SECOND AMENDED COMPLAINT

PARTIES

Dr. Orly Taitz, ESQ- Plaintiff, resident of California, 29839 Santa Margarita Pkwy, ste 100, Rancho Santa Margarita, CA 92688

Carolyn Colvin, in her official capacity as an acting director of Social Security Administration, located at Baltimore MD.

JURISDICTION AND VENUE

Jurisdiction is proper due to the fact that the defendant is an Acting Director of a Federal Government Agency located in the District of Maryland, there is a diversity of citizenship and the Federal law question -Freedom of Information Act 5 US §552 is the basis of the complaint.

ALLEGATIONS AND APPEAL OF REFUSAL BY THE DEFENDANT TO PROVIDE REQUESTED SS-5 FOR HARRY (HARRISON) BOUNEL

1. On April 26 Plaintiff submitted Freedom of Information request to the Social Security Administration (Hereinafter SSA), seeking under 5 USC §552 (Hereinafter FOIA) a release of SS-5, Social Security Application for Harry (Harrison) Bounel and two other individuals.
2. Agency has an obligation to respond to FOIA request within 20 days business days.
3. Taitz did not receive any response of information for 60 days and brought forward a legal action at hand.
4. After the legal action was filed, defendant, Acting SSA Commissioner, filed an answer claiming not to have any records for Harry (Harrison) Bounel. Defendant submitted an affidavit by Senior FOIA officer, Dawn Wiggins, who claimed not to have records for Harry (Harrison) Bounel.

5. Taitz responded by filing a Motion for Summary Judgment (Hereinafter MSJ) in favor of the Plaintiff, asserting that Colvin and Wiggins are defrauding the court, as SSA indeed has requested SS-5. As proof Taitz provided the court with November 16, 2012 letter signed by the same senior FOIA officer Dawn Wiggins, which showed that SSA has records for Harry Bounel, but refused to release them due to alleged considerations of privacy. Exhibit 4 (November 16, 2012 letter from Wiggins included with an affidavit of Albert Hendersot, stating that disclosing this (Harry Bounel's) information would be a clearly unwarranted invasion of privacy, and the FOIA (5USC §552(b)(6) does not require disclosure.

Taitz responded that not only Dawn Wiggins, SSA and defendant Carolyn Colvin are defrauding this honorable court in claiming that they have no records for Harry Bounel, they are also violating their own rules and regulations and specifically 120 year rule, which states that the Social Security Administration has to release without a proof of death or a death certificate SS-5 applications for "Extremely aged individuals" who were born 120 years ago or earlier. "120 year rule" was adopted in 2010 and made public in 2011 in the Chief FOIA officer report. "120 year rule" was included as an exhibit with Complaint and first Amended Complaint and is part of the record of this case. Taitz provided the court with a true and correct copy of the 1940 Census from Bronx, New York, showing that in 1940 Bounel was 50 years old, therefore in 2013, when the request was made, he

was 122-123 years old, well over 120 year requirement to be considered an extremely aged individual and SSA violated its own FOIA and 120 year rule by refusing to release the information, which justifies an order from the court directing SSA to release the SS-5 for Bounel. (Exhibit 4 1940 Census information for Bounel included with affidavit of Albert Hendershot).

6. In a response from the defense, SSA claimed that when Taitz submitted her request, she provided additional information, such as date of birth of Harry Bounel, place of birth, year of immigration to the U.S., and that SSA could not find SS-5 with matching information, therefore SSA used minor discrepancies in secondary information as an excuse not to provide requested SS-5.

7. On August 8, 2013 Taitz submitted to SSA a second FOIA request seeking SS-5 for Harrison (Harry) Bounel without any secondary information. She sought SS-5 based only on first and last name, so that SSA would not claim plausible deniability and would not use minor discrepancies in secondary information as an excuse for denial of requested documents. According to 5USC § 552 an agency is obligated to respond within 20 days. SSA did not respond in over 130 days.

8. On December 13, 2013 this court issued an order and memorandum opinion, stating that since the defense filed a response and the First Amended complaint

was seeking a response, First Amended Complaint became moot, however information provided by the plaintiff in subsequent pleadings shows that she might be correct and SSA did not do a proper search of the records and therefore the court gave the plaintiff 21 days to file a Second Amended complaint and provide her allegations of failure to do a proper search in the Second Amended Complaint which is due on January, 3, 2014.

As such this Second Amended complaint at hand is being submitted on January 2, 2014 by Federal Express, with delivery on January 3, 2014, within allowed period, and Plaintiff alleges that:

a. Defense did not provide any evidence of adequate search for documents. Defense provided a response with an affidavit by FOIA officer Dawn Wiggins and was supposed to provide an affidavit that is "reasonably detailed, setting forth the search terms and the type of search performed and avering that all files likely to contain responsive materials (if such records exist) were searched so as to give the requesting party an opportunity to challenge the adequacy of the search." *Ethyl Corp v U.S. e.P.A.* 25 F. 3d 1241, 1246-47 (4th Cir. 1994) . Defendant has offered the declaration of Dawn S. Wiggins, who avers, ECF 12-2 ¶6; "SSA conducted a search f the Numident for a record that matched for a record provided by Plaintiff but could not provide a record for Mr. Bounel". Wiggins did not explain the manner in which the search was conducted, whether the multiple searches were conducted using different combinations of the information provided by plaintiff (to ensure that a minor discrepancy in the information submitted by plaintiff did not sabotage the search), or any other details related to the thoroughness of the search. Defense simply used secondary information provided by the plaintiff, such as date of birth of Bounel, place of birth, year of immigration to the United States, as plausible deniability, whereby minor discrepancy in secondary information was used an excuse for refusal to provide requested information.

Further, defendant and FOIA officer acted with malice, with a flagrant intent to defraud this court, as they intentionally replaced in their response a request for SS-5 with "numident request".

Taitz requested the SS-5, which is the original application for a Social Security number. SS-5 contains the name and the actual signature of the applicant. A forensic document expert can compare SS-5 for Bounel with SS-5s that were issued before and after for authenticity of paper, ink, sequence, stamp and so on.

Numident is a computer printout which can be easily changed at any time by anyone with access to the database.

So, instead of responding that SSA conducted a search for **SS-5** for Harry (Harrison) Bounel, Wiggins responded "SSA conducted a search for the **Numident** for a record that matched the information by Plaintiff but could not find a record for Mr. Bounel". ECF 12-2 ¶6.

In her prior reply to opposition for Motion for Summary Judgment in favor of the plaintiff, she provided an example of SS-5: ECF-13-3 09.25.13 Exhibit 3, pp2-3 shows a certified SS-5 for CT SSN 042-68-4424, one number before Bounel's, which belonged to deceased Thomas Louis Wood. (Social Security numbers of deceased individuals do not need to be redacted and full unredacted number is public knowledge). This document is handwritten, contains a signature of the mother of the applicant. On the other hand, ECF 13-3 p4 shows the numident for the same person, which is a short printout of the same information and can be easily changed.

Further, in the same document ECF 13 Plaintiff have provided sworn affidavits of licensed investigators Albert Hendershot, Neil Sankey and Susan Daniels (Exhibits 1 through 6 herein) and has shown that SSN assigned to Harry Bounel was later unlawfully used by Barack Obama, whose other IDs, such as alleged Selective Service Registration (Exhibit 7, 19 herein) and Birth certificate (Exhibits 8-16 herein) were found to be computer generated forgeries as well, which shows that Colvin and Wiggins had a motif to defraud this court in order to cover up fraud committed by Obama.

Moreover, even the numident for Harry Bounel existed as late as November 2012, based on the letter by Wiggins, which was submitted to this court by the plaintiff and acknowledged by Wiggins.

b. When Plaintiff subsequently submitted on August 8, 2013 yet another FOIA request seeking SS-5 for Harry (Harrison) Bounel, defendant flagrantly violated FOIA, 5USC 552 and did not provided any response for 141 days, even though according to 5USC 552 provisions, an answer is required within 20 days.

As such defendant flagrantly and repeatedly violated provisions of 5USC 552 and this court should rule in favor of the plaintiff and order the defendant to release SS-5 for Harry (Harrison) Bounel.

**PLAINTIFF SEEKS AN ORDER FROM THE COURT DIRECTING THE
DEFENSE TO SERVE THE PLAINTIFF WITH A COPY OF THE
RESPONSIVE PLEADINGS, WHICH IT SUBMITS TO THE COURT.**

Previously, when Defense filed an opposition to Vaughn index, it filed it with this court and did not serve the plaintiff. Defense knows that Plaintiff is not a member of Maryland bar and is not served with pleadings electronically via ECF. When defense does not serve the plaintiff by mail, she is not aware of the filings and cannot respond timely. Additionally, failure to serve the opposing party with pleadings is a violation of professional ethics by the attorney for the defense and is sanctionable.

**REQUEST UNDER 18 USC 3332 (A) FOR THIS HONORABLE COURT
TO PRESENT EVIDENCE TO THE FEDERAL GRAND JURY OR GRANT**

THE PLAINTIFF AN EX RELATOR STATUS TO STEP IN THE SHOES OF THE ASSISTANT U.S. ATTORNEY AND PRESENT EVIDENCE OF OFFENSES AGAINST THE CRIMINAL LAWS OF THE UNITED STATES ALLEGED TO HAVE BEEN COMMITTED WITHIN THE DISTRICT OF MARYLAND.

Plaintiff incorporates all prior paragraphs as if fully pled herein.

18 USC 3332 (a) states

It shall be the duty of each such grand jury impaneled within any judicial district to inquire into **offenses against the criminal laws of the United States alleged to have been committed within that district. Such alleged offenses may be brought to the attention of the grand jury by the COURT or by any attorney appearing on behalf of the United States for the presentation of evidence. Any such attorney receiving information concerning such an alleged offense from any other person shall, if requested by such other person, inform the grand jury of such alleged offense, the identity of such other person, and such attorney's action or recommendation.**" 18 USC 3332(a).

1. Plaintiff provided this court with the sworn affidavit of investigator and debt collector Albert Hendershot ECF 13-2 pp1-10 that according to Merlins

Information Systems two individuals used Social Security number xxx-xx-4425: Harrison(Harry) J. Bounel and Barack Obama. (Exhibit 4)

2. On April 15, 2010, at 11:15:29 am Barack Obama posted his 2009 tax returns on line, on official White House website, whitehouse.gov. He did not flatten the PDF file and the full unredacted Social Security number, which he used in this tax return, became available to the public. About three hours later Mr. Obama removed the file, redacted and flattened it, however by that time it was too late and thousands of individuals got the full unredacted Social Security number used by Obama. (Exhibit 1)

3. Subsequent checks through E-verify and SSNVS, two agencies set by the U.S. government to check for unlawful use of Social Security numbers, which are stolen or otherwise unlawfully used by illegal aliens and others, showed that Obama failed both E-verify and SSNVS, that he is using a Social Security number, which was never assigned to Barack Obama. (Exhibits 1-6)

4. On December 23, 2013 it was announced by Barack Obama that he signed up for Affordable Care act (ACA) (Obamacare).

5. Plaintiff Taitz immediately published an open criminal complaint and demand for information sent to HHS, demanding an explanation, how could Obama sign up for ACA with a Social Security number, which failed E-verify and what safeguards

are there in place to make sure illegal aliens and other individuals with stolen SSNs do not sign up for ACA.

6. Within hours White House announced that Barack Obama was not able to sign up for ACA (Obamacare) using an online web site, because the system could not verify his identity and his aide had to submit Obama's application in person. (12.23.2013 report by FOX news network White House correspondent Ed Henry "we learned today from the White House. Initially, they said he signed up for what they called a bronze plan, paying about four hundred dollars a month in premiums. But, then they came back to us and said – wait, he didn't actually enroll.... Healthcare.gov could not actually verify his identity, oddly enough... ").

7. Plaintiff Taitz sought from SSA SS-5 of Harrison Bounel, however SSA by and through its employees, FOIA officer Dawn Wiggins, engaged in obfuscation of records and obstruction of justice. As shown in this complaint Wiggins repeatedly wrongfully withheld aforementioned application in order to cover up the fact that Barack Obama has committed massive fraud and has stolen the franchise of the U.S. President using a stolen Social Security number and fabricated IDs.

8. Wiggins and possibly defendant, Acting Commissioner of Social Security Administration Carolyn Colvin acted in concert with a number of other individuals in a RICO conspiracy (Racketeering Influenced Corrupt Organization) to defraud

the United States of America and aid and abet Barry (Barack) Soebarkah, aka Barry (Barack Soetoro) aka Barry (Barack) Obama in stealing 2008 and 2012 Presidential election, stealing the franchise of the U.S. Presidency, cover up and Obstruction of Justice in cover up of stolen and fabricated IDs used by Obama.

9. Loretta Fuddy, director of Health Department of the State of Hawaii was complicit with Barack Obama, Dawn Wiggins and others by writing a letter to the White House on April 25, 2011 and certifying a flagrant forgery as a true and correct birth certificate for Barack Obama. On April 8, 2011 Taitz appeared at the Health Department of Hawaii with two experts and a subpoena from the U.S. District Court for the District of Hawaii ordering Fuddy to provide for examination the original 1961 birth certificate for Barack Obama allegedly on file in the Health Department for the state of Hawaii. Taitz was greeted by the deputy Director Keith Yamamoto, who advised Taitz that Fuddy will not comply with the subpoena and will not produce the original (wet ink) birth certificate for Barack Obama.

10. On December 11 at 5 am PST/ 3am Hawaiian time Taitz posted a press release advising the public that there is evidence of forgery in the "control" Hawaiian birth certificate of Johanna Ah'Nee Randolph and that it was found that Fuddy was defrauding the public claiming that Obama's alleged copy of the Alleged long form birth certificate was released as a special exception for Obama, as a president, as

Taitz found other long form birth certificates released by Fuddy at the same time as she released Obama's long form birth certificate. Fifteen hours later, around 6pm Hawaiian time, it was announced that Director of Health Fuddy died, being the only victim of an emergency water landing of Cessna Caravan plane of Makani Kai air. Fuddy died under suspicious circumstances amidst conflicting reports. Airplane crash and death of Fuddy are still being investigated by the Maui county, HI, Police Department and NTSB. According to the Fire Department Fuddy's body was found in the fuselage of the plane (Exhibit 24). This report was made a full week before the plane was recovered and anyone knew what was in the fuselage of the plane. According to reports of other passengers, such as C. Philip Hollstein and captain Clyde Kawasaki, Fuddy did not remain in the fuselage of the plane, but got out, was wearing her life vest and together with other passenger was waiting to be lifted by the helicopter. (Exhibit 25). Both Hollstein and Kawasaki stated that they were "shocked" by an announcement of her death. All other passengers and pilot got out of the plane alive, had life vests on and were awaiting to be lifted by a helicopter.

Similarly, in 2008 it was reported that Lieutenant (sic. not a title but an unusual first name) Quarles Harris, who according to Washington Times was cooperating with the FBI in relation to the reported breach of Obama's passport records, was found assassinated in his car. No arrests were made in this case since 2008.

Saliah Sobah, who resided with Obama's mother and step father in Indonesia and whose story was different from Obama's official life story, as according to her Obama did not come to Indonesia together with his mother, but rather came sometime later. Saliah Sobah was found dead shortly before scheduled trip of Obama to Indonesia. She was healthy until her untimely death at the age of 52.

