNs.

I have a copy of Obama's selective service card with the SSN affixed. I, as a small business owner, have access to the Social Security Number Verification System. As a result, I checked the SSNVS for the SSN Obama used for registering with Selective Service. The SSNVS search resulted in a report sheet that states that number Obama used to register for Selective Service was never issued.

Let me be direct - i have not agreed with many of your tactics in this endeavor. However, i have continued to follow your efforts to see where there may be synergy and this is one.

Therefore, if you think the documents will be heipful, please let me know and I will send you the PDF files for both the Selective Service Card and the SSNVS report that states that SSN was never issued.

Sincerely

Greg Hollister

Affidavit of Albert Hendershot

I, Albert Hendershot am a professional debt collector, I am over 18 years old, I have personal knowledge of the facts provided herein and I will be able to competently testify in court of the facts as listed in this affidavit:

1. I personally performed a search with Merlin Information Systems and http://www.acxiom.com/identity-solutions database which is routinely used by professional debt collectors

2. I found that both Barack Obama and Harry J. Bounel are listed as holders of the same Connecticut Social Security number 042-68-4425 and resided at the same address 5046 S. Greenwood Ave, Chicago , Illinois, Exhibit 1 attached herein is the true and correct copy of the printout from http://www.acxiom.com/identity-solutions database. Exhibit 2 attached herein is the (FOIA) Freedom of Information Act request which was completed for numident 042-68-4425 with Harry Bounel as the name associated with said numident 042-68-4425. Exhibit 2 clearly states that the aforementioned numident belongs to Harry Bounel and not Barack H Obama as detailed in the response from the Social Security Administration dated November 2012.

3. Michelle Obama is listed as a relative of both Harrison (Harry) J. Bounel and Barack Obama.

4. http//www.acxiom.com/identity-solutions database shows that the last change in the record of Harry J. Bounel Social security number 042-68-4425 was performed by Michelle Obama in and around November 2009, who is listed as a relative of Harry J. Bounel.

I attest under the penalty of perjury that all of the foregoing is true and correct to the best of my knowledge and informed belief.

Affiant further says naught.

This letter is in response to your Internet request for a Numident for Mr. Harry Bounel.

The Privacy Act of 1974 (5 U.S.C. § 552a) restricts disclosure of the information you requested. The only exception that might permit us to disclose these records to you without consent would be the exception for disclosure required by the Freedom of Information Act (FOIA) (5 U.S.C. § 552).

When we receive a request from a member of the public to release personal information about another individual from our records, we must balance the individual's privacy interest in withholding the information against the public interest in disclosing the information. We must determine whether disclosure would affect a personal privacy interest. There is clearly a substantial privacy interest in the personal details furnished to the Government. The only public interest we must consider is if the information sought would shed light on the way an agency performs its statutory duties. We may not consider the identity of the requester or the purpose for requesting the information. While there clearly is a public interest in knowing how the Social Security Administration administers the Social Security Act, disclosing records containing personal information about named individuals would not shed light on how the agency performs its statutory duties. Therefore, disclosing this information would be a clearly unwarranted invasion of personal privacy, and the FOIA (5 U.S.C. § 552(b)(6)) does not require disclosure.

If you disagree with this decision, you may request a review. Mail your appeal within 30 days after you receive this letter to the Social Security Administration, Office of Privacy and Disclosure, 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235. Mark the envelope "Freedom of Information Appeal."

Sincerely,

Dawn & Wiggins

Civil Action:

SACV09-00082-DOC (Anx)

Affidavit of Susan Daniels

1. My name is Susan Elizabeth Daniels. I am over 18 years old, am of sound mind and free of any mental disease or psychological impairment of any kind or condition.

2. I am a citizen of the United States of America, I am 68 years old and I was born and raised in the State of Ohio.

3. I am licensed by the State of Ohio as a private investigator; I am president of Daniels and Associates Investigations, Inc., incorporated in March 1995, license number 65199565509.

4. I have personal knowledge of all the facts and circumstances described herein below and will testify in open court to all of the same.

5. I located a social security number for Barack Hussein Obama and found that it was issued between 1977-1979 in the State of Connecticut but as I investigated

further, I found an additional eight social security numbers. One of the numbers had (Deceased) behind it. I was able to find the name of the person the SSN actually belonged to and printed it from the Social Security Administration death index.

6. I researched social security numbers for Michelle Obama. When I ran her name, two different social security numbers appeared for her, including one that does not belong to her but is listed for her at 1600 Pennsylvania Ave., Washington, D.C.

7. The true and correct copies I personally obtained are attached.

8. I solemnly swear under penalty of perjury that all the facts stated and circumstances described above are true and correct statements.

9. I have not received any compensation for making this affidavit.

Further, Affiant saith naught. on this 19 day of Signed and executed in //llm October, 2009.

Elizabeth Daniels

NOTARY'S JURAT

Susan Elizabeth Daniels appeared before me in person on this \mathcal{A} day of October, 2009, in \mathcal{M} (city), \mathcal{A} (city), \mathcal{A} (city), \mathcal{A} (city), \mathcal{A} (country) and having presented to me her driver's license and having been sworn by me duly under oath and having been admonished that she did so under penalty of perjury, she did then and there depose herself and give the above-listed statements in my presence in the form of his written affidavit.

Specifically but without limitation, Susan Elizabeth Daniels did in my presence authenticate the documents attached here as a true and correct copy of the documents she obtained and described in her affidavit.

> UNITED STTES DISTRICT COURT FOR THE DISTRICT OF COLUMBIA

Dr. Orly Taitz, Esquire, Pro Se, Plaintiff)
V.)

Barrack Hussein Obama, Defendant)

Civil Action:

Affidavit of John N. Sampson

1. My name is John N. Sampson. I am over 18 years of age, am of sound mind and free of any mental disease or psychological impairment of any kind or condition.

2. I am a citizen of the United States of America, I am 58 years old, and was born in Jackson Heights, Queens, New York and raised in the State of New York.

3. I am the Chief Executive Officer, Owner, and Operator, of CSI Consulting and Investigations LLC, a consulting and private investigative firm registered with the Secretary of State of Colorado as a Limited Liability Company pursuant to the laws of the State of Colorado. The company was formed in the State of Colorado on January 2, 2009 and is in good standing with the Secretary of State of Colorado. Colorado does not have any licensing requirements or provisions for private investigators.

4. I have personal knowledge of all of the facts and circumstances described herein below and will testify in open court to all of the same.

5. On, or about, November 16, 2009, Orly Taitz, the attorney who is prosecuting the above captioned matter, requested that I access LocatePlus, a commercial database that I subscribe to,

which is located in the State of Massachusetts, and with whom I have a user agreement, and requested that I obtain any and all legally available information relating to U.S. Social Security number 042-68-4425.

6. On, or about, November 16, 2009, pursuant to the aforementioned request by Orly Taitz, I requested from LocatePlus, any and all legally obtainable information relating to SSN 042-68-4425.

7. As a result of this inquiry, I came to learn that Plaintiff Barrack Hussein Obama, has used this Social Security number since at least from June 1, 1986 to present. A detailed report was generated showing family relationships, past residence history, real property owned by Mr. Obama, and other detailed information to include, but not limited to, driver's license information, telephone numbers associated with Mr. Obama, and people possibly related to Mr. Obama.

8. This information was obtained pursuant to a legitimate and permissible search under the user agreement I have with LocatePlus. This request was made in connection with a pending civil action, which is one of the expressed permissible purposes to conduct such an inquiry through LocatePlus, as well as a possible criminal violation of United States law, and possible fraud.

9. As a result of this search and the results that were obtained, on or about November 17, 2009, I accessed a public access database named "SSN Validator" at http://www.ssnvalidator.com/. The information this site provided me was that SSN 042-68-4425 was issued by the Social Security Administration based upon an application filed for a Social Security Number in the State of Connecticut between the years 1976 and 1977.

10. Based upon information and belief, Plaintiff Barrack Hussein Obama has never had a direct connection with the State of Connecticut and has never claimed residency in the State of Connecticut.

11. I am a recently retired Senior Deportation Officer of the United States Department of Homeland Security, Immigration and Customs Enforcement (DHS ICE) having retired on August 30, 2008.

12. As a result of my formal training as an immigration officer, conducted at the Federal Law Enforcement Training Center (FLETC), located in Brunswick, Georgia, and advanced training received at FLETC in Artesia, New Mexico and elsewhere during my 27 year career, as well as my professional experience spanning 27 years of federal law enforcement, it is my knowledge and belief that Social Security Numbers can only be applied for in the State in which the applicant habitually resides and has their official residence.

