**REQUEST FOR INFORMATION UNDER ARIZONA PUBLIC RECORDS  
LAW §39.101 ET SEQ.**

Dear Sheriff Arpaio,

As you are well aware between 2009-2012 I have forwarded to you and Mike Zullo, director of Cold case posse, evidence of forgery in IDs of Barack Obama, which included sworn affidavits and reports received by me from former Chief investigator of the Special Investigations unit of the US Coast guard, Jeffrey Stephan Coffman, of experts Paul Irey and Doug Vogt and many others. The evidence that I submitted to court, was later confirmed by you and was used in a number of press conferences.

The only new information that was uncovered by your Sheriff's Department and Cold Case Posse that public is aware of, is an affidavit or opinion from a forensic document expert Reed Hayes, who according to interviews given by Mr. Zullo, confirmed that Obama's birth certificate is a forgery. There were inferences to this affidavit by Mr. Zullo and, I believe, by you as well, however this affidavit was never made public.

You have already stated that you will not submit a criminal complaint to the district Attorney and Attorney General, as you believe that you do not have jurisdiction. You, also stated that you believe that Congress has jurisdiction, however you never submitted an official complaint to the Judiciary committee of Congress either.

Some of your supporters have submitted to 200 conservative members of Congress "sheriff's kits", which contained your and Zullo's press conferences, however members of congress never took any action.

I have submitted a Request for information under Arizona Public Records Law §39.101 et seq. to the District Attorney of Maricopa County, William Montgomery, seeking information, whether you submitted to him the affidavit or declaration or any other document from Reed Hayes, he responded via custodian of records Debbie McKenzie, stating that you never submitted to him any documents from Reed Hayes (see below).

I currently have several active legal actions, which challenge legitimacy of Barack Obama, among them:

1. Taitz v Donahoe and Williams 13-cv-1020 USDC Washington DC, legal action dealing with Obama's use of a fabricated Selective Service Certificate with a fabricated Cancellation Postal Stamp attached to it.
2. Taitz v Colvin 13-cv-1878 dealing with Obama's use of a stolen CT Social Security number 042-68-4425 of Harrison (Harry ) J Bounel
3. Taitz et al v Democratic party et al 12-cv-280 which relates to RICO complaint of a de facto criminal enterprise whereby a number of high

ranking officials acted in concert in order to perpetrate and cover up forgery in Obama's IDs and usurpation of the US Presidency.

Additionally there are 2 cases in the courts of Appeals:

Judd v Obama and Grinols at al v Electoral College.

Affidavit of Reed Hayes, if it really exists, would be of great importance in these cases.

As such I am requesting release of the aforementioned affidavit.

Since you have already stated that you will not be submitting your own complaint due to alleged lack of jurisdiction, further refusal of release of the aforementioned affidavit can be seen as an obstruction of Justice and Misprision of forgery and fraud. Tthis is particularly true, since you previously refused to appear in court and testify to evidence in your possession in challenges to Barack Obama, when you were subpoenaed to appear in Georgia, California, Indiana and Mississippi. In the state of Indiana you went even further and paid for one of my witnesses, retired Deportation officer John Samoson, to fly to AZ, you deputized him as a part of your cold case posse and told him that he can no longer testify for Attorney Taitz, as he is a member of the cold case posse. Mr. Sampson appeared on Peter Boyles show in Colorado and admitted that you, Mike Zullo and he made a deal, an agreement not to comply with the court ordered subpoenas, not to appear in court and not to testify in regards to your knowledge of forgery in Obama's IDs.

As such it is of paramount importance that you do not obstruct justice and release the aforementioned affidavit of Reed Hayes so that Mr. Obama can finally be held accountable for massive elections fraud, use of forged IDs and usurpation of the U.S. Presidency.

Respectfully,

/s/ Dr. Orlty Taitz ESQ