Sobah's story is supported by Scott Inoue, former Obama's classmate in elementary school in Hawaii. According to Inoue Obama did not go to Indonesia in 1967, but rather lived in Hawaii until 1969. Inoue provided a picture of himself and Obama together in 1969. (Exhibit 23). This shows a discrepancy with Obama's school records from Assisi elementary school in Indonesia, where Obama was a student from 1967-1969 and went by last name Soetoro (his step father's last name), citizenship Indonesian, religion Islam.(Exhibit 17). This discrepancy shows that for a period of two years there were two separate individuals: Barry Obama, who lived in Hawaii 1967-1969 and went to Noelani school in Honolulu, Hawaii together with Scott Inoue and a completely different person, Barry Soetoro, who lived in Indonesia 1967-1969 and was a student at Assisi school in Jakarta, Indonesia. In 1969 Barry Obama went to Indonesia and one of these two young men came back to the United States in 1971. Taitz believes that the person who came back is Barry Soetoro, not Barry Obama. All individuals who knew circumstances of Obama's trip to Indonesia died untimely death: his mother, father,

step father, grandmother (two days before the election), grandfather, step brother and former foster child of Ann Dunham and Lolo Soetoro, Saliah Soetoro-Sobah.

Obama continued with egregious identity theft upon his application as an attorney to Illinois state bar. Attached Exhibit 21, Obama's application shows further fraud. On application he is asked whether he used other names and he put down "None", even though his official school records from Indonesia show him using last name Soetoro (Exhibit 17) and his mother's passport records show him using last name Soebarkah. (Exhibit 8), When Taitz contacted IL bar and complained that Obama is hiding his identity under different last names, Obama withdrew from the bar and the bar responded that they no longer have jurisdiction. Bar applications are done under oath. Hiding ones identity under two different last names represents two felony counts of perjury and fraud and applying to become an officer of the court while hiding two identities. This fact alone justifies referral of this case by this court to the Federal grand jury for criminal investigation and prosecution, as we have an individual holding a position of the U.S. President while hiding prior identities.

Further, Exhibit 22, Barack Obama's student record from National Student Clearing house shows further evidence of fraud. According to Obama's official biography he was a student at Columbia university for two years, however his

official record shows him attending Columbia for nine months only, from September 1, 1982 to May31, 1983.

Exhibit 20 shows that OCON, official certificate of a candidate for President sent to the State of Hawaii commissioner for elections shows that OCON for his predecessors John Kerry and Al Gore contain wording “legally qualified to serve under the provisions of the U.S. Constitution”. This wording was removed from official certification of Barack Obama.

Lastly Exhibit 18 shows destruction and falsification of NARA immigration records for August 1-7 1961, time when Barack Obama and his mother Stanley Ann Dunham believed to have arrived in the United States.

Taitz sought quo warranto with Attorney General Holder and provided this information to Holder repeatedly both directly and through the U.S. Attorneys. Due to the fact that AG Holder and U.S. Attorneys are employees of the executive branch, Obama is their ultimate superior and CEO of the executive branch and due to Eric Holder’s close personal relations and friendship with Obama, all of the evidence of identity theft, identity fraud, elections fraud, theft of the franchise of the U.S. Presidency by using stolen and fabricated IDs by Obama, have not been investigated by the U.S. Attorney’s office and Attorney General and will not be investigated and prosecuted unless a judge submits this evidence to the Federal

grand Jury as the judge is entitled to do under 18 USC 3332(a) or the court ordering the U.S. Attorney for the District of Maryland to present this evidence of offenses against the criminal laws of the United States or grant plaintiff an ex-relator status to present to the Federal Grand jury all the evidence of offenses committed by Barry Soetoro, aka Barry Soebarkah, aka Barry Obama, aka using identity of Harry Bounel and his accomplices **against the criminal laws of the United States.**

List of US criminal laws that were violated to be forwarded to the Federal Grand Jury:

- 1. 18 US §1031 Major Fraud against the US**
- 2. 18 USC Chapter 47 Fraud and False statements**
§1001 Statements generally
- 3. 18 USC §1002 possession of false papers to defraud United States**

9. 18 USC §1341 Fraud

10. 18 USC §1028 Fraud and related activity in connection with identification

11. 42 USC 1983 Violation of Civil rights under the color of authority

12. 18 USC 1962 RICO (Racketeering influenced corrupt organization) with predicate acts

a. fraud

b mail and wire fraud

c. social Security fraud

d elections fraud

e. IRS fraud

f. conspiracy to commit fraud

g conspiracy to commit identity fraud

Obama, Colvin, Wiggins and others defrauded the United States in covering Obama's use of a stolen Social Security number and stealing the franchise of the US Presidency and Commander in Chief with the aid of fraudulently obtained, fabricated IDs.

Further, recent suspicious death of Loretta Fuddy, prior murder of Lieutenant Quarles Harris, suspicious death of healthy 52 year old Saliah (Lia) Soetoro-Sobah and a number of others, show that there is a pattern of murders and suspicious deaths of individuals who are key witnesses to fraud committed by Obama or accomplices to this fraud.

SSA FOIA officer Dawn Wiggins and possibly the defendant, acting SSA commissioner Carolyn Colver, as well as former commissioner Michael Astrue are witnesses and accomplices. Their lives are in danger. There is a high likelihood for disappearance of witnesses, accomplices and original records. This justifies forwarding this evidence of offenses against the U.S. criminal laws to the Federal Grand Jury under 18US 3332 (a) by Honorable Judge Hollander or by the plaintiff, if Judge Hollander grants her Ex Relator status.

Such submittal of evidence is justified as it is in the best interest of the public and is essential for the U.S. National security.

Ex Relator status for plaintiff is justified and essential, as US Attorney and Attorney General did not take any action in relation to aforementioned actions against the criminal laws of the U.S. and they are not likely to take any action in the future, which represents the most serious threat to the U.S. National Security.

REQUEST UNDER 28 USC 1002 FOR EXAMINATION OF THE ORIGINAL (WET INK) SS-5 OF HARRY BOUNEL IN LIGHT OF EVIDENCE OF FORGERY AND FRAUD IN OTHER IDS.

Rule 1002. Requirement of the Original

An original writing, recording, or photograph is required in order to prove its content unless these rules or a federal statute provides otherwise.

As described above Social Security number of Harry Bounel was stolen and is being fraudulently used by Barack Obama. Aside from the stolen Social Security number Obama is using other fraudulently created and fabricated IDs. As such Plaintiff is seeking an order from this court allowing her not only to receive a certified copy of the SS-5 for Harrison (Harry) Bounel, but also to allow her and

two experts to examine the original (wet ink) SS-5 for authenticity and compare with other original SS-5s issued.

REQUEST FOR PREPARATION OF VAUGHN INDEX

7. SS-5 for Social Security number 042-68-4425

Prayer for Relief:

Plaintiff is respectfully requesting this court to order the following:

1. This court should release under Freedom of Information Act 5 USC §552 SS-5 Social Security application for Harry (Harrison) Bounel.
2. Due to a pattern of five years of release of forged IDs, Plaintiff is seeking an order from this court allowing the Plaintiff and Forensic Document experts examination of the original (wet ink) SS-5 for Harry Bounel and ability to compare it to other SS-5s created around the same time.

3. The court should forward to the Federal Grand Grand Jury evidence of offenses against the Criminal Laws of the United States, which are provided herein and which include fraud, forgery, conspiracy to obstruct justice, Social Security fraud, identity theft and treason in conspiring with a foreign national, citizen of Indonesia to steal and usurp the US Presidency while using a stolen Social Security number and fabricated IDs.

4. The court should forward to the Attorney General of the US and US attorney General of Maryland evidence of fraud, Social Security fraud, Identity theft, obstruction of Justice and conspiracy to obstruct Justice which were presented to this court in the case at hand.

5. The case should be expedited in the interest of National security.

6. Defendant should prepare Vaughn index as evidence tends to disappear and key witnesses tend to die under suspicious circumstances.

7. Defends should be ordered to serve the plaintiff with pleadings as they did not serve her with the opposition for Vaughn index.

Respectfully submitted,

Dr. Orly Taitz, ESQ

| 1. Forged selective service certificate | In September 2008 2 weeks after Obama was confronted with questions of selective service his SSS application surfaced | According to affidavit of the chief investigator of the special investigations unit of the US Coast Guard (ret) and special agent with the Homeland security Jeffrey Steven Coffman (Exhibit 7), according to sheriff Arpaio Obama's SSS application is a forgery Selective service contains social Security number ██████-4425, which was never assigned to Obama according to E-Verify and SSNVS |
| 2. Obama's use of a stolen Connecticut Social security number ██████-4425 which was never assigned to him according to E-Verify and SSNVS | On April 15 2010 Obama posted his tax returns on line and forgot to flatten the PDF file. When the file was opened with Adobe Illustrator it became visible that Obama is using a Connecticut Social security number ██████-4425.(E 1 Affidavit Felicito Papa) Research of the number showed that it was issued in 1977 to an elderly resident of Connecticut born in 1890.(E4 Affidavit of investigator Albert Hendershot) Search of Obama's SSS application shows him using the same CT SSN, which was never assigned to him | According to former officer of the Elite Scotland Yard anti organized crime and anti communist proliferation unit Neil Sankey, licensed investigator Susan Daniels (Exhibit 5) , former senior deportation officer John Sampson (Exhibit 6), Sheriff Arpaio, investigator Zullo Obama is using a Connecticut Social Security number ██████-4425 which was never assigned to him according Lexis Nexis, Choice Point, E-Verify (Exhibit 2 affidavit of Linda Jordan and E-Verify report)and SSNVS (Exhibit 3 SSNVS report) According to Exhibit 4, affidavit of Albert Hendershot SSN in question was assigned to Harrison J. Bounel, born in 1890 |
| 3. Forged US Postal stamp affixed to Obama's Alleged Selective Service Application | Stamp affixed to Obama's SSS application contains 2 digit year stamp "80' | All US stamps contain four digit year stamp (Exhibit 7, Affidavit of former Chief Investigator of the Special Investigations Unit of the U.S. Coast Guard Jeffrey Stephan Coffman) |
| 4. Obama forged long form birth certificate | Obama's alleged birth certificate contains letter of different fonts and sizes | Letters of different fonts and sizes in Obama's alleged birth certificate is a clear evidence of it being a forgery, as the |

| | | |
|---|---|--|
| | | document was alleged to be created in 1961 with a typewriter. It is impossible to create a document with a typewriter and have letters of different sizes and fonts. Type written document has letters of the same sizes and the same font Exhibit 13, 14, 15, 16 |
| 5 Obama's alleged birth certificate contains white halo around the letters | None of the published Hawaiian birth certificates contain a halo around words. the only BC with the white halo is Obama's | According to experts Paul Irely, Ivan Zatkowitch and Douglas Vogt white halo around the words is a sign of a computer manipulation Exhibit 13 affidavit of Douglas Vogt, 14, 15 16 |
| Obama's alleged copy of the birth certificate is a compilation of bits and pieces coming from different documents | Obama claims that the document posted on WhiteHouse.gov is a true and correct copy of his original birth certificate | Obama's copy of his alleged genuine original birth certificate represents a computer generated forgery, opens in multiple layers, which were cut and pasted from different documents Exhibit 12 Affidavit of Felicito Papa, Exhibit 13, 16 Affidavit of Douglas Vogt |
| 6. Serial number of Obama's alleged BC is inconsistent with other serial numbers | Serial numbers of twins Susan and Gretchen Nordyke, who were born three days later are lower | Inconsistent serial number is another sign of forgery Exhibit 13 |
| Obama's biography shows him born in Kenya | Obama claims to be born in Hawaii | Obama's biography submitted by Obama to his own publisher Acton -Dystal and kept on line for 16 years, 1991-2007 states that he was born in Kenya. In 2007, right before the beginning of the campaign the bio was deleted Exhibit 11 |
| On March 25, 2010 during the National assembly meeting Minister of Lands of Kenya states that Obama was born in Kenya | Obama claims to be born in Honolulu, HI | James Orenge Minister of Lands of the republic of Kenya states that Obama was born in Kenya Exhibit 10 |
| Lack of any birth certificate for Obama in any hospital in Hawaii | Obama claims to be born in Kapiolani hospital in Honolulu, Hawaii | Exhibit 9, Sworn affidavit of Timothy Lee Adams, Senior Elections Clerk of the City of Honolulu and Honolulu county, attesting to the fact that it was a common knowledge among the |

| | | |
|--|--|---|
| | | officials of the county Registrar that there is no birth certificate for Obama in any hospital in Hawaii |
| 7. All immigration records of passengers arriving in Hawaii | Obama claims to be born in HI | Exhibit 18 All of the immigration records of passengers arriving in Honolulu August 1-7 disappeared from NARA (National archives). <u>Further cover-up</u> Upon demands for accounting the label on arrival records from August 7-14 were falsified, "7" was erased and replaced with one to give an impression that missing August 71-7 records are contained in 7-14 page |
| Forgery of the OCON (official certificate of a candidate for President) | Obama claims to be eligible, Democratic Party of Hawaii falsified the certificate of Eligibility | Democratic Party of Hawaii falsified the official certificate of a candidate, removed the words "Eligible according to the Constitution" |
| Obama was listed under a different last name in his mother's passport, was removed from his mothers passport due to foreign allegiance | Obama claims to be the Natural Born U.S. Citizen, never lost his citizenship | Exhibit 8, Passport records of Obama's mother, Stanley Ann D. Soetoro, shows Obama under a different name, Soebarkah, shows him crossed out, removed from his mother's passport due to foreign allegiance |
| In his school records | Inconsistency: Obama claims to be US citizen Claims Obama to be his legal last name Claims to be Christian | Exhibit 17 Obama's School registration #203 Asissi School in Jakarta Indonesia list him as a Citizen of Indonesia His last name is listed as Soetoro (his step father's last name) Religion listed as Muslim |

| | | |
|---|---|--|
| <p>OCON (Official Certificate of a Candidate) issued by the Democratic Party of Hawaii was falsified, words "...legally qualified to serve under the provisions of the United states Constitution" were removed from Obama's OCON in order to let ineligible Obama on the ballot, while it was present in the OCON for John Kerry and Al Gore</p> | <p>Obama claims to be qualified under the provisions of the U.S. constitution</p> | <p>Exhibit 20 OCON (official Certification of a candidate) for Al Gore and John Kerry contain wording: "...legally qualified to serve under the provisions of the United states Constitution". In Obama's OCON aforementioned wording was removed and the only qualification states: "legally qualified to serve under the provisions of the National Democratic Parties balloting"</p> |
| <p>Evidence of fraud in the application to the to the Illinois Attorneys Bar</p> | <p>In his bar application Obama claimed to have never used any other names</p> | <p>Exhibit 21 Obama's Illinois bar application shows him committing perjury. Bar applications are made under the penalty of perjury. In his application Obama claims that he never used any other names. This is contradictory to his school registration showing him using last name Soetoro and his mother's passport records Exhibit 8 where he is listed under the last name Soebarkah</p> |
| <p>Modus Operandi and Pattern of fraud extends to Obama's college records</p> | <p>Obama claimed to have been attending Columbia university for two years</p> | <p>Exhibit 22 Barack Obama's college records from Student clearing House show him attending Columbia for less than one year, only 9 month. additionally there is no evidence of him residing anywhere in the US during these missing 15 months. Logical conclusion would be that his trip to Pakistan before Columbia lasted not 1month, as he claims, but 16 months.</p> |

EXHIBIT 1

AFFIDAVIT

STATE OF FLORIDA)

)S.S.