13. During the period between January 1, 1976 and December 31, 1977 inclusive, it is my knowledge and belief that Barrack Hussein Obama habitually resided solely within the State of Hawaii and was between the ages of 14 and 16 during the time period stated above. During that period of time, based upon information and belief, Mr. Obama resided with his maternal grandparents, Madelyn and Stanley Dunham in the State of Hawaii.

14. On or about February 2, 2010, I received an email from a person identifying himself as "Jim Russo", Operations Manager for LocatePlus, 100 Cummings Center, Suite 235M, Beverly, MA, 01915, requesting that I contact him regarding my account.

15. On or about February 3, 2010, I telephoned Mr. Russo at 978-921-2727, extension 319 and inquired as to why he wished to discuss my account. At that time, Mr. Russo stated that LocatePlus had noticed I had conducted what he called a "celebrity political figure" inquiry and wanted to know why I had done so and which permissible reason pursuant to the user agreement I was under with LocatePlus pertained to my making my inquiry.

16. I told Mr. Russo that I was a private investigator in the State of Colorado, that I had been tasked by Dr. Orly Taitz, an attorney in California who was prosecuting a civil suit involving Mr. Obama and that I had emails and other documentation that I could send him verifying that fact. Mr. Russo stated that he would appreciate it if I would send that information to him which I did on or about February 3, 2010. He assured me at that time that if I were to provide this information to him it would resolve any "issues" LocatePlus may have regarding my inquiry into a "political celebrity".

17. In the email I sent to Mr. Russo, I offered to have Dr. Taitz send him an email as well confirming the fact that I had been tasked by her to conduct this inquiry pursuant to a pending civil suit in the United States District Court for the Central District of California. He stated that he would like to receive such an email.

18. On or about February 4, 2010, Dr. Orly Taitz, at my request, sent Mr. Russo an email indicating that she had requested me, in connection with the pending civil suit in California against Mr. Obama, to conduct research through the commercial databases I habitually use as a private investigator, related to SSN 042-68-4425.

19. Numerous emails have been exchanged between me and Mr. Russo due to the fact that as of February 2, 2010, my account with LocatePlus has been frozen and I can no longer access this database despite the fact that I responded to their inquiries and have provided evidence to them indicating that I had followed the user agreement we have entered into. I have repeatedly asked that my account be unlocked, unfrozen, and made available to me.

20. Despite all of this, as of March 8, 2010, my account remains frozen and I am unable to conduct legitimate, legal database searches in connection with my business. As a result, I am being financially harmed, unable to conduct legal, lawful, legitimate investigations pursuant to law, and unable to provide to my clients, the services they have contracted with me to provide, thereby subjecting me to possible civil litigation for failing to provide contracted services.

21. Based upon information and belief, misuse of a Social Security number is a direct violation of Title 42 United States Code, Section 408(a)(7)(B), which is a federal felony punishable under Title 18 United States Code by fine or imprisonment of up to five years, or both.

22. I swear under the penalties of perjury that all the facts stated and circumstances described above are true and correct to the best of my knowledge and belief.

23. I have not been compensated for making this affidavit.

Further, Affiant sayeth not.

Signed and executed in Aurora, Colorado on this 8 day of March, 2010.

AFFIDAVIT

Jeffery Stephen Coffman, being duly sworn, on oath deposes and says:

- 1. I am a resident of Texas. The information contained in this affidavit is based on my personal knowledge.
- 2. I am a licensed Private Investigator (licensed A620963) in the State of Texas.
- 3. I am a retired Resident Agent in Charge/Special Agent from the Department of Homeland Security having retired after 20 years during June 2007.
- 4. I am a retired Chief Investigator with the United States Coast Guard Investigative Service (Reserve) having retired after 22 years during March 2010.
- 5. I was formerly an Investigator with the Office of the Attorney General with the State of Texas serving from August 2008 until I quit during September 2009.
- 6. On my own and not as an Investigator or Special Agent with any state or federal agency I looked into circumstances surrounding then U.S. Senator Barack Obama's Selective Service registration.
- I have utilized the Selective Service's "Check A Registration" online function (<u>www.sss.gov</u>) numerous times to verify whether a required registration was properly completed.
- 8. On or about February 13, 2008, I sent an email to <u>information@sss.gov</u> asking why Senator Obama's registration didn't show up when queried on the Selective Service website (<u>www.sss.gov</u>).
- 9. On the same day (February 13, 2008) I received an email from <u>information@sss.gov</u> stating "Sir: There may be an error in his file or many other reasons why his registration cannot be confirmed on-line. However, I did confirm with our Data Management Center that he is, indeed, registered with the Selective Service System, in compliance with Federal law. Sincerely, Janice L. Hughes/SSS".
- 10. On September 7, 2008 I viewed a televised interview in which then Senator Obama stated that he registered for the Selective Service when he graduated from high school. I recalled that Senator Obama graduated from high school in 1979 and the Selective Service registration requirements were not reinstituted until 1980.
- 11. I submitted a Freedom Of Information Act (FOIA) to the Selective Service System for Senator Obama's Selective Service registration. I received a copy of a Selective Service registration in the name of Barack Hussein Obama and a copy of a computer screen print out with a date of 09/09/08.
- 12. Reviewing these copies I noted several areas of concern. For example, I noted that on the registration copy the signature of the registrant was dated July 30, 1980, but the United States Postal cancellation stamp indicating date received was dated the previous day of July 29, 80. I also noted that the "No ID" block was checked indicating that the registrant did not present an ID when the registration

was said to have been presented to the postal clerk. The most outstanding aspect of the registration card was that the aforementioned U.S. Postal Cancellation Stamp had only a two digit year instead of the usual four digit year.

- 13. During my active military service with the US Army from 1973 to 1977, I served as a collateral duty as one of my unit's mail clerk. During that service I was familiar with US Postal regulations and procedures. It was my understanding that the US Postal Cancellation stamp was a four digit year and not a two digit year. I also knew that the day, month, and year of that model postal cancellation stamp are removable inserts that the postal clerk changes as appropriate. I have never seen a two digit insert for that model postal cancellation stamp.
- 14. Over several weeks, I researched the issue on the internet attempting to find any other incident where that model cancellation stamp had a two digit year instead of the usual four digit year. I was unable to find any other instance where that model postal cancellation stamp had a two digit year instead of the usual four digit year.
- 15. Using my training and experiences, I analyzed the image of the postal cancellation stamp on the copy of the registration. It is my conclusion that a four digit year insert ending in "08" was modified by cutting off the first two digits and reinserting the "08" upside down into the postal cancellation stamp to indicate a year of "80". The only four digit year ending in "08" I felt that would be reasonably available would be a "2008" year insert.
- 16. On the copy of the computer screen printout received under the FOIA I noticed that there was a line marked DLN and the number of "8089 708 0632". I also noted that on the copy of the Selective Service registration card there was a similar number in the upper right hand corner. This number was "0897080632". The number on the registration card appeared to be a "Bates" type print that automatically changes with each impression.
- 17. The differences between the DLN number on the computer screen printout and the registration card printout appears to be the addition of the digit "8". I know of no reason for the addition of the "8" in the DLN.
- 18. Based on my observations, research, experience and training, it is my belief that the Selective Service registration card I received under the Freedom Of Information Act request under the name of Barack Obama has been altered.

Ms. Pamela Barnett 2541 Warrego Way Sacramento, CA 95826

Dear Ms. Barnett:

I refer to your request letter we received on January 2, 2009 under the Freedom of Information Act (Title 5 USC Section 552) for a copy of documents relating to Stanley Ann Dunham. We initiated a search of the Office of Passport Services.

The search of the records of the Office of Passport Services has been completed and has resulted in the retrieval of six documents that are responsive to your request. These documents have been reviewed and the results are set forth in the accompanying letter (with enclosures) of Jonathan M. Rolbin, Director.

We have now completed the processing of your request. If you have any questions with respect to our handling of your case, you may write to the Office of Information Programs and Services, SA-2, Department of State, Washington, D.C. 20522-8100. Please be sure to refer to the case number shown above in all correspondence about this case.

We hope that the Department has been of service to you in this matter.

Sincerely, Franke Tummine fo

Alex Galovich, Co-Director, Acting Office of Information Programs and Services

Pamela Barnett 2541 Warrego Way Sacramento, CA 95826

Dear Ms. Barnett:

The following is in response to your request to the Department of State dated January 2, 2009, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc. since this information is entered into the passport book after issuance. This completes the processing of your request.

