Request for investigation

Honorable Congressman Jordan,

Congratulations on becoming the Chair of the House Judiciary Committee. I am requesting your attention in review and investigation of the attached 155 pages file with evidence.

Firstly, as a licensed attorney , I believe that it is warranted for the Judiciary committee to investigate actions of President Biden and his top officials in allowing a spy balloon to traverse the United States and spy on multiple military installations. I believe there is a sufficient basis for the criminal referral and impeachment of President Biden and his top officials, involved in this matter for treason.

18 U.S. Code § 2381 - Treason

"Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be

imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States."

Allowing a foreign spy balloon to spy on the US military installations without impediment represents "giving aid and comfort to the enemy." Further, if financial incentives were received, which were camouflaged as million dollar payments for Hunter Biden's "art" or Hunter Biden's "businesses", that may also call for prosecution for Bribery, Violation of Oath of Office and Public Corruption.

Similarly, Biden's dismantling of Trump's "Stay in Mexico" policy, which led to an invasion of some 5 million illegals, many of whom came from hostile regimes, during two years of Biden's administration might qualify for criminal prosecution for Treason and Violation of oath of Office for Biden, Harris and Secretary of Homeland Security Alejandro Mayorkas.

Further, the attached file shows Barack Obama's use of a stolen Connecticut Social Security number xxx-xx-4425, which was traced to a deceased resident of Connecticut, Harrison J. Bounel. (Obama was never a resident of Connecticut and never had a legitimate reason to use a Connecticut Social Security number). There is a suspicion that the change in the Social Security records was made by the former actuary of the SSA, Harry Ballantyne. The records attached below show Obama using a stolen CT SSN while residing in the White House and it was posted with Obama's tax returns on WhiteHouse.gov. These records originally were not properly redacted and became public knowledge. Similarly, Obama used the social security number of Ballantyne's deceased mother, Lucile Ballantyne. Attached file shows fraud and forgery in other Obama's IDs, such as selective service registration for the US military. Obama's Attorney Generals Eric Holder and Loretta Lynch did not prosecute this matter. It is up to you and the Judiciary committee to investigate this matter and forward it to the Attorney General for

prosecution for fraud and possibly treason of not only Obama, but also of all the high ranking officials who aided and abetted this fraud.

Respectfully,

/s/ Dr. Orly Taitz, ESQ