COUNTY OF DUVAL)

I, Felicito Papa, am over 18 years old and resident of 7579 Walden Road, Jacksonville, FL 32244 with FL DL #P100-245-45-082-0. I do not suffer from any mental impairment and I competently attest to the following under the penalty of perjury:

1. I am a professional web developer having graduated with a bachelor's degree in IT from ITT Technical Institute in Indianapolis, IN. I have over ten years of experience of in web designs and development and I have often used software such as Adobe Photoshop and Adobe Illustrator.
2. On April 15, 2010, the Whitehouse website, www.whitehouse.gov, released the 2009 Form 1040 of Income Tax Return of President Barack H. Obama:
<http://www.whitehouse.gov/sites/default/files/president-obama-2010-complete-return.pdf>.
3. I downloaded this 65-page pdf file on my computer. I observed that all information about the president's and the first lady's social security numbers were redacted. All blocks or spaces for social security numbers were blank, or "white-out."
4. I submit Exhibit A (attached herewith, page 43 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of Pres. Barack Obama. The space for his social security number is redacted or blank.
5. I submit too Exhibit B (attached herewith, page 49 part of 2009 Form 1040) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama. The space for her social security number is redacted or blank.
6. Then through Adobe Illustrator software, I opened Exhibit A and B and found that these two pdf files have two layers each, not just one layer. When the top layer is turned off or dragged away, the social security numbers of both persons are revealed.
7. I submit Exhibit A1 (attached herewith) Form 709 U.S. Gift Tax Return of Pres. Barack Obama with his social security number revealed. The following information are revealed:

1. Barack Obama's SSN [REDACTED]-4425
2. Michelle Obama's SSN [REDACTED]-2302
3. An initial MLO on the side of Form 709
4. A 1/4 inch dark square with notation on it.
5. Preparer's SSN or PIN P00570974
EIN 36-2700600
Phone no. 312/372-0440

8. I submit Exhibit B1 (attached herewith) Form 709 U.S. Gift Tax Return of First Lady Michelle Obama with her social security number revealed. The following information are revealed:

1. Michelle Obama's SSN [REDACTED]-2302
2. Barack Obama's SSN [REDACTED] 4425
3. Preparer's SSN or PIN P00570974
EIN 36-2700600
Phone no. 312/372-0440

9. It is apparent that the tax preparer for Forms 709 of Pres. Obama may have forgotten to lock or flatten the covering top layers before posting them on the Internet. I later noticed that after April 15, 2010, the pdf file posted at the White House has been modified. The top layers on President Obama's Income Tax Return have been locked or flattened and could no longer be dragged out. His SSN and his wife's SSN were no longer visible.

FURTHER AFFIANT SAYETH NOT.

Part 1 - General Information

EXHIBIT 2

I, Linda Jordan am over 18 years old, do not suffer from any mental impairment, have personal knowledge of the facts listed below and declare under penalty of perjury:

I used the government run E-Verify System to verify the employment eligibility for Barack H Obama (Obama) and it revealed a "Notice of Mismatch" between Obama's name, birth date and Social Security Number (SSN), compared to the information the Social Security Administration has on file.

I saw Obama's Selective Service Registration (SSR) form which was available on the web at www.sss.gov and copied the SSN Obama used on that form. I also read the reports of licensed investigators Neil Sankey, Susan Daniels and the opinion of retired senior deportation officer of the department of Homeland Security John Sampson, that the SSN Obama was using was fraudulent and/or never issued to him.

Between October 2008 and May 2011, I submitted several requests to agencies and people with the legal responsibility and authority to investigate the use of forged documents and election fraud, concerning Obama's birth records and SSN. (attachment A)

To date no one with the legal responsibility and authority has responded to any of my requests.

I read part of the testimony of Marianna LaCanfora before the Committee on Ways and Means Sub Committee on Social Security in the House of Representatives dated April 14th, 2011. She explained that a SSN in conjunction with a proper identity document determine whether a person is authorized to work. LaCanfora said that the E-Verify system run by the government is a free, Internet-based system that allows employers to electronically verify the employment eligibility of their employees. The Immigration Reform and Control Act of 1986 required all employers to verify the identity and employment eligibility of all new employees regardless of citizenship or national origin.

I considered myself to be one of the employers of the President of the United States.

On July 26, 2011, I tried to enroll in the E-Verify System but it required the employer to enter data from their employees I-9 Employment Eligibility Verification Form. I have been unable to locate one for Obama.

On August 17, 2011, I went back on the E-Verify website and saw that there was a "Self-Service" function that was more streamlined and easier to use when checking an employees eligibility. I entered the name Barack H Obama, birth date August 4, 1961 and SSN [REDACTED] 4425. This data was entered correctly. The report I got back from the SSA included a "Notice of Mismatch with Social Security Administration (SSA) Records". (attachment B)

Dear Ms. Taitz,

I have been monitoring your efforts at a distance reference the eligibility of Barack Obama to serve as POTUS. I see that you are now filing suit reference his many SSNs.

I have a copy of Obama's selective service card with the SSN affixed. I, as a small business owner, have access to the Social Security Number Verification System. As a result, I checked the SSNVS for the SSN Obama used for registering with Selective Service. The SSNVS search resulted in a report sheet that states that number Obama used to register for Selective Service was never issued.

Let me be direct - I have not agreed with many of your tactics in this endeavor. However, I have continued to follow your efforts to see where there may be synergy and this is one.

Therefore, if you think the documents will be helpful, please let me know and I will send you the PDF files for both the Selective Service Card and the SSNVS report that states that SSN was never issued.

Sincerely

Greg Hollister

Affidavit of Albert Hendershot

I, Albert Hendershot am a professional debt collector, I am over 18 years old, I have personal knowledge of the facts provided herein and I will be able to competently testify in court of the facts as listed in this affidavit:

1. I personally performed a search with Merlin Information Systems and <http://www.acxiom.com/identity-solutions> database which is routinely used by professional debt collectors
2. I found that both Barack Obama and Harry J. Bounel are listed as holders of the same Connecticut Social Security number [REDACTED]-4425 and resided at the same address 5046 S. Greenwood Ave, Chicago , Illinois, Exhibit 1 attached herein is the true and correct copy of the printout from <http://www.acxiom.com/identity-solutions> database. Exhibit 2 attached herein is the (FOIA) Freedom of Information Act request which was completed for numident [REDACTED]-4425 with Harry Bounel as the name associated with said numident [REDACTED]-4425. Exhibit 2 clearly states that the aforementioned numident belongs to Harry Bounel and not Barack H Obama as detailed in the response from the Social Security Administration dated November 2012.
3. Michelle Obama is listed as a relative of both Harrison (Harry) J. Bounel and Barack Obama.
4. <http://www.acxiom.com/identity-solutions> database shows that the last change in the record of Harry J. Bounel Social security number [REDACTED]-4425 was performed by Michelle Obama in and around November 2009, who is listed as a relative of Harry J. Bounel.

I attest under the penalty of perjury that all of the foregoing is true and correct to the best of my knowledge and informed belief.

Affiant further says naught.

November 16, 2012

This letter is in response to your Internet request for a Numident for Mr. Harry Bounel.

The Privacy Act of 1974 (5 U.S.C. § 552a) restricts disclosure of the information you requested. The only exception that might permit us to disclose these records to you without consent would be the exception for disclosure required by the Freedom of Information Act (FOIA) (5 U.S.C. § 552).

When we receive a request from a member of the public to release personal information about another individual from our records, we must balance the individual's privacy interest in withholding the information against the public interest in disclosing the information. We must determine whether disclosure would affect a personal privacy interest. There is clearly a substantial privacy interest in the personal details furnished to the Government. The only public interest we must consider is if the information sought would shed light on the way an agency performs its statutory duties. We may not consider the identity of the requester or the purpose for requesting the information. While there clearly is a public interest in knowing how the Social Security Administration administers the Social Security Act, disclosing records containing personal information about named individuals would not shed light on how the agency performs its statutory duties. Therefore, disclosing this information would be a clearly unwarranted invasion of personal privacy, and the FOIA (5 U.S.C. § 552(b)(6)) does not require disclosure.

If you disagree with this decision, you may request a review. Mail your appeal within 30 days after you receive this letter to the Social Security Administration, Office of Privacy and Disclosure, 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235. Mark the envelope "Freedom of Information Appeal."

which is located in the State of Massachusetts, and with whom I have a user agreement, and requested that I obtain any and all legally available information relating to U.S. Social Security number [REDACTED] 425.

6. On, or about, November 16, 2009, pursuant to the aforementioned request by Orly Taitz, I requested from LocatePlus, any and all legally obtainable information relating to SSN [REDACTED] 4425.

7. As a result of this inquiry, I came to learn that Plaintiff Barrack Hussein Obama, has used this Social Security number since at least from June 1, 1986 to present. A detailed report was generated showing family relationships, past residence history, real property owned by Mr. Obama, and other detailed information to include, but not limited to, driver's license information, telephone numbers associated with Mr. Obama, and people possibly related to Mr. Obama.

8. This information was obtained pursuant to a legitimate and permissible search under the user agreement I have with LocatePlus. This request was made in connection with a pending civil action, which is one of the expressed permissible purposes to conduct such an inquiry through LocatePlus, as well as a possible criminal violation of United States law, and possible fraud.

9. As a result of this search and the results that were obtained, on or about November 17, 2009, I accessed a public access database named "SSN Validator" at <http://www.ssnvalidator.com/>. The information this site provided me was that SSN [REDACTED] 4425 was issued by the Social Security Administration based upon an application filed for a Social Security Number in the State of Connecticut between the years 1976 and 1977.

10. Based upon information and belief, Plaintiff Barrack Hussein Obama has never had a direct connection with the State of Connecticut and has never claimed residency in the State of Connecticut.

11. I am a recently retired Senior Deportation Officer of the United States Department of Homeland Security, Immigration and Customs Enforcement (DHS ICE) having retired on August 30, 2008.

12. As a result of my formal training as an immigration officer, conducted at the Federal Law Enforcement Training Center (FLETC), located in Brunswick, Georgia, and advanced training received at FLETC in Artesia, New Mexico and elsewhere during my 27 year career, as well as my professional experience spanning 27 years of federal law enforcement, it is my knowledge and belief that Social Security Numbers can only be applied for in the State in which the applicant habitually resides and has their official residence.

13. During the period between January 1, 1976 and December 31, 1977 inclusive, it is my knowledge and belief that Barrack Hussein Obama habitually resided solely within the State of Hawaii and was between the ages of 14 and 16 during the time period stated above. During that period of time, based upon information and belief, Mr. Obama resided with his maternal grandparents, Madelyn and Stanley Dunham in the State of Hawaii.

14. On or about February 2, 2010, I received an email from a person identifying himself as "Jim Russo", Operations Manager for LocatePlus, 100 Cummings Center, Suite 235M, Beverly, MA, 01915, requesting that I contact him regarding my account.

15. On or about February 3, 2010, I telephoned Mr. Russo at 978-921-2727, extension 319 and inquired as to why he wished to discuss my account. At that time, Mr. Russo stated that LocatePlus had noticed I had conducted what he called a "celebrity political figure" inquiry and wanted to know why I had done so and which permissible reason pursuant to the user agreement I was under with LocatePlus pertained to my making my inquiry.

16. I told Mr. Russo that I was a private investigator in the State of Colorado, that I had been tasked by Dr. Orly Taitz, an attorney in California who was prosecuting a civil suit involving Mr. Obama and that I had emails and other documentation that I could send him verifying that fact. Mr. Russo stated that he would appreciate it if I would send that information to him which I did on or about February 3, 2010. He assured me at that time that if I were to provide this information to him it would resolve any "issues" LocatePlus may have regarding my inquiry into a "political celebrity".

17. In the email I sent to Mr. Russo, I offered to have Dr. Taitz send him an email as well confirming the fact that I had been tasked by her to conduct this inquiry pursuant to a pending civil suit in the United States District Court for the Central District of California. He stated that he would like to receive such an email.

18. On or about February 4, 2010, Dr. Orly Taitz, at my request, sent Mr. Russo an email indicating that she had requested me, in connection with the pending civil suit in California against Mr. Obama, to conduct research through the commercial databases I habitually use as a private investigator, related to SSN [REDACTED]-4425.

19. Numerous emails have been exchanged between me and Mr. Russo due to the fact that as of February 2, 2010, my account with LocatePlus has been frozen and I can no longer access this database despite the fact that I responded to their inquiries and have provided evidence to them indicating that I had followed the user agreement we have entered into. I have repeatedly asked that my account be unlocked, unfrozen, and made available to me.

20. Despite all of this, as of March 8, 2010, my account remains frozen and I am unable to conduct legitimate, legal database searches in connection with my business. As a result, I am being financially harmed, unable to conduct legal, lawful, legitimate investigations pursuant to law, and unable to provide to my clients, the services they have contracted with me to provide, thereby subjecting me to possible civil litigation for failing to provide contracted services.

21. Based upon information and belief, misuse of a Social Security number is a direct violation of Title 42 United States Code, Section 408(a)(7)(B), which is a federal felony punishable under Title 18 United States Code by fine or imprisonment of up to five years, or both.

22. I swear under the penalties of perjury that all the facts stated and circumstances described above are true and correct to the best of my knowledge and belief.

23. I have not been compensated for making this affidavit.

Further, Affiant sayeth not.

Signed and executed in Aurora, Colorado on this 8 day of March, 2010.

AFFIDAVIT

Jeffery Stephen Coffman, being duly sworn, on oath deposes and says:

1. I am a resident of Texas. The information contained in this affidavit is based on my personal knowledge.
2. I am a licensed Private Investigator (licensed A620963) in the State of Texas.
3. I am a retired Resident Agent in Charge/Special Agent from the Department of Homeland Security having retired after 20 years during June 2007.
4. I am a retired Chief Investigator with the United States Coast Guard Investigative Service (Reserve) having retired after 22 years during March 2010.
5. I was formerly an Investigator with the Office of the Attorney General with the State of Texas serving from August 2008 until I quit during September 2009.
6. On my own and not as an Investigator or Special Agent with any state or federal agency I looked into circumstances surrounding then U.S. Senator Barack Obama's Selective Service registration.
7. I have utilized the Selective Service's "Check A Registration" online function (www.sss.gov) numerous times to verify whether a required registration was properly completed.
8. On or about February 13, 2008, I sent an email to information@sss.gov asking why Senator Obama's registration didn't show up when queried on the Selective Service website (www.sss.gov).
9. On the same day (February 13, 2008) I received an email from information@sss.gov stating "Sir: There may be an error in his file or many other reasons why his registration cannot be confirmed on-line. However, I did confirm with our Data Management Center that he is, indeed, registered with the Selective Service System, in compliance with Federal law. Sincerely, Janice L. Hughes/SSS".
10. On September 7, 2008 I viewed a televised interview in which then Senator Obama stated that he registered for the Selective Service when he graduated from high school. I recalled that Senator Obama graduated from high school in 1979 and the Selective Service registration requirements were not reinstated until 1980.
11. I submitted a Freedom Of Information Act (FOIA) to the Selective Service System for Senator Obama's Selective Service registration. I received a copy of a Selective Service registration in the name of Barack Hussein Obama and a copy of a computer screen print out with a date of 09/09/08.
12. Reviewing these copies I noted several areas of concern. For example, I noted that on the registration copy the signature of the registrant was dated July 30, 1980, but the United States Postal cancellation stamp indicating date received was dated the previous day of July 29, 80. I also noted that the "No ID" block was checked indicating that the registrant did not present an ID when the registration

was said to have been presented to the postal clerk. The most outstanding aspect of the registration card was that the aforementioned U.S. Postal Cancellation Stamp had only a two digit year instead of the usual four digit year.