Sinderely,

Jonathan M. Rolbin, Director Office of Legal Affairs and Law Enforcement Liaison Bureau of Consular Affairs Passport Services

AFFIDAVIT

In the State of Kentucky, County of Warren, this affiant being duly sworn, deposes and says that he is Timothy Lee Adams, residing at 1132 Fairview Avenue, Apt. F, Bowling Green, KY 42101 and that the statements below are true concerning his employment at the City and County of Honolulu Elections Division in Honolulu, Hawaii:

- 1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
- 2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
- 3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
- 4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
- 5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
- 6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Senator Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie has asserted and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on August 4, 1961.
- 7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.
- 8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

NATIONAL ASSEMBLY

OFFICIAL REPORT

Thursday, 25th March, 2010

The House met at 2.30 p.m.

[Mr. Speaker in the Chair]

PRAYERS

PETITION

Dr. Khalwale: Mr. Speaker, Sir, I stand here to make a petition on behalf of Kiborowa squatters who are a group of squatters from Trans Nzoia District under an organization called Kiborowa Squatters Alliance. The squatters reside in the rural and peri-urban slums within Trans Nzoia and like our forefathers, remain landless and living under deplorable conditions. Some of those squatters are temporary labourers on the former colonial settler farms now popularly called Agricultural Development Corporation (ADC) farms. Our girls and women are raped and forced into prostitution and early marriages, occasioning high instances of HIV/AIDS and gender biased violence. There are high poverty levels leading to early school dropouts and childhood labour. Despite those squatters making several presentations to the Government with assurances from district commissioners, permanent secretaries and Ministers for Land and Settlement since Independence, our people have yet to see any positive action. We are, therefore, praying through this petition for your humble intervention as a House, so that the Government of the Republic of Kenya may immediately settle all the squatters on the following ADC farms: Sabwani, Sekhendu and Olingatongo ADC farms. We are also praying that the Government restrains those Members of Parliament who are inciting members from non-squatter communities to invade those farms.

Mr. Speaker: Order, Dr. Khalwale! You caught my eye to present a petition, but I am in doubt as to whether or not you have, in fact, complied with Standing Order No.204. At least, I have no indication from the Clerk of the National Assembly, which I normally have as a matter of practice, that you have complied with Standing Order No.204. Can you satisfy me that you have done so?

Dr. Khalwale: Mr. Speaker, Sir, this petition was presented to the Office of the Clerk. He went through it and marked it to the Speaker of the National Assembly. The Office of the Speaker of the National Assembly marked it to Mr. Ndombi who is in the legal arm of Parliament. Mr. Ndombi invited me to his office. We went through this petition and I am glad to confirm that we have complied to the letter, to the requirements of that Standing Order.

Mr. Speaker: Can you, please, let me have a look at the petition to be satisfied that those steps have been taken?

Dr. Khalwale: Mr. Speaker, Sir, after I conclude or before?

must take the oath of office or rather the oath of solemn affirmation and an oath of allegiance. These oaths are set out on pages 185, 186 and 187. The President of the Republic, the Deputy President and the Cabinet Secretaries and the Members of Parliament are required to subscribe to these oaths before assuming office. In this affirmation oath, they swear to defend the Constitution and to govern in accordance with the spirit and letter of the Constitution. Many times, it is those who have taken the oath to defend and protect the Constitution who go against the very Constitution to corrupt the governing of the country. So, constitutions must bide rulers if they are documents which will last and bring about good governance.

Mr. Deputy Speaker, Sir, in making this Constitution, we must understand what is the problem that we want to deal with. Why is it necessary for us to have a new Constitution? There is a time when in the struggle in the streets, people were fond of shouting and saying: "Moi must go!" That was the clarion call. But we have realized that even as Moi went, this country is still nearly in the same situation that it was.

Hon. Member: Worse!

The Minister for Lands (Mr. Orengo): Somebody is saying worse. I can see it is my chairman and I cannot contradict him.

Even with those shouts that filled the nation all over that "Moi must go," we are still in nearly the same situation as we were in 1963 onwards. Hon. Ngilu is also reminding me that there was a prejudiced Christian song where we used to sing: "*Yote yanawezekana bila Moi*!" We thought that individuals by themselves can make a change and that our country can become a better place. In designing a Constitution, we must know the problem that we want to resolve. It is only by knowing the problem that we can design the Constitution that will stand the test of time. It is only by knowing the conflicts within us and how to address them that we can design a Constitution that will last for many years. In this history, there is a time when we were almost attracted to leave alone the pursuit of change through peaceful means and even imagine that we could pursue change through arms struggle. As Malcolm asked: "Is it the ballot or the bullet?" In the Kenyan tradition, other than the struggles that took place before 1963, we had decided that we will resolve conflicts, including the constitutional ones, through the ballot and that will be signified by the referendum that the people will take part in, in order to enact this new Constitution.

Mr. Deputy Speaker, Sir, we made a great achievement. This document, in other countries comes by way of revolution; by way of people shedding blood. We like citing the American Constitution, which came through struggle and a revolution. Even the French Revolution or in recent history, in South Africa, their Constitution was achieved through struggle and violence. But we are lucky here in Kenya that we are reaching this great moment, choosing the ballot rather than the bullet. And by coincidence of history, the Lancaster arrangement in 1962 and 1963 were made possible when there was a Coalition Government. I do not know whether some of you remember that. That the last phase of those discussions in Lancaster took place when both Jomo Kenyatta and Ronald Ngala were Chief Ministers in the same Government. So, it was a Grand Coalition Government like the one that we have today. So, to the extent that the Accord has made it possible for us to come together to reach this historical settlement, it is also a great achievement.

So, I want to say that this document in its entirety - I am not saying that it is perfect - but it is better than anything that we have had before, and I commend it to this Parliament and the nation. But in saying that, without leadership, however good the document is, we need men and women who will be guided by the values contained in this document. If we do not live by the values and principles contained in this Constitution, all that is contained in this Constitution will be of no significance. This is because the unmaking of Kenya began by disregard and non-compliance of the law. We ended up in a dictatorship that we had to fight for so many years.

Mr. Deputy Speaker, Sir, I have noticed that other than what my learned friend, hon. Kajwang, referred to in his contribution, about the sovereign power of the people, you will notice in the chapter dealing with the Executive, that unlike the present Constitution, the Executive authority of the President and Cabinet Secretary is derived from the people, which is quite unlike the current situation. If I can compare it with what was happening about ten to 15 years ago because the law has not changed significantly, there was a time that we were told that even to imagine or encompass the death of a President was treason. I know that many Members of Parliament who are my colleagues here were taken away and detained on the basis that they encompassed and imagined the death of the "sovereign". So, we have gone through great times and this is, therefore, a historical moment.

Mr. Deputy Speaker, Sir, I want to end this contribution by saying that the most important chapter in this Constitution is about devolution. Without devolution, I can tell you, we are back to square one, because this is a presidential system. I want to be corrected in another 20 or 30 years that if we do not have devolution, the Presidency we have created is even more powerful than the current President. This is because the current President sits in the Cabinet with elected Members of Parliament. He derives membership of his Cabinet from this Parliament. He sits in Cabinet with people who relate to the people directly. This is a President who is not a Member of the Legislature. So, the only way that we can check this Presidency is through devolution. Any system - even monarchical systems - where there is a diffusion and de-concentration of power, be it in Old Germany or the Anglo Saxons, where there was devolution, you could see that not only the promises of liberty but also development could be achieved. I assure you that what we are even trying to do through the Constituencies Development Fund (CDF) by devolving funds is not re-inventing the wheel. There was mechanism and systems for taking funds to the districts in various programmes but there was no legal and lawful framework for accountability and representation at the lowest level. So, the CDF has made a little bit more progress than the District Commissioners (DCs) who were managing large funds but had no accountability or there was no system for interrogating them.

Mr. Deputy Speaker, Sir, if we are creating regions or counties on the basis of ethnicity, you have missed the point about devolution. If we want to live in ethnic cocoons, devolution will not resolve our problems. Even a Member of Parliament said yesterday that Kenya is still a tribal country even as we say that we are a unitary State. Devolution is giving the promises of better governance because you are taking the administration, accountability and resources to the people. If you look at Nairobi today, the Maasai or Kikuyus can claim Nairobi today, but times have changed. Nairobi now is a metropolitan City. In another ten years, Mandera also will be a metropolitan city. So,

the way to look at devolution is about governance. If at all we take this Constitution without looking at the elements of devolution properly, then I am afraid we have missed the boat. We should be very courageous and brave because in 1963, resources were going to the regions. It was not by changing the Constitution that the regions went but by starving the regions of funds and even the power to tax the regions. That is how the regions were killed. But when the regions were working, even hon. Ngala was feeling better and safer as the president of the Coast region rather than being a Member of Parliament here.

