## Stop the "Stimulus"

News reports indicate there may be an effort to pass the nearly **\$1 TRILLION** pork-laden "stimulus" package **TODAY**. We've got to take immediate action to tell the Senate to **VOTE NO** on the "stimulus" plan.

The staff of the conservative group, Our Country Deserves Better Committee, has put together a database of phone numbers, fax numbers, and emails for each Senator. See the listing below, contact the two Senators from your state and if you want, work through the rest of the list as well. In terms of effectiveness, phone calls and faxes are most important, followed by emails.