13. During my active military service with the US Army from 1973 to 1977, I served as a collateral duty as one of my unit's mail clerk. During that service I was familiar with US Postal regulations and procedures. It was my understanding that the US Postal Cancellation stamp was a four digit year and not a two digit year. I also knew that the day, month, and year of that model postal cancellation stamp are removable inserts that the postal clerk changes as appropriate. I have never seen a two digit insert for that model postal cancellation stamp.
14. Over several weeks, I researched the issue on the internet attempting to find any other incident where that model cancellation stamp had a two digit year instead of the usual four digit year. I was unable to find any other instance where that model postal cancellation stamp had a two digit year instead of the usual four digit year.
15. Using my training and experiences, I analyzed the image of the postal cancellation stamp on the copy of the registration. It is my conclusion that a four digit year insert ending in "08" was modified by cutting off the first two digits and reinserting the "08" upside down into the postal cancellation stamp to indicate a year of "80". The only four digit year ending in "08" I felt that would be reasonably available would be a "2008" year insert.
16. On the copy of the computer screen printout received under the FOIA I noticed that there was a line marked DLN and the number of "8089 708 0632". I also noted that on the copy of the Selective Service registration card there was a similar number in the upper right hand corner. This number was "0897080632". The number on the registration card appeared to be a "Bates" type print that automatically changes with each impression.
17. The differences between the DLN number on the computer screen printout and the registration card printout appears to be the addition of the digit "8". I know of no reason for the addition of the "8" in the DLN.
18. Based on my observations, research, experience and training, it is my belief that the Selective Service registration card I received under the Freedom Of Information Act request under the name of Barack Obama has been altered.

Dear Ms. Barnett:

I refer to your request letter we received on January 2, 2009 under the Freedom of Information Act (Title 5 USC Section 552) for a copy of documents relating to Stanley Ann Dunham. We initiated a search of the Office of Passport Services.

The search of the records of the Office of Passport Services has been completed and has resulted in the retrieval of six documents that are responsive to your request. These documents have been reviewed and the results are set forth in the accompanying letter (with enclosures) of Jonathan M. Rolbin, Director.

We have now completed the processing of your request. If you have any questions with respect to our handling of your case, you may write to the Office of Information Programs and Services, SA-2, Department of State, Washington, D.C. 20522-8100. Please be sure to refer to the case number shown above in all correspondence about this case.

We hope that the Department has been of service to you in this matter.

Sincerely,

Dear Ms. Barnett:

The following is in response to your request to the Department of State dated January 2, 2009, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc. since this information is entered into the passport book after issuance.

-2-

This completes the processing of your request.

Sincerely,

A handwritten signature in black ink, appearing to be 'JR', with a long horizontal flourish extending to the right.

AFFIDAVIT

In the State of Kentucky, County of Warren, this affiant being duly sworn, deposes and says that he is Timothy Lee Adams, residing at 1132 Fairview Avenue, Apt. F, Bowling Green, KY 42101 and that the statements below are true concerning his employment at the City and County of Honolulu Elections Division in Honolulu, Hawaii:

1. I was employed at the City and County of Honolulu Elections Division from May 2008 through September 2008.
2. My position at the City and County of Honolulu Elections Division was Senior Elections Clerk.
3. My responsibilities were to oversee the activities of the Absentee Ballot Office.
4. During the course of my employment, I became aware that many requests were being made to the City and County of Honolulu Elections Division, the Hawaii Office of Elections, and the Hawaii Department of Health from around the country to obtain a copy of then-Senator Barack Obama's long-form, hospital-generated birth certificate.
5. Senior officers in the City and County of Honolulu Elections Division told me on multiple occasions that no Hawaii long-form, hospital-generated birth certificate existed for Senator Obama in the Hawaii Department of Health and there was no record that any such document had ever been on file in the Hawaii Department of Health or any other branch or department of the Hawaii government.
6. Senior officers in the City and County of Honolulu Elections Division further told me on multiple occasions that Hawaii State government officials had made inquiries about Senator Obama's birth records to officials at Queens Medical Center and Kapi'olani Medical Center in Honolulu and that neither hospital had any record of Senator Obama having been born there, even though Governor Abercrombie has asserted and various Hawaii government officials continue to assert Barack Obama, Jr. was born at Kapi'olani Medical Center on August 4, 1961.
7. During the course of my employment, I came to understand that for political reasons, various officials in the government of Hawaii, including then-Governor Linda Lingle and various officials of the Hawaii Department of Health, including Dr. Chiyome Fukino, the director of the Hawaii Department of Health, were making representations that Senator Obama was born in Hawaii, even though no government official in Hawaii could find a long-form birth certificate for Senator Obama that had been issued by a Hawaii hospital at the time of his birth.
8. During the course of my employment, I was told by senior officers in the City and County of Honolulu Elections Division to stop inquiring about Senator Obama's Hawaii birth records, even though it was common knowledge among my fellow employees that no Hawaii long-form, hospital generated birth certificate existed for Senator Obama.

In witness whereof he has hereto set his hand and seal.

NATIONAL ASSEMBLY

OFFICIAL REPORT

Thursday, 25th March, 2010

The House met at 2.30 p.m.

[Mr. Speaker in the Chair]

PRAYERS

PETITION

Dr. Khalwale: Mr. Speaker, Sir, I stand here to make a petition on behalf of Kiborowa squatters who are a group of squatters from Trans Nzoia District under an organization called Kiborowa Squatters Alliance. The squatters reside in the rural and peri-urban slums within Trans Nzoia and like our forefathers, remain landless and living under deplorable conditions. Some of those squatters are temporary labourers on the former colonial settler farms now popularly called Agricultural Development Corporation (ADC) farms. Our girls and women are raped and forced into prostitution and early marriages, occasioning high instances of HIV/AIDS and gender biased violence. There are high poverty levels leading to early school dropouts and childhood labour. Despite those squatters making several presentations to the Government with assurances from district commissioners, permanent secretaries and Ministers for Land and Settlement since Independence, our people have yet to see any positive action. We are, therefore, praying through this petition for your humble intervention as a House, so that the Government of the Republic of Kenya may immediately settle all the squatters on the following ADC farms: Sabwani, Sekhendu and Olingatongo ADC farms. We are also praying that the Government restrains those Members of Parliament who are inciting members from non-squatter communities to invade those farms.

Mr. Speaker: Order, Dr. Khalwale! You caught my eye to present a petition, but I am in doubt as to whether or not you have, in fact, complied with Standing Order No.204. At least, I have no indication from the Clerk of the National Assembly, which I normally have as a matter of practice, that you have complied with Standing Order No.204. Can you satisfy me that you have done so?

Dr. Khalwale: Mr. Speaker, Sir, this petition was presented to the Office of the Clerk. He went through it and marked it to the Speaker of the National Assembly. The Office of the Speaker of the National Assembly marked it to Mr. Ndombi who is in the legal arm of Parliament. Mr. Ndombi invited me to his office. We went through this petition and I am glad to confirm that we have complied to the letter, to the requirements of that Standing Order.

Mr. Speaker: Can you, please, let me have a look at the petition to be satisfied that those steps have been taken?

Dr. Khalwale: Mr. Speaker, Sir, after I conclude or before?

must take the oath of office or rather the oath of solemn affirmation and an oath of allegiance. These oaths are set out on pages 185, 186 and 187. The President of the Republic, the Deputy President and the Cabinet Secretaries and the Members of Parliament are required to subscribe to these oaths before assuming office. In this affirmation oath, they swear to defend the Constitution and to govern in accordance with the spirit and letter of the Constitution. Many times, it is those who have taken the oath to defend and protect the Constitution who go against the very Constitution to corrupt the governing of the country. So, constitutions must bide rulers if they are documents which will last and bring about good governance.

Mr. Deputy Speaker, Sir, in making this Constitution, we must understand what is the problem that we want to deal with. Why is it necessary for us to have a new Constitution? There is a time when in the struggle in the streets, people were fond of shouting and saying: "Moi must go!" That was the clarion call. But we have realized that even as Moi went, this country is still nearly in the same situation that it was.

Hon. Member: Worse!

The Minister for Lands (Mr. Orengo): Somebody is saying worse. I can see it is my chairman and I cannot contradict him.

Even with those shouts that filled the nation all over that "Moi must go," we are still in nearly the same situation as we were in 1963 onwards. Hon. Ngilu is also reminding me that there was a prejudiced Christian song where we used to sing: "*Yote yanawezekana bila Moi!*" We thought that individuals by themselves can make a change and that our country can become a better place. In designing a Constitution, we must know the problem that we want to resolve. It is only by knowing the problem that we can design the Constitution that will stand the test of time. It is only by knowing the conflicts within us and how to address them that we can design a Constitution that will last for many years. In this history, there is a time when we were almost attracted to leave alone the pursuit of change through peaceful means and even imagine that we could pursue change through arms struggle. As Malcolm asked: "Is it the ballot or the bullet?" In the Kenyan tradition, other than the struggles that took place before 1963, we had decided that we will resolve conflicts, including the constitutional ones, through the ballot and that will be signified by the referendum that the people will take part in, in order to enact this new Constitution.

Mr. Deputy Speaker, Sir, we made a great achievement. This document, in other countries comes by way of revolution; by way of people shedding blood. We like citing the American Constitution, which came through struggle and a revolution. Even the French Revolution or in recent history, in South Africa, their Constitution was achieved through struggle and violence. But we are lucky here in Kenya that we are reaching this great moment, choosing the ballot rather than the bullet. And by coincidence of history, the Lancaster arrangement in 1962 and 1963 were made possible when there was a Coalition Government. I do not know whether some of you remember that. That the last phase of those discussions in Lancaster took place when both Jomo Kenyatta and Ronald Ngala were Chief Ministers in the same Government. So, it was a Grand Coalition Government like the one that we have today. So, to the extent that the Accord has made it possible for us to come together to reach this historical settlement, it is also a great achievement.

So, I want to say that this document in its entirety – I am not saying that it is perfect – but it is better than anything that we have had before, and I commend it to this Parliament and the nation. But in saying that, without leadership, however good the document is, we need men and women who will be guided by the values contained in this document. If we do not live by the values and principles contained in this Constitution, all that is contained in this Constitution will be of no significance. This is because the unmaking of Kenya began by disregard and non-compliance of the law. We ended up in a dictatorship that we had to fight for so many years.

Mr. Deputy Speaker, Sir, I have noticed that other than what my learned friend, hon. Kajwang, referred to in his contribution, about the sovereign power of the people, you will notice in the chapter dealing with the Executive, that unlike the present Constitution, the Executive authority of the President and Cabinet Secretary is derived from the people, which is quite unlike the current situation. If I can compare it with what was happening about ten to 15 years ago because the law has not changed significantly, there was a time that we were told that even to imagine or encompass the death of a President was treason. I know that many Members of Parliament who are my colleagues here were taken away and detained on the basis that they encompassed and imagined the death of the “sovereign”. So, we have gone through great times and this is, therefore, a historical moment.

Mr. Deputy Speaker, Sir, I want to end this contribution by saying that the most important chapter in this Constitution is about devolution. Without devolution, I can tell you, we are back to square one, because this is a presidential system. I want to be corrected in another 20 or 30 years that if we do not have devolution, the Presidency we have created is even more powerful than the current President. This is because the current President sits in the Cabinet with elected Members of Parliament. He derives membership of his Cabinet from this Parliament. He sits in Cabinet with people who relate to the people directly. This is a President who is not a Member of the Legislature. So, the only way that we can check this Presidency is through devolution. Any system – even monarchical systems – where there is a diffusion and de-concentration of power, be it in Old Germany or the Anglo Saxons, where there was devolution, you could see that not only the promises of liberty but also development could be achieved. I assure you that what we are even trying to do through the Constituencies Development Fund (CDF) by devolving funds is not re-inventing the wheel. There was mechanism and systems for taking funds to the districts in various programmes but there was no legal and lawful framework for accountability and representation at the lowest level. So, the CDF has made a little bit more progress than the District Commissioners (DCs) who were managing large funds but had no accountability or there was no system for interrogating them.

Mr. Deputy Speaker, Sir, if we are creating regions or counties on the basis of ethnicity, you have missed the point about devolution. If we want to live in ethnic cocoons, devolution will not resolve our problems. Even a Member of Parliament said yesterday that Kenya is still a tribal country even as we say that we are a unitary State. Devolution is giving the promises of better governance because you are taking the administration, accountability and resources to the people. If you look at Nairobi today, the Maasai or Kikuyus can claim Nairobi today, but times have changed. Nairobi now is a metropolitan City. In another ten years, Mandera also will be a metropolitan city. So,

the way to look at devolution is about governance. If at all we take this Constitution without looking at the elements of devolution properly, then I am afraid we have missed the boat. We should be very courageous and brave because in 1963, resources were going to the regions. It was not by changing the Constitution that the regions went but by starving the regions of funds and even the power to tax the regions. That is how the regions were killed. But when the regions were working, even hon. Ngala was feeling better and safer as the president of the Coast region rather than being a Member of Parliament here.

The other thing that we are addressing through devolution is exclusion. What has made us suffer as a nation is exclusion. Once people feel excluded, even when you want to employ a policeman or constable or you want to build a dispensary, it must come from the centre. In the colonial days, these things were being done on the ground and they could give bursaries and build roads. I commend devolution. Those who fear devolution are living in the past. They are being guided by their ethnic consideration and objectives. They are living in the past. If America was living in a situation where they feared ethnicity and did not see itself as a multiparty state or nation, how could a young man born here in Kenya, who is not even a native American, become the President of America? It is because they did away with exclusion. What has killed us here is exclusion; that once Mr. Orengo is President, I know of no other place than Ugenya. That is why we were fighting against these many Presidencies in the past. I hope that Kenya will come of age. This country must come of age. People want freedom and nations want liberation, but countries want independence.

I beg to support.

Prof. Kamar: Thank you, Mr. Deputy Speaker, Sir, for giving me the opportunity to contribute to this historic Motion. I would like to support it with amendments and I will be mentioning which ones.

Mr. Deputy Speaker, Sir, allow me, first, to congratulate those who have participated in the process of Constitution-making in this country. I want to recognize the veterans – the Orengos and Imanyaras – past and present. I also want to remember to recognize the Bomas group of delegates that gave us the first Draft (2004). I also want to remember the Committee of Experts (CoE) and our own Parliamentary Select Committee. These people have done a commendable job. The Constitution making process has been very long and tedious. Sometimes it has been acrimonious and tempers have gone up and down. But all in all, the process has brought us this far and we must thank God for that.

Mr. Deputy Speaker, Sir, it is instructive to note that while it has taken a very long time, there are some areas that have consistently remained in all the drafts that we have today. As we consider that, we are reminded of why Kenyans wanted to have a Constitution, to begin with. In the preamble, there is a statement that says: "We, the people of Kenya adopt, enact and give to ourselves and our future generation this Constitution."