The other thing that we are addressing through devolution is exclusion. What has made us suffer as a nation is exclusion. Once people feel excluded, even when you want to employ a policeman or constable or you want to build a dispensary, it must come from the centre. In the colonial days, these things were being done on the ground and they could give bursaries and build roads. I commend devolution. Those who fear devolution are living in the past. They are being guided by their ethnic consideration and objectives. They are living in the past. If America was living in a situation where they feared ethnicity and did not see itself as a multiparty state or nation, how could a young man born here in Kenya, who is not even a native American, become the President of America? It is because they did away with exclusion. What has killed us here is exclusion; that once Mr. Orengo is President, I know of no other place than Ugenya. That is why we were fighting against these many Presidencies in the past. I hope that Kenya will come of age. This country must come of age. People want freedom and nations want liberation, but countries want independence.

I beg to support.

Prof. Kamar: Thank you, Mr. Deputy Speaker, Sir, for giving me the opportunity to contribute to this historic Motion. I would like to support it with amendments and I will be mentioning which ones.

Mr. Deputy Speaker, Sir, allow me, first, to congratulate those who have participated in the process of Constitution-making in this country. I want to recognize the veterans – the Orengos and Imanyaras – past and present. I also want to remember to recognize the Bomas group of delegates that gave us the first Draft (2004). I also want to remember the Committee of Experts (CoE) and our own Parliamentary Select Committee. These people have done a commendable job. The Constitution making process has been very long and tedious. Sometimes it has been acrimonious and tempers have gone up and down. But all in all, the process has brought us this far and we must thank God for that.

Mr. Deputy Speaker, Sir, it is instructive to note that while it has taken a very long time, there are some areas that have consistently remained in all the drafts that we have today. As we consider that, we are reminded of why Kenyans wanted to have a Constitution, to begin with. In the preamble, there is a statement that says: "We, the people of Kenya adopt, enact and give to ourselves and our future generation this Constitution."

Mr. Deputy Speaker, Sir, we must ensure that Kenyans get a new Constitution that will serve them and the future generations. How do we ensure this? We must ensure this by ensuring that the Proposed Constitution is good for all, fair to all and serves all. This may require the spirit of give and take, but it must all be inclusive and non exclusive. The eyes of the nation are focused on this House. We must rise to the occasion

Note from Senior Management:

Andrew Breitbart was never a "Birther," and Breitbart News is a site that has never advocated the narrative of "Birtherism." In fact, Andrew believed, as we do, that President Barack Obama was born in Honolulu, Hawaii, on August 4, 1961.

Yet Andrew also believed that the complicit mainstream media had refused to examine President Obama's ideological past, or the carefully crafted persona he and his advisers had constructed for him.

It is for that reason that we launched "The Vetting," an ongoing series in which we explore the ideological background of President Obama (and other presidential candidates)--not to relitigate 2008, but because ideas and actions have consequences.

It is also in that spirit that we discovered, and now present, the booklet described below--one that includes a marketing pitch for a forthcoming book by a then-goung, otherwise unknown former president of the Harvard Law Review.

It is evidence--not of the President's foreign origin, but that Barack Obama's public persona has perhaps been presented differently at different times.

THE HOPE AND THE CHANGE

Writer/Director Stephen K. Bannon, former Democrat pollster Pat Caddell and I were interviewed by Hannity about the film he called the best documentary he has ever seen. During the one hour special, viewers saw exclusive clips from the film and heard several members of the 40 person cast go into greater detail about why they've given up on Obama.

Breitbart News has obtained a promotional booklet produced in 1991 by Barack Obama's then-literary agency, Acton & Dystel, which touts Obama as "born in Kenya and raised in Indonesia and Hawaii."

The booklet, which was distributed to "business colleagues" in the publishing industry, includes a brief biography of Obama among the biographies of eighty-nine other authors represented by Acton & Dystel.

It also promotes Obama's anticipated first book, Journeys in Black and White--which Obama abandoned (http://www.gg.com/newspolitics/politics/200911/barack-obama-writing-books-writerrobert-draper?printable=true), later publishing Dreams from My Father instead.

Obama's biography in the booklet is as follows (image and text below):

BREITBART VIDED PICKS

Barack Ohama, the first African-American president of the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son of an American anthropologist and a Kenyan finance minister, he attended Colnmbia University and worked as a financial journalist and editor for Business International Corporation. He served as project coordinator in Harlem for the New York Public Interest Research Group, and was Executive Director of the Developing Communities Project in Chicago's South Side. His commitment to social and racial issues will be evident in his first book, Journeys in Black and White.

The booklet, which is thirty-six pages long, is printed in blue ink (and, on the cover, silver/grey ink), using offset lithography. It purports to celebrate the fifteenth anniversary of Acton & Dystel, which was founded in 1976.

Front cover (inside)

Jay Acton no longer represents Obama. However, Jane Dystel still <u>lists (http://www.dystel.com/client-list/#0)</u> Obama as a client on her agency's website.

According to the booklet itself, the text was edited by Miriam Goderich, who has since become Dystel's partner at <u>Dystel &</u> <u>Goderich (http://www.dystel.com/about/)</u>, an agency founded in 1994. Breitbart News attempted to reach Goderich by telephone several times over several days. Her calls are screened by an automated service that requires callers to state their name and company, which we did. She never answered.

The design of the booklet was undertaken by Richard Bellsey, who has since closed his business. Bellsey, reached by telephone, could not recall the exact details of the booklet, but told Breitbart News that it "sounds like one of our jobs, like I did for [Acton & Dystel] twenty years ago or more."

The parade of authors alongside Obama in the booklet includes politicians, such as former Speaker of the House Tip O'Neill; sports legends, such as Joe Montana and Kareem Abdul-Jabbar; and nnmerous Hollywood celebrities.

Acton, who spoke to Breitbart News by telephone, confirmed precise details of the booklet and said that it cost the agency tens of thousands of dollars to produce.

He indicated that while "almost nobody" wrote his or her own biography, the non-athletes in the booklet, whom "the agents deal [t] with on a daily basis," were "probably" approached to approve the text as presented.

Dystel did not respond to numerous requests for comment, via email and telephone. Her assistant told Breitbart News that Dystel "does not answer questions about Obama."

The errant Obama biography in the Acton & Dystel booklet does not contradict the authenticity of Obama's birth certificate. Moreover, several <u>contemporaneous accounts</u> (http://ironicsurrealism.com/2012/03/14/obama-1990-interviewwere-going-to-reshape-mean-spirited-america/) of Obama's background describe Obama as having been <u>born in Hawaii</u>

(http://www.nytimes.com/1990/02/06/us/first-black-elected-tohead-harvard-s-law-review.html).

The biography does, however, fit a pattern in which Obama--or the people representing and supporting him--manipulate his public persona.

David Maraniss's forthcoming biography of Obama has reportedly <u>confirmed</u>

(http://www.vanityfair.com/politics/2012/06/young-barackobama-in-love-david-maraniss), for example, that a girlfriend Obama described in *Dreams from My Father* was, in fact, an amalgam of several separate individuals.

In addition, Obama and his handlers have a history of redefining his identity when expedient. In March 2008, for example, he famonsly <u>declared</u>

(http://www.huffingtonpost.com/2008/03/18/obarna-racespeech-read-th n 92077.html): "I can no more disown [Jeremiah Wright] than I can disown the black community. I can no more disown him than I can my white grandmother." EXHIBIT 12

Affidavit

I, Douglas B. Vogt, am over 18 years old, do not suffer from any mental impairment, have personal knowledge in the following and attest under penalty of perjury that I have knowledge and expertise in documents, imaging, scanners and document imaging programs. Based on my knowledge and expertise the following is true and correct.

The reason I have issued this affidavit and notified the FBI and other government officials is because I am compelled to because of Federal Statute Title 18, Part 1, Chapter 1 Section 4: "Misprision of felony; Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both." Since I am the one who positively identified Obama's Certificate of Live Birth, presented to the American public on April 27, 2011, as a forgery it was my oblation to report it.

My Credentials

I have a unique background that enables me to analyze this document in a competent, detailed, and extensive manner. I owned a typesetting company (Nova Typesetting) for eleven years, and thus have extensive knowledge and experience in type and form design. I have owned Archive Index Systems since 1993, a company that sells a wide selection of document scanners worldwide, and which also developed and sold document imaging software (TheRepository). Additionally, I have an extensive knowledge of how scanners function and their capabilities. I have also sold other document imaging programs, such as Laser Fiche, Liberty and Alchemy. I have sold and installed document imaging systems in city and county governments, and thus have extensive knowledge of municipal and county document imaging programs and procedures, including the design and implementation of such programs. Additionally, I have a good working knowledge of Adobe Photoshop and Illustrator. These factors will be crucial in understanding what has occurred with Obama's Certificate of Live Birth.