Mr. Deputy Speaker, Sir, we must ensure that Kenyans get a new Constitution that will serve them and the future generations. How do we ensure this? We must ensure this by ensuring that the Proposed Constitution is good for all, fair to all and serves all. This may require the spirit of give and take, but it must all be inclusive and non exclusive. The eyes of the nation are focused on this House. We must rise to the occasion

Note from Senior Management:

Andrew Breitbart was never a "Birther," and Breitbart News is a site that has never advocated the narrative of "Birtherism." In fact, Andrew believed, as we do, that President Barack Obama was born in Honolulu, Hawaii, on August 4, 1961.

Yet Andrew also believed that the complicit mainstream media had refused to examine President Obama's ideological past, or the carefully crafted persona he and his advisers had constructed for him.

It is for that reason that we launched "The Vetting," an ongoing series in which we explore the ideological background of President Obama (and other presidential candidates)—not to re-litigate 2008, but because ideas and actions have consequences.

It is also in that spirit that we discovered, and now present, the booklet described below—one that includes a marketing pitch for a forthcoming book by a then-young, otherwise unknown former president of the Harvard Law Review.

It is evidence—not of the President's foreign origin, but that Barack Obama's public persona has perhaps been presented differently at different times.

Breitbart News has obtained a promotional booklet produced in 1991 by Barack Obama's then-literary agency, Acton & Dystel, which touts Obama as "born in Kenya and raised in Indonesia and Hawaii."

The booklet, which was distributed to "business colleagues" in the publishing industry, includes a brief biography of Obama among the biographies of eighty-nine other authors represented by Acton & Dystel.

It also promotes Obama's anticipated first book, *Journeys in Black and White*—which Obama abandoned (<http://www.gq.com/news-politics/politics/2009/11/barack-obama-writing-books-writer-robert-drapac?printable=true>), later publishing *Dreams from My Father* instead.

Obama's biography in the booklet is as follows (image and text below):

Barack Obama

Barack Obama, the first African-American president of the Harvard Law Review, was born in Kenya and raised in Indonesia and Hawaii. The son of an American anthropologist and a Kenyan finance minister, he attended Columbia University and worked as a financial journalist and editor for Business International Corporation. He served as project coordinator in Harlem for the New York Public Interest Research Group, and was Executive Director of the Developing Communities Project in Chicago's South Side. His commitment to social and racial issues will be evident in his first book, *Journeys in Black and White*.

The booklet, which is thirty-six pages long, is printed in blue ink (and, on the cover, silver/grey ink), using offset lithography. It purports to celebrate the fiftieth anniversary of Acton & Dystel, which was founded in 1976.

Front cover (outside) - note Barack Obama listed in alphabetical order

Front cover (inside)

Jay Acton no longer represents Obama. However, Jane Dystel still lists (<http://www.dystel.com/client-list/#0>) Obama as a client on her agency's website.

According to the booklet itself, the text was edited by Miriam Goderich, who has since become Dystel's partner at Dystel & Goderich (<http://www.dystel.com/about/>), an agency founded in 1994. Breitbart News attempted to reach Goderich by telephone

several times over several days. Her calls are screened by an automated service that requires callers to state their name and company, which we did. She never answered.

The design of the booklet was undertaken by Richard Bellsey, who has since closed his business. Bellsey, reached by telephone, could not recall the exact details of the booklet, but told Breitbart News that it "sounds like one of our jobs, like I did for [Acton & Dystel] twenty years ago or more."

Edward J. Acton

Edward J. Acton is a man of many talents, interests and accomplishments. Born in Worcester, Massachusetts, he received a B.A. in philosophy from Boston University. After obtaining his J.D. from New York Law School, he became a member of the New York Bar and was of counsel to the law firm of Pace & Robinson. He has also attended Union Theological Seminary for spiritual studies.

Acton's experience in book publishing is extensive. He has been a trade editor at TV, Livewire and St. Martin's Press, and in 1976 he started what is now the Acton and Dystel agency. He is also the author of two books: *Mad About Ralph Nader*, *The Fitzgeralds: A Profile of the World's Most Famous Family*, and *The Acton Agency*.

A passionate investor in real estate, broadcasting, and other ventures, Acton currently owns the Carolina League's Peninsula Park, the Class A affiliate of the Florida Marlins. He is married to Rose Sulzberger and they have two children, Robert and Elizabeth.

Jane Dystel

Jane Dystel has had a varied and distinguished career as an editor, producer, and agent. A Phi Beta Kappa graduate of New York University, with a B.A. in political science, she spent one year at Georgetown Law Center before she entered the world of publishing. Her first job was at Hamilton Books, where she went

The parade of authors alongside Obama in the booklet includes politicians, such as former Speaker of the House Tip O'Neill; sports legends, such as Joe Montana and Kareem Abdul-Jabbar; and numerous Hollywood celebrities.

The reverse side of the page that features Barack Obama includes former Green Party presidential candidate Ralph Nader and early-1990s "boy band" pop sensation New Kids On the Block.

Acton, who spoke to Breitbart News by telephone, confirmed precise details of the booklet and said that it cost the agency tens of thousands of dollars to produce.

He indicated that while "almost nobody" wrote his or her own biography, the non-athletes in the booklet, whom "the agents deal [t] with on a daily basis," were "probably" approached to approve the text as presented.

Dystel did not respond to numerous requests for comment, via email and telephone. Her assistant told Breitbart News that Dystel "does not answer questions about Obama."

The errant Obama biography in the Acton & Dystel booklet does not contradict the authenticity of Obama's birth certificate. Moreover, several contemporaneous accounts (<http://ironicsurrealism.com/2012/03/14/obama-1990-interview-were-going-to-reshape-mean-spirited-america/>) of Obama's background describe Obama as having been born in Hawaii (<http://www.nytimes.com/1990/02/06/us/first-black-elected-to-head-harvard-s-law-school.html>).

The biography does, however, fit a pattern in which Obama—or the people representing and supporting him—manipulate his public persona.

David Maraniss's forthcoming biography of Obama has reportedly confirmed (<http://www.vanityfair.com/politics/2012/06/young-barack-obama-in-love-david-maraniss>), for example, that a girlfriend Obama described in *Dreams from My Father* was, in fact, an amalgam of several separate individuals.

In addition, Obama and his handlers have a history of redefining his identity when expedient. In March 2008, for example, he famously declared (http://www.huffingtonpost.com/2008/03/18/obama-race-speech-read-th_n_92077.html): "I can no more disown [Jeremiah Wright] than I can disown the black community. I can no more disown him than I can my white grandmother."

Affidavit

I, Douglas B. Vogt, am over 18 years old, do not suffer from any mental impairment, have personal knowledge in the following and attest under penalty of perjury that I have knowledge and expertise in documents, imaging, scanners and document imaging programs. Based on my knowledge and expertise the following is true and correct.

The reason I have issued this affidavit and notified the FBI and other government officials is because I am compelled to because of Federal Statute Title 18, Part 1, Chapter 1 Section 4: "Misprision of felony; Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both." Since I am the one who positively identified Obama's Certificate of Live Birth, presented to the American public on April 27, 2011, as a forgery it was my obligation to report it.

My Credentials

I have a unique background that enables me to analyze this document in a competent, detailed, and extensive manner. I owned a typesetting company (Nova Typesetting) for eleven years, and thus have extensive knowledge and experience in type and form design. I have owned Archive Index Systems since 1993, a company that sells a wide selection of document scanners worldwide, and which also developed and sold document imaging software (TheRepository). Additionally, I have an extensive knowledge of how scanners function and their capabilities. I have also sold other document imaging programs, such as Laser Fiche, Liberty and Alchemy. I have sold and installed document imaging systems in city and county governments, and thus have extensive knowledge of municipal and county document imaging programs and procedures, including the design and implementation of such programs. Additionally, I have a good working knowledge of Adobe Photoshop and Illustrator. These factors will be crucial in understanding what has occurred with Obama's Certificate of Live Birth.

What I Discovered about Obama's Certificate of Live Birth and why it is a Forgery.

What the Obama administration released is a PDF image that they are trying to pass off as a Certificate Live Birth Long Form printed on green security paper by the County Health Department in Hawaii. The form is a created forgery for the following reasons.

Figure 1. Tiff image of the Obama's Certificate of Live Birth dated August 8, 1961, presented on TV 4/27/2011.

Figure 2. Another Person's microfilmed Certificate of Live Birth dated August 11, 1961.

1. Curved and non-curved type. The image we are looking at was scanned in grayscale and some part in binary which cannot be on the same image. The reason I know this is because of the shadowing along the gutter (left-hand side) is produced by scanning in grayscale. It also means that the county employee, who did the original scanning of all the forms, did not take the individual pages out of the post binders. The result is that all the pages in that book display a parallax distorted image of the lines and type. They curve and drop down to the left. If you look at line 2 (see Figure 3) on the form that says *Sex* you will notice the letters drop down one pixel but the typed word *Male* does not. Also notice the line just below *Male* drops down 3 pixels.

Figure 3. Line 2 of the form. Baseline differences.

The second incident of this parallax problem is seen in line 6c *Name of Hospital or Institution* (see Figure 4). The word *Name* drops down 2 pixels, but the typed hospital name, *Kapiolani*, does not drop down at all, and again the line just below drops down 2 pixels, but not the name *Kapiolani*.

Figure 4. Line 6c at 500%. The typewriter name of the hospital does not drop down 2 pixels.

The conclusion you must come to is that the typed in form was superimposed over an existing original Certificate of Live Birth form. In fact, since I found some of the form headings scanned in as binary and grayscale, the form itself is a composite but the person who created it did not flatten the image of the blank form and save it as one file before they started placing the typewriter text on the composite form. The individual(s) who perpetrated this forgery could not evidently find a blank form in the clerks imaging database, so they were forced to clean up existing forms and overlay the typewriter type we see here. The forger was also looking for certificates with the correct stamped dates and that is why I think they used more than one original form. At first I wondered why the forger didn't just typeset the entire form from scratch and overlay the type and not have to worry about the parallax problem. Then I remembered that in the early 1960s there was no phototypesetting and this form was set in hot metal from a linotype machine. The type design I think is Times Roman but they could never replicate the exact design. They were stuck having to use existing forms that were scanned in using binary and grayscale.

2. There is a white haloing around all the type on the form. Figure 5 is an example of this. This effect should not appear on a scanned grayscale image. Figure 6 is a grayscale image scanned in at 240 dpi. You will notice that there is no haloing effect around the type and also the security pattern is seen through the type. Figure 7 is a color image where you can clearly see the security green color through the type and no haloing. Figure 8 shows a Black and White (binary) image of the same type. The important thing to remember is that you cannot have grayscale and binary on the same scan unless the image is a composite. That means that different components of the whole image are made up of smaller parts. Figure 9 is an enlarged version of Figure 6 showing what grayscale letters should look like compared to binary.

The next question would be: What would have caused the haloming effect? We know that all the original Certificates of Live Birth (COLB) were microfilmed because we can see the Nordyke Certificate (see Figure 2) was microfilmed. Then some time after 2004 the paper original copies, in post binder books, were scanned using a commercial document scanner with a flatbed, scanned as grayscale images. The forger was working with two types of images. He/she may have used images printed from the microfilmed copy and then scanned the printout in grayscale. At that point the forger would have to invert the image so as to have a white background, black type. Figure 10 is an example of an inverted image of Figure 2. The result would be like Figure 9 but a whiter background. The image I am working with in Figure 10 is only 94 DPI but the forger was working with much higher resolution (≥ 240 dpi). At that point the forger converted the grayscale to a binary image and placed it onto the background form image. The problem was that there were still image values for the pixels around the placed type so when he/she placed the type image over the background and instructed the program to bring the type "forward" it blanked out the background image, hence the haloming effect around the type.

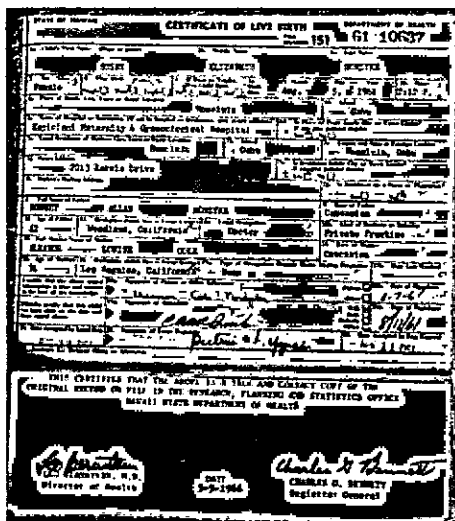

Figure 10, Inverted image of Figure 2.

3. The Obama Certificate is loaded with both binary and grayscale letters which is just another smoking gun that this form is a forgery. It appears the lines and some of the boxes were scanned using grayscale, but only some of the form headings were grayscale and sometimes it is only some letters. Figure 11 and Figure 4 give one example. You will notice that the *H* and, *al*, in Hospital, *I* in Institution, *If* and again the *h* and *l* in hospital were grayscale images, but the rest of the line is binary. The typewriter line below was scanned in as a binary image. I can also tell you for certainty

Obama's Certificate would have most likely been mailed on the following Monday, the 7th and received by the Clerk Tuesday the 8th. Susan Nordyke and her sister's Certificates looks like they were mailed sometime earlier that week and not accepted until the 11th but Susan has a Certificate four numbers less than Obama's. It is impossible to have Obama's Certificate number to be four numbers higher than a Certificate that came in three days later.

As stated in #3 the last "1" on the form is a grayscale image but the rest of the numbers are not (see Figure 14). You will also notice that the baseline of the last "1" is straight and level but the rest of the numbers are slanted. This is again irrefutable proof that the Certificate number is a composite of two numbers and hence a forgery. This forgery comes under a separate offense and carries with it 5-years in prison [see Appendix D: Title 19, Ch.47, Sec, 1028(d)(1)].

The facts I have shown you in #3 and 4 tell me several things about how this forgery was assembled. 1. Some person(s) in the Health Department, who had access to the document imaging program, searched the database for someone close to the actual birth date of Obama and found someone near the 4th of August, if in fact he was born on the 4th and we should not assume that at all. Obama may have chosen the 4th of August because they had a baby who died close to his date of birth. The clerk may have cross referenced the death database to find someone who had died and had a birth date close to Obama's. It has been reported that an infant girl named Virginia Sunahara was born on August 4, 1961 at Wahiawa Hospital in Wahiawa, Oahu, HI who died on August 5, 1961 at the Kapiolani Women and Children's Medical Center, due to complications. This happens to coincide with the date of birth and birthplace of the Nordyke twins. We could make two assumptions here. 1. Wahiawa Hospital customarily would have completed the COLB form and mailed it to the County Health Department; and 2. Kapiolani Medical Center would have filled out the death certificate. The other less likely scenario could be that her medical records were transferred to Kapiolani Hospital and they would produce the birth certificate and later the death certificate which was later included in the group of birth certificates that contained the Nordyke twins.

The Federal Government wanted the States to cross reference the birth and death databases so the database would have that information. The date stamps have two different colors and sizes (see #5 below) which indicates that both dates came from different Certificates. We can conclude from this that more than one person was involved in the Hawaii Department of Health in assembling the different components that were used: 1. Someone to conduct the database searches to find the right Certificates to create the fraudulent Certificate of Live Birth; and 2. Someone who signed or stamped the fraudulent certificate. I believe that after all the components were assembled they were then given to a graphic artist to actually assemble the whole thing and create the finished forgery. That graphic artist could be located anywhere. In short this was a multi-state conspiracy to defraud the United States.

5. Two different colors in Form box 20, 22 and 17a Date Accepted by Reg. General. What is very revealing about this box and date entry is there are two different colors on both lines where there should be no color at all. Both lines were scanned using binary mode, but I see two different colors (see Figure 15). What I think this shows us is that the person who put this fraud together was looking for a form that had the right date namely "August 8 19__1." As you can see the only things that are printed in dark green (R=71, G=92, B=73) are "Date A" and "AUG-8 6." The rest of the type is in black. This tells me that the forger was working in color mode and what they copied from had a color value for some reason unless they put a color value on it.

Figure 15. Two different colors, dark green and black.

The same thing is found in form box 20 "Date Accepted by Local Reg." Figure 16 again shows that the date has two different colors. The "AUG -8 196" is in dark green (R=87, G=111, B=87) and the "1" is in black. Yet again another irrefutable proof this form is a forgery. Form box 17a displays the same two color image in the word "None". The "Non" is in dark green.

Figure 16. Another example of two colors on the same line.

6. The official seal is not part of the Certificate of Live Birth and they used the wrong size impression of a seal. The Hawaiian law (Section 11-1-2 Seal of the Department of Health) states:

- a) The official seal of the department of health shall be circular in shape, **two and one-fourth inches in diameter**. At the curve on the top portion there shall be the words "DEPARTMENT OF HEALTH" and at the curve on the bottom portion there shall be the words "STATE OF HAWAII." At the curve on each side portion shall be a star. In the center of the seal shall be the Caduceus, a winged rod entwined with two serpents, which has long been recognized as a universal symbol of medicine. The Caduceus shall be encircled by an indentation, which shall separate it from the words "DEPARTMENT OF HEALTH" and "STATE OF HAWAII."

Figure 18: Nordyke seal from 1966

Figure 19: Obama's COLB long form Apr.2011

The first Certification of Live Birth Obama the candidate produced in June of 2008 was the "Short Form" of the COLB. It had the Department of Health's seal embossed on it (see Figure 17) appearing on it about 1.8" from the bottom of the 11 inch paper. That told me the Health Department is using an electric embosser, which applies ample pressure to leave a clear visible embossment. Hand seal embossers have only 7/8" or less from the edge of the paper for a 1 3/4" seal. The Health Department seal does not appear obvious on the Obama COLB. A good embossment will distort the type and lines on a form and is clearly visible (see Figure 21). Even on the Nordyke Certificate (see Figure 18) in spite of it being an inverted image from a microfilmed image, it is clearly seen. Figure

19 shows Obama's seal on the COLB presented on April 27, 2011, and is visible only because a color filter was used to see it, otherwise it completely disappears in the design of the security paper (see Figure 20).

Figure 21: Hand stamped seal from an original COLB from 1962.

The official seal on the Obama COLB is a second or even third generation image from another form. The seal embossing did not distort the lines or type on the form and it most likely was never part of his Certificate. We cannot make out any of the type on the seal as well as the two stars and the Caduceus. The distorted background image of a seal can be created using Photoshop or Illustrator by applying it as a watermark. Yet another indication this Certificate of Live Birth is an obvious forgery.

If that wasn't enough I then investigated the size of the latent seal image on the Obama certificate and found it to measure only about 1 3/4" in diameter. The procedure I used to discover the seal measurements were as follows: With the Savannah Guthrie photo (see Figure A) of the document I was able to see the left and right hand sides of the document and knew that was 8 1/2" wide. I was then able to determine the scale of all the components on the form. I then measured the line length on the second line from the bottom. Box 20, 21 and 22 rest on. That length is 6.396" long, measured from the first bold vertical line on the left side of the form to the end of the line (see Figure 22). I then adjusted all the images I had for Certificates including non-Obama Certificates, which I had. What I found was that the alleged embossed seal on the Obama COLB were all 1 3/4" in diameter and that is not the legal seal as described by Hawaii state law, which should be 2 1/4". The administration has the wrong size seal on their certificate and that seal was supposed to be a first generation full size imprint.

Figure 22. The COLB Obama presented on 4/27/11 from the PDF file on the White House web site. The seal measured only 1-7/8" in diameter.

I then examined Certificates of other individuals that I found on the internet. Figure 23 is of a Certification short form of Patricia Decosta dated 2002 and it is also 1 3/4". As stated in the Hawaii state code, it must be 2.25" in diameter. The current Department of Health seal is not the same one they had in the 1960s. That one was 2 1/4" in diameter (see Figure 18) but the current seal is not legal—it's the wrong size and the type is not legible! You cannot make out any of the words, the stars or the Caduceus. I will be notifying the Department of Health of their gross error in the hope

they will fit it with a new legal seal. Some time after 1966 the original legal seal was "lost" or stolen because they do not wear out. Some bureaucrat ordered a replacement and was either ignorant of the law or too stupid to ask if there was a specific requirement for the seal. What mystifies me is that the Director of the Department of Health and the registrars did not spot the error and fix it. My conclusion is they just didn't care about the law.

Figure 23. The Certification of Patricia Decosta dated 2002.

7. The hand stamped certification from the current registrar is a forged stamped notice.

The Department of Health has the right to produce a legal copy of the original Certificate of Live Birth for people who have the appropriate right to receive one. The Clerk in the office would search the document imaging database and retrieve the correct Certificate. The Clerk would then print out the tiff image on the green security paper. They would then take a rubber stamp that states the following: I CERTIFY THIS IS A TRUE COPY OR ABSTRACT OF THE RECORD ON FILE IN THE HAWAII STATE DEPARTMENT OF HEALTH. Then below this notice would be the likeness of the State Registrar's signature, in this case it was Alvin T. Onaka, Ph.D. Then the clerk would stamp the date to the left of the certification. See Figure 24 for a Certificate done one month before the Obama's April 25, 2011 Certificate. Please note that since it is a hand stamp the certificate stamp is skewed up on the right side.

Figure 24. Registrar stamp on a persons Certificate done March 2011.

Now let us look at Obama's Certificate (see Figure 25) supposedly done on April 25, 2011. Notice the registrar's rubber stamp has an error on the word "the" which reads "TXE," but this error does not show up on the same rubber stamp used one month before. In Figure 26 you will see an enlargement of the word. You will notice that the "X" had been created by the graphic artist by filling in pixels so it appears like an "X" but it really is not. Also notice that the whole stamp is too straight on the form. The red lines drawn under two of the lines of type are aligned with the pixels. The stamp rises only two pixels over 3". My conclusion is that the whole stamp was placed there by the graphic artist to look as straight as possible. The only problem is that no hand stamped notice like this would be placed that perfect on the page.

Figure 25. Obama's Registrar stamp with the errors on it,

Figure 26. Enlargement of the "TXE."

Other investigators have mentioned what looks like an italic "E" under the capital "A" in Alvin. In Figure 24 the same artifact does not appear. This artifact also does not show up on the Savannah Guthrie photo but does appear on all the other copies and PDFs the White House displayed. We have to assume either the artifact was already on the security image the forger used, and forgot to erase it, or it was placed there deliberately for some reason that we don't know yet.

8. Forged signatures of the Mother and Registrar. Forgery of a signature occurs in three ways. The old methods were someone would practice signing another's signature until they got good at it. Another was to simply trace the signature from a previously known signature. The new way is to find a signature and scan it into a computer. Then place that signature, or parts of a signature, onto the desired form or check. The signature of the mother, *Ann Dunham Obama* in Box 18a is made up of two images. The "Ann D" is in grayscale and the rest of her name is a binary image. The signature of the registrar *U"K"L Lee* is also made up of the same image types. The "K" really looks like "IL" and the *I* is a binary image and the rest of his name is grayscale. That means the *I* was added in another layer. Both errors can be seen included in Figure 27. Irrefutable proof the Obama Certificate is a forgery.

9. Multiple layers in the PDF file from the White House. I am not the first one to find this fact and they deserve the credit for discovering it. What they discovered is that when you open up the PDF file in Adobe Illustrator and you turn on layers, you see a long list of nine different layers that correspond to different sections of the form, including the signatures on the form. Figure 27 shows the layer that contains most of the typewriter and form text.

I discovered using just my Adobe Acrobat 8 Standard that I could also see the different components disappear when I enlarged the image to just 400% and used the "hand" tool to quickly move around the image. When I moved the image fast, the various type components would disappear from the form but the lines stayed just as I had concluded.

I also opened up the White House PDF file in WordPad so I could see the codes and headers in the file. There I discovered the evidence for the nine layers embedded in the code (see below). The big surprise I discovered was that the file was finished or created on April 27, 2011 at 12:09 pm and the copy I had downloaded from the White House web site was modified on April 28, 2011 at 9:58 am, the day after the news conference. The whole White House story that the President had his Seattle-based lawyer fly to Hawaii and pick up two signed and stamped paper Certificates of Live Birth and fly directly to Washington DC, is obviously not the document the public has been shown. In other words the whole story may not true. I checked the cost for UPS to ship the documents next day and delivery by 8:30 am Tuesday and it was only \$84.00. I checked the cost for a lawyer to fly last minute from Seattle to Hawaii then to Washington DC it is thousands of dollars. Their story is just not believable.

The PDF file indicates the PDF "CreatorTool" was *Preview* which is an Apple product that is just like Adobe's Acrobat Standard, which is a viewer and print driver. It is not a photo and image design program. It is just the program that created the PDF file (as a print driver). The Preview program can

also read twenty-six different image and document types, that includes Adobe Illustrator and Photoshop.

Defenders of the Administration's argument that the layers were created by an OCR program (Optical Character Recognition) are also ridiculously wrong because the PDF file is not a searchable PDF therefore no OCR process was performed and additionally no text object was found within the PDF file I examined.

The discovery of nine layers in the PDF image didn't matter for my analysis 1 through 7 because I was able to export the image as a TIFF (18.35 MB) out of that PDF using my Adobe Standard software. So I was working from a flattened image and was able to find all that I did, in other words the layers were irrelevant to me but was just further proof that the Obama's Certificate of Live Birth is a forgery.

Figure 27: The layer that contains most of the forms text and typewriter text.

I have received other White House PDF files from Graphic artists around the country. As a result I received a PDF Certificate that was put up on the White House web site no more than 10 minutes after it was uploaded. That PDF showed nine layers, no OCR (see Figure 28), Image file created at 7:50 am on the 27th (see Figure 29) and finally the PDF file created using *Preview* (the print driver) and modified on 4/27/11 at 12:09 p.m., which is similar to my file. My conclusion is that this shows the individuals in the White House were “fixing” or changing this forgery as late as 7:50 a.m., an hour before the pre-news conference.

A Rebuttal to the Discovery of the Multi Layers Found in the PDF File.

To begin with the White House PDF was not a searchable PDF therefore no OCR process was performed on the image and therefore the following rebuttal and defense of Obama’s COLB is irrelevant and a very poor attempt at defending this blatant forgery.

The only rebuttal to the nine layers discovered in the PDF file released by the White House was a statement from Canadian graphic artists from Quebec by the name of Jean-Claude Tremblay on April 29. It was reported by Fox News and on their web site at:

<http://www.foxnews.com/politics/2011/04/29/expert-says-obamas-birth-certificate-legit/>.

He tries to excuse the multi-layers as merely an artifact of an OCR (Optical Character Recognition) engine and then saved as a PDF. There are three major reasons he is wrong and I know from his statement he knows nothing about OCR engines and how they work and their file structure. First the White House PDF file is not a searchable PDF and no text object could be found in the PDF file. Second, the Obama PDF certificate was supposed to have come directly from the Health Departments office. As stated before, the records they have would have absolutely no reason to be OCRed and if they were asked to give the customer a PDF image it would be from their existing TIFF image stored in their document imaging program on the server. The program would have done no OCR processing at that time.

The third reason is the lack of OCR files in the PDF file. My qualifications on OCR programs are considerable. Our own document imaging program, TheRepository, has an OCR option from Expervision that is called TypeReader. We integrated TypeReader into our program but to do this we had to sign a non-disclosure statement with them and then we got their Took Kit and API. When an OCR program saves a file as a searchable PDF, the file contains three main files within it. The first file is an image file, usually a compressed Group4 TIFF. The second file is an ASCII text file and the last file is a matrix file that contains the X and Y coordinates of all the words in the document. The starting point for the image file and the matrix file is usually the upper left hand corner of the image measured in pixels. The text file and matrix files would never be seen as separate layers and there are certainly not nine layers. The three files would be in a PDF "wrapper" and that is all. All OCR programs work on the same principle.

Conclusion

The Certificate of Live Birth Obama presented on television on April 27, 2011 is a forgery.

The American Typewriter

How a Young Computer Graphics Person Could Not Understand How to Use a Computer to Forge a Typewritten Document.

It's been some 30 years since we have used typewriters to produce documents. Computers have replaced the typewriter and given us great advantages in document preparation. There is no need to understand the old typewriter. Except when you need to forge a typewritten document.

A computer in the hands of a young person who can create a modern forgery is no match for the old style quirky mechanical typewriter. The forger who produced the Obama Hawaiian Long Form Health Department Birth Certificate may have thought that all typewriter typeface styles were alike. To get his letters he should have assumed that he needed only to match typewritten letters found in the old files of Hawaii birth certificates to scan ... copy and paste into his new document. Those old files should be all alike having been used to produce birth certificates in the 1961 era.

He must have understood that he needed to copy the old typewriter styles and would find them in the files.

But understanding scanners ... he also had to know that scanning a letter "t" one time and using it all over his document would be conviction assured. Because scan lines engage a letter differently every time it's done. So he scanned a bunch of old birth certificates and used a different "t" each time.

The mistake was that many of the letters in the old files were from different typewriter styles and that's something he did not realize ... resulting in many typewritten letters on his forgery that did not match each other.

I hope this helps to explain what might have happened with this document.

Every typewriter typed character is assigned a number in the order it is found in the document.

EVIDENCE OF FORGERY

The two capital letters "A"s are from the word "BARACK" on the birth certificate found at section 8 of the form. There is only one letter between them. Why then is #144 significantly bigger than #146 if the same type-writer key struck both.?

Notice the other differences seen in the same word from different locations on the birth certificate. All the letters look different. Why?

The two capital letters "R" are from the same word "BARACK" as above and the other word "BARACK" in section 1 of the form. Why then is #3 significantly shorter and wider than #145 if the same typewriter key struck both? Note also the enclosed area in #145 is smaller than the enclosed area in #3 even though #145 is taller.

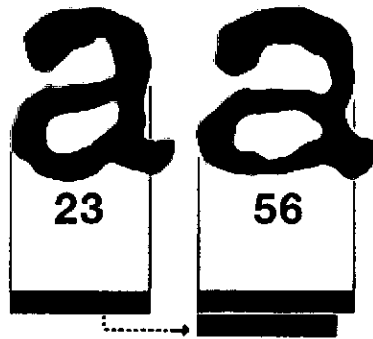

The two lower case letters "s" from the word "Hospital" in section 6c and "University" in section 12b are shown to be different because of the width of the letters. The lower case "s" #88 is wider than the lower case "s" in #198 as shown with the green and purple color bars shown under the letters.