What I Discovered about Obama's Certificate of Live Birth and why it is a Forgery.

What the Obama administration released is a PDF image that they are trying to pass off as a Certificate Live Birth Long Form printed on green security paper by the County Health Department in Hawaii. The form is a created forgery for the following reasons.

Figure 1. Tiff image of the Obama's Certificate of Live Birth dated August 8, 1961, presented on TV 4/27/2011.

Figure 2. Another Persons microfilmed Certificate of Live Birth dated August 11, 1961.

1. Curved and non-curved type. The image we are looking at was scanned in grayscale and some part in binary which cannot be on the same image. The reason I know this is because of the shadowing along the gutter (left-hand side) is produced by scanning in grayscale. It also means that the county employee, who did the original scanning of all the forms, did not take the individual pages out of the post binders. The result is that all the pages in that book display a parallax distorted image of the lines and type. They curve and drop down to the left. If you look at line 2 (see Figure 3) on the form that says *Sex* you will notice the letters drop down one pixel but the typed word *Male* does not. Also notice the line just below *Male* drops down 3 pixels.

Figure 3. Line 2 of the form. Baseline differences.

The second incident of this parallax problem is seen in line 6c *Name of Hospital or Institution* (see Figure 4). The word *Name* drops down 2 pixels, but the typed hospital name, *Kapiolani*, does not drop down at all, and again the line just below drops down 2 pixels, but not the name *Kapiolani*.

Figure 4. Line 6c at 500%. The typewriter name of the hospital does not drop down 2 pixels.

The conclusion you must come to is that the typed in form was superimposed over an existing original Certificate of Live Birth form. In fact, since I found some of the form headings scanned in as binary and grayscale, the form itself is a composite but the person who created it did not flatten the image of the blank form and save it as one file before they started placing the typewriter text on the composite form. The individual(s) who perpetrated this forgery could not evidently find a blank form in the clerks imaging database, so they were forced to clean up existing forms and overlay the typewriter type we see here. The forger was also looking for certificates with the correct stamped dates and that is why I think they used more than one original form. At first I wondered why the forger didn't just typeset the entire form from scratch and overlay the type and not have to worry about the parallax problem. Then I remembered that in the early 1960s there was no phototypesetting and this form was set in hot metal from a linotype machine. The type design I think is Times Roman but they could never replicate the exact design. They were stuck having to use existing forms that were scanned in using binary and grayscale.

2. There is a white haloing around all the type on the form. Figure 5 is an example of this. This effect should not appear on a scanned grayscale image. Figure 6 is a grayscale image scanned in at 240 dpi. You will notice that there is no haloing effect around the type and also the security pattern is seen through the type. Figure 7 is a color image where you can clearly see the security green color through the type and no haloing. Figure 8 shows a Black and White (binary) image of the same type. The important thing to remember is that you cannot have grayscale and binary on the same scan unless the image is a composite. That means that different components of the whole image are made up of smaller parts. Figure 9 is an enlarged version of Figure 6 showing what grayscale letters should look like compared to binary.

Figure 8. Binary image.

Figure 9. An enlarged version of Figure 6 showing grayscale type.

The next question would be: What would have caused the haloing effect? We know that all the original Certificates of Live Birth (COLB) were microfilmed because we can see the Nordyke Certificate (see Figure 2) was microfilmed. Then some time after 2004 the paper original copies, in post binder books, were scanned using a commercial document scanner with a flatbed, scanned as grayscale images. The forger was working with two types of images. He/she may have used images printed from the microfilmed copy and then scanned the printout in grayscale. At that point the forger would have to invert the image so as to have a white background, black type. Figure 10 is an example of an inverted image of Figure 2. The result would be like Figure 9 but a whiter background. The image I am working with in Figure 10 is only 94 DPI but the forger was working with much higher resolution (\geq 240 dpi). At that point the forger converted the grayscale to a binary image and placed it onto the background form image. The problem was that there were still image values for the pixels around the placed type so when he/she placed the type image over the background and instructed the program to bring the type "forward" it blanked out the background image, hence the haloing effect around the type.

Figure 10, Inverted image of Figure 2.

3. The Obama Certificate is loaded with both binary and grayscale letters which is just another smoking gun that this form is a forgery. It appears the lines and some of the boxes were scanned using grayscale, but only some of the form headings were grayscale and sometimes it is only some letters. Figure 11 and Figure 4 give one example. You will notice that the *H* and, *al*, in Hospital, *I* in Institution, *If* and again the *h* and *l* in hospital were grayscale images, but the rest of the line is binary. The typewriter line below was scanned in as a binary image. I can also tell you for certainty

that the form type was scanned in at a lower resolution ($\leq 200 \text{ dpi}$). This is because of the size of the pixels on the letters were such that the openings on the *a* and *s* on the first line are not visible and filled in. This may also further indicate that forger took some of the type images from the microfilmed copies.

Figure 11. showing a mixture of grayscale and binary type on the same line.

Another example is found in form box 1a, his name *BARACK* for some reason the "R" is a grayscale image and the rest is binary (see Figure 13). That means the "R" was originally on the form and the rest was not until it was added.

The question again is: Why did the forger leave some grayscale type images on the form and not just erase the whole form? The answer is that he/she needed the grayscale images to re-establish the baseline of the type for the superimposed binary type. This also told me that the forger was an experienced graphic artist.

Figure 13. Another example of grayscale and binary on the same line.

Figure 14. The last "1" is grayscale, but the rest are binary.

Another example is the Certificate number itself (see Figure 14). The last "1" on the form is a grayscale image but the rest of the numbers are not. It also has a different baseline. This is just another example of a cut and paste job. It also means we do not know what the real Certificate number is if there even is one. There are other form boxes that display the same feature, boxes: 5b, 7e, 11, 13, 16, 18a.

4. The Sequential Number is a fraud. I would like you to refer back to Figures 1 and 2. You will notice that Barack Obama was supposed to have been born on Friday at 7:24 p.m. August 4, 1961 and the local registrar supposedly accepted it on Tuesday August 8, 1961 and hand stamped the Certificate number "61 10641." Then notice that the other Certificate of Susan E. Nordyke was born on Saturday at 2:12 p.m. August 5, 1961 and another registrar date stamped it on August 11, but her Certificate number is "61 10637." Susan Nordyke was a twin and her sister's Certificate number is 61 10638. Keep in mind there would be only one Bates stamp machine in the office so the numbers would all be unique. There cannot be any duplicates so every Certificate has a unique serial number.

Obama's Certificate would have most likely been mailed on the following Monday, the 7th and received by the Clerk Tuesday the 8th. Susan Nordyke and her sister's Certificates looks like they were mailed sometime earlier that week and not accepted until the 11th but Susan has a Certificate four numbers less than Obama's. It is impossible to have Obama's Certificate number to be four numbers higher than a Certificate that came in three days later.

As stated in #3 the last "1" on the form is a grayscale image but the rest of the numbers are not (see Figure 14). You will also notice that the baseline of the last "1" is straight and level but the rest of the numbers are slanted. This is again irrefutable proof that the Certificate number is a composite of two numbers and hence a forgery. This forgery comes under a separate offense and carries with it 5-years in prison [see Appendix D: Title 19, Ch.47, Sec, 1028(d)(1)].

The facts I have shown you in #3 and 4 tell me several things about how this forgery was assembled. 1. Some person(s) in the Health Department, who had access to the document imaging program, searched the database for someone close to the actual birth date of Obama and found someone near the 4th of August, if in fact he was born on the 4th and we should not assume that at all. Obama may have chosen the 4th of August because they had a baby who died close to his date of birth. The clerk may have cross referenced the death database to find someone who had died and had a birth date close to Obama's. It has been reported that an infant girl named Virginia Sunahara was born on August 4, 1961 at Wahiawa Hospital in Wahiawa, Oahu, HI who died on August 5, 1961 at the Kapiolani Women and Children's Medical Center, due to complications. This happens to coincide with the date of birth and birthplace of the Nordyke twins. We could make two assumptions here. 1. Wahiawa Hospital customarily would have completed the COLB form and mailed it to the County Health Department; and 2. Kapiolani Medical Center would have filled out the death certificate. The other less likely scenario could be that her medical records were transferred to Kapiolani Hospital and they would produce the birth certificate and later the death certificate which was later included in the group of birth certificates that contained the Nordyke twins.