The two numbers "2" are from "7:24" in section 5b and section 10 of the form. Why then is #40 significantly wider than #168? Notice also the difference in height of #168. Can you imagine how these two typewritten letters were typed with the same typewriter?

The two lower case letters "a" from the word "Male" found in section 2 and the word "Kapiolani" found in section 6c. Notice that the first "a" #23 is not as wide as #56. Also note the differences of the shape of the enclosed areas and the serifs at the top left of both.

The two lower case letters "i" from the word "University" in section 12b and "Kapiolani" in section 6c are shown to be different because of the dots over the letters. The dot in #199 is higher than that of #58 and shows more space over the letter. Also note the color bars indicating the difference in width between the letters.

The Word "Student" found in section 12a of the birth certificate was the first problem I noticed because it was one word with two variations of the letter "t" and was clearly a different drawing of the letter mainly displaying a different extension at the bottoms of those letters. As a typographer I could see no reason for a

different style of letter within the same word. Other examples on the page seem to suggest that perhaps the form was transferred to different departments to fill out different sections ... but that could not happen with one word. Later study showed that too many of the letters on the birth cert. did not match each other ... even for many typist.

Dear Orly:

The affidavit is enclosed.

God bless you and speed your excellent work!

Charles R. Coombs

Affidavit

My name is Charles Ralph Coombs. I am 71 years old and working as a semi-retired entrepreneur. I currently reside at 1730 Valley View Lane, Apartment 1093, Irving, Texas 75061.

I have been working as an electronic typesetter in conjunction with every job I've held since 1980. I am currently using a desktop publisher to create and typeset all the information needed to start and advertise a business. Between 1976 and 1980, I sold typewriters for Olivetti Corporation. I acquired detailed knowledge of typewriters of the type I was selling and those of our competitors. Some of the typewriters I sold were to a degree self-correcting, and comparing them with competing brands gave me a detailed knowledge of the kind of errors typewriters and typists make and how to compare outputs from different machines.

Based on my professional knowledge and experience, I believe that the document presented as an electronic copy of the birth certificate of "Barak Hussein Obama" is a forgery.

By examination of the document, I find the following typographical inconsistencies:

1. There is a variation in size between two impressions of the same character. This is not possible in a document prepared on a standard (type basket) typewriter.
2. Spacing between letters is inconsistent. This is not possible in a document prepared on type-basket typewriter.
3. Some letter pairs are kerned: They are moved closer together to avoid white space between certain letter pairs in a desktop publisher. This is not possible in a document prepared on a standard, fixed-font typewriter. Some IBM typewriters featured a 1/4-point "pseudo kerning" feature, but the use of this was a laborious process and there is no evidence of the original document's having been produced on such a high-end, expensive machine.
4. There are typeface (character shape) mismatches in repeated occurrences of the same character. This is not possible in a document prepared on a type basket typewriter.
5. Only one instance of one character is slanted. Slanting occurred when a typist struck two keys at once, forcing them together. The slanting would occur as a consequence of the typist's forcibly returning the keys to their normal position. This, however, causes a permanent defect in all subsequent occurrences of this character that does not occur in this document. It cannot therefore have come from the typewriter used to create the original document.
6. Some characters appear above or below the baseline. This is possible with this kind of typewriter, but at the least would indicate that the document was removed and replaced: Simply moving rolling the platen up or down would not affect the line spacing to this degree.

AFFIDAVIT

I, the undersigned, being first duly sworn, do hereby state under oath and under penalty of perjury that the facts are true:

1. I am over the age of 18 and am a resident of Arizona. The information contained in this affidavit is based upon my own personal knowledge and, if called as a witness, could testify competently thereto. I am the duly elected Sheriff of Maricopa County, Arizona, and I have been a law enforcement officer and official, in both state and federal government, for 51 years.
2. In August of last year, a group of citizens from the Surprise Arizona Tea Party organization met with me in my office and presented a petition signed by approximately 250 residents of Maricopa County, asking if I would investigate the controversy surrounding President Barrack Obama's birth certificate authenticity and his eligibility to serve as the President of the United States.
3. This group expressed its concern that, up until that point, no law enforcement agency in the country had ever gone on record indicating that they had either looked into this or that they were willing to do so, citing lack of resources and jurisdictional challenges.
4. The Maricopa County Sheriff's Office is in a rather unique position. Under the Arizona Constitution and Arizona Revised Statutes, as the elected Sheriff of Maricopa County, I have the authority to request the aid of the volunteer posse, located in the county, to assist me in the execution of my duties. Having organized a volunteer posse of approximately 3,000 members, I, as the Sheriff of the Maricopa County Sheriff's Office, can authorize an investigation go forward to answer these questions at virtually no expense to the tax payer.
5. The Cold Case posse agreed to undertake the investigation requested by the 250 citizens of Maricopa County. This posse consists of former police officers and attorneys who have worked investigating the controversy surrounding Barack Obama. The investigation mainly focused on the electronic document that was

presented as President Obama's long form birth certificate to the American people and to citizens of Maricopa County by the White House on April 27, 2011.

6. The investigation led to a closer examination of the procedures regarding the registration of births at the Hawaii Department of Health and various statements made by Hawaii government officials regarding the Obama birth controversy over the last five years.
7. Upon close examination of the evidence, it is my belief that forgery and fraud was likely committed in key identity documents including President Obama's long-form birth certificate, his Selective Service Registration card, and his Social Security number.
8. My investigators and I believe that President Obama's long-form birth certificate is a computer-generated document, was manufactured electronically, and that it did not originate in a paper format, as claimed by the White House. Most importantly, the "registrar's stamp" in the computer generated document released by the White House and posted on the White House website, may have been imported from another unknown source document. The effect of the stamp not being placed on the document pursuant to state and federal laws means that there is probable cause that the document is a forgery, and therefore, it cannot be used as a verification, legal or otherwise, of the date, place or circumstances of Barack Obama's birth.
9. The Cold Case Posse law enforcement investigation into Barack Obama's birth certificate and his eligibility to be president is on-going. The on-going nature of the investigation is due to additional information that has come to light since we held the press conference in March, 2012. As soon as that information has been properly verified by the Cold Case Posse, I will release that information to the public.

Executed this 12 day of June, 2012, in
Maricopa County, Arizona.

School documents listed Barry Soetoro as an Indonesian citizen born in Honolulu, Hawaii on 4 August 1961. Barry's religion was listed as Islam. UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

MONTGOMERY BLAIR SIBLEY,

CASE No.:12-cv-1984

PLAINTIFF,

**PLAINTIFF'S EMERGENCY SECOND
MOTION FOR ORDER TO RELEASE
PRIVACY ACT-PROTECTED RECORDS AND
EXPEDITED CONSIDERATION BASED UPON
PRIMA FACIE EVIDENCE OF DESTRUCTION
OF EVIDENCE RELATED TO OBAMA'S
BIRTH**

VS.

YVETTE ALEXANDER, DON R. DINAN AND
WILLIAM LIGHTFOOT,

DEFENDANTS.

Plaintiff, Montgomery Blair Sibley ("Sibley"), pursuant to 5 U.S.C. §552a(b)(11), moves this Court for an Expedited Order directing the National Archives Record Administration ("NARA") to produce and release the original I-9 arrival records described herein which relate to the nationality of Barack Hussein Obama, II, and which NARA has claimed are documents protected by the Privacy Act of 1974 codified at 5 U.S.C. §552a, and (ii) for expedited consideration of this Motion and for grounds in support thereof states:

I. BACKGROUND

Sibley has served subpoenas duces tecum which seeks Mr. Obama's: (i) Social Security number application, (ii) Selective Service number application, (iii) Passport application, (iv) Harvard Law School and Columbia University admission applications and (v) the originals of the two (2) Certificates of Live Births that he has publicly released. Attorneys have thrown up a number of procedural objections to allowing those records to be released which issues are pending resolution before this Court.

However, one set of records subpoenaed that Mr. Obama's attorneys failed to block were

those kept by the National Archives Records Administration. The records released pursuant to that subpoena is troubling and raises legitimate concerns about Mr. Obama's past and thus his eligibility to be President under Article II of the Constitution.

Pursuant to a subpoena duces tecum, NARA made available to Sibley the "Arrival Records" for August 1 through August 10, 1961, of all passengers arriving in Honolulu, Hawaii. Sibley sought these records given the date of Obama's birth on his publicly-released Certificate of Live Birth of August 4, 1961 in Hawaii to see if he and/or his Mother arrived during that time-frame. If they did, it would prove that Mr. Obama was not born in the United States and as such is not a U.S. Citizen.

The significance of this "arrival form" evidenced can be seen from the arrival record of a three year old in Honolulu on August 8, 1961, a copy of which is attached hereto as Exhibit "A". That arrival record indicates the citizenship of the child.

What NARA produced on December 13, 2012, were two microfilm spools of the arrival records for July 28 through August 1, 1961 and August 8 through August 12, 1961. Attached hereto as Exhibit "B", is a photograph of the boxes those two microfilm spools are stored in which show the dates the spools cover. Even more significant, the date of "August 1" has been altered. It appears that "white-out" was applied and a new date was written over the original date of "August 7, 1961". Proof of that alteration comes from a photograph of the same box taken six months before on or about March 22, 2012 which reveals the date was originally "August 7, 1961". Thus, indisputably the box has been tampered with – a criminal offense.

Moreover, the microfilm of the July 28 spool ends on August 1, 1961 without the notice of "end of roll" that other microfilm spools evidence. Simply stated, someone appears to have tampered with the documents material to the question of the location of Obama's birth and altered NARA

records to conceal that alteration. The records for August 2 through August 7, 1961 are missing.

Title 5 U.S.C. §552a(b) “Conditions of Disclosure” states: “No agency shall disclose any record which is contained in a system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be . . . (11) pursuant to the order of a court of competent jurisdiction.”

Here, the “relevance” under Rule 26(b)(1) of the I-9 arrival records related to the birth of Barack Hussein Obama, II, are manifest as such records will reveal the “evidence of the U.S. nationality” of Barack Hussein Obama, II. That “evidence” will address the seminal question of whether Barack Hussein Obama, II, is indeed a “natural born Citizen” eligible – under Article II, §1, clause 5 of the United States Constitution – to be President. Upon such determination of ineligibility, the Defendants will be legally barred from casting their Twelfth Amendment votes for Barack Hussein Obama, II.

WHEREFORE, Plaintiff respectfully requests an order from this Court pursuant to 5 U.S.C. §552a(b)(11) directing the National Archives Record Administration to produce and release the original I-9 arrival records described herein. Given the evidence of tampering, Plaintiff respectfully requests expedited resolution of this Motion.

RULE 12.I(A) STATEMENT

The undersigned has consulted with Defendants’ counsel who has indicated that he **does/does not** oppose the relief requested herein.

I HEREBY CERTIFY that a true and accurate copy of the foregoing was served by U.S. Postal Service first class mail this December 19, 2012, on Andrew J. December 12, 2013 Los Angeles Times article by Soumya Karlamanga quoting an interview to KHON given by Honolulu Fire Captain Terry Seelig stating that the body of Director of Health Loretta remained in the fuselage of the submerged plane.

Hawaii plane crash fuels Obama 'birther' theories
The lone fatality in a Cessna crash off Hawaii was Loretta Fuddy, the state public health director who verified President Obama's birth certificate.

The birther movement seizes on the news.

By Soumya Karlamangla

December 12, 2013, 7:18 p.m.

When President Obama marched into the White House briefing room with his Hawaiian birth certificate in April 2011, he said: "I know that there's going to be a segment of people for which, no matter what we put out, this issue will not be put to rest."

How right he was. The release of his long-form birth certificate did not eliminate the "birther" movement, which wrongly contends that Obama was born in Kenya and is therefore ineligible to be president. Although conspiracists had demanded its release, once he made public the document it merely shifted the debate. Some birthers accused Obama of forgery, while others turned their focus to his college transcripts in hopes of proving that he had applied for admission as a foreign student. (He had not.)

And this week, birthers seized on a plane crash off Hawaii that killed one person: state public health Director Loretta Fuddy, the woman who verified the authenticity of Obama's birth certificate.

Skeptics turned to social media Thursday to suggest that Obama had played some role in Fuddy's death. Twitter posts included: "The WH tying up loose ends?" "What did she really know?" and "R.I.P. Loretta Fuddy — we'll know the truth about Barack Hussein Obama, regardless."

Donald Trump, a longtime doubter of Obama's birthplace, also weighed in on Twitter: "How amazing, the State Health Director who verified copies of Obama's 'birth certificate' died in plane crash today. All others lived."

That reaction didn't surprise those who study conspiracy theorists.

Mark Fenster, University of Florida law professor who wrote a book on conspiracy theories, said adherents will search for evidence to support their beliefs, and each piece of news can give their theory new life.

"The theories themselves are a process of stitching together individual facts to form a larger narrative, and this is just one more fact that gets linked to the chain," Fenster said.

Fuddy, 65, was among nine people in a Cessna that crashed into the ocean Wednesday, shortly after leaving Kalaupapa Airport on the island of Molokai about 3:15 p.m. The eight others on the plane, including the pilot, were rescued, but Fuddy "remained in the fuselage of the plane," Honolulu Fire Capt. Terry

Seelig told KHON-TV. "It's always a difficult situation when you're not able to get everybody out."

On Thursday, Lt. William Juan with the Maui Police Department said that Fuddy's body had been recovered from the wreckage and that an autopsy would be conducted.

The National Transportation Safety Board is investigating the crash, agency spokesman Eric Weiss said, and a preliminary report should be ready in 10 to 14 days.

The pilot of the Makani Kai Air plane did not call for help, officials said, but radio reception is bad in the area. Makani Kai Air President Richard Schuman said the crash was caused by "catastrophic engine failure."

Fuddy was apparently headed to Honolulu from Kalawao County, a park on the north coast of Molokai and the home of Hawaii's former leper colonies. The director of the health department serves as the mayor of Kalawao County.

Fuddy had been the state's public health director since March 2011. She approved the release of Obama's long-form birth certificate, which is not a public document in Hawaii, at his lawyers' request.

More recently, she had been involved with implementing the Affordable Care Act and the state's gay marriage law, which took effect Dec. 2.

Hawaii's governor praised Fuddy.

"Our hearts are broken. Loretta was deeply loved and respected. She was selfless, utterly dedicated, and committed to her colleagues in the Department of Health and to the people of Hawaii," Gov. Neil Abercrombie said in a statement. "Her knowledge was vast; her counsel and advice always given from her heart as much as from her storehouse of experience."

NTSB: Officials still trying to determine Fuddy's cause of death

This undated image from video provided by the Hawaii Department of Health shows Hawaii Health Department Director Loretta Fuddy.

It could take some time before officials determine exactly how Hawaii Health Director Loretta Fuddy died, said the lead investigator for the Molokai plane crash.

It's common for a cause of death not to be immediately known in these types of investigations, Hawaii-based National Transportation Safety Board investigator Jim Struhsaker said Friday.

Fuddy was the sole fatality out of nine people aboard the Makani Kai Air flight that crashed in the water soon after taking off from Kalaupapa on Dec. 11.

A passenger and the pilot have said they were shocked to hear she didn't survive because she seemed fine in the moments after everyone got out of the plane and waited in the water for help to arrive.

It's been a week since an autopsy was conducted. Fuddy's funeral is scheduled today in Honolulu.

"Most people think cause of death is really simple ... and usually it's not quite that simple," Struhsaker said.

Maui police Lt. William Juan has said the NTSB is involved in determining a cause of death. However, the NTSB says that's up to Maui County.

"I am the lead investigator over the accident but I don't have jurisdiction over the county," Struhsaker said, adding that the NTSB can provide information that will help determine a cause of death.

The investigation involves interviewing the people who were near Fuddy in the water, Struhsaker said.

Meanwhile, Struhsaker was making arrangements to ship the plane's engine in a crate to its manufacturer, Pratt & Whitney Canada, in Montreal, where it will be taken apart for analysis.

"I know this is a priority item for us," he said, but noted it may be after the holidays before it can be examined.

Pilot Clyde Kawasaki said there was a loud bang when the plane lost power in what he described as "catastrophic engine failure."

A salvage dive team recovered the engine from the ocean earlier this week. "The Pacific has had its way with it for five days," Struhsaker said.

The NTSB could issue a preliminary report 10 to 15 days from the crash, said Eric Weiss, a spokesman for the agency in Washington, D.C. A full report with probable cause and recommendations could take between a year and 18 months.

Many questions loom in the death Loretta Fuddy

"We hope that issuing you these copies of your original Certificate of Live Birth will end the numerous inquiries received by the Hawaii Department of Health to produce this document." - Loretta Fuddy

"The dead cannot cry out for justice. It is a duty of the living to do so for them." This quote is attributed to American author Lois Bujold, and should remind us that it is our responsibility to seek truth not just for ourselves, but for those who have been silenced by death.

The precursor to justice is truth. Those who purposely suppress truth, betray justice not only for the dead, but for the living as well. It is in this context that we have a moral obligation to Loretta Fuddy, the director of the Hawaii Department of Health, as well as to every American, to seek the truth of her death as the result of a plane crash on Wednesday.

Loretta Fuddy was the sole fatality of the nine occupants of a 2002 Cessna Grand Caravan single-engine turboprop aircraft that crashed into the ocean shortly after takeoff from Kalaupapa Airport on the island of Molokai in Hawaii. The reports surrounding her death are as murky as the reports of her alleged involvement in the creation of a falsified federal document of unprecedented significance, the Certificate of Live Birth (COLB) of Barack Hussein Obama.

It is alleged that Ms. Fuddy played a key role in the authentication, and perhaps even in the creation of the document that was presented to America as being the certified birth record of a sitting U.S. president. It is that certified record that has been determined by many experts, including those retained by a commissioned law enforcement investigative body, to be a forged and fraudulent document. At the very least, Loretta Fuddy would have been a critical witness in a high crime of treason and other felonies against all Americans. Under these circumstances, is it not mandatory for responsible citizens to question the circumstances of her mysterious death? Do we not have a responsibility as Americans to insist on the truth, considering the current state as well as the fate of our nation?

Research into the death of Loretta Fuddy must begin with her life following her appointment as the director of the Hawaii Department of Health. She was appointed as director by Governor Neil Abercrombie on March 2, 2011. Ms. Fuddy had been acting health director from January, 2011 when the governor's original nominee,

Dr. Neal Palafox, withdrew his name at Abercrombie's request. The circumstances of that political decision remained mired in controversy as well.

Ms. Fuddy's appointment occurred during the groundswell of demands for Obama to produce his long form birth certificate, a document that supposedly resided in the interim chambers of the Hawaii Department of Health. As calls for the release of Obama's records increased, Ms. Fuddy reportedly changed the policy of her department. At some point between mid March through the first week of April, she quietly instituted a policy that would deny requestors the ability to obtain certified copies of their birth certificate, and changed the internal request forms as well. This change served Obama well, as his assistants cited this "longstanding" policy as the reason for being unable to produce the requested documentation. By stealth, Ms. Fuddy was now the sole guardian of birth records.

This policy change resulted in the theatrical production publicly profiled for all to see. Hawaii was granting an exception to Obama and his personal attorney to satisfy the insatiable, if not completely unreasonable demands by the now marginalized and maligned "birthers," a pejorative term made up to characterize anyone who had the audacity to question the bona fides of Barack Hussein Obama. During this play production, arrangements were made for the Hawaii Department of Health to furnish the COLB to Obama's attorney. For reasons for which no one seems to be interested, Corely flew to Hawaii to personally pick up the COLB

Ms. Fuddy's public notoriety was elevated, and her place in history forever memorialized, when she authorized the release of Barack Obama's Certificate of Live Birth (COLB) at his request. On April 25, 2011, she certified that she witnessed the copying of the original COLB. The document that was certified as a true copy by Ms. Fuddy was handed to Judith Corely, Barack Obama's personal attorney, when Corely made a special trip to personally pick up the document instead of sending the document by a private courier, such as Federal Express.

It is that very document that was presented at a press gaggle shortly before 9:00 a.m. ET on April 27, 2011. It is this document that remains at the center of controversy with regard to its authenticity. It is this document, certified by Ms. Fuddy, that a number of experts claim is a blatant forgery. Now, Ms. Fuddy is no longer able to answer any questions about her role in the certification of this document.

It is within this context that every American should consider the potential ramifications of a forgery, especially as it relates to the already questionable background of the man seated in the highest office in America. By extension, it is not unreasonable to question the very suspicious events surrounding the plane crash that took only one life of nine aboard the plane - the life of the very person of significance to the unresolved issue of forgery. While many will correctly assert that accidents happen, and even freak circumstances take place, history also documents the nefarious activity of others related to occurrences of equal import.

Accident report curiosities

First public news reports of the plane crash in which Ms. Fuddy was a passenger began circulating at about 4:00 p.m. local time. The initial details were sketchy as first reports usually

are. However, one eyewitness report originated from the pilot of a plane who observed the wreckage. The pilot reportedly observed eight-(8) people wearing life jackets floating in a field of debris at the approximate location where the plane struck the water. Initial news reports also stated that Ms. Fuddy failed to escape the passenger compartment of the plane, which would support the first and perhaps the most credible eyewitness account, as it came from a trained pilot circling the crash site. An initial statement by the Maui Fire Department also supports the report that Ms. Fuddy never made it out of the plane.

A statement was also made by Honolulu Fire Capt. Terry Seelig, who first reported that there was a fatality, according to KHON News.

“That person remained in the fuselage of the plane. Not much details. Always a difficult situation when you can’t get everyone out, and unfortunately that was the case here.”

KHON-2 News also reported that the plane “crashed in waters a 1/2 mile off of the north shore of Molokai. Specifically, they stated that the Maui Fire Department and two U.S. Coast Guard helicopters quickly got to the scene, rescuing eight-(8) people who got out of the plane.”

Early reports from the same news agency also provided additional insight:

“Nine people were onboard when the plane took off. One person was pronounced dead, three were flown to Honolulu and taken by ambulance to the Queens Medical Center. Another three stayed on Molokai and were hospitalized. The rest did not need any medical help.”

Consider this early report with public statements made by the Hawaii Department of Health. This agency maintained — for nearly four hours after the crash, that Ms. Fuddy and deputy director Keith Yamamoto, also a passenger on the plane, were alive. The significance of this assertion will become evident as the various accounts are considered with what was known at the time of the accident or shortly thereafter.

As already referenced but now stated in more detail, initial news reports announced that “three passengers were pulled from the water by the two Coast Guard helicopters, and Maui fire crews picked up ‘others. One crash survivor swam ashore.”

Despite these eyewitness and official accounts of Ms. Fuddy not making it out of the interior of the downed plane, ABC News reported several hours later the following account:

“In the final moments of her life, Hawaii Health Director Loretta Fuddy clung to the hand of her deputy after a small plane taking them back to Honolulu crashed in the ocean off the island of Molokai.

“In the water, Fuddy held hands with deputy director Keith Yamamoto as he tried to help her relax, said the Rev. Patrick Killilea, who consoled Yamamoto after the ordeal.”

“He recounted how he said he helped Loretta into her life jacket and he held her hand for some time,” the priest said. “They were all floating together and she let go and there was no response from her.”

At first, one might conclude that the “soul count” of survivors from the air by the circling pilot did not include the “swimmer,” thereby explaining the report of “eight-(8) people in life vests” in the water. When considered in the context of that report and the description of the scene offered via radio by the pilot circulating above, however, this theory is inconsistent with the timing of the circling plane.

Among the first news reports, it was disclosed that Fuddy’s deputy Keith Yamamoto, dressed in blue swim trunks and a tee shirt, was seen being driven away from Makani Air’s Honolulu Airport headquarters at about 7:00 p.m. local time, a full hour before the Hawaii Department of Health made the death of Ms. Fuddy public.

Despite the fact that the plane remains unrecovered and lays on the ocean floor of the Pacific, ABC News stated that Makani Kai Air airline owner Richard Schuman determined that “engine failure” was the cause of the crash. This, despite reports from the owner that the crashed plane has no prior reports of mechanical problems. A reasonable person might ask how this could be known without first inspecting the plane, especially since the plane had a clean inspection and maintenance record, according to the same airline owner.

According to reports from Hawaii, it is likely that we might never determine the actual cause of the crash. The reason? Conditions in this area of the ocean “prohibit” investigators from recovering the plane. There is no intention of recovering the airplane, according to various reports.

As detailed above, there are seriously conflicting accounts of the actual fate of Ms. Fuddy that should cause investigators to take notice.

The official working accident report provides the following general information:

Date: 11-DEC-2013

Time: 15:45 LT

Owner/operator: Makani Kai Air

Registration: N687MA

C/n / msn: 208B1002

Fatalities: Fatalities: 1 / Occupants: 9

Other fatalities: 0

Airplane damage: Unknown

Location: Offshore Kalaupapa Airport (PHLU), Kalaupapa, Molokai, HI - United States of America

Phase: Initial climb

Nature: Domestic Scheduled Passenger

Departure airport: PHLU

Destination airport: Honolulu Int'l (PHNL)

Narrative: The Makani Kai Air Cessna 208B Grand Caravan impacted ocean waters shortly after takeoff from Kalaupapa Airport (PHLU), on the island of Molokai in Hawaii. The airplane sustained unreported damage and one of the nine occupants onboard received fatal injuries. The injury status of the remaining eight rescued occupants that were onboard the aircraft have not been disclosed.

Erroneous and conflicting initial reports aside, there are very serious questions surrounding the events of December 11, 2013 in the water off of the island of Hawaii. Factual events seem to be as murky as the water on the ocean floor, where the plane that carried the passengers now rests, and remain as questionable as the authenticity of the documents certified by the sole fatality aboard.

We live in a country where political dissent, once deemed patriotic, is now the equivalent of an act of terrorism. Lies have become the norm and accepted as fact, despite unassailable evidence right in front of us. Small lies have given way to larger lies, as the more enormous the lie, the easier it is to sell to a readily accepting public suffering from attention deficit disorder. In such an environment, is it that unthinkable that a key conspirator in one of the most blatant forgeries could be silenced while others in her company could be disregarded as mere collateral damage?

As written in the beginning, seeking the truth is our moral imperative. The truth of the events of December 11, 2013 did not succumb with Ms. Fuddy, nor is it laying on the ocean floor. The truth still exists, at least for now, with others who are still alive. For them, this might serve as the impetus to assume center stage and disclose what they know, for their ability to draw breath in the future is certainly not guaranteed.

The truth also exists in the actions and evidence amassed over the last two years of Ms. Fuddy's life. My next report will offer insight into those findings, and will also address the curious timing of Ms. Fuddy's death.

Hawaii Plane Crash Blamed on Engine Failure

In the final moments of her life, Hawaii Health Director Loretta Fuddy clung to the hand of her deputy after a small plane taking them back to Honolulu crashed in the ocean off the island of Molokai.

Fuddy, who gained notoriety in 2011 for her role in making President Barack Obama's birth certificate public, was one of nine people onboard the flight that went down Wednesday. She was the only one who died.

In the water, Fuddy held hands with deputy director Keith Yamamoto as he tried to help her relax, said the Rev. Patrick Killilea, who consoled Yamamoto after the ordeal.

"He recounted how he said he helped Loretta into her life jacket and he held her hand for some time," the priest said. "They were all floating together and she let go and there was no response from her."

Coast Guard rescuers who arrived after making the half-hour flight from Oahu to the neighbor island said Thursday that the single-engine turboprop aircraft wasn't visible when they got there, only the nine passengers floating across about a half-mile of water littered with random debris.

The rescuers in two helicopters and an HC-130 airplane said the people were in clusters and acted calm when help arrived.

"I'm sure they were exhausted," Aviation Survival Technician P.J. Ornot said. The passengers were wearing inflatable yellow life jackets, floating on their backs in the water, he said.

Rescue swimmer Mark Peer said when he swam to Fuddy, she was unresponsive and he couldn't find a pulse.

"It was not a good feeling," he said.

The crash occurred when the single engine of the 2002 Cessna Grand Caravan failed soon after it took off from Molokai and made its turn toward Honolulu, said Richard Schuman, owner of Makani Kai Air, operator of the plane.

Schuman said the pilot did his best to get the plane down safely and keep the passengers together in the water. Asked how they survived, he responded: "Will."

"There's only one engine on that plane, and when it quits on you, you just have to deal with it in that moment," he said.

Three passengers were pulled from the water by the two Coast Guard helicopters, and Maui fire crews picked up others. One person swam ashore.

Other details remained sketchy Thursday on how Fuddy, 65, was killed and how the others survived. Molokai General Hospital Vice President Randy Lite said Fuddy's body will remain at the hospital until an autopsy is conducted.

Schuman said he did not yet know why the engine failed because he has not been able to see the plane. The aircraft had no previous problems, he said.

Federal Aviation Administration spokesman Ian Gregor said investigators planned to speak with the pilot, whose name was not released, and some passengers about the crash as they seek more details.

However, the location of the wreckage, combined with wind and wave conditions, likely means it won't be recovered, said NTSB spokesman Eric Weiss.

Gov. Neil Abercrombie said Fuddy was loved and respected.

"Her knowledge was vast, her counsel and advice always given from her heart as much as from her storehouse of experience," he said.

About 100 Health Department employees lined up to pay their respects to Fuddy's family members who attended a gathering in her memory at the department's parking lot Thursday.

Immediately after the crash, Fuddy's body was taken to a care home at Kalaupapa, where Killilea, the pastor of Kalaupapa's St. Francis Church, said he made the sign of the cross on her forehead as she lay on a gurney surrounded by nurses and the distraught Yamamoto.

Three survivors were transported by helicopter to a Honolulu hospital, two declined to be medically evacuated, and three were taken to Molokai General Hospital with minor injuries, officials said.

Molokai hospital staff helped them dry their clothing and gave them a place to rest until they could get rooms at the island's only hotel, Lite said. They checked out of the hotel early Thursday.

No further information was available on the other passengers or the pilot.

Fuddy and Yamamoto were on the flight after an annual visit to Kalaupapa, where the state exiled leprosy patients until 1969. The area is accessible only by plane or mule.

The leprosy settlement on Kalaupapa is still run by the Health Department, though only a few former leprosy patients continue to live there.

The NTSB had no records of accidents for Makani Kai Air dating back to 1962, while the FAA had records of only two minor incidents that resulted in no injuries.

In 2012, a piece of trash got caught in a helicopter causing the pilot to abort takeoff. In 1998, a pilot heard a noise in the main rotor and landed in an open field with no injuries.

Associated Press writers Oskar Garcia and Audrey McAvoy contributed to this report.