The Federal Government wanted the States to cross reference the birth and death databases so the database would have that information. The date stamps have two different colors and sizes (see #5 below) which indicates that both dates came from different Certificates. We can conclude from this that more than one person was involved in the Hawaii Department of Health in assembling the different components that were used: 1. Someone to conduct the database searches to find the right Certificates to create the fraudulent Certificate of Live Birth; and 2. Someone who signed or stamped the fraudulent certificate. I believe that after all the components were assembled they were then given to a graphic artist to actually assemble the whole thing and create the finished forgery. That graphic artist could be located anywhere. In short this was a multi-state conspiracy to defraud the United States.

5. Two different colors in Form box 20, 22 and 17a *Date Accepted by Reg. General.* What is very revealing about this box and date entry is there are two different colors on both lines where there should be no color at all. Both lines were scanned using binary mode, but I see two different colors (see Figure 15). What I think this shows us is that the person who put this fraud together was looking for a form that had the right date namely "August 8 19_1." As you can see the only things that are printed in dark green (R=71, G=92, B=73) are "Date A" and "AUG -8 6." The rest of the type is in black. This tells me that the forger was working in color mode and what they copied from had a color value for some reason unless they put a color value on it.

Figure 15. Two different colors, dark green and black.

The same thing is found in form box 20 "Date Accepted by Local Reg." Figure 16 again shows that the date has two different colors. The "**AUG -8 196**" is in dark green (R=87, G=111, B=87) and the "1" is in black. Yet again another irrefutable proof this form is a forgery. Form box 17a displays the same two color image in the word "None". The "Non" is in dark green.

Figure 16. Another example of two colors on the same line.

6. The official seal is not part of the Certificate of Live Birth and they used the wrong size impression of a seal. The Hawaiian law (Section 11-1-2 Seal of the Department of Health) states:

a) The official seal of the department of health shall be circular in shape, **two and one-fourth inches in diameter**. At the curve on the top portion there shall be the words "DEPARTMENT OF HEALTH" and at the curve on the bottom portion there shall be the words "STATE OF HAWAII." At the curve on each side portion shall be a star. In the center of the seal shall be the Caduceus, a winged rod entwined with two serpents, which has long been recognized as a universal symbol of medicine. The Caduceus shall be encircled by an indentation, which shall separate it from the words "DEPARTMENT OF HEALTH" and "STATE OF HAWAII ."

Figure 17, Seal on Obamas Short Form Figure 18: Nordyke seal from 1966 Figure 19: Obama's COLB long form Apr.2011 (Figure 19 is courtesy of Kevin Powell; http://www.pixelpatriot.blogspot.com)

The first Certification of Live Birth Obama the candidate produced in June of 2008 was the "Short Form" of the COLB. It had the Department of Health's seal embossed on it (see Figure 17) appearing on it about 1.8" from the bottom of the 11 inch paper. That told me the Health Department is using an electric embosser, which applies ample pressure to leave a clear visible embossment. Hand seal embossers have only 7/8" or less from the edge of the paper for a $1\frac{3}{4}$ " seal. The Health Department seal does not appear obvious on the Obama COLB. A good embossment will distort the type and lines on a form and is clearly visible (see Figure 21). Even on the Nordyke Certificate (see Figure 18) in spite of it being an inverted image from a microfilmed image, it is clearly seen. Figure

19 shows Obama's seal on the COLB presented on April 27, 2011, and is visible only because a color filter was used to see it, otherwise it completely disappears in the design of the security paper (see Figure 20).

Figure 20: Seal on Obama's F COLB From April 27, 2011. a

Figure 21: Hand stamped seal from an original COLB from 1962.

The official seal on the Obama COLB is a second or even third generation image from another form. The seal embossing did not distort the lines or type on the form and it most likely was never part of his Certificate. We cannot make out any of the type on the seal as well as the two stars and the Caduceus. The distorted background image of a seal can be created using Photoshop or Illustrator by applying it as a watermark. Yet another indication this Certificate of Live Birth is an obvious forgery.

If that wasn't enough I then investigated the size of the latent seal image on the Obama certificate and found it to measure only about 1³/₄" in diameter. The procedure I used to discover the seal measurements were as follows: With the Savannah Guthrie photo (see Figure A) of the document I was able to see the left and right hand sides of the document and knew that was 8¹/₂" wide. I was then able to determine the scale of all the components on the form. I then measured the line length on the second line from the bottom. Box 20, 21 and 22 rest on. That length is 6.396" long, measured from the first bold vertical line on the left side of the form to the end of the line (see Figure 22). I then adjusted all the images I had for Certificates including non-Obama Certificates, which I had. What I found was that the alleged embossed seal on the Obama COLB were all 1³/₄" in diameter and that is not the legal seal as described by Hawaii state law, which should be 2¹/₄". The administration has the wrong size seal on their certificate and that seal was supposed to be a first generation full size imprint.

Figure 22. The COLB Obama presented on 4/27/11 from the PDF file on the White House web site. The seal measured only 1-7/8" in diameter.

I then examined Certificates of other individuals that I found on the internet. Figure 23 is of a Certification short form of Patricia Decosta dated 2002 and it is also $1\frac{3}{4}$ ". As stated in the Hawaii state code, it must be 2.25" in diameter. The current Department of Health seal is not the same one they had in the 1960s. That one was $2\frac{1}{4}$ " in diameter (see Figure 18) but the current seal is not legal—it's the wrong size and the type is not legible! You cannot make out any of the words, the stars or the Caduceus. I will be notifying the Department of Health of their gross error in the hope

they will fit it with a new legal seal. Some time after 1966 the original legal seal was "lost" or stolen because they do not wear out. Some bureaucrat ordered a replacement and was either ignorant of the law or too stupid to ask if there was a specific requirement for the seal. What mystifies me is that the Director of the Department of Health and the registrars did not spot the error and fix it. My conclusion is they just didn't care about the law.

Figure 23. The Certification of Patricia Decosta dated 2002.

7. The hand stamped certification from the current registrar is a forged stamped notice.

The Department of Health has the right to produce a legal copy of the original Certificate of Live Birth for people who have the appropriate right to receive one. The Clerk in the office would search the document imaging database and retrieve the correct Certificate. The Clerk would then print out the tiff image on the green security paper. They would then take a rubber stamp that states the following: I CERTIFY THIS IS A TRUE COPY OR ABSTRACT OF THE RECORD ON FILE IN THE HAWAII STATE DEPARTMENT OF HEALTH. Then below this notice would be the likeness of the State Registrar's signature, in this case it was Alvin T. Onaka, Ph.D. Then the clerk would stamp the date to the left of the certification. See Figure 24 for a Certificate done one month before the Obama's April 25, 2011 Certificate. Please note that since it is a hand stamp the certificate stamp is skewed up on the right side.

MAR 15 2011	I CERTINY THIS IS A TRUE COPY OR ALSTRACT OF THE RECORD ON FILE IN THE HAWAB STATE DEPARTMENT OF HEALTH OLDIN T. Onaka, Ph.D. STATE REGISTRAR
-------------	---

Figure 24. Registrar stamp on a persons Certificate done March 2011.

Now let us look at Obama's Certificate (see Figure 25) supposedly done on Aril 25, 2011. Notice the registrar's rubber stamp has an error on the word "the" which reads "TXE," but this error does not show up on the same rubber stamp used one month before. In Figure 26 you will see an enlargement of the word. You will notice that the "X" had been created by the graphic artist by filling in pixels so it appears like an "X" but it really is not. Also notice that the whole stamp is too straight on the form. The red lines drawn under two of the lines of type are aligned with the pixels. The stamp rises only two pixels over 3". My conclusion is that the whole stamp was placed there by the graphic artist to look as straight as possible. The only problem is that no hand stamped notice like this would be placed that perfect on the page.

I CERTIFY THIS IS A TRUE COPY OR ABSTRACT OF THE RECORD ON FILE IN THE HAWAII STATE DEPARTMENT OF HEALTH APR 25 2011 STATE REGISTRAR

Figure 25. Obama's Registrar stamp with the errors on it,

Figure 26. Enlargement of the "TXE."

Other investigators have mentioned what looks like an italic "E" under the capital "A" in Alvin. In Figure 24 the same artifact does not appear. This artifact also does not show up on the Savannah Guthrie photo but does appear on all the other copies and PDFs the White House displayed. We have to assume either the artifact was already on the security image the forger used, and forgot to erase it, or it was placed there deliberately for some reason that we don't know yet.

8. Forged signatures of the Mother and Registrar. Forgery of a signature occurs in three ways. The old methods were someone would practice signing another's signature until they got good at it. Another was to simply trace the signature from a previously known signature. The new way is to find a signature and scan it into a computer. Then place that signature, or parts of a signature, onto the desired form or check. The signature of the mother, *Ann Dunham Obama* in Box 18a is made up of two images. The "Ann D" is in grayscale and the rest of her name is a binary image. The signature of the registrar *U"K"L Lee* is also made up of the same image types. The "K" really looks like "IL" and the *I* is a binary image and the rest of his name is grayscale. That means the *I* was added in another layer. Both errors can be seen included in Figure 27. Irrefutable proof the Obama Certificate is a forgery.

9. Multiple layers in the PDF file from the White House. I am not the first one to find this fact and they deserve the credit for discovering it. What they discovered is that when you open up the PDF file in Adobe Illustrator and you turn on layers, you see a long list of nine different layers that correspond to different sections of the form, including the signatures on the form. Figure 27 shows the layer that contains most of the typewriter and form text.

I discovered using just my Adobe Acrobat 8 Standard that I could also see the different components disappear when I enlarged the image to just 400% and used the "hand" tool to quickly move around the image. When I moved the image fast, the various type components would disappear from the form but the lines stayed just as I had concluded.

I also opened up the White House PDF file in WordPad so I could see the codes and headers in the file. There I discovered the evidence for the nine layers embedded in the code (see below). The big surprise I discovered was that the file was finished or created on April 27, 2011 at 12:09 pm and the copy I had downloaded from the White House web site was modified on April 28, 2011 at 9:58 am, the day after the news conference. The whole White House story that the President had his Seattle-based lawyer fly to Hawaii and pick up two signed and stamped paper Certificates of Live Birth and fly directly to Washington DC, is obviously not the document the public has been shown. In other words the whole story may not true. I checked the cost for UPS to ship the documents next day and delivery by 8:30 am Tuesday and it was only \$84.00. I checked the cost for a lawyer to fly last minute from Seattle to Hawaii then to Washington DC it is thousands of dollars. Their story is just not believable.

The PDF file indicates the PDF "CreatorTool" was *Preview* which is an Apple product that is just like Adobe's Acrobat Standard, which is a viewer and print driver. It is not a photo and image design program. It is just the program that created the PDF file (as a print driver). The Preview program can

also read twenty-six different image and document types, that includes Adobe Illustrator and Photoshop.

Defenders of the Administration's argument that the layers were created by an OCR program (Optical Character Recognition) are also ridiculously wrong because the PDF file is not a searchable PDF therefore no OCR process was performed and additionally no text object was found within the PDF file I examined.

The discovery of nine layers in the PDF image didn't matter for my analysis 1 through 7 because I was able to export the image as a TIFF (18.35 MB) out of that PDF using my Adobe Standard software. So I was working from a flattened image and was able to find all that I did, in other words the layers were irrelevant to me but was just further proof that the Obama's Certificate of Live Birth is a forgery.

I have received other White House PDF files from Graphic artists around the country. As a result I received a PDF Certificate that was put up on the White House web site no more than 10 minutes after it was uploaded. That PDF showed nine layers, no OCR (see Figure 28), Image file created at 7:50 am on the 27th (see Figure 29) and finally the PDF file created using *Preview* (the print driver) and modified on 4/27/11 at 12:09 p.m., which is similar to my file. My conclusion is that this shows the individuals in the White House were "fixing" or changing this forgery as late as 7:50 a.m., an hour before the pre-news conference.

A Rebuttal to the Discovery of the Multi Layers Found in the PDF File.

To begin with the White House PDF was not a searchable PDF therefore no OCR process was performed on the image and therefore the following rebuttal and defense of Obama's COLB is irrelevant and a very poor attempt at defending this blatant forgery.

The only rebuttal to the nine layers discovered in the PDF file released by the White House was a statement from Canadian graphic artists from Quebec by the name of Jean-Claude Tremblay on April 29. It was reported by Fox News and on their web site at:

http://www.foxnews.com/politics/2011/04/29/expert-says-obamas-birth-certificate-legit/.

Figure 28. Shows 9 layers and no OCR.

He tries to excuse the multi-layers as merely an artifact of an OCR (Optical Character Recognition) engine and then saved as a PDF. There are three major reasons he is wrong and I know from his statement he knows nothing about OCR engines and how they work and their file structure. First the White House PDF file is not a searchable PDF and no text object could be found in the PDF file. Second, the Obama PDF certificate was supposed to have come directly from the Health Departments office. As stated before, the records they have would have absolutely no reason to be OCRed and if they were asked to give the customer a PDF image it would be from their existing TIFF image stored in their document imaging program on the server. The program would have done no OCR processing at that time.

The third reason is the lack of OCR files in the PDF file. My qualifications on OCR programs are considerable. Our own document imaging program, TheRepository, has an OCR option from Expervision that is called TypeReader. We integrated TypeReader into our program but to do this we had to sign a non-disclosure statement with them and then we got their Took Kit and API. When an OCR program saves a file as a searchable PDF, the file contains three main files within it. The first file is an image file, usually a compressed Group4 TIFF. The second file is an ASCII text file and the last file is a matrix file that contains the X and Y coordinates of all the words in the document. The starting point for the image file and the matrix file is usually the upper left hand corner of the image measured in pixels. The text file and matrix files would never be seen as separate layers and there are certainly not nine layers. The three files would be in a PDF "wrapper" and that is all. All OCR programs work on the same principle.

Conclusion

The Certificate of Live Birth Obama presented on television on Aril 27, 2011 is a forgery.

EXHIBIT 14

The American Typewriter

How a Young Computer Graphics Person Could Not Understand How to Use a Computer to Forge a Typewritten Document.

It's been some 30 years since we have used typewriters to produce documents. Computers have replaced the typewriter and given us great advantages in document preparation. There is no need to understand the old typewriter. Except when you need to forge a typewritten document.

A computer in the hands of a young person who can creat a modern forgery is no match for the old style quirky mechanical typewriter. The forger who produced the Obama Hawaiian Long Form Health Department Birth Certificate may have thought that all typewriter typeface styles were alike. To get his letters he should have assumed that he needed only to match typewritten letters found in the old files of Hawaii birth certificates to scan ... copy and paste into his new document. Those old files should be all alike having been used to produce birth certificates in the 1961 era. He must have understood that he needed to copy the old typewriter styles and would find them in the files.

But understanding scanners ... he also had to know that scanning a letter "t" one time and using it all over his document would be conviction assured. Because scan lines engage a letter differently every time it's done. So he scanned a bunch of old birth certificates and used a different "t" each time.

The mistake was that many of the letters in the old files were from different typewriter styles and that's something he did not realize ... resulting in many typewritten letters on his forgery that did not match each other.

I hope this helps to explain what might have happened with this document.

The two capital letters "A"s are from the word "BARACK" on the birth certificate found at section 8 of the form. There is only one letter between them. Why then is #144 significantly bigger than #146 if the same type-writer key struck both.?

The two capital letters **"R"** are from the same word **"BARACK"** as above and the other word **"BARACK"** in section 1 of the form. Why then is **#3** significantly shorter and wider than **#145** if the same typewriter key struck both? Note also the enclosed area in **#145** is smaller than the enclosed area in **#3** even though **#145** is taller.

The two lower case letters "s" from the word "**Hospital**" in section 6c and "**University**" in section 12b are shown to be different because of the width of the letters. The lower case "s" #88 is wider than the lower case "s" in #198 as shown with the green and purple color bars shown under the letters.

The two numbers "2" are from "7:24" in section 5b and section 10 of the form. Why then is #40 significantly wider than #168? Notice also the difference in height of #168. Can you imagine how these two typewritten letters were typed with the same typewriter?

The two lower case "n" letters are different in size. #62 found in section 6c is much shorter than #193 found in section 12b. This is a good place to insert a photo of a typewriter key to remind us that the impression is struck by an engraved letter that is steel and incapable of changing size.

January 14, 2013

Dr Orly Taitz, ESQ 29839 Santa Margarita Pkwy, Suite 100 Rancho Santa Margarita, CA 92688

Dear Orly:

The affidavit is enclosed.

God bless you and speed your excellent work!

Charles R. Coombs

Affidavit

My name is Charles Ralph Coombs. I am 71 years old and working as a semi-retired entrepreneur. I currently reside at 1730 Valley View Lane, Apartment 1093, Irving, Texas 75061.

I have been working as an electronic typesetter in conjunction with every job I've held since 1980. I am currently using a desktop publisher to create and typeset all the information needed to start and advertise a business. Between 1976 and 1980, I sold typewriters for Olivetti Corporation. I acquired detailed knowledge of typewriters of the type I was selling and those of our competitors. Some of the typewriters I sold were to a degree self-correcting, and comparing them with competing brands gave me a detailed knowledge of the kind of errors typewriters and typists make and how to compare outputs from different machines.

Based on my professional knowledge and experience, I believe that the document presented as an electronic copy of the birth certificate of "Barak Hussein Obama" is a forgery.

By examination of the document, I find the following typographical inconsistencies:

- 1. There is a variation in size between two impressions of the same character. This is not possible in a document prepared on a standard (type basket) typewriter.
- Spacing between letters is inconsistent. This is not possible in a document prepared on typebasket typewriter.
- 3. Some letter pairs are kerned: They are moved closer together to avoid white space between certain letter pairs in a desktop publisher. This is not possible in a document prepared on a standard, fixed-font typewriter. Some IBM typewriters featured a ½-point "pseudo kerning" feature, but the use of this was a laborious process and there is no evidence of the original document's having been produced on such a high-end, expensive machine.
- 4. There are typeface (character shape) mismatches in repeated occurrences of the same character. This is not possible in a document prepared on a type basket typewriter.
- 5. Only one instance of one character is slanted. Slanting occurred when a typist struck two keys at once, forcing them together. The slanting would occur as a consequence of the typist's forcibly returning the keys to their normal position. This, however, causes a permanent defect in all subsequent occurrences of this character that does not occur in this document. It cannot therefore have come from the typewriter used to create the original document.
- 6. Some characters appear above or below the baseline. This is possible with this kind of typewriter, but at the least would indicate that the document was removed and replaced: Simply moving rolling the platen up or down would not affect the line spacing to this degree.

I declare to the best of my knowledge and belief that the information herein is true, correct and complete.

AFFIDAVIT

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the facts are true:

- 1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, could testify competently thereto. I am the duly elected Sheriff of Maricopa County, Arizona, and I have been a law enforcement officer and official, in both state and federal government, for 51 years.
- 2. In August of last year, a group of citizens from the Surprise Arizona Tea Party organization met with me in my office and presented a petition signed by approximately 250 residents of Maricopa County, asking if I would investigate the controversy surrounding President Barrack Obama's birth certificate authenticity and his eligibility to serve as the President of the United States.
- 3. This group expressed its concern that, up until that point, no law enforcement agency in the country had ever gone on record indicating that they had either looked into this or that they were willing to do so, citing lack of resources and jurisdictional challenges.
- 4. The Maricopa County Sheriff's Office is in a rather unique position. Under the Arizona Constitution and Arizona Revised Statutes, as the elected Sheriff of Maricopa County, I have the authority to request the aid of the volunteer posse, located in the county, to assist me in the execution of my duties. Having organized a volunteer posse of approximately 3,000 members, I, as the Sheriff of the Maricopa County Sheriff's Office, can authorize an investigation go forward to answer these questions at virtually no expense to the tax payer.
- 5. The Cold Case posse agreed to undertake the investigation requested by the 250 citizens of Maricopa County. This posse consists of former police officers and attorneys who have worked investigating the controversy surrounding Barack Obama. The investigation mainly focused on the electronic document that was

presented as President Obama's long form birth certificate to the American people and to citizens of Maricopa County by the White House on April 27, 2011.

- 6. The investigation led to a closer examination of the procedures regarding the registration of births at the Hawaii Department of Health and various statements made by Hawaii government officials regarding the Obama birth controversy over the last five years.
- 7. Upon close examination of the evidence, it is my belief that forgery and fraud was likely committed in key identity documents including President Obama's long-form birth certificate, his Selective Service Registration card, and his Social Security number.
- 8. My investigators and I believe that President Obama's long-form birth certificate is a computer-generated document, was manufactured electronically, and that it did not originate in a paper format, as claimed by the White House. Most importantly, the "registrar's stamp" in the computer generated document released by the White House and posted on the White House website, may have been imported from another unknown source document. The effect of the stamp not being placed on the document pursuant to state and federal laws means that there is probable cause that the document is a forgery, and therefore, it cannot be used as a verification, legal or otherwise, of the date, place or circumstances of Barack Obama's birth.
- 9. The Cold Case Posse law enforcement investigation into Barack Obama's birth certificate and his eligibility to be president is on-going. The on-going nature of the investigation is due to additional information that has come to light since we held the press conference in March, 2012. As soon as that information has been properly verified by the Cold Case Posse, I will release that information to the public.

Executed this <u>12</u> day of June, 2012, in Maricopa County, Arizona.

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF COLUMBIA

MONTGOMERY BLAIR SIBLEY,

PLAINTIFF,

VS.

YVETTE ALEXANDER, DON R. DINAN AND WILLIAM LIGHTFOOT,

DEFENDANTS.

CASE NO.:12-CV-1984

PLAINTIFF'S EMERGENCY SECOND MOTION FOR ORDER TO RELEASE PRIVACY ACT-PROTECTED RECORDS AND EXPEDITED CONSIDERATION BASED UPON *PRIMA FACIE* EVIDENCE OF DESTRUCTION OF EVIDENCE RELATED TO OBAMA'S BIRTH

Plaintiff, Montgomery Blair Sibley ("Sibley"), pursuant to 5 U.S.C. §552a(b)(11), moves this Court for an Expedited Order directing the National Archives Record Administration ("NARA") to produce and release the original I–9 arrival records described herein which relate to the nationality of Barack Hussein Obama, II, and which NARA has claimed are documents protected by the Privacy Act of 1974 codified at 5 U.S.C. §552a, and (ii) for expedited consideration of this Motion and for grounds in support thereof states:

I. BACKGROUND

Sibley has served subpoenas duces tecum which seeks Mr. Obama's: (i) Social Security number application, (ii) Selective Service number application, (iii) Passport application, (iv) Harvard Law School and Columbia University admission applications and (v) the originals of the two (2) Certificates of Live Births that he has publicly released. Attorneys have thrown up a number of procedural objections to allowing those records to be released which issues are pending resolution before this Court.

However, one set of records subpoenaed that Mr. Obama's attorneys failed to block were

those kept by the National Archives Records Administration. The records released pursuant to that subpoena is troubling and raises legitimate concerns about Mr. Obama's past and thus his eligibility to be President under Article II of the Constitution.

Pursuant to a subpoena duces tecum, NARA made available to Sibley the "Arrival Records" for August 1 through August 10, 1961, of all passengers arriving in Honolulu, Hawaii. Sibley sought these records given the date of Obama's birth on his publicly-released Certificate of Live Birth of August 4, 1961 in Hawaii to see if he and/or his Mother arrived during that time-frame. If they did, it would prove that Mr. Obama was <u>not</u> born in the United States and as such is <u>not</u> a U.S. Citizen.

The significance of this "arrival form" evidenced can be seen from the arrival record of a three year old in Honolulu on August 8, 1961, a copy of which is attached hereto as Exhibit "A". That arrival record indicates the citizenship of the child.

What NARA produced on December 13, 2012, were two microfilm spools of the arrival records for July 28 through August 1, 1961 and August 8 through August 12, 1961. Attached hereto as Exhibit "B", is a photograph of the boxes those two microfilm spools are stored in which show the dates the spools cover. Even more significant, the date of "August 1" has been <u>altered</u>. It appears that "white-out" was applied and a new date was written over the original date of "August 7, 1961". Proof of that alteration comes from a photograph of the same box taken six months before on or about March 22, 2012 which reveals the date was originally "August 7, 1961". Thus, indisputably the box has been tampered with – a criminal offense.

Moreover, the microfilm of the July 28 spool ends on August 1, 1961 without the notice of "end of roll" that other microfilm spools evidence. Simply stated, someone appears to have tampered with the documents material to the question of the location of Obama's birth and altered NARA

records to conceal that alteration. The records for August 2 through August 7, 1961 are missing.

Title 5 U.S.C. §552a(b) "Conditions of Disclosure" states: "No agency shall disclose any record which is contained in a system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be . . . (11) pursuant to the order of a court of competent jurisdiction."

Here, the "relevance" under Rule 26(b)(1) of the I-9 arrival records related to the birth of Barack Hussein Obama, II, are manifest as such records will reveal the "evidence of the U.S. nationality" of Barack Hussein Obama, II. That "evidence" will address the seminal question of whether Barack Hussein Obama, II, is indeed a "natural born Citizen" eligible – under Article II, §1, clause 5 of the United States Constitution – to be President. Upon such determination of ineligibility, the Defendants will be legally barred from casting their Twelfth Amendment votes for Barack Hussein Obama, II.

WHEREFORE, Plaintiff respectfully requests an order from this Court pursuant to 5 U.S.C. §552a(b)(11) directing the National Archives Record Administration to produce and release the original I–9 arrival records described herein. Given the evidence of tampering, Plaintiff respectfully requests expedited resolution of this Motion.

RULE 12.I(A) STATEMENT

The undersigned has consulted with Defendants' counsel who has indicated that he **does/does not** oppose the relief requested herein.
